INTRODUCTION AND STATEMENT OF LOCAL OBJECTIVES

The Wayne County Housing Authority, hereinafter referred to as PHA, serves as a public housing authority for the purpose of receiving funds from the U.S. Department of Housing and Urban Development (HUD) for the operation and administration of the Section 8 Tenant-Based Housing Choice Voucher (HCV) program. The PHA enters into an Annual Contributions Contract (ACC) with HUD to administer the HCV program requirements on behalf of HUD.

The HCV program is the federal government's major housing program for assisting very low-income families, the elderly, and persons with disabilities. A family is issued a housing choice voucher to find a safe, decent, and sanitary unit of the family's choice, in the private rental market, where the owner agrees to rent the unit under the HCV program. The assisted unit must meet minimum standards of health and safety as determined by HUD and the PHA. The PHA will pay the owner a housing subsidy on behalf of the family and the family is responsible for paying the difference between the housing subsidy and the rent to the owner.

The PHA has developed an Administrative Plan that provides for written policies pertaining to the admissions and continued occupancy of HCV program participants. The Administrative Plan is basically organized in the order of concerns that the PHA encounters in the selection of applicants from the PHA waiting list to reexamining families for continued assistance.

The PHA shall administer the HCV program in compliance with Fair Housing and Equal Opportunities (FHEO), Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (Section 504), as amended, the Americans with Disabilities Act (ADA), HUD regulations, notices/guidance, the PHA Plan, the Administrative Plan, the PHA's Procedures Manual, the PHA Personnel Policy, and state, and local housing laws.

OVERVIEW OF THE PHA

The PHA was established in 1971 and empowered with the responsibility and authority to maintain the Housing Choice Voucher (HCV) program for the County of Wayne, Pennsylvania and jurisdiction in Pike County Pennsylvania.

A. Legal Jurisdiction

The area of operation of the PHA is geographically defined as Wayne and Pike County, PA.

B. Mission Statement

The Wayne County Housing Authority Board of Commissioners, Executive Director and staff are responsible for leading and directing the activities and services of the Authority. All are delivered in a timely manner and are of the highest level of quality. The Wayne County Housing Authority has always maintained a "people-oriented" attitude. We will strive to establish positive relationships with the public, media, public officials, tenants and landlords. The Wayne County Housing Authority must ensure safe, decent, healthy and desirable living environments for all residents and applicants. Management must efficiently and competently

perform day to day tasks necessary to maintain this environment.

Specific duties include:

- 1) Serving the needs of low, very-low and extremely low-income families in Wayne and Pike County;
- 2) Maintaining the availability of decent, safe, sanitary, and affordable housing;
- 3) Recommending and implementing policies established by the Board, screening applicants, selecting residents, lease units to eligible applicants, supporting the Housing Programs under the Authority's jurisdiction, day to day work tasks necessary to maintain contractual agreements between and among the Authority, HUD, landlords and tenants; and
- 4) Finally, the ambition of all Wayne County Housing Authority staff is to meet the immediate needs of our residents, ensure equal opportunity and promote self-sufficiency.

Maintenance must efficiently and effectively repair and maintain Housing Authority property in a timely manner. The Maintenance Department is responsible for routine upkeep of grounds and equipment, "housekeeping" of Authority property in all common areas, routine and emergency repair, and the refurbishing or replacement of mechanical systems, fixtures, appliances and the structures themselves. All staff must protect the physical integrity of the building and will strive for resident satisfaction.

Improved communication among all departments has enhanced the Authority's abilities to handle any inner office, resident and/or landlord problems quickly and efficiently, as well as, eliminate larger problems. By establishing a good rapport with all residents and participants we are confident that our best possible services are being provided to all and these goals are being obtained.

C. Statement of Local Objectives

The following objectives of the PHA support the above mission statement:

- To provide decent, safe, and sanitary living conditions;
- To provide improved living conditions for very low-income families while maintaining their rent payments at an affordable level;
- To promote personal, economic, and social upward mobility to assist HCV participants to make the transition from subsidized to non-subsidized housing; and
- To provide an incentive to private property owners/landlords to rent to low-income families by offering timely assistance payments and excellent service.

D. Organizational Structure

The following are the positions/titles of staff members who are responsible for the administration and implementation of the HCV program:

- Executive Director/CEO
- HCV Deputy Director
- HCV Coordinators
- Project Manager
- Maintenance

E. Section 8 Program Administered

The PHA administers the following Section 8 vouchers and programs:

- Tenant-Based Vouchers

Enables low-income families to lease safe, decent, and affordable privately owned units of the family's choosing.

- Mainstream Vouchers

Mainstream Voucher (also formerly known as Mainstream 5-Year Vouchers or Section 811 Vouchers) are tenant-based vouchers that assist non-elderly persons with disabilities (defined as any family that includes a person with disabilities who is at least 18 years old and not yet 62 years old at the effective date of the initial Housing Assistance Payment (HAP) contract. Mainstream vouchers are administered and regulated under the same program requirements as the HCV program.

- Family Unification Vouchers

The Family Unification Program (FUP) is a program under which housing choice vouchers are provided to two different populations:

1. Families for whom the lack of adequate housing is a primary factor in:

- a. The imminent placement of the family's child or children in out-of-home care, or
- b. The delay in the discharge of the child or children to the family from out-of-home care.

There is no time limitation on FUP family vouchers.

2. Youth at least 18 years old and not more than 24 years old who:

- a. Left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act, and
- b. Are homeless or are at risk of becoming homeless at age 18 or older.

FUP vouchers used by youth are limited, by statute, to 36 months of housing assistance unless the youth meets the requirements to receive an extension of assistance under the Fostering Stable Housing Opportunities (FSHO) amendments.

FSHO provides FUP youth with an extension of the 36-month time limit for up to an additional 24 months if they meet certain requirements.

. Non-competitive Vouchers for Foster Youth to Independence Program (FYI)

1. The PHA has a Memorandum of Understanding (MOU) with the Public Child Welfare Agency (PCWA).
2. The foster youth must be at least 18 and no more than 24 years old, have left foster or will leave care in the next 90 days or be homeless or at risk of becoming homeless at the age of 16 or older.
3. The PHA can request vouchers "on demand" from HUD. Requests can be made one by one or in batches.
4. FYI vouchers last for three years but can be extended for two additional years if the young adult is participating in the Family Self Sufficiency Program and/or working or going to school.

F. Customer Relations

The PHA considers all families, owners/landlord, and HUD as its customers. The goal of the PHA is to respond promptly to the needs of its customers. All contact with the customer and the public will be handled in a professional and courteous manner. The PHA requires complaints to be submitted in writing, except for emergency Housing Quality Standards (HQS) deficiencies.

G. Conflict of Interest

In accordance with the Annual Contributions Contract, Section 16, Conflict of Interest, neither the PHA nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with the HCV program in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of the PHA (except a participant commissioner);
- Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs;
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs; or
- Any member of the Congress of the United States.

Any member of the classes described above must disclose their interest or prospective interest to the PHA and HUD.

The PHA has established written ethical standards of conduct with core values covering conflicts of interest and governing the performance of its employees engaged in the selection, award, and administration of contracts for which program receipts will be or are expended.

The PHA shall adhere to its Conflict-of-Interest policy and shall sanction and/or terminate any officer, employee, or agent for violations consistent with applicable federal, state, or local law.

The conflict-of-interest prohibition may be waived by the HUD field office for good cause.

CHAPTER 1: HCV PROGRAM BACKGROUND AND KEY EVENTS

The HCV program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market.

A. United States Housing Act of 1937

The U.S. Housing Act of 1937 authorized local PHAs established by individual states. The 1937 Act also initiated the public housing program. Local PHAs owned and managed public housing and, at the time the public housing program began, PHAs adopted a production approach to providing affordable housing for low-income families because of the Depression Era emphasis on job creation and slum elimination.

For nearly 30 years, public housing that was owned and managed by local PHAs was the primary source of housing assistance for low-income families. Over time, the federal government strategy for housing assistance shifted from sole involvement by PHAs toward involvement by the private housing sector.

B. Section 23 Leased Housing Program

Implemented in 1965, the Section 23 program was the first PHA administered housing program to use privately owned housing. Under the Section 23 program, PHAs leased units from private owners and sublet them to low-income families. PHAs retained tenant selection, rent collection, and, in some cases, management/maintenance responsibilities.

The Section 8 existing housing program replaced the Section 23 program in 1974. PHAs were required to convert Section 23 assisted units to the Section 8 existing housing program. Only a few developments still need to be converted.

C. Housing Act of 1968

The Section 235 homeownership program and the Section 236 rental program created by the 1968 Housing Act continued the strong movement toward using subsidies in privately developed, privately owned housing.

D. Experimental Housing Allowance Program (EHAP)

The EHAP was the most extensive social program demonstration ever conducted by the federal government. It tested the feasibility of providing housing allowances to eligible families and was conducted in 12 locations between 1971 and 1980. This demonstration was the earliest form of federal tenant-based subsidy. Over a nine-year period, nearly 50,000 households received cash assistance. Participants leased units directly from private owners, and homeowners as well as renters were able to participate at two of the demonstration sites.

E. The Housing and Community Development Act of 1974

The Housing and Community Development Act of 1974, enacted several years after the start of the EHAP, authorized the Section 8 program. This legislation signaled a significant shift in

the federal housing strategy from locally owned public housing to privately owned rental housing. The Section 8 program included two components:

- Section 8 project-based assistance for existing, newly constructed, or rehabilitated housing. These programs replaced the Section 236 programs as the federal government's production programs for privately-owned assisted housing providing housing assistance to families living in specific buildings built or rehabilitated under program contracts; and
- The Section 8 Existing housing program, a newly created housing assistance program to be administered by PHAs provided tenant-based subsidies. Under this program, sometimes called the "finders' keepers" or "certificate" program, families selected their own housing, and the subsidy followed the family when the family moved.

F. The Section 8 Existing Housing Program

Authorized by the 1974 Housing Act, the Section 8 existing housing program, also known as the rental certificate program, was modeled on the EHAP, but had the following key differences:

- Under the rental certificate program, the PHA made subsidy payments directly to the owners on behalf of the family rather than making payments to the family; and
- The rental certificate program imposed a HUD-established ceiling (fair market rent) on the gross rent for a unit leased under the program.

Under the rental certificate program families generally paid 25% of adjusted income toward the rent; in 1983 this family share increased to 30% of adjusted income.

The program grew rapidly and was popular with Congress, local governments, owners, and low-income families because it:

- Provided assistance quickly;
- Allowed family a choice of housing and anonymity;
- Dispersed families throughout the community and did not create projects or site selection problems; and
- Was a relatively inexpensive program, per family assisted.

G. Rental Voucher Program

Authorized by Congress as a demonstration program in 1984, the rental voucher program was formally authorized as a program in the Housing and Community Development Act of 1987. The program was similar to the rental certificate program, but it allowed families more options in housing selection. The key differences between the rental certificate and rental voucher programs were:

- The rental voucher program did not have a fair market rent limitation; and

- The rental voucher program provided assistance to families based on a pre-determined calculation of assistance amount. Depending on the cost of the housing they actually rented, families could pay more or less than 30% of adjusted income toward rent.

H. The Conforming Rules to Combine the Certificate and Voucher Programs

HUD issued three “conforming” rules in 1994, 1995, and 1998 to more closely combine and conform the rental certificate and rental voucher programs to the extent permitted by law.

In July 1994 and July 1995, HUD published the first two parts of a “conforming” rule designed to combine all aspects of the two programs that did not have different statutory requirements. The July 1994 rule established unified admissions rules. The 1995 rule standardized a wide range of other administrative and leasing activities.

A third conforming rule was published in June 1998. It addressed rent reasonableness, the calculation of rent and housing assistance payments, and the use of special housing types.

While these conforming rules made vouchers and certificates as similar as possible under existing legislation, there were still fundamental differences in establishing unit rents and the rent share paid by program participants.

I. The Quality Housing and Work Responsibility Act of 1998 (QHWRA) and Merger of the Certificate and Voucher Programs

In October 1998, Congress passed housing reform legislation, including a full merger of the certificate and voucher programs. This legislation eliminated all differences and required that the subsidy type merge into one HCV program.

In May 1999, HUD published an interim rule providing for the complete merger of the certificate and voucher programs into the new HCV program. The certificate program is to be phased out by October 2001. This interim rule was effective October 1, 1999, which is known as the merger date.

J. Conversion from The Rental Certificate and Rental Voucher Programs to The Housing Choice Voucher Program

The change of assistance from the certificate and voucher program to the HCV program started October 1, 1999. Effective immediately, all rental vouchers and over-FMR certificate tenancies became subject to the requirements of the HCV program. This was possible because the HCV program was modeled on these programs, and the housing assistance payments contracts for those tenancies allowed changes in computing unit subsidy and family share of rent based upon HUD program rules. Unlike the pre-merger voucher program, the HCV program requires families to pay at least 30% of their income toward rent.

Families receiving assistance under the rental certificate program transitioned to housing choice vouchers at the earliest of the following dates: date they move to a new unit with assistance, date they sign a new lease for the same unit, date they agree to convert to housing

choice voucher assistance, or the date of their second annual reexamination on or after October 1, 1999.

K. Housing Opportunities Through Modernization Act of 2016 (HOTMA)

On July 29, 2016, HOTMA was signed into law (Pub. L. 114–201, 130 Stat. 782). HOTMA makes numerous changes to statutes governing HUD programs, including sections 3, 8, and 16 of the United States Housing Act of 1937 (42 U.S.C. 1437 et seq.) (1937 Act). HUD published a rule in the Federal Register on October 24, 2016 (81 FR 73030), announcing which statutory changes made by HOTMA could be implemented immediately and which statutory changes required further action by HUD.

On November 29, 2016 (81 FR 85996), HUD published a Federal Register notice seeking public input on how HUD should determine the income limit for public housing residents pursuant to Section 103 of HOTMA, and this was followed by a July 26, 2018 (83 FR 35490) notice that made some provisions of Section 103 of HOTMA effective.

On January 18, 2017, HUD published a proposed rule (82 FR 5458) that made multiple HOTMA provisions for the Housing Choice Voucher (HCV) program, unrelated to sections 102, 103, and 104, effective and solicited public comment on HUD's implementation methods. The conforming regulatory changes for the HCV program provisions implemented by January 18, 2017, rulemaking is not part of this final rule and are being addressed through a separate rulemaking.

Many of the statutory provisions in HOTMA are intended to streamline administrative processes and reduce burdens on PHAs and owners of housing assisted by Section 8 programs. Sections 102, 103, and 104 of HOTMA require that HUD make changes to its regulations and take other actions - some of which will also reduce burdens on PHAs, and private owners once implemented.

On September 17, 2019 (84 FR 48820), HUD published a proposed rule to update its regulations according to HOTMA's statutory mandate and to implement the provisions of Sections 102, 103, and 104 of HOTMA that require rulemaking. Additional details about the proposed rule may be found at 84 FR 48820 (September 17, 2019). That proposed rule has additional information on the proposed regulatory changes and how they relate to HOTMA. In addition, on December 4, 2020 (85 FR 78295), HUD re-opened public comments on specific provisions dealing with families whose income rises above the new cap for residing in public housing.

On February 14, 2023 (88 FR 9600), HUD published the HOTMA final rule. This final rule follows the publication of September 17, 2019, proposed rule and considers the public comments received, including public comments received in response to HUD's December 4, 2020, notice reopening public comments.

CHAPTER 2: RELATIONSHIP BETWEEN HUD, THE PHA, THE OWNER, AND THE FAMILY

The PHA enters into contractual relationships with three parties: HUD, the owner, and the family. The roles and responsibilities of HUD, the PHA, the owner, and the family are defined in the federal regulations and in the legal documents that the parties execute to participate in the program.

A. Relationship and Controlling Documents in the HCV Program

B. Annual Contribution Contract

The Annual Contributions Contract (ACC) is a written contract between HUD and the PHA. Under the ACC, HUD agrees to make payments to the PHA, over a specified term, for housing assistance payments to owners and for the PHA administrative fee. The ACC specifies the maximum payment over the ACC term. The PHA agrees to administer the program in accordance with HUD regulations and requirements.

HUD's commitment to make payments for each funding increment in the PHA program constitutes a separate ACC. However, commitments for all the funding increments in a PHA program are listed in one consolidated contractual document called the consolidated annual contributions contract (consolidated ACC). A single consolidated ACC covers funding for the PHA's HCV program.

C. Budget Authority

Budget authority is the maximum amount that may be paid by HUD to the PHA over the ACC term of a funding increment. Before adding a funding increment to the consolidated ACC for a PHA program, HUD reserves budget authority from amounts authorized and appropriated by the Congress for the program.

For each funding increment, the ACC specifies the term over which HUD will make payments for the PHA program, and the amount of available budget authority for each funding increment. The amount to be paid to the PHA during each PHA fiscal year (including payment from the ACC reserve account) must be approved by HUD.

D. Roles and Responsibilities

1. Role of HUD:

HUD has four major responsibilities:

- a. Develop policy, regulations, handbooks, notices, and guidance to implement housing legislation;
- b. Allocate housing assistance funds;
- c. Provide technical assistance and training to PHAs; and
- d. Monitor PHA compliance with program requirements and performance goals.

2. Role of the PHA:

The PHA's responsibilities are defined in the consolidated ACC, the HAP contract (form HUD-52641), and in applicable regulations. The PHA administers the HCV program under contract with HUD and has the following responsibilities:

- a. Establishing local policies;
- b. Determining family eligibility and reexamining of family income;
- c. Maintaining the waiting list and selecting families for admission;
- d. Calculating family share of the rent and the amount of the housing assistance payment;
- e. Establishing of utility allowances;
- f. Conducting outreach to owners, with special attention to those with units outside of areas of poverty or minority concentration;
- g. Assisting persons with disabilities in finding satisfactory housing;
- h. Approving units, including assuring compliance with housing quality standards and determining the reasonableness of rent;

- l. Complying with Fair Housing and Equal Opportunity (FHEO) requirements, HUD regulations and requirements, the consolidated ACC, HUD-approved applications for program funding, the PHA's administrative plan, and federal, state, and local laws.

3. Owner Responsibilities

The owner is responsible for performing all the owner's obligations under the HAP contract (form HUD-52641), Tenancy Addendum (form HUD-52641-A), and lease. The owner and/or owner designee (landlord, management agent) has the following responsibilities:

- a. Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit.

The fact that an applicant is or has been a survivor of domestic violence, dating violence, sexual assault, or stalking is not an appropriate basis for denial of tenancy if the applicant otherwise qualifies for tenancy.

- b. Entering into a lease with the family.
- c. Maintaining the unit in accordance with HQS, including performance of ordinary and extraordinary maintenance.
- d. Complying with fair housing and equal opportunity requirements.
- e. Preparing and furnishing to the PHA information required under the HAP contract.
- f. Collecting from the family:

 - 2) The tenant contribution (the part of rent to owner not covered by the housing assistance payment).
 - 3) Any charges for unit damage by the family.
- g. Enforcing tenant obligations under the lease.
- h. Paying for utilities and services (unless paid by the family under the lease).
- i. Providing reasonable accommodation and/or modifications to the unit occupied or to be occupied by a person with disabilities.
- j. Paying all county, real estate and school taxes

4. Obligations of the Family

The term family is used interchangeably with the terms "applicant," "participant," "tenant," and "resident." The Obligations of the Family are stated on the Housing Voucher (form HUD-52646), in the lease, and in the program regulations for housing choice voucher holders. The Obligations of the Family include:

- a. Supplying true and complete required information including:

- c. Allowing PHA Inspections:
- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice.
- d. Violation of Lease:
- 1) The family may not commit any serious or repeated violation of the lease.
 - 2) An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking will not be construed as a serious or repeated lease violation by the survivor, or threatened survivor, of the domestic violence, dating violence, sexual assault, or stalking, or as good cause to terminate the tenancy, occupancy rights, or assistance of the survivor.
- e. Family Notice to Move or Lease Termination:
- The family must notify the PHA and the owner before the family moves out of the unit or terminates the lease on notice to the owner.
- f. Owner Eviction Notice:

 - b) The family must request PHA approval to add any other family member as an occupant of the unit.
 - c) No other person (i.e., nobody but approved members of the assisted family) may reside in the unit.

- 3) If the PHA has given approval, a foster child/adult or a live-in-aide may reside in the unit.
 - 4) The family must promptly notify the PHA if any family member no longer resides in the unit.
 - 5) With the consent of the PHA, Members of the household may engage in legal profit-making activities within the unit, but only if those activities are incidental to the primary use of the unit as a residence.
 - 6) The family must not sublease or sublet the unit
 - 7) The family must not assign the lease or transfer the unit.
- h. Absence from the unit:
- 1) The family must supply any information or certification requested by the PHA to verify that the family is living in the unit, or relating to family absence from the unit, including any PHA-requested information or certification on the purposes of family absences.

- l. Crime by Household Members.
- 1) The members of the household may not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety, or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
 - 2) Criminal activity directly related to domestic violence, dating violence, sexual assault, or stalking, engaged in by a member of a family's household, or any guest or other person under the tenant's control, shall not be cause for termination of tenancy, occupancy rights, or assistance of the survivor, if the tenant or an affiliated individual of the family, is the survivor.

m. Alcohol Abuse by Household Members.

The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

E. Release of Information and Consent by Applicants and Participants

Each member of the family of an assistance applicant or participant who is at least 18 years of age, and each family head of household and spouse, regardless of age, must sign one or more consent forms.

1. Consent Forms Authorization

Assistance applicants and participants are responsible for the signing and submitting of consent forms, including form HUD-9886-A, by each applicable family member.

a. Applicants

The applicants must submit the signed consent forms to the PHA when eligibility is being determined.

b. Participants

On or after January 1, 2024, the participant must sign and submit consent forms at their next annual/regularly scheduled or interim income reexamination.

c. Subsequent Authorization to Release Information and Consent Forms

After all applicants or participants over the age of 18 in a family have signed and submitted a consent form once on or after January 1, 2024, family members do not need to sign and submit subsequent consent forms at the next interim or regularly scheduled income reexamination except under the following circumstances:

- 1) When any person 18 years or older becomes a member of the family, that family member must sign and submit a consent form;
- 2) When a member of the family turns 18 years of age, that family member must sign and submit a consent form within 30 days of the family member turning 18 years of age; or
- 3) As required by HUD or the PHA in administrative instructions.

2. Required Contents of the Consent Forms

Consent forms will be used to request information directly from third parties (e.g., date hired, rate of pay, commissions, bonus, etc.). The consent forms will contain at a minimum:

- a. A provision authorizing HUD and the PHA to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation and to maintain continued assistance under the HCV program; and

- b. A provision authorizing HUD or the PHA, who is responsible for determining eligibility for or the level of assistance, to verify with previous or current employers' income information pertinent to the assistance applicant's or participant's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income return information from the Internal Revenue Service (IRS) and the Social Security Administration (SSA) for the sole purpose of verifying income information pertinent to the assistance applicant's or participant's eligibility or level of benefits;
 - d. A provision authorizing the PHA to obtain any financial record from any financial institution, as the terms financial record and financial institution are defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the PHA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits; and
- 3. HUD-9886-A: Authorization for the Release of Information/Privacy Act Notice

The head of household, spouse, or co-head, regardless of age and adults, 18 years of age and older, will be required to sign the form HUD-9886-A, Authorization for Release of Information/Privacy Act Notice.

 - a. Purposes of Form HUD-9886-A
 - 1) In signing the form HUD-9886-A, the family is authorizing HUD and the PHA to request income information from the sources listed on the form.
 - 2) HUD and the PHA will use this information to verify the family's income, in order to ensure that the family is eligible for assisted housing benefits and that these benefits are set at the correct level.
 - 3) HUD and the PHA may participate in computer matching programs with these sources in order to verify the family's eligibility and level of benefits.
 - b. Form HUD-9986-A Authorizes the Following:
 - 1) HUD and the PHA to request verification of salary and wages from current or previous employers.
 - 2) HUD and the PHA to request wage and unemployment compensation claim information from the State agency responsible for keeping that information.
 - 3) HUD to request certain tax return information from the SSA and U.S. Internal Revenue Service (IRS).
 - 4) The PHA to request verification of any financial record from any financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401)), whenever the PHA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits.
 - c. Sources of Information Obtained

The form HUD-9886-A only authorizes the release directly from employers and financial institutions of information regarding any period(s) within the last five (5) years when assisted housing benefits were received.

1) State Wage Information Collection Agencies (SWICAs)

The form HUD-9886-A is limited to wages and unemployment compensation the family has received when the family received assisted housing benefits.

2) U.S. Social Security Administration (HUD only)

The form HUD-9886-A is limited to the wage and self-employment information and payments of retirement income as referenced at Section 6103(l)(7)(A) of the Internal Revenue Code (IRC).

3) U.S. Internal Revenue Service (HUD only)

The form HUD-9886-A is limited to unearned income (i.e., interest and dividends).

4) Information may also be obtained directly from:

- a) Current and former employers concerning salary and wages; and
- b) Financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the PHA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits.
- c) Information obtained from these sources will be used to verify information that the family provides in determining eligibility for assisted housing programs and the level of benefits.
- d) The form HUD-9886-A only authorizes release directly from employers and financial institutions of information.

4. Effective Dates of Consent Forms and Form HUD-9886-A

Consent forms and form HUD-9886-A will remain effective until the earliest of:

- a. The rendering of a final adverse (denied) decision for an applicant;
- b. The cessation of a participant's eligibility (termination) for assistance from HUD and the PHA; or
- c. The express revocation by the assistance applicant or recipient (or applicable family member) of the authorization, in a written notification to HUD or the PHA.
- d. If the family voluntarily leaves the public housing program, the family's assistance is considered terminated and the signed form HUD-9886-A will no longer be in effect.

5. Criminal Background Check

The PHA will develop and use other consent forms and available resources to obtain criminal background records. These may include federal, state, and local law enforcement agencies, and consumer reporting agencies.

- a. The PHA is authorized to obtain criminal conviction records from a law enforcement agency and may use the criminal conviction records obtained from the law enforcement agency to screen applicants for admission to or continued occupancy in the HCV program.
 - b. State Sex Offender Registration
 - 1) The PHA must carry out background checks necessary to determine whether a member of a household applying for admission to the HCV program is subject to a lifetime sex offender registration requirement under a State Sex Offender Registration program.
 - 2) This sex offender check must be carried out with respect to the state in which the PHA is located and with respect to states where members of the applicant household are known to have resided.
 - c. Crimes and Other Sex Offenses
 - 1) If the PHA obtains criminal records from a state or local agency showing that a household member has been convicted of a crime/sex offense, relevant to applicant screening, lease enforcement, or eviction, the PHA will notify the household of the proposed action to be based on the information and must provide the subject of the record and the applicant or tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information.
 - 2) This opportunity must be provided before a denial of admission, eviction, or lease enforcement action on the basis of such information.
 - d. If at any time during the application process or during program participation, the PHA has a documented reasonable cause (e.g., newspaper articles, credible informants, police reports, etc.) to believe that a household member is engaged in drug-related or violent criminal activity which would pose a threat to the health, safety, or right to peaceful enjoyment of the premises by other residents or PHA employees, the PHA is authorized to obtain a criminal background check of that household member.
 - e. The family will not incur any costs for drug and criminal background check.
6. Penalties from Failing to Sign Consent Forms
- Refusing to sign consent forms prohibits the PHA from requesting and accessing income information and financial records, including generating any EIV reports and using EIV data to verify income.
- a. Deny or Terminate Housing Assistance
- In accordance with the provisions governing the HCV program, if the applicant or participant, or any member of the applicant's or participant's family, does not sign and submit the consent form as required then the:
- 1) Assistance to and admission of an applicant will be denied; or

2) Assistance to, and the tenancy of, a participant will be terminated.

b. Cross References

Individuals should consult the regulations and administrative instructions for the HCV program for further information on the use of income information in determinations regarding eligibility.

7. Penalties for Revocation of Consent Forms

The executed consent forms will remain effective until the family is denied assistance, the assistance is terminated, or if the family provides written notification to the PHA to revoke consent. The PHA will explain to the families the families' right to revoke consent forms and the consequences for the revocation of the consent forms.

- a. Revocation of consent forms prohibits the PHA from requesting and accessing income information, including generating EIV reports and using EIV data to verify income (although the data matches between HUD and other agencies will continue to automatically occur in the EIV system if the family is not terminated from the program).
- b. Without the family's executed consent form, the PHA may not process annual or interim reexaminations of income, including when the family's income decreases and the family requests an interim reexamination to decrease the tenant rent.
- c. If the applicant, participant, or any member of the applicant's or participant's family revokes his/her consent forms, that revocation of the consent forms will result in:
 - 1) Denial of admission for applicants.
 - 2) Termination of assistance for participant families.
 - 3) The participant family will continue to receive assistance after revoking their consent until the next annual reexamination or interim reexamination, whichever occurs first.

Failure for the participant family to sign the consent form at the next annual reexamination or interim reexamination will result in termination of assistance.
 - 4) Denial of admission or termination of assistance is subject to the PHA's informal review or hearing procedures, respectfully.
- d. PHAs will notify their HUD office when an applicant or participant family member revokes their consent.

8. Penalties for Revocation of Financial Consent Form

The PHA will explain to the families the families' right to revoke financial consent forms and the consequences for the revocation of the financial consent forms.

- a. Revocation of financial consent forms prohibits the PHA from requesting and accessing financial records.

- b. Without the family's executed financial consent form, the PHA may not process annual or interim reexaminations of income, including when the family's income decreases and the family requests an interim reexamination to decrease the tenant rent.
- c. If the applicant, participant, or any member of the applicant's or participant's family revokes his/her financial consent forms, with respect to the ability of the PHA to access financial records from financial institutions, that revocation of the financial consent forms will result in:
 - 1) Denial of admission for applicants.
 - 2) Termination of assistance for participant families.
 - 3) Denial of admission or termination of assistance is subject to the PHA's informal review and hearing procedures, respectfully.
 - 4) The PHA will notify the PHA's local HUD office when an applicant or participant family member revokes their consent.
- d. The PHA will notify the PHA's local HUD office when an applicant or participant family member revokes their consent.

9. Family Privacy Rights

It is the PHA's policy to guard the privacy of individual applicants and residents in accordance with the Privacy Act of 1974, and to ensure the protection of those individuals' records maintained by the PHA.

- a. The PHA will not release information to other persons or entities unless the family has signed a release of information or consent form authorizing the PHA to release specific information to the person(s) or entity.
- b. The PHA may release information on amounts owed for claims paid and not reimbursed by the family.
- c. The PHA may release information as required by law to a federal or state agency, law enforcement personnel, or if the PHA has received a court subpoena.
- d. The PHA is required to notify families of the use of computer matching agreements/activities. The PHA must provide the families with the opportunity to refute adverse information before being denied or terminated on the basis of a match.
- e. The PHA must limit use and disclosure of family information obtained through release and consent to purposes directly connected with the program administration (i.e., an adult's Enterprise Income Verification (EIV) data will be released only to that adult. A minor's EIV data may be released to the adult responsible for the minor.).

CHAPTER 3: HE ADMINISTRATIVE PLAN

The purpose of the Administrative Plan is for the PHA to establish policies on matters for which the PHA has discretion to establish local policies where federal regulations or laws do not direct the PHA's actions or decisions.

The PHA will comply with the County of Wayne, Pennsylvania Consolidated Plan and the PHA's Agency Plan. The Administrative Plan is a supporting document to the PHA's Agency Plan and shall be available for public review.

The Administrative Plan shall also comply with the regulations, requirements, notices, and guidance set forth by the HUD, the ACC, the Housing Act of 1937, as amended, Title VI of the Civil Rights Act of 1964 and other civil rights requirements, Fair Housing regulations, the PHA Personnel Policy, applicable Standard Operating Procedures, and all federal, state, and local housing laws.

A. Adoption of the Administrative Plan

The Administrative Plan is a formal document which must be formally adopted by the PHA's Board of Commissioners or other governing body. The Administrative Plan becomes the PHA's official policy governing the HCV program once adopted by the Board of Commissioners.

The PHA shall submit a copy of the Administrative Plan to HUD. HUD may require the PHA to change its policies in the Administrative Plan if the policies are inconsistent with program regulations or requirements. Implementation of the Administrative Plan does not require prior HUD approval.

B. Contents of the Administrative Plan

The PHA Administrative Plan must cover all the PHA's local policies for administration of the HCV program, including the PHA's policies on the following subjects:

1. Selection and admission of applicants from the PHA waiting list, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting lists;
2. Issuing or denying vouchers, including PHA policy governing the voucher term and any extensions of the voucher term. If the PHA decides to allow extensions of the voucher term, the PHA Administrative Plan must describe how the PHA determines whether to grant extensions, and how the PHA determines the length of any extensions;
3. Any special rules for use of available funds when HUD provides funding to the PHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families;
4. Occupancy policies include but are not limited to:

 - c. If the PHA establishes different payment standard amounts for designated areas within its jurisdiction, including exception areas, the criteria used to determine the designated areas and the payment standard amounts for those designated areas. All such areas must be described in the PHA's Administrative Plan or payment standard schedule.
- 15. The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract).
- 16. Special policies concerning special housing types in the program (e.g., use of shared housing).
- 17. Policies concerning payment by a family to the PHA of amounts the family owes the PHA.
- 18. Policies concerning interim reexaminations of family income and composition, the frequency of determinations of family income, and income determinations practices, including whether the PHA will accept a family declaration of assets.
- 19. Restrictions, if any, on the number of moves by a participant family.

20. Approval by the Board of Commissioners or other authorized officials to charge the administrative fee reserve.
21. Procedural guidelines and performance standards for conducting required HQS inspections, including:
 - a. Any deficiency that the PHA has adopted as a life-threatening deficiency that is not a HUD-required life-threatening deficiency.
 - b. For PHAs that adopt the initial inspection non-life-threatening deficiency option:
 - 1) The PHA's policy on whether the provision will apply to all initial inspections or a portion of initial inspections.
 - 2) The PHA's policy on whether the provision will be applied to only some inspections and how the units will be selected.
 - 3) The PHA's policy on using withheld HAP funds to repay an owner once the unit is in compliance with HQS.
 - c. For PHAs that adopt the alternative inspection provision:
 - 1) The PHA's policy on how it will apply the provision to initial and periodic inspections.
 - 2) The specific alternative inspection method used by the PHA.
 - 3) The specific properties or types of properties where the alternative inspection method will be employed.
 - 4) For initial inspections, the maximum amount of time the PHA will withhold HAP if the owner does not correct the HQS deficiencies within the cure period, and the time period after which the PHA will terminate the HAP contract for the owner's failure to correct the deficiencies, which may not exceed 180 days from the effective date of the HAP contract.
 - d. The PHA's policy on charging a reinspection fee to owners.
22. The PHA's policy on withholding HAP for units that do not meet HQS.
23. The PHA's policy on assisting families with relocating and finding a new unit.
24. PHA screening of applicants for family behavior or suitability for tenancy.
25. Whether the PHA will permit a family to submit more than one request for tenancy approval at a time.
26. In the event of insufficient funding, considering any cost-savings measures taken by the PHA, a description of the factors the PHA will consider when determining which HAP contracts to terminate first (e.g., prioritization of PBV HAP contracts over tenant-based HAP contracts or prioritization of contracts that serve vulnerable families or individuals).

C. Organization of this Administrative Plan

This Administrative Plan chronologically introduces the sequence of events experienced by a family participating in the HCV program.

The Administrative Plan begins with outreach and program plans, and proceeds to program participation, including applications and eligibility, leasing, inspections, rent reasonableness, reexaminations, and termination of assistance by the PHA.

This Administrative Plan also includes chapters about financial management, program administration staffing, and program integrity.

The Table of Contents provides a detailed listing of chapter titles and contents.

D. Changes in Laws and Regulations

This Administrative Plan will be interpreted and applied in accordance with applicable federal statutes and HUD regulations and policy guidance. Any conflict between the language of this Administrative Plan and such federal statutes and/or regulations will be resolved in accordance with federal law and policy. Additionally, since the PHA must follow state and local laws in its jurisdiction, this Administrative Plan will be deemed automatically revised should any of those laws or regulations change.

In the event an applicable HUD, state, or local law or regulation is modified or eliminated, the revised law or regulation shall, to the extent inconsistent with this Administrative Plan, automatically supersede this Administrative Plan. To the extent that the change is mandatory (allowing no PHA discretion), the text of this Administrative Plan will be revised without requirement for administrative processing. By approving this provision, the Board of Commissioners understands that they are approving future automatic revisions responding to mandatory changes.

All issues not addressed in this Administrative Plan related to the Section 8 HCV program are governed by the Code of Federal Regulations, HUD handbooks and guidebooks, Federal Registers, memos, notices, guidelines, and other applicable laws.

CHAPTER 4: Nondiscrimination and Equal Housing Opportunities

In making decisions concerning admissions and occupancy, the PHA must comply with the Fair Housing, Equal Housing Opportunities, and civil rights requirements. The PHA is required to make the HCV program available and accessible to all eligible families. The following outlines the PHA's general policy concerning the requirements and specific actions to be taken in the admission and occupancy process.

A. General Policy

The PHA will not discriminate against any person or family because of race, color, sex, religion, creed, national origin, age, familial status, disability/handicap, actual or perceived sexual orientation, gender identity, or marital status in the performance of its obligations during any phase of the occupancy process.

The occupancy process includes, but is not limited to, application processing, selection from the waiting list, determination of eligibility, the lease-up process, moves with continued assistance (including portability), delivery of services, treatment of participants, and denial or termination of assistance.

1. The PHA will abide by the nondiscrimination requirements of:
 - a. The Fair Housing Act of 1988, as amended, 24 CFR part 100
 - b. Title VI of the Civil Rights Act of 1964, (42 U.S.C 2000d-1), prohibits discrimination based on race, color, and national origin in programs and activities receiving federal financial assistance.
 - c. Section 504 of the Rehabilitation Act of 1973, as amended, (29 U.S.C. 794), prohibits discrimination based on disability in federally assisted program or activities.
 - d. Title II of the Americans with Disabilities Act of 1990, (42 U.S.C. 12131-12165), prohibits discrimination based on disability in programs and activities provided or made available by public entities. HUD enforces Title II with respect to housing-related programs and activities of public entities, including public housing, housing assistance and housing referrals.
 - e. Title III of the American with Disabilities Act of 1990, (42 U.S.C. 12181-12189), prohibits discrimination based on disability in the goods, services, facilities, privileges, advantages, and accommodations of places of public accommodations owned, leased, or operated by private entities. The Department of Justice enforces Title III of the ADA, but certain HUD recipients and private entities operating housing and community development programs are covered by Title III of the ADA.
 - f. Age Discrimination Act of 1975 (42 U.S.C. 6101-6107), prohibits discrimination based on age in programs and activities receiving federal financial assistance.

- g. Executive Order 11063, Equal Opportunity in Housing, issued on November 20, 1962, prohibits discrimination in the sale, leasing, rental, or other disposition of properties and facilities owned or operated by the federal government or provided with federal funds.
- h. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (LEP), issued on August 11, 2000, requires each federal agency to take steps to ensure that eligible persons with limited English proficiency are provided meaningful access to all federally assisted and federally conducted programs and activities.
- i. Executive Order 12892, Leadership and Coordination of Fair Housing in Federal Programs: Affirmatively Furthering Fair Housing, issued on January 17, 1994, requires federal agencies to affirmatively further fair housing in their programs and activities, and provides that the Secretary of HUD will be responsible for coordinating the effort.

2. Equal Access Rule

The HCV program is open to all eligible individuals regardless of sexual orientation, gender identity, or marital status.

- a. A private owner that participates in the HCV program becomes subject to the rule when the owner executes a housing assistance payment (HAP) contract with the PHA.
- b. Prohibited Inquiries
 - 1) The PHA and owners are prohibited from inquiring about an applicant's or participant's sexual orientation or gender identity for the purposes of determining eligibility or otherwise making housing available.
 - 2) The individual may voluntarily self-identify their sexual orientation or gender identity.
- c. Permissible Inquiries
 - 1) The PHA is permitted to ask and applicant's or participant's sex to determine the number of bedrooms for which a household may be eligible based on the PHA's written subsidy standards.
 - 2) The PHA must collect and report an HCV program participant's sex through form HUD-50058 and submit the data electronically to the Information Management System/PIH Information Center (IMS/PIC).
 - 3) The PHA may maintain voluntary and anonymous reporting of sexual orientation or gender identity for compliance with data collection requirements by state and local governments or other federal assistance programs so long as information obtained pursuant to such reporting has no bearing on eligibility for housing or program participation.

- d. Program Compliance
 - 1) A PHA's or owner's actions or practices that are inconsistent with the rule could result in HUD's determination that the PHA or owner has failed to comply with program requirements.
 - 2) HUD may pursue any available remedy, including:
 - a) Sanctions or corrective action plans that it deems appropriate to remedy the violation.
 - b) A review of the PHA's or owner's policies and performance to determine if it is complying with the Equal Access Rule.
 - c) Monitoring by PIH or HUD's Office of Fair Housing and Equal Opportunity (FHEO).
 - d) A request for information concerning allegations of noncompliance.
 - 3) The PHA or owner must cooperate with HUD and provide access to staff, records, and beneficiaries as needed.
- 3. The PHA will not, on the grounds of race, color, sex, religion, age, disability, national origin, actual or perceived sexual orientation, gender identity, marital status, or familial status:
 - a. Deny an eligible person or family admission to housing.
 - b. Provide housing assistance, which is different than that provided to others, except for elderly and/or disabled where accessibility features may be required.
 - c. Subject a person or family to segregation or separate treatment.
 - d. Restrict a person's or family's access to any benefit enjoyed by others in connection with housing programs.
 - e. Treat a person or family differently in determining eligibility or other requirements for admission.
 - f. Deny any person or family access to the same level of services provided to others.
 - g. Deny a person the opportunity to participate in a planning or advisory group that is an integral part of the housing programs.

B. Specific Actions

Race, color, or national origin of the family or of PHA staff will not be a factor in the assignment of PHA staff responsible for the administration of the HCV program.

- 1. The PHA will not assign employees in a way that would result in discrimination against applicants or participant families.
- 2. The PHA will ensure that all employees of the PHA are familiar with discrimination and nondiscrimination requirements.

3. Fair Housing posters and housing information with the Equal Opportunity Housing logo shall be displayed in locations throughout the PHA office in such a manner as to be easily readable by persons with disabilities. The PHA will prominently display the posters:
 - a. Each office where applications are accepted; and
 - b. Each management office, except single-family dwellings.
4. Individuals who believe that they have been discriminated against with respect to housing may request and receive assistance from PHA staff in filing such complaints.
5. The PHA will not intimidate, threaten, or take any retaliatory action against any applicant or participant because of a person's participation in civil rights activities, or for having asserted any civil rights under statute, regulations, or requirements pursuant thereto.
6. The PHA will not deny an individual with physical disabilities an opportunity to apply for housing assistance due to inaccessible application offices.
7. The PHA will maintain information on the race, ethnicity (Hispanic or non-Hispanic), sex and age of the head of the household of all applicants and participants.
8. The PHA will not discriminate in the rental of, or otherwise make unavailable or deny, a unit to any person because of the disability of that person, a person residing in or intending to reside in that dwelling after it is rented, or made available, or any person associated with that person.
9. The PHA will not discriminate against any person in the terms, conditions, or privileges of the rental of a unit, or in the provision of services or facilities in connection with such dwelling, because of a disability of that person, a person residing in or intending to reside in that dwelling after it is rented, or made available, or any person associated with that person.
10. The PHA will not make an inquiry to determine whether a person who is applying for housing assistance, a person intending to reside in the assisted unit after it is rented or made available, or any person associated with that person, has a disability, or make an inquiry as to the nature of severity of a disability of such a person.
11. Furthermore, the PHA will not inquire whether a person is "capable of living independently." However, this paragraph does not prohibit the PHA from making the following inquiries, provided that these inquiries are made of all persons, whether or not they are persons with disabilities.
 - a. Inquiry into a person's ability to meet the requirements of tenancy;
 - b. Inquiry to determine whether a person is qualified for a dwelling available only to persons with disabilities or persons with a particular type of disability;
 - c. Inquiry to determine whether a person for a unit is qualified for a priority available to persons with particular type of disability should such priority be a part of the PHA's policy;

- d. Inquiry to determine whether a person for a dwelling is a current illegal abuser or addict of a controlled substance, except that such persons who claim eligibility as disabled due to drug or alcohol abuse alone are not eligible for housing; or
 - e. Inquiry to determine whether a person has been convicted of the illegal manufacture or distribution of a controlled substance, or of any violent crime.
12. The PHA will not require that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals, or whose tenancy would result in substantial physical damage to the property of others.
13. The PHA will ensure that all PHA-property, including buildings, common areas, offices, and office spaces are accessible to persons with disabilities.
14. The PHA will post the TDD/TDY telephone number to facilitate accessibility for the hearing impaired.
15. To further the commitment to full compliance with applicable civil rights laws, the PHA will provide information to HCV program applicants and participants on how to complete and file a housing discrimination complaint if the applicant or participant claims illegal discrimination because of race, color, religion, sex, national origin, age, familial status, disability, or violation of the Equal Access Rule.
16. The PHA will review its policies and procedures, at least annually, to ensure compliance with all Fair Housing civil rights requirements.

C. Reasonable Accommodation and Reasonable Modifications

The PHA will provide a reasonable accommodation, which includes a reasonable modification, as required by Section 504 of the Rehabilitation Act of 1973, the Fair Housing Act of 1988, and Titles I and II of the Americans with Disability Act of 1990.

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination based on disability in programs and activities conducted by HUD or any federal agency that receives financial assistance. When the program is viewed as a whole, it must be usable and accessible to persons with disabilities. The PHA will ensure that persons with disabilities have full access to the PHA's programs and services.

1. Reasonable Accommodation

- a. An exception, change, adaptation, or modification to policies, rules, practices, or services that may be needed by a person with a disability in order to benefit from housing, participate in activities, or perform a job.
- b. There must be a nexus (relationship) between the requested accommodation and the individual's disability.

2. Reasonable Modification

- a. A physical or structural change is needed by a person with a disability to use and enjoy housing or perform a job.

- b. A reasonable modification can be requested for individual units, the workplace, or for public/common use areas.
- 3. Disability in Respect for Reasonable Accommodations:
 - a. A person who has physical or mental impairment that substantially limits one or more major life activities of such individual;
 - 1) The term "substantially limits" suggests that the limitation is "significant" or "to a large degree" and cannot be insubstantial.
 - 2) Physical or mental impairment includes but is not limited to:
 - a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or
 - b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.
 - c) The term physical or mental impairment includes but is not limited to such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance), alcoholism, and Human Immunodeficiency Virus infection.
 - 3) Major life activities are those activities/functions that are of central importance to daily life, such as seeing, hearing, walking, breathing, performing manual tasks, caring for oneself, learning, speaking, and working.
 - b. Has a record of such an impairment;
Means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.
 - c. Is regarded as having such an impairment.
 - 1) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
 - 2) Has a physical or mental impairment that substantially limits one or more major life activities only because of the attitudes of others toward such impairment; or
 - 3) Has none of the impairments defined in paragraph (a) of this section but is treated by a recipient as having such an impairment.
- 4. Requesting Reasonable Accommodation

There must be a nexus (relationship) between the individual's disability and the reasonable accommodation requested.

- a. The PHA will recognize that an individual making a reasonable accommodation request does not need to mention Section 504 of the Rehabilitation Act of 1973 or use the words "reasonable accommodation."
 - 1) The individual making the request for reasonable accommodation must make the request in a manner that a reasonable person would understand it to be a request for reasonable accommodation.
 - 2) The PHA is not obligated to provide reasonable accommodation when it is not requested, even if the need is apparent.
 - b. The PHA will recognize reasonable accommodation requests made orally or in writing.
 - 1) If the request is made orally, the PHA will document that a request for reasonable accommodation was made (clearly noting what is being requested and the request is because of a disability) and provide a copy of the documented request to the individual.
 - 2) The PHA will consider reasonable accommodation requests made orally or requested not using the PHA's preferred forms or procedures for making such requests.
 - c. A request for reasonable accommodation can be made at any time during the application process or during occupancy in the HCV program.
 - d. A request for reasonable accommodation can be made by the individual with disabilities or by someone on behalf of the individual with disabilities.
5. Determination of a Reasonable Accommodation Request

The PHA shall make a reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant or participant with disabilities unless the PHA can demonstrate that the accommodation would impose an undue financial and administrative burden on the operation of PHA's program or fundamentally alter the nature of the program.

a. Verification Procedures

The PHA is entitled to obtain information that is necessary to evaluate whether a requested reasonable accommodation may be necessary because of a disability.

- 1) If the disability is obvious, or otherwise known to the PHA, and if the need for the requested accommodation is also readily apparent or known, then the PHA may not request any additional information about the requester's disability or the disability-related need for the accommodation.
- 2) If the disability is not obvious, or otherwise known, the PHA may request reliable disability-related information that:

- a) Is necessary to verify that the person meets the Section 504 definitions of disability
 - b) Describes the accommodation needed, and
 - c) Shows the relationship between the person's disability and the need for the requested accommodation.
- 3) The PHA may accept a statement by the person with disabilities.
- 4) The PHA may request a statement from a medical or mental health professional who treats the person for their disability:
 - a) A doctor or licensed medical/health professional
 - b) A peer support group
 - c) A social service/disability agency or counselor
 - d) A case manager
- 5) The PHA may not impose expensive or burdensome requirements to "prove" either a disability or need for an accommodation.
- 6) The PHA will keep information regarding a person's disability confidential and will not share the information with other persons unless it is needed to make or assess a decision to grant or deny a reasonable accommodation or unless its disclosure is required by law.
- b. Determining an undue financial and administrative burden must be made on a case-by-case basis involving various factors, such as:
 - 1) The cost of the requested accommodation,
 - 2) The financial resources of the PHA,
 - 3) The benefits that the accommodation would provide to the requester, and
 - 4) The availability of alternative accommodation that would effectively meet the requester's disability-related needs.
- c. In determining whether an accommodation would impose an undue hardship on the operation of the PHA's program, factors to be considered include:
 - 1) The overall size of the PHA's program with respect to number of employees, number and type of facilities, and size of budget;
 - 2) The type of the PHA's operation, including the composition and structure of the PHA's workforce; and
 - 3) The nature and cost of the accommodation needed.
- 6. Approval or Denial of a Request for Reasonable Accommodation
 - a. Approval of Requests for Reasonable Accommodation

- 1) The PHA must approve of the reasonable accommodation and/or make the modification unless doing so is:
 - a) Unreasonable,
 - b) An undue financial and administrative burden on the PHA's programs, or
 - c) Would result in a fundamental alteration in the nature of the PHA program.
- 2) The PHA will meet with the family to discuss the approval:
 - a) How the accommodation will be provided
 - b) When it will be provided
 - c) Advise of any variations to the original request
 - d) Sign a Reasonable Accommodation Agreement form
 - e) Mail determination of notice to the family
- b. Denial of Requests for Reasonable Accommodation
 - 1) The PHA may deny a request for reasonable accommodation or modification if the request:
 - a) Was not made by or on behalf of a person with disabilities, or
 - b) There is no disability-related need for accommodation or modification, or
 - c) The request is unreasonable.
 - 2) The PHA will meet with the family to discuss the denial:
 - a) How determination was made
 - b) Administrative solutions
 - c) Explanation of the process of requesting an informal review/hearing or filing a complaint
 - d) Mail the determination notice to the family

D. Effective Communication

To ensure effective communication with persons with limited English proficiency (LEP) or persons with disabilities who require another form of communication, such as braille or American Sign Language (ASL), the PHA will consider the following factors:

1. Translation of Documents

The PHA will conduct a four-factor analysis as a framework to identify LEP persons who need language services and to what extent, what languages require document translation and interpretation services, and what languages require only interpretation services.

2. Communication Accessibility

- a. The PHA will have TDD/TTY machines or an equally effective communication system accessible for persons who are hearing impaired.
 - b. The PHA will provide ASL interpreters for persons who are hearing impaired if requested as a reasonable accommodation.
 - c. The PHA may provide copies of legal documents and informational materials in large types or available in audio for persons who are visually impaired if requested as a reasonable accommodation.
3. All PHA mailings will be made available in an accessible format upon request as reasonable accommodation.
4. The PHA will assist by orally reading and explaining documents for persons who are unable to read.
5. The PHA will assist in completing forms and other required documents for persons who are unable to write.
6. The PHA will ensure that all PHA documents and the following information are written and/or provided in an accessible, clear, and concise format:
 - a. Marketing and informational material.
 - b. Information regarding the application process.
 - c. Applications for admission and reexaminations (annual and interim).
 - d. All form letters and notices to the families.
 - e. The PHA's general policy regarding reasonable accommodation.
 - f. HCV briefing materials.
 - g. HCV program and any other applicable program rules.
 - h. Information regarding opening, closing, and updating the waiting list.
 - i. All information related to the family's responsibilities and rights (informal reviews/hearings, etc.).

E. Voluntary Compliance Agreement

Should the PHA be required to enter into a Voluntary Compliance Agreement (VCA or Agreement) with HUD, upon execution of the VCA, the PHA will comply with all general provisions, specific provisions, reporting requirements, and recordkeeping requirements noted in the VCA.

CHAPTER 5: VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT (VAWA)

Protects tenants and applicants, and affiliated individuals who are survivors of domestic violence, dating violence, sexual assault, and/or stalking (collectively VAWA violence/abuse) from being denied, evicted, or terminated from housing assistance based on acts of such violence against them. While VAWA, HUD's regulations, HUD forms, and other HUD guidance generally use the term "victim," this policy will use the VAWA 2022 preferred term "survivor," which will have the same meaning as "victim."

A. Who is Eligible for VAWA Protections

For the purposes of VAWA, the term "tenant" shall refer to the assisted family and members of the household on the lease.

1. Only tenants who are assisted by the PHA can invoke VAWA protections that apply solely to tenants.
2. Nondiscrimination and Equal Opportunity Requirements:
 - a. VAWA protections are not limited to women.
 - b. Survivors of VAWA violence/abuse are eligible for protections without regard to sex, gender identity, or sexual orientation.
 - c. Survivors cannot be discriminated against based on any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age.
 - d. As per the HUD's Equal Access Rule, the VAWA protections also cover eligible individuals and families regardless of actual or perceived sexual orientation, gender identity, or marital status.
 - e. Youth under the age of 18 years old living in an assisted household may invoke VAWA protection if the youth is a survivor of VAWA violence/abuse.
3. Citizenship and Immigration Status
 - a. VAWA protections are provided to tenants regardless of citizenship or eligible immigration status.
 - b. Self-Petitioners

Section 214 of the Housing and Community Development Act of 1980 states that HUD may not allow financial assistance to ineligible non-citizens, but assistance must not be denied while verifying immigration status.

 - 1) VAWA also provides protections for "self-petitioners" who are noncitizens and claim to be victims of "battery or extreme cruelty" by their spouse or parent who is a U.S. citizen or lawful permanent resident (LPR).
 - 2) VAWA covers the following types of battery or extreme cruelty: domestic violence, dating violence, sexual assault, and stalking.

- 3) Self-petitioners can indicate that they are in “satisfactory immigration status” when applying for assistance or continued assistance from a Section 214 covered housing provider.
 - a) Satisfactory immigration status means an immigration status which does not make the individual ineligible for financial assistance.
 - b) After the PHA verifies the immigration status in the Department of Homeland Security (DHS) Systematic Alien Verification for Entitlements (SAVE) System, the PHA will make a final determination as to the self-petitioner’s eligibility.
 - 4) Housing assistance and all other VAWA protections will be granted to the self-petitioner throughout the verification process until a final determination of the LPR status is made.
 - 5) If the final determination is to deny the VAWA self-petitioner or the LPR petition, the PHA will alert the petitioner and take actions to terminate the voucher assistance in accordance with existing PHA public housing requirements.
4. Affiliated Individual (replaced family member)
 - a. A spouse, parent, brother, sister, a child of that person, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in care, custody, or control of that individual; or
 - b. Any individual, tenant, or lawful occupant living in the household of that individual.
 5. Live-In Aides
 - a. Live-in aides are entitled to VAWA protections if the live-in aid is an applicant for PHA housing assistance.
 - b. Live-in aides could be an affiliated individual of a tenant and if the live-in aid as an affiliated individual is a victim of domestic violence, dating violence, sexual assault, or stalking.
 - c. The tenant with whom the affiliated individual is associated cannot be evicted or have assistance terminated on the basis that the affiliated individual was a victim of VAWA violence/abuse.
 6. Applicants

VAWA protections also cover applicants when they are applying for admission to the HCV program.

B. Who is Ineligible for VAWA Protections

Guests, unassisted members, and live-in aides of the family are ineligible for VAWA protections that are available only to tenants.

1. As a reasonable accommodation, a tenant can request VAWA protections based on the grounds that the live-in aid is a survivor of VAWA violence/abuse. In addition, other reasonable accommodation may be needed on a case-by-case basis.
2. Where a guest or unassisted member is a survivor of VAWA violence/abuse, a tenant cannot be evicted or have assistance terminated on the basis of the VAWA violence/abuse of the guest or unassisted member.
3. Unassisted members who are also on the lease may qualify by way of the lease for VAWA protections.

C. VAWA Notice of Occupancy Rights and Certification Form

1. The PHA will provide the Notice of Occupancy Rights, form HUD-5380, and the Certification Form, form HUD-5382, to each adult applicant and to each adult participant no later than at each of the following times:
 - a. At the time the applicant is denied assistance or admission;
 - b. At the time the individual is provided assistance or admission;
 - c. With any notification of eviction or notification of termination of assistance; and
 - d. During the 12-month period following December 16, 2016, either during the annual reexamination or if there will be no reexamination for the participant during the first year after the rule takes effect, through other means.
2. In accordance with Executive Order 13166 (Improving Access to Services for Persons with Limited English Proficiency), the PHA shall make available The Notice of Occupancy Rights and the Certification Form in multiple languages.

D. VAWA Notice of Occupancy Rights, HUD-5380

The VAWA Notice of Occupancy Rights explains the VAWA protections for applicants and for participants, including the rights to confidentiality and any VAWA protection limitations.

1. The PHA will provide the VAWA Notice of Occupancy Rights without changes to the core VAWA protections and confidentiality rights.
2. VAWA Protections for Applicants

If the applicant otherwise qualifies for HCV assistance the applicant cannot be denied admission or denied assistance because the applicant is or has been a survivor of VAWA violence/abuse.
3. Protections for Tenants
 - a. If a tenant receives HCV assistance, the tenant may not be terminated from participation or be evicted from the assisted unit because the tenant is or has been a survivor of VAWA violence/abuse.

- b. If a tenant or an affiliated individual of the tenant is or has been the survivor of VAWA violence/abuse by a member of the tenant's household or any guest, the tenant may not be denied rental assistance or occupancy rights under HCV program assistance solely based on criminal activity directly relating to that incident of VAWA violence/abuse.

E. VAWA Certification Form, HUD-5382

The Certification of Domestic Violence, Dating Violence, Sexual Assault, Dating Violence, or Stalking, and Alternative Documentation form is an optional way for survivors to comply with a written request for documentation about an incident or incidents of VAWA violence/abuse.

1. VAWA Certification Form
 - a. Provides that the survivor or someone on the survivor's behalf may complete the form.
 - b. Provides a list of alternative third-party documentation to satisfy a request by a PHA.
 - c. Explains the time for responding to a written request for documentation.
 - d. Describes the confidentiality protections under VAWA.
 - e. Requires that the survivor or someone filling out the form on the survivor's behalf must answer 10 numbered questions and provide a brief description of the incident(s).
 - f. Clarifies that the name of the accused perpetrator does not have to be provided if it is unknown to the survivor or it cannot be provided safely.
 - g. Clarifies that the date and time of the incident should be completed only if known by the survivor.
 - h. Requires the survivor or someone filling out the form on the survivor's behalf to certify the truth and accuracy of the information being provided and explains that false information could be the basis for denial of admission or termination of assistance.
2. The PHA will advise tenants and applicants that when the HUD-5382 is submitted on the survivor's behalf, the submission will take the place of the tenants or applicants submitting their own statement.

F. Certification or Documentation

1. Acceptance of a Verbal Statement
 - a. The PHA is not required to ask for documentation when an individual presents a claim for VAWA protection.
 - b. The PHA may choose to provide benefits to an individual based solely on the individual's verbal statement or other corroborating evidence.
 - c. The PHA will accept a verbal statement of an incident or incidents of VAWA violence/abuse if the PHA was aware of the abuse and encouraged the survivor to request VAWA protections.

2. Requesting Documentation

The PHA may choose to request an individual to document their claim of VAWA violence/abuse.

- a. The PHA must request the documentation in writing.
- b. Providing the survivor, form HUD-5382 does not constitute a written request for the documentation, unless the form HUD-5382 is accompanied by the written notice requesting the documentation.
- c. The survivor may satisfy the PHA's written request for documentation by providing any one of the following:
 - 1) Form HUD-5382; or
 - 2) A document:
 - a) Signed by an employee, agent, or volunteer of a survivor service provider, an attorney, or medical professional or a mental health professional (collectively, "professional") from whom the survivor has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse:
 - b) Signed by the applicant or tenant; and
 - c) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of VAWA violence/abuse that is the ground for protection and remedies under the VAWA Final Rule, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking.
 - 3) A record of a federal, state, tribal, territorial, or local law enforcement agency (may include a policy report), court, or administrative agency; or
 - 4) At the discretion of the PHA, a statement or other evidence provided by the tenant or applicant.

3. Time to Submit VAWA Documentation

- a. The PHA will require submission of documentation within 14 business days after the date that the individual received the written request for documentation.
- b. The PHA may extend this time at its discretion.
- c. During the 14-business day period and any granted extensions of that time, no adverse actions, such as eviction or termination, can be taken against the individual requesting VAWA protection.

4. Third-Party Verification

The PHA shall not require the survivor to provide third-party documentation of survivor status, unless:

- a. More than one tenant or applicant provides documentation to show they are survivors of VAWA violence/abuse and the information in one person's documentation conflicts with the information in another person's documentation; or
- b. Submitted documentation contains information that conflicts with existing information already available to the PHA.
- c. The PHA shall give the tenant or applicant 30 calendar days from the date of the written request to provide such documentation.

G. Limitations of VAWA Protections

The tenant may invoke VAWA protections on more than one occasion and the PHA will not subject additional conditions that would adversely affect the tenant's tenancy because they have invoked VAWA protections. There are no limitations on the number of occasions a survivor can invoke VAWA protections.

1. Nothing in this Chapter limits the authority of the PHA, when notified of a court order, to comply with a court order with respect to:
 - a. The rights of access or control of property, including civil protection orders issued to protect a survivor of VAWA violence/abuse; or
 - b. The distribution or possession of property among members of a household.
2. The PHA may evict or terminate assistance to a tenant for any violation not premised on an act of VAWA violence/abuse that is in question against the tenant or an affiliated individual of the tenant.

The PHA will not subject the tenant who is or has been a survivor of VAWA violence/abuse or is affiliated with an individual who is or has been VAWA violence/abuse, to a more demanding standard than other tenants when determining whether to evict or terminate assistance.

3. The PHA may terminate assistance or evict a tenant if the PHA can demonstrate an actual and imminent threat to other tenants, PHA employees, or those employed at or providing services to the PHA would of be present if that tenant or lawful occupant is not terminated from assistance or evicted.
 - a. An actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame and could result in death or serious bodily harm.
 - b. Words, gestures, actions, or other indicators can be considered an actual and imminent threat.
 - c. In determining whether an individual would pose an actual and imminent threat, the PHA will consider the following factors:
 - 1) The duration of the risk,
 - 2) The nature and severity of the potential harm,

- 3) The likelihood that the potential harm will occur, and
 - 4) The length of time before potential harm will occur.
4. The PHA will utilize termination of assistance or eviction only when there are no other actions the PHA can employ to reduce or eliminate the threat, including but not limited to transferring the survivor to a different unit, barring the perpetrator from the property, and contacting law enforcement to keep the property safe to prevent the perpetrator from acting on a threat.
 5. The PHA will terminate tenancy or assistance to any household member who is the perpetrator of VAWA violence/abuse or who engages in criminal acts of physical violence against family members or others.

H. VAWA Confidentiality

Given the significant safety issues faced by survivors of VAWA violence/abuse, it is critical that the PHA establish or update existing policies to maintain the confidentiality and privacy of survivors who seek protection under VAWA.

1. The PHA shall retain in strictest confidence all information pursuant to VAWA including the fact that an individual is a survivor of VAWA violence/abuse.
2. The PHA shall not allow any individual administering assistance on behalf of the PHA, in the employ of the PHA, or any persons within the PHA's employ (e.g., contractors) to have access to VAWA confidential information unless explicitly authorized by the PHA that specifically call for these individuals to have access to the information under applicable federal, state, or local law.
3. The PHA shall not enter the VAWA confidential information into any shared database or disclose the information to any other entity or individual, except to the extent that the disclosure is:
 - a. Requested or consented to in writing by the individual in a time-limited release;
 - b. Required for use in an eviction proceeding or hearing regarding termination of assistance; or
 - c. Otherwise required by applicable law.
4. Communicating with the Survivor

When communicating with an applicant, participant, or tenant who has requested VAWA protections, the PHA will take precautions to avoid inadvertent disclosure of confidential information to another individual or entity.

- a. The PHA will not leave messages that contain confidential information or refer to VAWA, the VAWA protections, or VAWA violence/abuse on the survivor's voicemail or with other individuals, including members of the survivor's household.

- b. The PHA will not send mail regarding VAWA violence/abuse (e.g., a written request to complete form HUD-5282, or written extension of the 14-business day timeframe to respond to the PHA's request for documentation) to the survivor's address as the perpetrator may have access to the survivor's mail.
- 5. The PHA may employ the following to address the challenges of collecting information from and communicating with survivors of VAWA violence/abuse to avoid unintentional disclosure:
 - a. Conduct the intake session in a private room, where the individual and staff can talk without the risk of other staff or clients overhearing.
 - b. Explain the PHA's information sharing policies.
 - c. Clarify information sharing policies with referring/referral agencies and other service and business partners.
 - d. Communicate to the individual who in the PHA is responsible for handling questions or complaints about confidentiality.
 - e. Work with the tenants to make delivery arrangements of VAWA documents that do not place the survivor at risk.
 - f. Serve individuals off-site as needed or when appropriate.
 - g. Provide adequate time for the individual to review and sign forms.
 - h. Provide reasonable accommodations to permit individuals to follow or access any rules, policies, practices, or services, such as modifying a policy requiring that the survivor come into the office to pick up VAWA documents to instead deliver the form to the survivor.
 - i. Ensuring effective communication with persons with disabilities, e.g., providing sign language interpreters for persons who are deaf, accessible documents and assistance filling out forms for persons with visual impairments or have low vision.
 - j. Provide interpretation and/or documents translated into the appropriate language when necessary for person with limited English proficiency.
 - k. Provide accessible documents or assistance filling out forms for individuals with disabilities. Post confidentiality notices in the intake room and around other areas of the PHA.
 - l. Ensure relevant staff understand confidentiality policies and procedures through regular staff training.
 - m. Post notices about the importance of maintaining confidentiality throughout the office.
 - n. Direct staff to respond to third-party inquiries only after verifying that written client consent has been obtained.
 - o. Maintain distinct phone lines for certain purposes.

- p. Use a PHA post office box to receive written correspondence.
- q. Avoid using language referencing domestic violence or sexual assault in PHA names, program names, organization names, and staff titles.

I. VAWA Prohibition on Retaliation

Provides protections against retaliation for survivors and other persons who oppose acts made unlawful by VAWA, who seek to enforce VAWA's protections, or who participate in enforcement proceedings.

- 1. It is illegal for the PHA to discriminate against any person because that person has opposed any act or practice made unlawful by VAWA's housing provisions, or because that person testified, assisted, or participated in any related matter.
- 2. It is illegal for a PHA to coerce, intimidate, threaten, interfere with, or retaliate against any person who exercises or assists or encourages a person to exercise any rights or protections under VAWA's housing provisions.

J. Right to Report Crimes and Emergencies

Provides protections against actual or threatened penalties for persons requesting law enforcement or emergency assistance.

- 1. Landlords, homeowners, tenants, residents, occupants, and guests of, and applicants for, housing shall have the right to seek law enforcement or emergency assistance on their own behalf or on behalf of another person in need of assistance.
- 2. It is prohibited to penalize or threaten to penalize persons because they request assistance or report criminal activity of which they are a survivor or otherwise not at fault under the laws or policies adopted or enforced by "covered governmental entities," which is any municipal, county, or state government that receives funding under Section 106 of the Housing and Community Development Act of 1974.

K. Compliance Process Review

The PHA is required to establish a VAWA compliance review process.

- 1. The PHA will:
 - a. Incorporate the VAWA compliance review process into its existing compliance review processes where possible,
 - b. Perform the VAWA compliance review on a regular basis, and
 - c. Publicly disclose the VAWA compliance review assessment of the information collected.
- 2. Six Items for Compliance Review

- a. Compliance with requirements prohibiting the denial of assistance, tenancy, or occupancy rights on the basis of domestic violence, dating violence, sexual assault, or stalking;
 - b. Compliance with VAWA confidentiality provisions;

 - a. Individuals and organizations with expertise in the housing needs and experiences of survivors of VAWA violence/abuse; and
 - b. Individuals and organizations with expertise in the administration or management of HUD programs subject to VAWA statutory requirements and protections.

L. VAWA FHEO Enforcement Authority

HUD and the U.S. Department of Justice shall implement and enforce VAWA consistent with, and in a manner that provides, the same rights and remedies as those provided for the Fair Housing Act.

Effective October 1, 2022, individuals who believe their VAWA rights have been violated may file complaints with HUD's Offices of Fair Housing and Equal Opportunity (FHEO) and General Counsel (OGC). The FHEO and OGC will begin investigating such complaints using HUD's existing Fair Housing Act complaint process.

CHAPTER 6: OUTREACH

The goal of the PHA's outreach is to make information about the HCV program available to every eligible family and to attract a sufficient number of owners, including owners with units outside areas of high poverty or minority concentration.

A. Equal Opportunity

The PHA's comprehensive outreach efforts will be accomplished in accordance with the nondiscrimination requirements of federal and state laws, and HUD guidelines for fair housing which include:

1. Analyzing the housing market area to identify and determine the needs of the eligible population groups.
2. Avoiding outreach efforts that prefer or exclude individuals who are members of a protected class.
3. Ensuring outreach efforts include usage of media outlets, including minority media outlets, that reach eligible populations.

B. Family Outreach

The PHA will monitor the characteristics of the population being served and the characteristics of the population in the PHA's jurisdiction and will target outreach efforts to those populations being underserved.

1. The PHA will apply special outreach efforts to reach those families who are least likely to apply such as but not limited to:
 - a. Elderly
 - b. Persons with disabilities
 - c. Families with or without children
 - d. Families with or without income or assets
 - e. Families with limited English proficiency
 - f. Homeless families
 - g. Single individuals
 - h. Survivors of domestic violence, dating violence, sexual assault, or stalking

- a. The opening and closing of the HCV waiting list.
- b. The family may choose any unit inside the PHA's jurisdiction as long as the unit meets program requirements.
- c. How portability works and how it may affect the family's assistance.
- d. The tenant rent is based on the family's income and tenant-paid utilities (except telephone and cable).
- e. A listing of rental property known to be available. These listings show addresses, shopping centers, bus lines, amenities, deposit information, etc., as provided by owners/landlords.
- f. A map which identifies areas of low-poverty and minority concentration.
- g. Information on known available accessible units for families that include a member with disabilities.

4. The PHA methods of outreach to families may include but are not limited to:

- a. Postings on the PHA website and other social media.
- b. U.S. Postal mail outs
- c. Distribute outreach materials to identify local resources such as advocacy groups, community service groups and agencies, elements of city and county governments, and colleges and universities.
- d. Ensure the outreach materials include specific information on where, when, and how to apply for HCV assistance and an explanation of the application procedures.
- e. Post outreach material in places of employment, unemployment offices, welfare offices, Post Offices, grocery stores, community halls, city and county offices, utility companies, day-care centers, Salvation Army offices, laundry facilities and senior citizen centers.
- f. Place news stories in daily and weekly newspapers and other local and minority publications.
- g. Request public service announcements by local radio and television stations of English and other languages common to the area.
- h. Make oral presentations before organizations, groups and agencies that serve the elderly, disabled, homeless, and survivors of VAWA violence/abuse.
- i. Place outreach material in places of worship/faith-based institutions, community centers, city and county bulletins and newsletters.

- j. Encourage families to inform their friends and relatives about the HCV program.

C. Owner/Landlord Outreach

Without the participation of good landlords, families will not succeed in leasing up and staying leased. The PHA will strive to maintain good relations with existing owners/landlords and will encourage new owners/landlords to participate and to make units available for leasing by eligible HCV program families.

The PHA methods for outreach, recruiting, and cultivating relationships with owners and landlords may include but are not limited to:

1. Recruitment on the PHA's website or other social media.
2. U.S. Postal mail outs.
3. Advertise and market the benefits of the HCV program to potential owners/landlords.
4. Hold owner/landlord briefings.
5. Join landlord association groups or attend landlord organizational meetings.
6. HCV program and/or owner newsletter.

D. Expanding Greater Housing Opportunities for Families

The PHA will encourage program participation by owners of units located outside areas of poverty and minority concentration. The families will be informed of areas of where they may lease a unit inside and outside (portability) of the PHA's jurisdiction.

1. Areas of poverty and minority concentration.
 - a. The PHA will use the poverty guidelines established by the Department of Health and Human Services applicable to the family size involved (except in the case of families living in Puerto Rico or any other territory or possession of the United States).
 - b. The PHA will use the U.S. Census to determine whether the census tract is an area of minority concentration.
2. The PHA has prepared maps that show various areas, both within and neighboring jurisdictions, with housing opportunities outside areas of poverty and minority concentration.
3. The PHA has assembled information about job opportunities, schools, and services in areas outside of poverty and minority concentration.
4. The PHA's briefing packet contains either a list of owners who are willing to lease a unit, units available for lease, or other organizations that will assist families find units outside of area of poverty or minority concentration.
5. The PHA has analyzed whether voucher holders have experienced difficulties in finding housing outside areas of poverty or minority concentration and, where such difficulties were found, the PHA has considered whether it is appropriate to seek approval of

exception payment standard amounts in any part of its jurisdiction and has sought HUD approval when necessary.

E. Monitoring and Evaluating Outreach Efforts

The PHA will establish and maintain internal documentation and monitoring procedures that will enable it to analyze the effectiveness of its outreach program.

For example, the PHA may design an appropriate form and, as part of the PHA's application process, ask each applicant how they heard about the HCV program, especially families among the groups identified as the least likely to apply.

Such procedures will assist the PHA in determining the cost effectiveness of each method of outreach, as well as show where the outreach program needs to be improved, discontinued, or emphasized.

The PHA will also conduct other outreach efforts from time to time if it is determined that certain categories of families are not making applications in sufficient numbers.

As needed, the PHA will take affirmative action in marketing the HCV program, to assure that opportunities for program participation are adequately publicized to families identified in the jurisdiction's Consolidated Plan as being expected to reside in the PHA's jurisdiction because of present and planned employment.

CHAPTER 7: WAITING LIST AND TENANT SELECTION

When the PHA receives or acquires an allocation of new voucher funding, the PHA shall establish an application and selection process that will treat applicants fairly, consistently, and will provide an effective method for determining eligibility and selecting the applicants for participation in the HCV program.

A. Waiting List Management

The waiting list is the mechanism used to implement the PHA's preference system and, thus, establishes the order in which admission vouchers are issued to qualified applicants. Setting up and maintaining the waiting list properly is essential to carrying out the HCV program's admissions in accordance with HUD's civil rights and program regulations and the PHA's policies.

1. The PHA must use a single waiting list for admission to the HCV program.
2. Opening the Waiting List

The PHA will announce the opening of the waiting list through public notice.

- a. The notice will comply with HUD fair housing requirements, containing the equal housing opportunity logo and nondiscrimination statement in its message.
- b. The notice will be placed in a local newspaper of general circulation, in a minority publication/media, and in plain view in the application office.
- c. The notice may be posted at locations throughout the community, such as faith-based institutions, public service/government offices, social service agencies, supermarkets, homeless shelters, senior/youth/community centers, the PHA's webpage, and other social media outlets.
- d. The notice will provide a brief description of the HCV program.
- e. The notice will provide details and indicate:
 - 1) The date(s) and time the PHA will accept applications,
 - 2) The method(s) in person and online the PHA will accept applications,
 - 3) The location(s) where the applications may be obtained and accepted, and
 - 4) Any limitations on who may apply (i.e., working families, extremely low-income, etc.).

3. Closing the Waiting List

The PHA shall announce the closing of the waiting list through public notice.

- a. The PHA shall announce the closing of the waiting list using the same methods as used to announce the opening of the waiting list.
- b. The closing of the waiting list may be announced at the same time as when the PHA announced the opening of the waiting list.

- c. The PHA may also announce the closing of the waiting list when the PHA determines that the existing waiting list contains an adequate pool of applicants who will most likely receive assistance within a 12 to 18-month period.
- d. The PHA may close a portion of the waiting list instead of closing the entire waiting list and may only accept applications from families qualifying for a specific local preference.
- e. The PHA will not close a waiting list if closing the list would have a discriminatory effect that would be inconsistent with applicable civil rights laws.

4. Organization of the Waiting List

The PHA will maintain sufficient information that permits the PHA to select applicants from the waiting list in accordance with the PHA's admission policies.

- a. At a minimum, the waiting list must contain the following information for each applicant:
 - 1) Date and time of application;
 - 2) Name of applicant;
 - 3) Family unit size (number of bedrooms for which the family qualifies under the PHA's occupancy standards);
 - 4) Race or ethnic designation of the head of household; and
 - 5) Qualifications for local preferences.
- b. The PHA may include the following additional information:
 - 1) Names of adult members and ages of all members
 - 2) Gender and relationship of all members
 - 3) Street address and phone numbers
 - 4) Mailing address (if different from street address)
 - 5) Amount(s) and source(s) of income received by household members
 - 6) Citizenship/eligible immigration status

5. Waiting List for Different Programs

When the PHA maintains a separate waiting list of its programs, the following regulations apply:

- a. Merger and Cross Listing
 - 1) The PHA will not merge the waiting list for tenant-based assistance with the PHA waiting list for admission to another assisted housing program, including a federal or local program.

- 2) In admission from the merged waiting list, admission for each federal program is subject to federal regulations and requirements for the particular program.

b. Non-merged Waiting List

If the PHA decides not to merge the waiting list for tenant-based assistance with the waiting list for the PHA's public housing program, PBV program or Moderate Rehab program:

- 1) If the PHA's waiting list for tenant-based assistance is open when an applicant is placed on the waiting list for the PHA's public housing program, PBV program or Moderate Rehabilitation program, the PHA must offer to place the applicant on its waiting list for tenant-based assistance.
- 2) If the PHA's waiting list for its public housing program, PBV program or Moderate Rehabilitation program is open when an applicant is placed on the waiting list for its tenant-based program, and if the other program includes units suitable for the applicant, the PHA must offer to place the applicant on its waiting list for the other program.

c. Effect of Application for, Receipt, or Refusal

- 1) The PHA may not take any of the following actions because an applicant has applied for, received, or refused other housing assistance:
 - a) Refuse to list the applicant on the PHA waiting list for tenant-based assistance;
 - b) Deny any admission preference for which the applicant is currently qualified;
 - c) Change the applicant's place on the waiting list based on preference, date and time of application, or other factors affecting selection under the PHA selection policy; or
 - d) Remove the applicant from the waiting list.
- 2) For the purpose of this paragraph, "other housing assistance" means a housing subsidy other than assistance under the HCV program, such as subsidy assistance under a federal housing program (including public housing), a state housing program, or a local housing program.

6. Updating and Purging the Waiting List

The PHA will update and purge its waiting list to obtain current information on interested applicants and to minimize and remove applicants no longer interested in participating in the HCV program.

a. Updating the Waiting List

The PHA will update and purge its waiting list annually to ensure that it is current and accurate.

- 1) The update of the family's circumstances can be generated by the family or the PHA.

- 2) The PHA will require interested applicants to report changes in the following circumstances within 10 days of occurrence.
 - a) Change in contact information (address or phone number)
 - (1) If the applicant fails to notify the PHA of the change of contact information as required, the PHA will not be responsible for the applicant's failure to receive timely waiting list correspondence from the PHA.
 - (2) Notification of a change in address from the U.S. Post Office or other sources other than the applicant is not considered compliance with the requirements to notify the PHA.
 - b) Changes in income
 - c) Changes in assets
 - d) Changes in household composition
 - e) Change in preference claimed
 - 3) The PHA will send a waiting list update letter with an update form, by first class mail, to the last known address that the PHA has on record to each applicant on the PHA's waiting list requesting information regarding their continued interest in maintaining a place on the waiting list and to report any changes in their circumstances.
 - a) The waiting list update letter will include a deadline date by which the applicant must complete and return the waiting list update form to the PHA.
 - b) The applicant will be able to return the waiting list update form to the PHA by mail, email, fax, or in person.
 - c) The PHA does not accept responsibility for mail delays.
 - d) The PHA will notify the applicant in writing if the changes reported on the waiting list update form affect the applicant's position on the waiting list or eligibility for HCV housing assistance.
- b. Removal from the Waiting List
- The PHA will remove the applicant from the waiting list if:
- 1) The applicant fails to respond to the waiting list update letter within the allotted time.

Exceptions: Reasonable accommodations for families which includes a member with disabilities and because of a claim of VAWA violence/abuse.
 - 2) If the waiting list update letter is returned marked "Addressee Unknown."
 - 3) If the waiting list update letter is returned with no forwarding address.

- 4) If the waiting list update letter is returned with a forwarding address, the PHA will mail the waiting list update letter to the forwarding address indicated.
 - a) The second waiting list update letter will include a deadline date by which the applicant must complete and return the waiting list update form to the PHA.
 - b) If the applicant fails to respond to the second waiting list update letter within the allotted time, the applicant will be removed from the waiting list.
 - 5) If the applicant requested in writing that their name be removed from the PHA waiting list.
 - 6) Any member of the applicant family becomes subject to a lifetime registration requirement under a state sex offender registration program.
 - 7) A member of the applicant family perpetrated VAWA violence/abuse. Applicant family members who are survivors of such acts may be considered for admission only if the perpetrator is no longer in the household.
 - 8) The applicant fails to respond to the PHA's request for information or updates.
 - c. The applicant may request an informal review for changes of their position on the waiting list and their removal from the waiting list.
7. Waiting List Interest List
- The PHA does not maintain an HCV waiting list interest list when the HCV waiting list is closed
8. Recorded Wait List Message
- During periods of time when the HCV waiting list is closed, the PHA will not maintain a list of individuals who wish to be notified when the HCV waiting list has reopened. The PHA will not maintain a recorded message providing current information on when the HCV waiting list will or might be reopened.

B. Special Admission (Non-Waiting List)

HUD may provide PHA funding to serve a targeted population living in specified units.

1. The PHA must use assistance for families living in these units.
2. When HUD targets funding assistance for a special populace, the PHA may admit a family that is not on the PHA's waiting list or without considering the family's waiting list position.
3. The PHA must maintain records showing the family was admitted with HUD-targeted assistance.
4. Since HUD specifies the special population, there is no limit to the number of admissions except for the limit as defined by HUD in establishing the special population and funding.
5. The following are examples of the type of special admission program funding that may be targeted for a family living in a specified unit:

- a. A family was displaced because of demolition or disposition of a public housing project;
 - b. A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;
 - c. For housing covered by the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (41 U.S.C. 4101 *et seq.*);
 - d. A non-purchasing family residing in a project subject to a homeownership program (under 24 CFR 248.173); or
 - e. A family displaced because of mortgage prepayment or voluntary termination of a mortgage insurance contract (as provided in 24 CFR 248.165);
 - f. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term; and
6. A non-purchasing family residing in a HOPE 1 or HOPE 2 project

C. Accepting the Application

The PHA will make available and accept applications from interested applicants only during periods when the PHA's HCV waiting list is open.

1. Applying for Assistance

When the HCV waiting list is open, applicants may submit the application to the PHA by:

a. In Person Submission

- 1) The PHA will accept applications in person at the location(s) and during the date(s) and time indicated in the announcement of the opening of the HCV waiting list.
- 2) Reasonable Accommodation
 - a) As reasonable accommodation for persons with disabilities, the application may also be mailed to the applicant and, if requested, it will be mailed in an accessible format.

- 3) Applications submitted in person are date and time stamped when returned to the PHA, fully completed, and signed by the applicant family's head of household.}

b. Online Submission

- 1) The PHA will accept online applications completed and submitted during the dates and time indicated in the announcement of the opening of the HCV waiting list. Online applications can be accessed on the PHA's website at www.wchahousing.com.

- 2) The application submission date and time will be assigned by the online application program.
 - 3) When the waiting list is closed, the online submission for the applications will be disabled.
2. Pre-Application Procedures

A preliminary-application form (pre-application) will be utilized.

 - a. The pre-application contains sufficient information to permit the PHA to conduct a preliminary screening to assess family eligibility or ineligibility and to determine placement on the waiting list.
 - b. The review of the pre-application does not require an interview.
3. Placement on the HCV Waiting List
 - a. When the HCV waiting list has closed, the PHA will use a computer-based lottery system to randomly select from all the pre-applications the predetermined number of all the pre-applications, as noted in the announcement of the opening of the HCV waiting list, for placement on the HCV waiting list. Applicants will be placed on the HCV waiting list based on preferences and date and time of application.
 - b. Pre-applicants Selected for the HCV Waiting List
 - 1) Pre-applicants with preferences will be placed on the HCV waiting list by preference by date of time of pre-application.
 - 2) Pre-applicants with no preference will be placed on the HCV waiting list by date and time of pre-application.
4. Notification of Applicant Status

Based on the information provided by the applicant in the pre-application, the PHA will make a preliminary determination of eligibility or ineligibility.

 - a. If the pre-application determines the family to be potentially eligible, the applicant will be notified:
 - 1) In writing of the date and time of placement on the HCV waiting list.
 - 2) That the family will be required to complete a full application.
 - 3) The information on the pre-application is not verified until the applicant has been selected for final eligibility determination.
 - 4) The approximate amount of time before the final eligibility appointment will be scheduled.
 - 5) Final eligibility will be determined when the full application process is completed, and all information is verified.

- 6) PHA communication will in no way lead the applicants to believe that the estimated date is exact but will stress that the estimated date is subject to several factors that are beyond the PHA's control (i.e., turnover, funding, etc.).
- b. If the pre-application determines the applicant to be ineligible:
 - 1) The PHA will mail a letter of ineligibility to the applicant stating the reason(s) that determined them ineligible, and
 - 2) Include a statement that the applicant has an opportunity for an informal review of the PHA determination.
5. Completion of a Full Application

When the applicant reaches the top of the waiting list, the PHA will:

 - a. Mail the full application packet to the applicant and invite the family to attend an eligibility appointment.
 - b. The eligibility appointments may be scheduled by mail, telephone (appointments made by telephone will be followed up in writing, or email and will provide the applicant with at least 10 calendar days' notice.
 - 1) The PHA requires all household members 18 years of age and older, including the live-in aide (if applicable) to attend the eligibility appointment.
 - 2) In addition to the completed full application packet, the eligibility appointment letter will identify other information and/or documents that the applicant will be required to bring to the eligibility appointment.
 - 3) Reasonable accommodation will be provided upon request for persons with disabilities.
 - c. The applicant will be responsible for completing the full application packet.
 - 1) The PHA will aid in the completion of the application, if requested, as a reasonable accommodation for persons with disabilities, for applicants with Limited English Proficiency, or for applicants who are unable to read and/or write.
 - 2) The head of household, as well as all members of the household over the age of 18 years must sign an application including all required HUD and PHA forms.
6. Requirement to Attend the Scheduled Eligibility Appointment

If the applicant is unable or cannot attend the scheduled eligibility appointment, it is the applicant's responsibility to inform the PHA, in writing or by telephone, prior to the scheduled eligibility appointment

 - a. If the applicant contacts the PHA to reschedule the eligibility appointment, the PHA will reschedule the eligibility appointment and notify the applicant in writing.

- b. If the applicant fails to attend two (2) scheduled eligibility appointments, the PHA will designate the application as inactive, and the applicant will be removed from the waiting list. The applicant may reapply when the waiting list is opened.

Note: As a reasonable accommodation for applicant families which includes a person with disabilities, the PHA will reschedule the eligibility appointment even after the number of failed missed appointment.

7. Final Determination and Notification of Eligibility

- a. After following the verification process per Chapter 11, Verification Requirements, a final determination of eligibility will be made before inviting the applicant to an HCV Family Briefing session for issuance of the housing choice voucher.
- b. The housing choice voucher will not be issued before all eligibility criteria have been met.

8. Applicant Responsibilities

- a. Supply true, accurate, and complete information on the application and consent forms.
- b. Supply any documents and verification as requested by HUD and the PHA.
- c. Attend scheduled application appointments.
- d. Timely inform the PHA, in writing, of changes in address, or any other changes affecting their eligibility.
- e. Timely respond to requests from the PHA to update information on their application and to confirm their continued interest in applying for housing assistance.

D. Local Preferences

The PHA may, but is not required to, establish a system of local preferences for selection of families admitted to the HCV program. The PHA's preferences will be consistent with the PHA Plan and the Consolidated Plan and will be based on local housing needs and priorities that can be documented by generally accepted data sources.

1. The PHA has elected to adopt local preferences subject to HUD requirements

Preferences are only used to establish the order of applicants on the PHA's waiting list.

- a. Preferences
 - 1) Do not impact eligibility for applicants who are otherwise ineligible.
 - 2) Do not change the right of the PHA to adopt and enforce applicant screening criteria.
- b. The PHA shall publicize preferences by posting copies in each office where applications are received, and by furnishing copies to applicants or the public upon request

- c. The PHA will inform and explain to all applicants about the available preferences and will give the applicants an opportunity to claim a preference prior to application submission.
 - d. The PHA may limit the number of applicants that qualify for any local preference.
 - e. The PHA will not deny a local preference, nor otherwise exclude or penalize a family in admission to the HCV program, solely because the family resides in a public housing unit.
 - f. The PHA will not deny an eligible applicant family based on a failure to meet the requirement of a local preference.
 - g. The PHA cannot establish a local preference for families who agree to participate in the Family Self-Sufficiency (FSS) program.
2. The PHA has elected to adopt the following as the local preferences:

PREFERENCES	RANK OR POINT VALUE
Residency	5
Working Families	5
Veteran	6

3. Changes in Preference

Applicants on the PHA's waiting list who did not claim a preference when they applied may experience a change in circumstances that later qualifies them for a local preference, or the reverse may occur.

- a. The PHA will provide written notification to the applicants on the waiting list of any changes to the PHA's adopted local preferences.
- b. The applicant will be given an opportunity to document that they qualify for such local preferences
- c. The PHA will require applicants on the PHA's waiting list to report changes in the local preference within 10 calendar days of occurrence.
- d. If the applicant's local preference status changes, the applicants retain their original date and time of application.
- e. The applicant may move up or down on the waiting list in accordance with the changes in the local preference and date and time of the application.

4. Verification of Local Preferences

The PHA is not required to verify the applicant's local preference at the time of application. The applicant will be placed on the waiting list based on the local preference claimed.

- a. Local preferences will be third-party verified the same way as income, assets, and deductions.
- b. Prior to the applicant receiving HCV assistance, the PHA will verify the applicant's eligibility for the local preference based on the applicant's current circumstances.

5. Denial of Local Preference

If an applicant claims, but does not qualify for a local preference, the PHA will give the applicant an opportunity to show that they qualify for a local preference.

- a. The applicant must provide appropriate documentation to substantiate their qualification for a local preference.
- b. Applicants who cannot provide the appropriate documentation to the PHA will be notified in writing that they do not qualify for a local preference.
 - 1) The written notice will contain: a brief statement of the reasons for determination, and a statement that the applicant has the right to meet with the PHA to review the determination.
 - 2) This request must be received by the PHA no later than 10 calendar days from the postmarked date of the written notice.
- c. If the applicant requests the meeting, the PHA shall designate a PHA staff member to conduct the meeting who is not the person who made the initial determination or reviewed the determination, or a subordinate of that person.
 - 1) A written summary of the meeting will be retained in the applicant's file.
 - 2) A letter informing the applicant of the final determination as to their local preferences status will be mailed within 10 calendar days from the meeting.
- d. If the PHA determines that the applicant does not qualify for the local preference claimed, the applicant will be placed back on the waiting list to be selected by date and time of application
- e. An applicant may exercise other rights if he or she believes discrimination, based on race, color, national origin, sex, religion, age, disability, or familial status contributed to the PHA's decision to deny the local preference.

E. Selection from the Waiting List

As housing choice vouchers become available, the PHA will select applicants from the waiting list to begin the eligibility determination, voucher issuance, and leasing process.

The PHA will select applicants from the waiting in accordance to the local preference(s) claimed by the applicant.

- 1. Selection by Local Preference Aggregated Point/Rank Value
 - a. Applicants with the highest aggregated local preference point/rank value will be selected first.

- b. If more than one (1) applicant have the same highest aggregated local preference point/rank value, the applicants will be selected from the waiting list in accordance to the earliest date and time of application.
 - c. After all applicants with a local preference point/rank value are selected from the waiting list, the PHA will select applicants from the waiting list who did not claim a local preference in accordance to the earliest date and time of application.
- 2. Applicants whose income is greater than 30% of the area's median income may be passed on the waiting list pursuant to the income targeting requirements.
- 3. The PHA will not select families for admission to the HCV program in an order different from the order on the waiting list for the purpose of selecting higher income families for admission to the HCV program over low-income families.
- 4. Family size
 - a. The order of admission from the waiting list will not be based on family size or the family unit size for which the family qualifies under the PHA's subsidy standards.
 - b. If the PHA does not have sufficient funds to subsidize the family unit size of the family at the top of the PHA's waiting list, the PHA may not skip the top family admitting an applicant with a smaller family unit size. Instead, the family at the top of the waiting list will be admitted when sufficient funds are available.
- 5. Admission to the HCV program will not be based on:
 - a. Where the family lives
 - 1) Admission to the HCV program may not be based on where the family lives before admission to the program.
 - 2) However, the PHA may target assistance for families who live in public housing or other federally assisted housing or may adopt a residency preference.
 - b. Where the family will live

Admission to the HCV program may not be based on where the family will live with assistance under the program.
 - c. Family characteristics

The PHA preference system may provide a preference for admission of families with certain characteristics from the PHA waiting list. However, admission to the program may not be based on:

 - 1) Discrimination because members of the family are unwed parents, recipients of public assistance, or children born out of wedlock;
 - 2) Discrimination because a family includes children (familial status discrimination);
 - 3) Discrimination because of age, race, color, religion, sex, or national origin;
 - 4) Discrimination because of disability; or

- 5) Whether a family decides to participate in a family self-sufficiency program.

F. Income Targeting

Pursuant to the Quality Housing and Work Responsibility Act (QHWRA), not less than 75% of the families admitted to the HCV program during the PHA's fiscal year from the PHA's waiting list must be extremely low-income families.

1. A PHA may admit a lower percentage of extremely low-income families during a PHA's fiscal year (than otherwise required) if HUD approves the use of such lower percent by the PHA, in accordance with the PHA Plan, based on HUD's determination that:
 - a. The PHA has opened its waiting list for a reasonable time for admission of extremely low-income families residing in the same metropolitan statistical area (MSA) or non-metropolitan county, both inside and outside the PHA's jurisdiction;
 - b. The PHA has provided full public notice of such openings to such families, and has conducted outreach and marketing to such families, including outreach and marketing to extremely low-income families on the Section 8 and public housing waiting lists of other PHAs with jurisdiction in the same MSA or non-metropolitan area;
 - c. There are not enough extremely low-income families on the PHA's waiting list to fill available slots in the program during any fiscal year for which use of a lower percentage is approved by HUD; and
 - d. Admission of additional very low-income families, other than extremely low-income families to the PHA's tenant-based voucher program will substantially address worst case housing needs as determined by HUD.
2. If the jurisdiction of two (2) or more PHAs that administer the HCV program cover an identical geographic area, the PHAs may elect to be treated as a single PHA for purposes of meeting targeting goals.
3. If a family initially leases a unit outside the PHA jurisdiction under portability at admission to the HCV program, such admission shall be counted against the targeting obligation of the initial PHA (unless the receiving PHA absorbs the portable family into the receiving PHA HCV program from the point of admission).

CHAPTER 8: BASIC ELIGIBILITY REQUIREMENTS

Pursuant to HUD regulation the PHA is permitted to admit only eligible families to the HCV program. To be eligible, the applicant must be a family as defined in 24 CFR 5.403, must be income eligible, and must be a citizen or a noncitizen who has eligible immigration status. In addition, the family must meet the PHA's screening criteria regarding family behavior and suitability for tenancy. These requirements are outlined below.

A. Definition of a Family

The applicant must qualify as a family. The family includes all household members, except the live-in aide and foster children/adults, whose number and characteristics are used to calculate the housing subsidy and payments. A family includes but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

1. A single person, who may be:
 - a. An elderly person, displaced person, disabled person, near-elderly person, or any other single person.
 - b. An otherwise eligible youth who has attained at least 18 years of age and not more than 24 years of age and who has left foster care or will leave foster care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act and is homeless or is at risk of becoming homeless at age 16 or older.
2. A group of persons residing together, and such group includes, but is not limited to:

A family with or without children (a child who is temporarily away from home because of placement in foster care is considered a member of the family).
3. An elderly family
 - a. A family whose head (including co-head), spouse, or sole member is a person who is at least 62 years of age.
 - b. It may include two (2) or more persons who are at least 62 years of age living together, or one (1) or more persons who are at least 62 years of age living with one (1) or more live-in aides.
4. A near-elderly family
 - a. A family whose head (including co-head), spouse, or sole member is person who is at least 50 years of age but below the age of 62; or
 - b. Two (2) or more persons, who are at least 50 years of age but below the age of 62, living together; or
 - c. One (1) or more persons who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
5. A disabled family

- a. A family whose head (including co-head), spouse, or sole member is a person with a disability.
- b. It may include two (2) or more persons with disabilities living together, or one (1) or more persons with disabilities living with one (1) or more live-in aides.
- c. A person with disabilities means a person who:
 - 1) Has a disability, as defined in 42 U.S.C. 423;
 - 2) Is determined, pursuant to HUD regulations, to have a physical, mental, or emotional impairment that:
 - a) Is expected to be of long continued and indefinite duration;
 - b) Substantially impedes his or her ability to live independently, and
 - c) Is of such a nature that the ability to live independently could be improved by more suitable housing conditions; or
 - 3) Has a developmental disability as defined in 42 U.S.C. 6001;
 - 4) Does not exclude persons who have the disease of acquired immunodeficiency syndrome or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome;
 - 5) For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence; and
 - 6) Means "individual with handicaps," as defined in 24 CFR 8.3 of this title, for purposes of reasonable accommodation and program accessibility for persons with disabilities.
- 6. A displaced family

A family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed because of a disaster declared or otherwise formally recognized pursuant to federal disaster relief.
- 7. The remaining member of a tenant family

A family member of an assisted tenant family who remains in the unit when other members of the family have left the unit. The remaining family member is never a live-in aide.
- 8. A family may include two or more individuals who are not related by blood, marriage, adoption, or other operation of law, but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family.
- 9. Joint Custody of Children

The PHA will recognize families who may include family members under the age of 18 who have joint custody arrangements.

- a. Children who live in the unit at least 50% of the time, for whom the family receives a dependent deduction.
- b. Children who lives in the unit at least 50% of the time for whom the family does not receive a dependent deduction.
- c. Children who lives in the unit less than 50% of the time.

B. Definition of a Household

The household includes everyone who will live in the assisted unit. The household members are used to determine the unit size. The PHA may give approval of a live-in aide or foster child(ren)/adult(s) to reside in the unit.

1. Live-In Aide

A family that consists of one or more elderly, near elderly or disabled persons may request that the PHA approve a live-in aide to reside in the unit and provide necessary supportive services for a family member who is a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation to make the HCV program accessible to and usable by the family member with a disability.

- a. A live-in aide is a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who:
 - 1) Is determined by the PHA to be essential to the care and well-being of the person or persons;
 - 2) Is not obligated for support of the person or persons; and
 - 3) Would not be living in the unit except to provide necessary supportive services.
- b. A relative may be a live-in aide, if the relative meets the definition of a live-in aide.
- c. Prior to the PHA approving the request for a person to reside in the assisted unit as a live-in aide:
 - 1) The family must identify a specific person as the live-in aide. The PHA may not approve an unidentified live-in aide.
 - 2) The person must meet the criteria of the definition of a live-in aide.
 - 3) PHA verification of the live-in aide
 - a) The PHA will verify the need for a live-in aide's services from qualified medical, health, or social services/rehabilitation specialists, unless the need is obvious.
 - b) Verification of legal requirements for support includes marriage certificates, court ordered guardianship, or other legal documents requiring the potential live-in aide to be legally responsible for support of the person they care for.
 - c) The PHA will verify the current residency of the potential live-in aide as being elsewhere through prior landlords, rental agreements or leases, rental receipts,

utility bills in the potential live-in aide's name for another address, driver's license or other government issued identification etc.

- d) For a potential relative live-in aide, the PHA will verify whether the relative previously lived outside the unit and moved back solely to take care of the family member.
- d. The person must meet all the PHA's screening criteria, including the criminal history check.
- e. The PHA will generate:
 - 1) The EIV Former Tenant and Existing Tenant Reports for any SSA matches involving another PHA or Multifamily program for the person.
 - 2) The Debts Owed to PHAs Report to determine if the person owes a debt to the PHA, another PHA, or Multifamily program.
 - a) The PHA will follow up on any issues identified.
 - b) The PHA will maintain a report and document the family file.
- f. At any time, the PHA may refuse to approve a particular person as a live-in aide or may withdraw approval if:
 - 1) The person commits fraud, bribery or any other corrupt or criminal acts in connection with any federal housing program; or
 - 2) The person commits drug-related criminal activity or violent criminal activity.
- g. A live-in aide is a household member, not a member of the assisted family, and therefore, the live-in aide only qualifies for occupancy in the assisted unit only as long as the family member needing the supportive services requires the live-in aide's services and remains a family member.
- h. The live-in aide is not a member of the assisted family and is not entitled to continued occupancy under the HCV program as a remaining member.
- i. The PHA will not convert the live-in aide to a family member.
- j. The PHA will not convert a family member to be the live-in aide.
 - 1) Although a live-in aide may have PHA-approved family member(s) live with them in the assisted unit, the PHA must not provide additional bedrooms for the family members of the live-in aide.
 - 2) The PHA must ensure that HQS will not be violated and that there will not be more than two (2) people per bedroom or living/sleeping space.
 - 3) If the approval of additional family members of the live-in aide would result in the violation of HQS, the additional family members of the live-in aide may not be approved.
- k. Income of the live-in aide is excluded from annual income.

- I. Occasional, intermittent, multiple, or rotating care givers typically do not reside in the unit and would not qualify as live-in aides.
2. Foster Children and Foster Adults
 - a. Foster Child
 - 1) A member of the household who meets the definition of a foster child under state law.
 - 2) In general, a foster child is placed with the family by an authorized placement agency (e.g., public child welfare agency) or by judgment, decree, or other order of any court of competent jurisdiction.
 - b. Foster Adult
 - 1) A member of the household who is 18 years of age or older and meets the definition of a foster adult under state law.
 - 2) In general, a foster adult is a person who is 18 years of age or older, is unable to live independently due to a debilitating physical or mental condition and is placed with the family by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.
 - c. Although foster children and foster adults are members of the household (and therefore will be considered when determining appropriate unit size and utility allowance), they are not considered members of the family for purposes of determining either annual and adjusted income or net family assets, nor are the assets of foster adults or foster children taken into consideration for purposes of the asset limitations.
 - d. The PHA must receive documentation from the custodial agency responsible for the placement of the foster child(ren)/adult(s) prior to PHA approval of the foster child(ren)/adult(s) to reside in the assisted unit.
 - e. HQS Violations
 - 1) The PHA must ensure that HQS will not be violated and that there will not be more than two (2) people per bedroom or living/sleeping space.
 - 2) The PHA may not approve the addition of a foster child(ren)/adult to live in the assisted unit if the approval would result in a violation of HQS.
 - 3) As a reasonable accommodation, the PHA may issue the family a voucher to move to make the program accessible to and usable by the family member who is a person with disabilities.

C. Income Eligibility

The applicant's annual income may not exceed the HUD established income limits by family size for the area in which the PHA is located. HUD income limits are published annually and are generally effective on the date of publication.

The applicant's annual income is compared to the applicable HUD income limit to determine eligibility. Income limits apply only at the time of admission and are not applicable for continued occupancy.

1. To be eligible, the applicant family's annual income, at the time of admission to the HCV program, must fall within one of the following categories:

Extremely low-income family: An extremely low-income family whose annual income does not exceed the higher of:

- 1) The poverty guidelines established by the Department of Health and Human Services applicable to the family of the size involved (except in the case of families living in Puerto Rico or any other territory or possession of the U.S.); or
 - 2) Thirty (30) percent of the area median income, as determined by HUD, with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 30% of the area median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.
- a. A very low-income family: A family whose annual income does not exceed 50% of the area median family income, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50% of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.
 - b. A low-income family: A family whose annual income does not exceed 80% of the area median income, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80% of the median income for the area on the basis of HUD's findings that such variations are necessary because of unusually high or low family incomes and who meets one of the following additional criteria:
 - 1) Continuously assisted under the 1937 Housing Act;
 - a) An applicant is continuously assisted under the 1937 Act if the family is already receiving assistance under any 1937 Act program when the family is admitted to the HCV program.
 - b) The PHA has established the following instances when the family may be continuously assisted despite a brief interruption or break between occupancy in one program and admission to the HCV program:

- (1) Temporary residence (180 days or less) in a shelter due to being a survivor of VAWA violence/abuse.
 - 2) A low-income or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing as defined in 24 CFR 248.101;
 - 3) A low-income non-purchasing family residing in a HOPE 1(HOPE for public housing homeownership) or HOPE 2 project (HOPE for homeownership of multifamily units); or
 - 4) A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a project subject to a resident homeownership program under 24 CFR 248.173.
2. When calculating the family's income, including asset income, at the time of admission to the HCV program, the PHA will use anticipated income (current income – i.e., the family's estimated income for the upcoming 12-month period).
3. The family may only use the voucher to lease a unit in an area where the family is income eligible at admission to the program.
 - a. If the PHA has more than one set of income limits within its jurisdiction, the applicable income limit for issuance of a voucher when a family is selected for the HCV program is the highest income limit (for the family size) within the PHA's jurisdiction.
 - b. The applicable income limit for admission to the HCV program is the income limit for the area where the family is initially assisted in the HCV program.
 - c. If the PHA has more than one set of income limits within its jurisdiction, a family whose income is above the income limits in one or more areas of the PHA's jurisdiction may only lease in the area where the family is income eligible.
4. Income Limits Under Portability
 - a. A family utilizing their portability option when first admitted to the HCV program must not exceed the income limits of the receiving PHA.
 - b. Families who are moving into a receiving PHA's jurisdiction under portability and are already program participants do not have to meet the income eligibility requirement of the receiving PHA.
5. Income limit restrictions do not apply to families transferring units within the PHA's jurisdiction under the HCV program.

D. Citizenship and Eligible Immigration Status

Section 214 of the Housing and Community Development Act of 1980 as amended, restricts financial assistance to U.S. citizens, U.S. nationals, and to noncitizens who have eligible immigration status.

1. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to be a U.S. citizen, U.S. national, or be a noncitizen with eligible immigration status.
2. A mixed family includes family members who are U.S. citizens, U.S. nationals, or have eligible immigration status, and family members who do not contend to have eligible immigration status.
 - a. Mixed families receive prorated assistance based on the percentage of family members who qualify for assistance.
 - b. The PHA may not deny assistance to mixed families due to nondisclosure of an SSN by an individual who does not contend to have eligible immigration status.
 - c. There are no HUD regulations which prohibit a mixed family from executing a lease or other legally binding contract. However, if the PHA's jurisdiction is in a state where state law prohibits a single ineligible family from executing a lease or other legally binding documents, the family may not be admitted into the HCV program.

3. Declaration of Citizenship or Eligible Immigration Status

Each family member who contends to be a U.S. citizen, U.S. national, or a noncitizen with eligible immigration status must submit a written declaration signed under penalty of perjury by which the family member declares whether he or she is a U.S. citizen, U.S. national, or a noncitizen with eligible immigration status.

- a. For each adult, the declaration must be signed by the adult.
- b. For each child, the declaration must be signed by an adult residing in the assisted unit who is responsible for the child.

4. Evidence of Citizenship or Eligible Noncitizen Status

Each family member, regardless of age, must submit evidence of citizenship or eligible noncitizen status.

- a. U.S. citizens and U.S. nationals:
 - 1) The evidence consists of a signed declaration of U.S. citizenship or U.S. nationality.
 - 2) The PHA may request other verification such as a verification of place of birth, or other appropriate documentation as specified by HUD or the PHA. Such verifications shall include an original state issued birth certificate with raised seal, Naturalization Certificate or an unexpired passport.
- b. Noncitizens who are 62 years of age or older or will be 62 years of age or older and receiving assistance on September 30, 1996, or applying for assistance on or after September 30, 1996:
 - 1) A signed declaration of eligible immigration status; and
 - 2) Proof of age document.

- c. For all other noncitizens
 - 1) A signed declaration of eligible immigration status;
 - 2) A signed verification consent form; and
 - 3) One of the following categories of eligible immigration status:
 - a) A noncitizen lawfully admitted for permanent residence as an immigrant (includes special agricultural workers granted lawful temporary resident status and noncitizens that indicate they have satisfactory immigration status, such as VAWA self-petitioners, whose verification of eligibility or appeal of a determination as to permanent residence is pending with DHS).
 - b) A non-citizen who entered the U.S. before January 1, 1972, (or such later date as enacted by law), and who:
 - (1) Has continuously maintained residence in the U.S. since then; and
 - (2) Is not ineligible for citizenship, but who is deemed to be lawfully admitted for permanent residence because of an exercise of discretion by the Attorney General.
 - c) A non-citizen who is lawfully present in the United States because of:
 - (1) Refugee status, including those granted Temporary Protective Status (TPS) under the Victims of Trafficking and Violence Protection Act of 2000 (P.L. 106-386) (section 207); or
 - (2) The granting of asylum (which has not been terminated (section 208); or
 - (3) The granting of conditional entry (section 203 (a)(7)) prior to April 1, 1980, because of persecution or fear on account of race, religion, or political opinion, or because of being uprooted by catastrophic national calamity.
 - d) A non-citizen who is lawfully present in the United States because of an exercise of discretion by the Attorney General for emergent reasons or reasons deemed strictly in the public interest (section 221(d)(5)) (e.g., parole status).
 - e) A non-citizen who is lawfully present in the United States because of the Attorney General's' withholding deportation (section 243(h)) (threat to life or freedom).
 - f) A non-citizen lawfully admitted for temporary or permanent residence (245A) (amnesty granted).

B. Denial of Admission for Criminal Activity and Alcohol Abuse

HUD regulations allow the PHA to prohibit admission for certain criminal activities, including alcohol abuse, or based on the preponderance of evidence that a household member has engaged in such activities.

1. The PHA will deny admission to the HCV program when:
 - a. A household member has been evicted from federally assisted housing within the last five (5) years for drug-related criminal activity. However, the PHA may admit the household if the PHA determines:
 - 1) That the evicted household member who engaged in the drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the PHA; or
 - 2) That the circumstances leading to eviction no longer exist (for example, the criminal household member has died or is imprisoned).

- b. Any household member is subject to a lifetime registration requirement under a state sex offender registration program.
 - 1) During the screening process, the PHA will request for law enforcement to perform a criminal background check to determine whether any household member is subject to a lifetime sex offender registration requirement in the state where the housing is located and in other states where the household members are known to reside.
 - 2) The PHA will use the Dru Sjojin National Sex Offender Public Website (www.nsopw.gov) to search for a household member's sex offender registration. NSOPW is in partnership between the U.S. Department of Justice and state, territorial, and tribal governments.
- c. Any household member has been convicted of manufacturing or producing methamphetamine on the premises of any federally assisted housing (including the building or complex in which the unit is located and associated common areas and grounds).
- d. The PHA determines that any household member is currently engaging in illegal use of a drug or the PHA has determined that it has reasonable cause to believe that a household member's illegal drug or alcohol abuse or pattern of illegal drug or alcohol abuse may threaten the health, safety or right to peaceful enjoyment of the premises by other residents. However, the PHA may admit the household if the PHA determines:
 - 1) Such a household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully.
 - 2) For this purpose, the PHA may require the applicant to submit evidence of the household member's current participation in, or successful completion of a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.
- 2. Evidence of Criminal Activity

The PHA may deny admission to the HCV program for criminal activity by a household member as authorized if the PHA determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been convicted for such activity.

 - b. The PHA shall consider a reasonable time before admission to the HCV program as five (5) years after the date of the most recent conviction of any household member.
 - c. Evidence of criminal activity shall be defined as a preponderance of evidence for criminal activity.
 - d. Currently engaging in illegal use of a drug shall be defined as within 12 months/365 days from the date the PHA discovered the use of the illegal drug.
 - 1) This includes the use of state legalized marijuana for medical or recreational use.
 - 2) The Controlled Substances Act (CSA) list marijuana as a Schedule 1 drug.
 - 3) Federal regulations require the PHA to deny admission to persons based on the illegal use of a controlled substance.
 - e. Reasonable causes shall be determined by a preponderance of evidence of illegal use of a drug charge or other criminal activity.
 - f. The PHA may determine the use of an illegal drug through preponderance of evidence of a drug-related charge.
 - g. The PHA shall determine involvement in criminal activity through the preponderance of evidence for criminal activity.
 - h. The time of ineligibility for admission for other drug-related or other criminal activities shall be five (5) years from the date of the conviction.
 - i. There is no period of time concerning the conviction of a drug-related charge for manufacturing, production, or distribution of methamphetamine on the premises of federally assisted housing. Such household member(s) being convicted of this offense will always be denied admission.
 - j. If admission is denied due to information received on a criminal record check, the applicant upon request, may review the findings of the report. After review, the criminal record check is then destroyed by the PHA.

C. Denial of Admission Based on Consumer Reporting Agency Criminal Reports

1. If the PHA obtains the criminal background report from a consumer reporting agency (CRA), the provision of the Fair Credit Reporting Act applies.
2. If a PHA denies assistance based in part on a report obtained from a CRA, the notice must include:

D. Consideration of Circumstances before Denial of Admission

The PHA may consider all specific circumstances of each application in determining whether to deny admission because of a family's action or failure to act by members of the family.

In the event unfavorable information with respect to an applicant is received, circumstances the PHA may consider include but are not limited:

1. Time, nature, and extent of applicant's conduct, and factors which might indicate a reasonable probability to favorable future conduct or financial responsibility.
2. If the family includes a person with disabilities, the PHA decision concerning such action is subject to consideration of reasonable accommodation.
3. The effects of the denial of admission on other family members who were not involved in the action or failure to act.
4. The extent of participation or culpability of the individual family members.
5. The seriousness of the offending action.
6. The likelihood of reoccurrence of the action or failure to act.
7. Age of the individual at the time of criminal activity.
8. Length of time since conviction.
9. An applicant who is a survivor of VAWA violence/abuse afforded certain protections pursuant to the Violence Against Women Reauthorization Act of 2013.
10. Evidence of successful completion of an appropriate rehabilitation program for drug or alcohol-related problems (requiring certification from a health professional, or state certified program). The applicant or family may be required to provide evidence of otherwise being rehabilitated successfully (i.e., participation in AA, ALANON, or other drug/alcohol support group).
11. Sufficient evidence may consist of a certification by a household member with supporting documentation (verified by the PHA) from one of the following sources: probation officer, social service agency, criminal records.

12. For an admission decision based on illegal use of drugs or alcohol abuse by a family member who no longer engages in such behavior, the PHA may consider whether the member: has successfully completed a rehabilitation program, is currently participating in a rehabilitation program or otherwise been successfully rehabilitated. The PHA will require the family member to submit evidence of such rehabilitation.
13. Mitigating circumstances
 - a. If unfavorable information about an applicant is received, the applicant will be provided an opportunity to present mitigating circumstances.
 - b. The PHA shall have the right to verify the information or to request further information which is reasonably needed to verify the mitigating circumstances.
 - c. Consideration of mitigating circumstances does not guarantee that the applicant will be eligible for admission.
14. The PHA may impose, as a condition of admission to the HCV program for other family members, a requirement that family members who participated in or were culpable for the action or failure to act will not reside in the unit.
15. The PHA's denial of admission actions will be consistent with Fair Housing and Equal Opportunity provisions and protections for survivors of VAWA violence/abuse.

CHAPTER 10: DETERMINATION OF INCOME

The PHA will not devise or implement income or rent determination, verification, or other related policies or procedures in a way that discriminates against persons based on race, color, national origin, sex, religion, familial status, and perceived or actual disability.

A. Annual Income

Effective July 1, 2025, Income is defined by HUD regulations and is further interpreted in HUD notices and memorandums that must be followed. However, there are policy decisions that are needed to assure consistent interpretation of HUD regulations.

1. Annual income includes, with respect to the family:
 - a. All amounts, not specifically excluded received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse of the head of household, plus unearned income by or on behalf of each dependent who is under 18 years of age;
 - b. All amounts received by the head of household, spouse, co-head, including the income of a day laborer, independent contractor, and seasonal worker is still considered income under 5.609(b)24, even if the source, date or amount of the income varies, regardless of age, unless otherwise excluded ; and
 - c. When the value of net family assets exceeds \$50,000 (adjusted annually for inflation) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook saving rate (a figure that is adjusted annually for inflation), as determined by HUD.

Note: Annual income includes all amounts received, not the amount the family may be legally entitled to receive but which the family does not receive.
- d. Annual income does not include amounts which are specifically excluded.
2. Annual income is used to determine whether an applicant family is within the HUD income limits at admission and the level of continued benefits for the family.

B. Earned Income

Means income or earnings from wages, tips, salaries, other employee compensation, and net income from self-employment. Earned income does not include any pension or annuity, transfer payments (meaning payments made or income received in which no goods or services are being paid for, such as welfare, social security, and governmental subsidies for certain benefits), or any cash or in-kind benefits.

C. Unearned Income

Means any annual income that is not earned income.

D. Income Inclusions

Annual income includes but is not limited to:

1. Business Ownership/Self-Employment

Gross income a family member receives through self-employment or the operation of a business.

- a. Gross income is all income amounts received into the business, prior to the deduction of business expenses.
- b. Net income from the operation of a business or profession.
 - 1) The net income from self-employment or the operation of a business is considered income.
 - 2) Net income is the gross income amount minus business expenses that allows the business to operate.
 - 3) Except that the following shall be considered income to a family member:
 - 4) Expenditures for business expansion or amortization of capital indebtedness are not deductible when determining the income from a business
 - 5) An allowance for the depreciation of assets used in a business or profession may be deducted, based on a straight-line depreciation, as provided in IRS's regulations.
- c. Any withdrawal of cash or assets from the operation of a business is income except to the extent that such withdrawal is to reimburse the family member for cash or assets that the family has invested in the operation of the business.

2. Include all actual income derived from all net family assets.

3. Public Assistance

a. Public assistance includes:

1) General Assistance

Payments made under a financial or medical assistance program(s) provided by a state, tribe, or local government jurisdiction.

2) Temporary Assistance to Needy Families (TANF)

- a) A benefit designed to meet a family's ongoing basic needs, which includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses) .
- b) Supportive services such as transportation and childcare are provided to families who are not employed.

- b. Special calculations must be made for benefits received in "as paid" state or local programs.
 - 1) "As paid" programs are those in which the family receives a specific amount for shelter and utilities and the amount is adjusted based upon the actual amount the family pays for shelter and utilities.
 - 2) In "as paid" programs, the amount of welfare assistance income shall consist of:
 - a) The amount of the grant exclusive of the amount specifically designated for shelter and utilities; plus
 - b) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount counted, as income is the actual amount received.

4. Imputed Welfare Income

The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

- a. A specified welfare benefit reduction is a reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of:
 - 1) Fraud by a family member in connection with the welfare program; or
 - 2) Noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.
- b. A specified welfare benefit reduction does not include a reduction or termination of welfare benefits by the welfare agency:
 - 1) At expiration of a lifetime or other time limit on the payment of welfare benefits;
 - 2) Because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or
 - 3) Because a family member has not complied with other welfare agency requirements.
- c. Before adjusting the welfare benefits, the PHA will request, by third-party written verification, the welfare agency to verify:
 - 1) The reason for the welfare benefit reduction.
 - 2) The amount and term of any specified welfare benefit reduction for a family member.

- d. During the term of the welfare benefit reduction and as determined at the PHA's interim or regular reexamination, the PHA will include in the family's annual income the amount of imputed welfare income, plus the total amount of the family's other annual income.
- e. The PHA will offset additional income from other sources received by the family members after the welfare sanction has been imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- f. If the family disputes that the PHA has not correctly calculated the amount of the imputed welfare income in accordance with HUD requirements, the family will be offered an opportunity for an informal hearing.
- g. The PHA will not include imputed welfare income in annual income if the family was not receiving housing assistance at the time of the sanction.

The lump sum payments may be treated as an asset.
- b. If benefits (such as Social Security or Veteran's benefits) are reduced due to prior overpayment, the PHA will use the actual amount of the current allocation (before withholding for medical premiums).
- c. If benefits (such as Social Security or Veteran's benefits) are reduced due to other withholding, such as an IRS garnishment or child support garnishment, the PHA will use the full award amount.

6. Alimony and Child Support

The PHA will include in annual income for alimony and/or child support all amounts received, not the amount the family may be legally entitled to receive but which the family does not receive.

7. Recurring Gifts and Regular Contributions

The PHA shall count as income any gifts or regular contributions (monetary or not) that are provided to the family on a regular and routine basis from persons outside of the family (e.g., a relative or friend provides a member of the family with cash gifts on a recurring basis).

- a. This may include but is not limited to rent and utility payments paid on behalf of the family and other monetary and or non-monetary contributions provided on a regular basis.

- b. It does not include non-recurring gifts or contributions.
- c. The PHA shall follow the Verification Hierarchy and the PHA's verification procedures to verify income from recurring gifts and regular contributions.
- d. If the party providing the recurring gifts and regular contributions refused to verify the information, the PHA will document the file why third-party verification was not available.

8. Independent Contractor, Day Laborer, and Cyclical or Seasonal Work

Income received as an independent contractor, day laborer, or seasonal worker is not considered nonrecurring income and therefore is excluded in annual income even if the source, date, or amount of the income varies.

9. Lump Sum Payments Counted as Income

Lump-sum payments received due to delayed start of periodic payments (e.g., unemployment, TANF, or child support), not excluded by regulation will be included in annual income.

- 28) Major disaster and emergency assistance received by individuals and families under the Robert T. Stafford Disaster Relief and Emergency Assistance Act and comparable disaster assistance provided by states, local governments, and disaster assistance organizations will not be considered as income or a resource when determining eligibility for or benefit levels under federally funded income assistance or resource-tested benefit programs.

F. Treatment of Financial Assistance Received by Students of Higher Education

The treatment of student financial assistance depends on the student/household characteristics and the type of financial assistance received by the student. The student financial assistance rules apply to both full-time and part-time students.

- 1. There are two (2) categories of student financial aid applicable to the public housing program:
 - a. 479B Student Financial Assistance Programs

Section 479B under Title IV of the Higher Education Act (HEA) of 1965, as amended, (as well as Bureau of Indian Affairs Student Financial Assistance) requires that all assistance under HEA, even assistance provided to students in excess of tuition and required fees or charges, be excluded from HUD income calculations.

The types of financial assistance listed below are considered 479B student financial assistance programs. The list is not exhaustive and 479B will be updated as of July 1, 2024.

- 1) Federal Pell Grants;
- 2) Teach Grants;
- 3) Federal Work Study Programs;
- 4) Federal Perkins Loans;
- 5) Student financial assistance received under the Bureau of Indian Education;
- 6) Higher Education Tribal Grant;
- 7) Tribally Controlled Colleges or Universities Grant Program; and
- 8) Employment training program under section 134 of the Workforce Innovation and Opportunity Act (WIOA).

b. Other Student Financial Assistance

Other student financial assistance means a grant or scholarship received from:

- 1) The federal government;
- 2) A state (including U.S. territories), Tribe, or local government;
- 3) A private foundation registered as a nonprofit under 26 U.S.C. 501(c)(3);
- 4) A business entity (such as corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
- 5) An institution of higher education.
- 6) A grant would include:
 - a) A qualified tuition remission, reduction, waiver, or reimbursement (i.e., amounts received as reimbursement for the student's paid costs of tuition, books, and fees, etc.) by the educational institution, such as for an employee of the institution of higher education or an eligible family member of that employee.
 - b) Assistance provided by an employer as part of an employee educational assistance program or tuition reimbursement program.

c. Other student financial assistance must be for educational expenses and does not include:

- 1) Any assistance that is excluded.
- 2) Financial support provided to the student in the form of a fee for services performed (e.g., a work study or teaching fellowship that is not excluded under Section 479B of the HEA).

- 3) Amounts received under work study may be excluded if:
 - a) Provided pursuant to Title IV of HEA; or
 - b) To the extent that the work study is being performed by a dependent full-time student.
 - 4) Non-recurring gifts, including non-recurring gifts from family or friends.

Gifts that are recurring and otherwise do not meet the criteria for the income exclusion for gifts would be counted as income, regardless of whether the recipient of the gift is a student.
 - 5) Any amount of the scholarship or grant that either by itself or in combination with the excluded financial assistance under Section 479B of the HEA, exceeds the actual covered costs of the student.
2. Actual Covered Costs
- a. The actual covered costs of the student are the actual costs of:
 - 1) Tuition,
 - 2) Books and supplies (including supplies and equipment to support students with learning disabilities or other disabilities),
 - 3) Room and board, or
 - 4) Other fees required and charged to a student by the education institution, and
 - 5) For a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit (i.e., the student is living in off-campus/non-college owned housing while away at school instead of a dorm or college owned housing).
 - b. All assistance under Section 479B of the HEA is excluded from income, regardless of whether those amounts exceed the actual covered costs described above.
 - 1) Student financial assistance must be:
 - a) Expressly for tuition, books, room and board, or other fees required and charged to a student by the education institution;
 - b) Expressly to assist a student with the costs of higher education; or
 - c) Expressly to assist a student who is not the head of household or spouse with the reasonable and actual costs of housing while attending the education institution and not residing in an assisted unit.
 - 2) Student financial assistance may be paid directly to the student or to the educational institution on the student's behalf.
 - 3) Student financial assistance paid to the student must be verified by the PHA as student financial assistance.

3. Calculating the Amount of Other Student Financial Assistance

All assistance received under Section 479B of the HEA by students participating in the public housing program is excluded from income. Other student financial assistance received by the student that, either by itself or in combination with HEA assistance, exceeds the actual covered costs is not excluded from income.

- a. When determining the amount of other financial assistance in excess of actual covered costs, the financial assistance provided under Section 479B of the HEA will be the first student financial assistance deducted from the actual covered costs.
 - 1) The financial assistance under Section 479B of the HEA is intended to pay the actual covered costs.
 - 2) HUD has determined that financial assistance under Section 479B of the HEA must be the first amount subtracted from actual covered costs before any student financial assistance that HUD is excluding under HUD's discretionary exclusion authority.
- b. When the student receives any financial assistance provided under Section 479B of the HEA, the amount of student's financial assistance is determined as follows:
 - 1) If the amount of financial assistance excluded under Section 479B of the HEA exceeds the student's actual covered costs, then all of the amounts received from all financial assistance (other scholarships or grants), the student receives from other sources would be in excess of the actual covered costs and would not be considered student financial assistance that is excluded from income.
 - 2) If the amount of financial assistance excluded under Section 479B of the HEA is less than the student's actual covered costs, then some or all of the amount of financial assistance (other scholarships and grants), that would be excluded from income is the lower of:
 - a) The total amount of student financial assistance (scholarships and grants) the student received that are not excluded under Section 479B of the HEA; or
 - b) The amount by which the student's actual covered costs exceeds the financial assistance the student received that is excluded under Section 479B of the HEA.

G. Net Family Assets

Effective July 1, 2025, the net family assets is the net cash value of all assets owned by the family after deducting reasonable costs that would be incurred in disposing real property, savings, stocks, bonds, and other form of capital investments. Any type of asset not specifically excluded will be included in the calculation of net family assets.

1. All assets are categorized as either real property (e.g., land, a home) or personal property.
2. Any type of asset not specifically excluded will be included in the calculation of net family assets.

3. Real Property Equity

Real property includes land or real estate owned by a member of the family.

- a. Equity is the portion of the market value of the asset which is owned by the family (the amount which would be available to the family if the property were to be sold).
- b. The PHA will calculate the equity in real property using the following formula:
$$\text{Market Value} - \text{Loan (mortgage)} = \text{Equity}$$
- c. The PHA will calculate the cash value of real property using the following formula:
$$\text{Equity} - \text{Expenses to convert to cash} = \text{Cash Value}$$
- d. Expenses to convert real property to cash value may include but are not limited to costs such as sales commissions, settlement/closing costs, transfer taxes, attorney fees, appraisal fees, monetary liens on the real property, and repair costs, etc., if applicable.

4. Life Insurance Policies

Cash value of life insurance policies that are available to the participant before death are included in net family assets. (EX: The Surrender value of a whole life policy or a universal life policy). Net family assets will not include the value of term life insurance, which has no cash value to the individual before death.

5. Tax Refunds or Refundable Tax Credits

- a. The anticipated income earned by the assets in which a family has deposited their federal tax refund or refundable tax credits must be included in the family's annual income unless the income is specifically excluded.
 - 1) At the time of an annual or interim reexamination of income, if the federal tax refund was received during the 12 months preceding the effective date of the reexamination, the PHA will subtract from the total value of the account in which the federal tax refund or refundable tax credits were deposited the amount of the refund that was received by the family.
 - 2) When the subtraction results in a negative number, then the balance of the asset is considered \$0.
- b. If the tax refund or refundable tax credit is deposited into another excluded asset, such as a retirement account or a Coverdell Education Savings Account, then the deposit will have no effect on the balance of the asset (i.e., there is no need for the PHA to subtract the amount of the deposit from the value of the excluded asset).

6. Trusts

A trust is a fiduciary relationship in which one party, known as a trustor, gives another party, the trustee, the right to hold title to property or assets for the benefit of a third party, the beneficiary.

- a. Trust as Net Family Assets

For revocable trusts, the grantor can terminate and/or amend the trust at any time for any reason before his or her death.

- 1) A revocable trust that is under the control of the family or household (e.g., the grantor is a member of the assisted family or household) is included in net family assets, and, therefore, income earned on the trust is included in the family's income from assets.
- 2) If the PHA determines that the revocable trust is included in the calculation of net family assets, the actual income earned by the revocable trust is also included in the family's income.
- 3) If the PHA determines that an irrevocable trust is excluded from net family assets, the PHA will not consider actual income earned by the trust (e.g., interest earned, rental income if property is held in the trust) for so long as the income from the trust is not distributed.
- 4) The PHA will calculate imputed income on the revocable trust if net family assets are more than \$50,000, as adjusted by inflation, and actual income from the trust cannot be calculated (e.g., if the trust is comprised of farmland that is not in use).

b. Trust Distributions and Annual Income

- 1) Revocable trust considered part of net family assets:

If the value of the trust is considered part of the family's net assets, then distributions from the trust are not considered income to the family.

- 2) Revocable or irrevocable trust not considered part of net family assets:

If the value of the trust is not considered part of the family's net assets, then distributions from the trust are treated as follows:

- a) All distributions from the trust's principal are excluded from income.
- b) Distributions of income earned by the trust (i.e., interest, dividends, realized gains, or other earnings on the trust's principal), are included as income unless the distribution is used to pay for the health and medical expenses for a minor.

Trust Type	Is the Trust Considered a Net Family Asset?	Is the Actual Interest Earned by the Trust Considered Family Income?	Are Distributions of Trust Principal Considered Family Income?	Are Distributions of Interest Earned on the Trust Principal Considered Family Income?
Revocable Grantor is not part of the assisted family or household (and the family or household is not otherwise in control of the trust)	No	No	No	Yes, unless the distributions are used to pay for the health and medical expenses for a minor.
Revocable Grantor is part of the assisted family or household (or the trust is otherwise under control of the family or household)	Yes	Yes	No	No
Irrevocable (Typically, Special Needs Trusts or irrevocable.)	No	No	No	Yes, unless the distributions are used to pay for the health and medical expenses for a minor.

7. Assets Jointly Owned

- a. For assets jointly owned by the family and one or more individuals outside of the assisted family, the PHA will include the total value of the asset in the calculation of net family assets, unless the asset is otherwise excluded, or unless the assisted family can demonstrate that the asset is inaccessible to them, or that they cannot dispose of any portion of the asset without the consent of another owner who refuses to comply.
- b. If the family demonstrates that they can only access a portion of an asset, then only that portion's value shall be included in the calculation of net family assets for the family.
- c. Any income from a jointly owned asset must be included in annual income, unless that income is specifically excluded, or unless the family demonstrates that they do not have access to the income from that asset, or that they only have access to a portion of the income from that asset.
- d. If a family member is a beneficiary who is entitled to access the account's funds only upon the death of the account's owner, and may not otherwise withdraw funds from an account, then the account is not an asset to the assisted family, and the family should provide proper documentation demonstrating that they are only a beneficiary on the account.

8. Assets Owned by Business Entity

- a. If a business entity (e.g., limited liability company or limited partnership) owns the asset, then the family's asset is their ownership stake in the business, not some portion of the business's assets.

- b. If the family holds the assets in their own name rather than in the name of a business entity, then the percentage value of the asset owned by the family is what is counted toward net family assets.

9. Assets Disposed of for Less than Fair Market Value

In determining net family assets, the PHA will include the value of any business or family assets disposed of by an applicant or family member for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two (2) years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received.

- a. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be for less than fair market value if the applicant or family member receives consideration not measurable in dollar terms.
- b. An asset moved to a retirement account held by a family member is not considered to be an asset disposed of for less than fair market value.
- c. The PHA will count as an asset the difference between the cash value and the actual amount received for the asset disposed of for less than market value during the two (2) years preceding the date of application for the PHA or reexamination, if the cumulative fair market value of the asset disposed of exceeds the gross amount of the asset by \$2,000.

H. Necessary Personal Property and Non-Necessary Personal Property

Effective July 1, 2025, the PHA's determination on what is a necessary personal property and what is non-personal personal property is a fact-specific determination, and therefore the PHA will gather enough facts to qualify whether an asset is necessary or non-necessary personal property. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

1. Necessary Personal Property

- a. Includes more than merely items that are indispensable to the bare existence of the family.
- b. Necessary personal property are items essential to the family for the maintenance, use, and occupancy of the premises as a home or they are necessary for employment, education, or health and wellness.
- c. Necessary personal property includes but may not be limited to:
 - 1) Personal effects (such as items that are ordinarily worn or utilized by the individual), items that are convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home.

- 2) Items that assist family members with a disability, including any items related to disability-related needs, or that may be required for reasonable accommodation for a person with a disability.
 - 3) Necessary personal property does not include bank accounts, other financial investments, or luxury items.
2. Non-Necessary Personal Property
- a. Non-necessary personal property with a combined value that does not exceed \$50,000, as adjusted by inflation, is excluded from net family assets.
 - b. Non-necessary personal property with a combined value greater than \$50,000, as adjusted by inflation, is considered part of net family assets.
3. The following table lists examples of necessary and non-necessary personal property. This is not an exhaustive list.
- a. Necessary personal property is excluded from net family assets.
 - b. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

Examples of Necessary and Non-Necessary Personal Property

Necessary Personal Property	Non-Necessary Personal Property
<ul style="list-style-type: none">• Car(s)/vehicle(s) that a family relies on for transportation for personal or business use (e.g., bike, motorcycle, skateboard, scooter)• Furniture, carpets, linens, kitchenware• Common appliances• Common electronics (e.g., radio, television, DVD player, gaming system)• Clothing• Personal effects that are not luxury items (e.g., toys, books)• Wedding and engagement rings• Jewelry used in religious/cultural celebrations and ceremonies• Religious and cultural items• Medical equipment and supplies• Health care–related supplies• Musical instruments used by the family• Personal computers, phones, tablets, and related equipment• Professional tools of trade of the family, for example professional books• Educational materials and equipment used by the family, including equipment to accommodate persons with disabilities• Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)	<ul style="list-style-type: none">• Recreational car/vehicle not needed for day-to-day transportation (campers, motorhomes, travel trailers, all-terrain vehicles (ATVs))• Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds)• Recreational boat/watercraft• Expensive jewelry without religious or cultural value, or which does not hold family significance• Collectibles (e.g., coins/stamps)• Equipment/machinery that is not used to generate income for a business• Items such as gems/precious metals, antique cars, artwork, etc.

I. Net Family Assets Do Not Include

Effective July 1, 2025, given that there are many categories of funds that would be considered assets and should be included in asset calculations, HUD does not believe that the regulation

should specify every form of asset. Instead, any type of asset not specifically excluded should be included in the calculation of net family assets.

Required exclusions from net family assets include the following:

1. The value of necessary items of personal property.
2. The combined value of all non-necessary items of personal property, if the combined total value does not exceed \$50,000 (adjusted annually by HUD for inflation).
3. The value of any account under a retirement plan recognized as such by the Internal Revenue Service, including:
 - a. Individual Retirement Arrangements (IRAs)
 - b. Employer retirement plans (e.g., 401(k), 403(b))
 - c. Retirement plans for self-employed individuals (Keogh)
4. The value of real property that the family does not have the effective legal authority to sell in the jurisdiction in which the property is located.
 - 1) Co-ownership situations (including situations where one (1) owner is a victim of VAWA violence/abuse)
 - 2) Where one (1) party cannot unilaterally sell the real property
 - 3) Property that is tied up in litigation
 - 4) Inherited property is in dispute
5. Civil Action, Malpractice, or Negligence Payments

Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a member of the family being a person with disabilities.
6. The value of certain education or disability support savings account, including the value of any:
 - a. Coverdell education savings account under Section 530 of the internal Revenue Code of 1986
 - b. Qualified tuition program under Section 529 of such Code
 - c. Achieving a Better Life Experience (ABLE) account authorized under Section 526A of such Code
 - 1) ABLE accounts are excluded from the definition of net family assets, and therefore income generated from such accounts is not considered when calculating income from assets.
 - 2) Distributions from these accounts are also excluded from income.
 - d. Baby bond accounts created, authorized, or funded by a federal, state, or local government (money held in trust by the government for children until they are adults).

7. Interest in Indian trust lands.
8. Equity in a manufactured home where the family receives HCV program assistance.
9. Equity in property under the Homeownership Option for which the family receives assistance under the HCV program.
10. Family Self-Sufficiency accounts.
11. Federal tax refunds or refundable tax credits, including EITC, for a period of 12 months after receipt by the family.

Only the amount of federal tax refunds or refundable tax credits the family receives is excluded from net family assets, not the amount the family was supposed to receive.

12. Trust Funds

- a. The full amount of assets held in irrevocable trust.
- b. Revocable Trust
 - 1) When a member of the assisted family is the beneficiary of a revocable trust, but the grantor is not a member of the assisted family, the beneficiary does not "own" the revocable trust, and the value of the trust is excluded from net family assets.
 - 2) For the revocable trust to be considered excluded from net family assets, no family or household member may be the account's trustee.

13. Term life insurance policies with no cash value

14. Assets not controlled by or accessible to the family and which provide no income for the family.

A survivor of VAWA violence/abuse who because of the VAWA violence/abuse no longer has access to the real property and cannot convert it to cash.

J. Actual and Imputed Income from Net Family Assets

Effective July 1, 2025, when the value of net family assets exceeds \$50,000 (adjusted annually by HUD for inflation) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD, are included in annual income.

1. Determining the Net Cash Value of an Asset

- a. The PHA must determine the market value of an asset then calculate the cash value by subtracting the reasonable costs that would be incurred in disposing real property, savings, stocks, bonds, and other forms of capital investments.
- b. Reasonable Costs

Reasonable costs include but are not limited to costs such as:

- 1) Penalties for premature withdrawal if penalties are imposed for early withdrawal.

- 2) Broker and legal fees (e.g., a percentage of the value of the asset incurred in the sale of stocks, bonds, real estate, etc.); and
 - 3) Settlement costs incurred in real estate transactions (e.g., the typical percentage of sales price for settlement in the locality).
2. Assets with Negative Equity
 - a. The cash value of real property or other assets with negative equity would be considered \$0 for the purpose of calculating net family assets.
 - b. Negative equity in real property or other investments does not prohibit the family from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.
3. Actual Income from Assets

Actual income from assets is always included in a family's (including minors) annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets, unless that income is specifically excluded.

 - a. Income or returns from assets are generally considered to be interest, dividend payments, and other actual income earned on the asset, and not the increase in market value of the asset.
 - b. The increase in market value is relevant to the cash value of the asset for the purpose of determining total net family assets and imputing income.
4. Imputed Income from Assets

Imputed income from assets is no longer determined based on the greater of actual or imputed income from the assets.

 - a. The PHA will calculate imputed asset income for specific assets when three conditions are met:
 - 1) The value of net family assets exceeds \$50,000 (adjusted annually by HUD for inflation);
 - 2) The specific asset is included in net family assets; and
 - 3) Actual asset income cannot be calculated for the specific asset.
 - b. If the actual income from assets can be computed for some assets but not all assets, the PHA will:
 - 1) Add the actual income from the assets, where actual income can be calculated, then
 - 2) Calculate the imputed income for the assets where actual income could not be calculated.

- c. After the PHA has calculated both the actual income and imputed income, the PHA will combine both amounts to account for income on net family assets with a combined value of over \$50,000.
 - d. If the family's net family assets do not exceed \$50,000 (adjusted annually by HUD for inflation), imputed income is not calculated.
 - e. If the actual income for an asset, which can equal \$0, can be calculated, imputed income is not calculated for that asset.
 - f. Imputed asset income is never calculated on assets that are excluded from net family assets.
5. Summary Decisions for Determining Income from Assets
- The following scenarios will determine how the PHA determines the income from net family assets.
- a. If net family assets exceed \$50,000 (adjusted annually by HUD for inflation), and the actual income can be calculated on all assets:
 - 1) Annual income will include only actual income on assets (no imputed income).
 - 2) The PHA will obtain third-party verification.
 - b. If net family assets exceed \$50,000 (adjusted annual by HUD for inflation), and the actual income cannot be calculated on all assets:
 - 1) Annual income will include the total of actual income that can be calculated and imputed income for all remaining net family assets where the actual income cannot be calculated.
 - 2) The PHA will obtain third-party verification.
 - c. If net family assets do not exceed \$50,000 (adjusted annual by HUD for inflation):
 - 1) The annual income includes only the actual income on assets (no imputed income).
 - 2) The PHA may accept the family's self-certification of net family assets.

K. Passbook Rate Determination

Annually HUD will publish the passbook rate based on the Federal Deposit Insurance Corporation (FDIC) National Deposit Rate for savings accounts, which is an average of national savings rates published on a monthly basis.

- 1. The PHA will use the HUD-published passbook rate when calculating imputed asset income for net family assets that exceed \$50,000 (annually adjusted by HUD for inflation)
 - a. HUD does not authorize the PHA to set its own passbook rate.
 - b. The PHA must use the HUD-published passbook rate.

2. The HUD-published passbook rate will be posted to a dataset on the HUDUser Web site, alongside annual inflationary adjustments.
3. To determine the passbook rate for the next calendar year, HUD will average the most recent three (3) months of FDIC updates to the National Deposit Rate for savings accounts, rounded to the nearest hundredth of 1 percent.
4. To ensure updated passbook rates may be used for reexaminations with an effective date of January 1, HUD will calculate the update in July each year, using FDIC data from April, May, and June for publication on HUDUser not later than September 1.

L. Calculation of Annual Income

The PHA must calculate family annual income as follows:

1. Initial Admission and Interim Reexaminations

The PHA will use anticipated income, including asset income, (current income – i.e., the family's estimated income for the upcoming 12-month period) to determine the family's annual income at time of admission to the HCV program or during an interim reexamination.

2. Annual Reexaminations

The PHA must determine the income of the family for the previous 12-month period and use this amount as the family income for annual reexaminations

- a. The previous 12-month period is the 12 months prior to the income calculation and not the previous calendar year.
- b. If the PHA determines that the family's previous 12-month's income does not reflect the family's current income, the PHA will adjust the income determination by:
 - 1) Taking into consideration any redetermination of income during the previous 12-month period resulting from an interim reexamination of the family; and
 - 2) Adjustment reflecting current income if there was a change in income (earned and unearned) during the previous 12-month period that was not accounted for in the redetermination of income. A change in income may be:
 - a) A loss of income
 - b) The addition of a new source of income
 - c) Cost of Living Adjustments (COLA) to Social Security and Social Security Disability Income
 - d) Changing to a different employer in the prior year does not necessarily constitute a change if the income earned from either employer was substantially the same

c. Steps in Calculating Annual Income at Annual Reexamination

- 1) Step 1: Determine the annual income for the previous 12-month period
 - a) If there have been no changes to income beyond this calculation, then this is the amount that will be used to determine the family's rental assistance.
 - b) The PHA will review the following information to determine prior-year income:
 - (1) The EIV Income Report (must be generated within 120 days of the effective date of the annual reexamination to be considered current);
 - (2) The income reported on the most recent reexamination on form HUD-50058; and
 - (3) What the family certified to on the PHA's annual reexamination paperwork for prior-year income.
- 2) Step 2: The PHA will take into consideration any interim reexamination of family income completed since the last annual reexamination.
 - a) If there was an interim reexamination performed, the PHA will use the annual income from the interim reexamination to determine the family's rental assistance, if there are no additional changes.
 - b) If the PHA did not perform an interim reexamination or there have been changes since the last reexamination, move to Step 3.
- 3) Step 3: If there were changes in annual income not processed by the PHA since the last reexamination, use current income.
 - a) Family reports their income for the prior year and whether there have been permanent changes.
 - b) If there are no reported changes to an income source, the PHA may use documentation of the prior-year income to calculate the annual income used for the current annual reexamination on form HUD-50058. The PHA could use the following documentation and certification from the family:
 - (1) EIV + self-certification (wages, SSI, Social Security, and unemployment)
 - (2) Current Level 4 documents verifying prior-year income that are dated within the required, 120 days of receipt by the PHA, timeframe, such as:
 - (a) Year-end statement
 - (b) Paycheck with year-to-date amount
 - (c) Tax forms (Form 1040, W2, 1099, etc.)
 - c) If there are reported changes by the family or if the PHA notes discrepancies between EIV and what the family reports, the PHA will follow the Verification Hierarchy to document and verify income.

3. Use of Other Programs' Determination of Income, "Safe Harbor"

The PHA will not, but is not required to, use income calculation information from other programs or agencies to determine the family's income prior to applying deductions based on timely income determinations made within the previous 12-month period for the purposes of the following means-tested forms of federal public assistance.

4. Income from assets is always anticipated, irrespective of the income reexamination type.
5. Accuracy of Family Income Data: De Minimis Errors

A de minimis error is an error where the PHA determination of family income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (\$360 in annual adjusted income) per family.

- a. The PHA will not be considered out of compliance solely due to de minimis errors in calculating family income but is still obligated to correct errors once the PHA becomes aware of the errors.
- b. HUD may revise the amount of the de minimis error through a rulemaking published in the Federal Register for public comment.
- c. If the PHA becomes aware of the existence of an income calculation error, the PHA is obligated to correct the error(s) retroactive to the effective date of the action the error was made regardless of the dollar amount associated with the error.
- d. The PHA will take any corrective action necessary to repay a family if the family has been overcharged for their family share as a result of the de minimis error in the income determination.
 - 1) The family will not be responsible for retroactive rent for errors made by the PHA in instances where the PHA has miscalculated income resulting in a family being undercharged the family share.
 - a) The PHA will notify the family and the owner in writing:
 - (1) The total amount of the overcharged family share;
 - (2) The effective date of the action of the overcharged family share; and
 - (3) To whom the overcharged family share repayment will be sent.
 - b) The PHA will repay the overcharged family share to the family by issuing the family a check.
 - 2) The family will be responsible for retroactive rent if the family share was based on false or incomplete information supplied by the applicant or participant family.

M. Annualizing and Averaging Income

The PHA must convert the reported income to an annual figure. The PHA may choose the following methods to determine the anticipated annual income:

1. Annualize current income (and subsequently conduct an interim reexamination if income changes). To annualize income, the PHA will multiply:

- a. Hourly income by the number of hours worked in a year;
 - b. Weekly income by 52 weeks, unless it is verified that less weeks will be worked;
 - c. Bi-weekly income (paid every other week) by 26 pay-periods;
 - d. Semi-monthly income (paid twice each month) by 24 pay-periods; and
 - e. Monthly by 12 pay-periods.
2. Average the income using the information available from all known income sources when the income sources are expected to change during the year (no interim adjustment is required if income remains as predicted).
 - a. Income from the previous year may be analyzed to determine the amount of anticipated income when future income cannot be clearly verified.
 - b. If, by averaging, a reasonable estimate can be made, that estimate will be used to anticipate annual income over the next 12 months, instead of changing the HAP payment every month as the income fluctuates.
 - c. Where income is seasonal or fluctuates as to hours or rates, such as for teachers, construction workers, farmers, or migrant workers, the PHA will use an average for 12 months based on past income history of the family and such anticipated income that can be verified.

N. Earned Income Disallowance (or Disregard) Self-Sufficiency Incentive (EID)

The EID calls for the exclusion of increases in income attributable to employment by a family member who is a person with disabilities over income received by that family member prior to qualifying for the disallowance. The exclusion only applies to the income of the family member who is a person with disabilities and not the entire family.

1. Elimination of EID

The EID will not apply to any family who is not eligible for and already participating in the disallowance as of December 31, 2023. No new families may be added.

- a. Families who received the EID benefit as of December 31, 2023, may continue to receive the full benefit until the remaining timeframe for an individual family's EID expires without any regulatory changes.
- b. Because the EID lasts up to 24 consecutive months, no family will still be receiving the EID benefit after December 31, 2025.

2. Qualifications:

- a. The exclusion only applies to families currently receiving housing assistance.
- b. An applicant family is not eligible for the EID.

- c. An HCV family whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment; or
 - 1) Previously unemployed includes a person with disabilities who has earned, in the 12 months before employment, no more than would be received for 10 hours a week for 50 weeks at the established minimum wage.
 - 2) The established minimum wage means the federal minimum wage unless there is a higher state or local minimum wage.
- d. An HCV family whose annual income increases because of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or
 - 1) The increase in earnings must occur while the person with disabilities is enrolled in the economic self-sufficient or other job training program.
 - 2) An economic self-sufficiency program is any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families. These programs include programs for job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, and any program necessary to ready a participant for work (including a substance abuse or mental health treatment program), or other work activities.
- e. An HCV family whose annual income increases, because of new employment or increased earnings of a family member who is a person with disabilities, during or within six (6) months after receiving assistance, benefits, or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act. The TANF program includes formula-driven maintenance assistance and such benefits and services as one-time payments; wage subsidies and transportation assistance-provided that the total amount over a six (6)-month period is at least \$500.

Note: Receipt of Food Stamps and/or Medicaid is not part of the TANF program. If no TANF assistance is provided as listed above, the family will not qualify for the earned income disallowance under TANF provisions but may qualify under the remaining criteria. The PHA will verify receipt of benefit or services other than monthly maintenance with the TANF provider if the family indicates that their eligibility for the earned income disallowance is based on other assistance under TANF.

3. EID Maximum Lifetime Benefit

Maximum 24 Straight Month Lifetime Disallowance Period

- a. Effective May 9, 2016, the EID benefit is limited to a lifetime 24-month period for the qualifying family member who is a person with disabilities.

- b. Once the family member who is a person with disabilities is determined to be eligible for the EID, the 24-calendar month period starts.
 - c. During the first 12-calendar month period, the PHA must exclude 100% of the increased income resulting from the qualifying employment of the family member with disabilities.
 - d. If the family member with disabilities discontinues the employment that initially qualified the family member with disabilities for the EID, the 24-calendar month period continues.
 - e. During the 24-calendar month period, EID benefits are recalculated based on changes to family member with disabilities income and employment.
 - f. After the first 12-calendar month period, the PHA must exclude from annual income of the family at least 50% of any increase in income of the family member with disabilities as a result of employment over the family member with disabilities income before the qualifying event (i.e., the family member's baseline income).
 - g. At the end of the 24-months, EID ends regardless of how many months were used.
4. Because only a person with disabilities is eligible for the EID under the HCV program, the PHA will discontinue the EID benefit for a qualifying person with disabilities who is no longer considered disabled at their next regularly scheduled reexamination.

A decision regarding "no longer disabled" will be verified through the SSA for SSI and SDI recipients or from a medical, health, or rehabilitation professional for those not receiving publicly funded benefits.

O. Adjusted Annual Income

Adjusted income is the annual income of all the members of the family residing in or intending to reside in the unit less the HUD mandatory and permissive deductions and allowances.

P. HUD Mandatory Deductions and Allowances

The PHA must deduct the following amounts from annual income:

- 1. Dependent Allowance
 - a. The PHA will deduct \$480 from the annual income for each family member who is:
 - 1) Under 18 years of age, including children who are adopted;
 - 2) A person with disabilities, no matter what age; or
 - 3) A full-time student, no matter what age.
 - b. The head of household, spouse, co-head, foster child/adult, live-in aide, or live-in aide family members may never be counted as a dependent or receive dependent allowance.
 - c.

2. Elderly/Disabled Allowance

- a. \$400 per family for families whose head of household, spouse, or co-head is 62 years or older (elderly families) or who is a person with disabilities (disabled families).
- b. The elderly/disabled allowance of \$400 is and applies at the family's next annual or interim reexamination, whichever is sooner.
- c. Each elderly or disabled family is limited to one \$400 allowance even if both the head of household and spouse are elderly or persons with disabilities.

3. Unreimbursed Childcare Expenses

Reasonable unreimbursed childcare expenses, (hereinafter referred to as childcare expenses), for the care of children under the age of 13, including foster children, may be deducted from annual income if the following is true:

- a. The childcare expense is necessary to enable a family member to be employed (e.g., work, look for work) or further their education (academic or vocational).
 - 1) Childcare expenses to enable a family member to work:
 - a) The childcare expenses to enable a family to work may not exceed the amount of employment (earned income) included in annual income.
 - b) The person enabled to work is the adult member of the family who earns the least amount of income from employment, unless it is obvious that another family member is enabled to work.
 - 2) Childcare expenses to enable a family member to go to school:
 - a) To qualify for childcare expenses under the provision of furthering education, the family member must demonstrate that they are enrolled in some accredited or approved educational or training program (academic or vocational).
 - b) Furthering education can include but is not limited to; completing high school or equivalency (GED), trade school, Community or Junior College, four-year college/university, technical schools, ESL or basic education classes, apprenticeship programs, certificate programs, clerical school, and even independent study, if the family member must access online educational programs out of the home.
 - c) The childcare expenses to enable a family member to go to school is not capped by the amount earned, but will be calculated for:
 - (1) The time needed to drop off children to the childcare provider if the childcare is provided outside the home.
 - (2) The time to attend school; and

- (3) The time needed to pick up the children from the childcare provider if the childcare is provided outside the home.
 - d) The family member must provide and the PHA must verify information on the type of educational program, the number of units or hours of participation, the name of the educational institution or training facility.
- 3) Childcare expenses to enable a family member to seek employment:
- a) The deduction for childcare to seek employment must not exceed the annual adjusted income of the family member seeking employment.
 - b) The deduction does not include transportation costs, or other expenses incurred, and is limited to one year per individual.
 - c) The family member may be a participant in an official job search program or may simply demonstrate independent job search activities. In either case, to verify the time spent in seeking employment, the PHA will require the family to maintain a log that reflects the following:
 - (1) The date and time of departure from home (including time needed to drop off children for childcare, if provided outside the home);
 - (2) The name and location of the prospective employer, unemployment office or employment agency;
 - (3) The name of the person(s) contacted and telephone number;
 - (4) The length of time for completion of the application, the interview, testing or other job search activity;
 - (5) The time the children are picked up and the time arrived at home;
 - (6) The name, address, telephone number and SSN/EIN of the childcare provider; and
 - (7) The total amount paid for the childcare expenses.
 - d) If multiple applications or interviews are held consecutively or on the same day, the above information should be provided for each prospective employer or agency. The PHA will use this information to verify the contacts and the eligibility of childcare expenses.
 - e) Since job search activities may be irregular and not easily anticipated, the PHA may attempt a limited inclusion at the annual reexamination and conduct an interim reexamination after actual expenditures have been incurred. In many instances, job search periods will be of limited duration, but in some cases the job search period may be extended, especially if the type of employment sought is limited in availability, employment opportunities of any kind are scarce, or the job skills needed are unusual.

- b. Reasonable Childcare Expenses
 - 1) The amount of childcare expenses must be reasonable.
 - 2) The PHA will decide as to what is a reasonable rate for childcare based on local conditions and rates.
 - 3) The PHA will also evaluate expenses which may exceed the norm if childcare must be provided in the evenings, nights, or weekends for either educational or employment purposes.
 - 4) If the family has school aged children who require care only before and/or after school hours, the PHA will consider reasonable childcare expenses for before and/or after school activities in lieu of individual childcare.
 - 5) The PHA will allow for reasonable childcare expenses to include pick-up and drop-off of children at the provider's location (generally determined to be no more than one hour before or after scheduled work hours or school times).
 - 6) If it is determined that there is a significant difference between in-home care and childcare center charges, the PHA will develop a separate scale for each.
- c. The childcare expenses must not be reimbursed
 - 1) The childcare expenses must not be reimbursed by an agency or individual outside the household.
 - 2) The deduction for childcare is not permitted if an agency or individual outside the household reimburses the family for the childcare expenses.
- d. Childcare Provider
 - 1) The family shall decide who will provide the childcare for the family child(ren).
 - 2) The family shall decide the type of childcare available for the family's child(ren).
 - 3) The PHA may not disallow childcare expenses because there is an unemployed adult household member who may be available to provide childcare.
- e. Childcare expenses may be divided between two households in cases of joint/split custody.
 - 1) If only one custodian is an assisted family, the cost of the childcare expenses will be pro-rated based on the percentage paid by each custodial parent.
 - 2) The cap on eligibility for childcare expenses allowed the assisted family would still be based on the earned income limitation.
- f. Childcare payments made on behalf of a child under 13 years of age not living in the assisted unit cannot be deducted.
- g. Child support payments are not considered childcare expenses and the PHA will not deduct the child support payments as a childcare expense.

- h. Attendant care expenses for family members with disabilities over the age of 12 cannot be deducted as a childcare expense but may qualify as a reasonable attendant care expense.
 - i. The PHA will review the work hours or educational hours to assure that the combined employment or education hours plus pick-up/drop-off times are within a reasonable timeframe. Exceptions may be made for overtime, special seminars, or testing, providing the PHA can verify the extended times.
 - j. At annual certification, the PHA will determine the total anticipated childcare expense for the employed family members (including increases for childcare need during school breaks and summer vacations for school age children aged 12 and under) and average the amount over 12 months. Should there be a significant variation from the estimated amount, the family may request an interim reexamination adjustment.
- 4. Health and Medical Care Expense

The amount, if any, by which 3% of the family's annual income exceeds qualifying expenses.

 - a. Qualifying expenses are the sum of the following expenses:
 - 1) Any unreimbursed health and medical care expenses for elderly/disabled families including but not limited to:
 - a) Costs incurred for the diagnosis, cure, mitigation, treatment, or prevention of disease or payments for treatments affecting any structure or function of the body.
 - b) Medical insurance premiums and long-term care premiums that are paid or anticipated during the period for which annual income is computed.
 - 2) Any unreimbursed reasonable disability assistance expenses (DAE).
 - b. When the sum of the qualifying expenses are less than 10% of annual income, the family will not receive a health and medical expense deduction.
 - c. Unreimbursed Health and Medical Care Expense Deduction

The unreimbursed health and medical care expense deduction is permitted only for elderly or disabled families (families where the head of household, spouse, or co-head is at least 62 years old or a person with disabilities).

 - 1) If the family is eligible for the health and medical care expense deduction, the health and medical care expenses of all family members may be counted.
 - 2) Health and medical care expenses are expenses anticipated to be incurred during the 12 months following certification or reexamination which are not reimbursed by an outside source such as insurance.

- 3) The health and medical care deduction is not intended to give a family a deduction to the previous year's expenses, but to anticipate regular ongoing and anticipated health and medical care expenses during the coming year.
 - a) Past one-time nonrecurring health and medical care expenses that have been paid in full are not applicable when calculating anticipated health and medical care expenses.
 - b) If the family is under a payment plan, the PHA will count the health and medical care expenses as anticipated.
 - c) The PHA may address the one-time health and medical care expenses by adding it to the family's total health and medical care expenses either:
 - (1) At the time the health and medical care expense occurs, through interim reexamination, or
 - (2) At the upcoming annual reexamination.
 - (3) If the PHA added the one-time health and medical care expenses at an interim reexamination, it cannot be added to the health and medical care expenses at the annual reexamination.
- 4) The PHA will include the following as a standard health and medical care expense deduction when determining the family's health and medical care expenses deduction:
 - a) The amount of unreimbursed out-of-pocket health and medical care for prescription drugs.
 - b) Any premiums incurred for a Medicare prescription drug plan.
 - c) The PHA will review each expense to determine whether it is eligible in accordance with HUD's definition of health and medical care expenses.
- d. Unreimbursed Reasonable Attendant Care and Auxiliary Apparatus Expenses (DAE)

Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to enable any member of the family, 18 years of age or older (including the member who is a person with disabilities) to be employed.

 - 1) DAE may not be paid to a member of the family nor reimbursed by an outside source.
 - 2) DAE Cap
 - a) The DAE may not exceed the combined earned income received by the family members who are 18 years of age or older who were able to work because of the attendant care or auxiliary apparatus.
 - b) The combined earned income received by the family members who are 18 years of age or older will determine the DAE cap.

- c) If the DAE exceeds the combined earned income received by the family members who are 18 years of age or older who were able to work because of the attendant care or auxiliary apparatus, the DAE will be capped at the combined earned income.
- 3) Attendant care includes the actual cost of providing an attendant to care for a person with disabilities based on local standards for hourly pay or salary. Attendant care includes but is not limited to:
 - a) In-home care
 - b) Adult day care
 - c) Nursing
 - d) Housekeeping
 - e) Personal care
 - f) Errand services
 - g) An interpreter for persons who are hearing impaired
 - h) Reader for persons with visual disabilities.
- 4) Auxiliary apparatus, including the cost of maintenance and upkeep, includes but is not limited to:
 - a) Wheelchairs (manual and electric)
 - b) Walkers
 - c) Scooters
 - d) Ramps to provide access to and from the unit
 - e) Devices to allow persons with visual disabilities to read or type
 - f) Modifications or adaptations to; or special equipment added to vehicles to permit their use by the family member with a disability
 - g) The veterinarian, grooming, and food costs for a service animal
- 5) If the apparatus is not used exclusively by the person with the disability, the PHA must prorate the total cost and allow a specific amount for the disability assistance expense.
- 6) The PHA must be able to verify that there is a direct link between the DAE claimed by the family and the members of the family (including the family member who is a person with disabilities) enabled to go to work.
- 7) The PHA must determine what is "reasonable" based on local conditions and costs as well as whether the expenses are directly linked to enabling the family member to work.

- 8) Reasonable attendant care costs for the locality should be verified through a local social services agency which handles attendant care needs, or an Independent Living Center that assists families in matching attendants with clients with disabilities.

e. Family Eligible for Disability Assistance Expenses and Childcare Expenses

- 1) If the family includes child(ren) under age 13 and child(ren) aged 13 and over with disabilities and is paying for care for both children to enable adult family member(s) to work, DAE and the childcare expenses must be applied appropriately since the rules differ for the two (2) deductions.
- 2) If both childcare and DAE are needed to enable a family member to work, the PHA will use the same employment income to justify the childcare expense and the DAE.
- 3) For Disability Assistance Expenses:

The combined earned income received by the family members who are 18 years of age or older who were able to work because of the attendant care or auxiliary apparatus will be used to determine the cap on the DAE.

- 4) For Childcare Expenses:
 - a) The childcare expenses must be reasonable.
 - b) The PHA must decide which adult was enabled to work to determine the cap as the childcare deduction may not exceed the amount of income earned by the person enabled to work.
 - c) If the childcare expenses are associated with attending school or seeking employment, there is no cap.

5. Permissive/Additional Deductions

The PHA may adopt permissive (additional) deductions from annual income.

- a. Permissive deductions may be used to respond to a wide range of community needs including encouraging self-sufficiency and economic mobility or to provide incentives to work.
- b. The PHA may adopt permissible deductions provided the amounts are not already deducted from annual income or reimbursed to the family from other sources.
- c. If the PHA adopts permissive deductions, the PHA must:
 - 1) Have sufficient funding to cover the increased housing assistance payment (HAP) cost of the deductions;
 - 2) Grant the permissive deduction to all families that qualify for them; and
 - 3) Apply the permissive deductions consistently.

- d. When establishing permissive deductions, the PHA is subject to federal nondiscrimination requirements, including the obligation to provide reasonable accommodation that may be necessary for households with family members with disabilities.
- e. Permissive deductions may not materially increase federal expenditures.
- f. If the PHA adopts permissive deductions, the subsidy costs attributable to permissive deductions will not be taken into consideration in determining the PHA's HCV renewal funding.
- g. Permissive Deductions and Family Share
 - 1) Permissive deductions do not affect the family's annual income and consequently have no impact on the family's income eligibility for the HCV program.
 - 2) Permissive deductions impact the calculation of the family's adjusted income that is used to determine the TTP, which is then used to calculate the family share in the HCV program.
- h. The PHA has elected not to adopt permissive deductions.

Q. Hardship Exemptions for Unreimbursed Health and Medical Care and DAE

General Financial Hardships: Families Who Can Demonstrate a Financial Hardship

Provides financial relief for an elderly or disabled family or a family that includes a person with disabilities, who were not receiving the deduction from annual income of qualified unreimbursed health and medical care expenses and/or reasonable attendant care and auxiliary apparatus expenses deduction or may not have been receiving housing assistance, that is experiencing a financial hardship due to the change in the threshold.

- a. Eligibility for Relief
 - 1) The family must demonstrate that the family's applicable health and medical care expenses or reasonable attendant care and auxiliary apparatus expenses increased, or the family's financial hardship is a result of a change in circumstances that would not otherwise trigger an interim reexamination.
 - a) Relief is available regardless of whether the family previously received an unreimbursed health and medical care expense deduction, unreimbursed reasonable attendant care, and auxiliary apparatus expense deduction, are currently receiving phased-in hardship relief, or were previously eligible for either General Financial Hardship or the Phased-in Relief.
 - 2) PHA's definition of change in circumstances includes but is not limited to: a decrease in income, a change in family composition, or circumstances as determined by the PHA on a case-by-case basis.

b. Form and Duration of Relief

- 1) The family will receive a deduction for the sum of the eligible expenses exceeding 5% of annual income.
- 2) The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever comes earlier.
- 3) The PHA will not extend the relief while the family's hardship continues.

c. Verification of Financial Hardship

- 1) The PHA will obtain third-party verification of the financial hardship or document in the family file the reason why third-party verification was not available.
- 2) The PHA will attempt to obtain the third-party verification prior to the end of the 90-day financial hardship period.

d. The PHA will not conduct an interim reexamination to add, remove, or extend a hardship exemption, unless another change experienced by the family triggers an interim reexamination under the applicable regulation or in accordance with the PHA's policies on conducting interim reexaminations for adjusted income decreases that are less than 10%.

Instead, the PHA will process and submit a non-interim reexamination transaction.

R. Hardship Exemptions for Childcare Expenses

A family whose eligibility for the childcare expense deduction is ending may request a financial hardship exemption to continue the deduction.

1. Eligibility for Relief

The family must demonstrate that the family is unable to pay the family's rent because of loss of the childcare deduction, and the childcare expense is still necessary even though the family member is no longer employed, looking for work, or furthering education.

2. Form and Duration of Relief

- a. The hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.
- b. The PHA will not extend the relief while the family's childcare expense condition continues.
- c. The PHA may terminate the hardship exemption if the PHA determines that the family's financial hardship no longer exists.

3. Childcare Financial Hardships

The PHA has established the following to constitute a financial hardship for the purposes of the childcare expense hardship exemption:

- a. A loss of wages
 - a. Laid off from employment
 - b. Reduction in hours
 - c. Strike
 - d. Accidents, injuries, or illnesses
 - e. Pregnancy/maternity or fraternity leave
- b. No longer furthering education
 - a. Withdrawal due to no student financial assistance
 - b. School breaks
4. Verification of the Family's Inability to Pay Rent
 - a. The PHA will obtain third-party verification of the family's inability to pay rent or document in the family file, the reason why third-party verification was not available.
 - b. The PHA will attempt to obtain the third-party verification prior to the end of the 90-day financial hardship period.
5. The PHA will recalculate the family's adjusted income and continue the childcare deduction if the family demonstrates to the PHA's satisfaction that the family is unable to pay the family's rent because of loss of the childcare expense deduction, and the childcare expense is still necessary even though the family member is no longer employed or furthering his or her education.

S. PHA Financial Hardship Policy

The PHA has established a policy on how the PHA defines what constitutes a hardship and how the PHA will determine the family's inability to pay the rent, for purposes of determining eligibility for a hardship exemption.

1. The PHA's definition of a financial hardship for the purpose of providing hardship exemptions for unreimbursed health and medical care expenses, reasonable attendant care and auxiliary apparatus expenses, and unreimbursed childcare expenses includes but is not limited to the following circumstances in which the family:
 - a. Experienced an income (earned or unearned) decrease because of a change in circumstances, including the loss of employment and/or change in household composition.

- b. Would be evicted because of imposing the statutory increase in the threshold for the unreimbursed health and medical care expenses and reasonable attendant care and auxiliary apparatus expenses.
 - c. Had a death in the family.
 - d. Requires reasonable accommodation related to a family member's disability.
 - e. May have had other financial hardship situations as determined by the PHA on a case-by-case basis.
2. The PHA's determination of family's inability to pay the rent.
- a. The PHA will consider a family's inability to pay the family share when the family requests a financial hardship exemption in writing;
 - b. The PHA may request documentation of the financial hardship to determine if a financial hardship exist.
 - c. If the family requests a financial hardship exemption, the PHA will determine if the family is eligible for the relief.
 - d. If the family is eligible for relief, the family will receive the respective form and duration of the relief.
 - e. If the PHA determines there is no qualifying financial hardship, the family will not receive the financial hardship exemption.
 - f. Denial of financial hardship exemption is subject to the PHA's informal hearing process.
3. Family Notification

The PHA will promptly, within 10 calendar days, notify the family in writing of the PHA's determination of the family's request for a hardship exemption.

- a. Approval of Hardship Exemption
 - 1) The PHA will, within 10 calendar days of the determination, notify the family in writing of the family's approval for the hardship exemption and change in the determination of adjusted income resulting from the hardship exemption.
 - 2) The notice will inform the family:
 - a) When the hardship exemption will begin and expire (i.e., the respective time periods or within 90 days or at such time as the PHA determines the exemption is no longer necessary);
 - b) The requirement for the family to report timely if the circumstances that made the family eligible for relief are no longer applicable; and
 - c) The adjusted income and family share will be recalculated upon expiration of the hardship exemption.

- 3) The PHA will provide families with at least a 30 days' notice of any increase in the family share.
- b. Denial of the Hardship Exemption
 - 1) The PHA will promptly, within 10 calendar days of the determination, notify the family in writing of the denial of either an initial hardship exemption or an additional 90-day extension of the hardship exemption.
 - 2) The notice will specify the reason for the denial.
 - 3) Denial of the hardship exemption is subject to the PHA's informal hearing process.
- c. Termination of the Hardship Exemption
 - 1) The PHA will notify the family if the hardship exemption is no longer necessary and will be terminated because the circumstances that made the family eligible for the exemption are no longer applicable.
 - 2) The notice must:
 - a) State the termination date; and
 - b) Provide 30 days' notice of increases in family share, if applicable.

T. HUD's Annually Published Inflation Adjustments

HUD will annually publish the eight inflation-adjusted items no later than September 1, and the updated values will be shared online at the HUDUser Web site. The revised amounts will be effective on January 1 of the following year.

The PHA must use the adjusted levels post to HUDUser for income and asset calculations effective on or after January 1 of the following year.

HUD plans to publish in the Federal Register a notice soliciting the public's comment on HUD's methodology for recalculating inflationary adjusted items.

CHAPTER 11: VERIFICATION REQUIREMENTS

The PHA must verify all applicant and family information used to determine eligibility and level of assistance. The PHA's verification procedures are essential to accurately determine the family's income, assets, and deductions. The verification requirements described in this chapter are applicable to factors that determine eligibility, annual reexaminations, and interim reexaminations.

A. General Verification Requirements

1. The PHA will obtain and document in the family file, third-party verification of the following factors, or will document the family file why third-party verification was not available:
 - a. Reported family annual income;
 - b. The value of assets;
 - c. Expenses related to deduction from annual income; and
 - d. Other factors that affect the determination of adjusted income.
2. Verified information is not subject to change, such as a household member's personal identifying information (PII), name, date of birth (DOB), and SSN need not be reverified.
3. The PHA will accept current original and authentic documentation/verification generated by a third-party source dated within the 120-day period preceding the reexamination or PHA request date.
4. Income verifications will remain valid for 120 calendar days from the date of receipt.
5. Information to be verified by the PHA may include but is not limited to the following:
 - a. U.S. citizenship or eligible non-citizen status.

- l. Preferences applicable to placement on and selection from the waiting list based on the selection preferences adopted by the PHA.

B. The EIV System

The Enterprise Income Verification (EIV) System is a web-based application which provides the PHA with employment, wage, unemployment compensation, and social security benefit information for families who participate in public housing and various Section 8, including the HCV, programs under the jurisdiction of the PIH.

Information in EIV is derived from computer matching programs initiated by HUD with the SSA and the U.S. Department of Health and Human Services (HHS) using the National Directory of New Hires (NDNH) database, for all program participants with valid PII reported on the form HUD-50058.

1. In accordance with HUD administrative guidance, the PHA will utilize HUD's EIV System in its entirety, including using all the required reports, such as the Existing Tenant Search and Income Reports, to verify tenant employment and income information.
2. The PHA will utilize HUD's EIV System to:
 - a. Verify tenant employment and income information at only annual reexamination of family composition and income; and
 - b. Reduce administrative and subsidy payment errors.
3. Disclosure of EIV Information
 - a. The Federal Privacy Act (5 USC §552a(b), as amended) prohibits the disclosure of an individual's information to another person without the written consent of such an individual.
 - 1) The PHA will not share, will not provide a copy, and will not display the EIV data of an adult household member with another adult household member, unless the individual identified in the EIV data has provided written consent to disclose such information.
 - 2) However, the PHA can elect to discuss with and show the head of household how the household's income and rent were determined based on the total family income reported to and verified by the PHA.
 - b. EIV information and any other information obtained by the PHA for the purpose of determining eligibility for the HCV program may not and will not be disclosed to third parties for any reason unless the tenant has authorized such disclosure in writing.

4. The PHA is prohibited from taking adverse action based solely on EIV information.

C. Verification Hierarchy and PHA Verification Procedures

HUD has established six (6) verification hierarchy levels. (Appendix A)

1. The PHA will begin with Level 6, the 'highest mandatory' form of acceptable third-party verification technique.
2. The PHA will attempt the next lower level of the third-party verification techniques after at least one (1) documented attempt or if 10 calendar days have elapsed since the request to obtain third-party verification at a higher level.
3. If the PHA is unable to obtain third-party verification, the PHA will use Level 1, the 'lowest - last resort' of the acceptable verification techniques.
4. The PHA will document in the family file the attempts made at each level, the reasons, and why third-party verification was not available.
5. The PHA may also request the family to provide additional/required documents, verification, and/or information.
 - a. The PHA will give the family an Information Needed Form which will include the date the documents, verification, or information is due to the PHA.
 - b. The family will be given 10 calendar days from the date of the Information Needed form to provide the additional/required documents, verification, and/or information to the PHA.
 - c. If the family fails to provide the additional/required documents, verification, and/or information to the PHA by the due date, the PHA may deny the family's admission to the HCV program or terminate the family's HCV housing assistance.

D. Verification Hierarchy Techniques

1. Level 6/5 (Highest): Upfront Income Verification (UIV), using HUD's Enterprise Income Verification (EIV) System:
 - a. It is the verification of income before or during a family reexamination, through an independent source that systematically and uniformly maintains income information in computerized form for a number of individuals.
 - b. EIV is available to the PHA as a UIV technique.
 - c. The PHA is encouraged to use other non-HUD UIV tools, such as The Work Number (an automated verification system) cccverify.com, valutverify.com, and state government databases to verify tenant-reported income.

NOTE: NOT AVAILABLE FOR INCOME VERIFICATION OF APPLICANTS

2. Level 4 (High): Written Third Party Verification:
 - a. Tenant Provided Documents

- 1) The PHA will accept an original or authentic document in the possession of the applicant or tenant generated by a third-party source dated within the 120 days of the date received by the PHA.
 - 2) For fixed income sources, a statement dated within the appropriate benefit year is acceptable documentation.
 - 3) The PHA may obtain any tenant-provided documents and follow up directly with the third-party source to obtain necessary verification of information, when necessary.
- b. Acceptable Level 4 verification includes but are not limited to:
- 1) Pay stubs
For new income sources or when two (2) pay stubs are not available, the PHA will determine income using Level 3 (a traditional written third-party verification form) verification or the best available information.
 - 2) Payroll summary report
 - 3) Employer notice/letter of hire/termination
 - 4) SSA benefit letter
 - 5) VA benefit letter
 - 6) Pension/retirement benefit letter/notice
 - 7) Bank statements
When verification of assets is required, the PHA will obtain a minimum of one (1) statement that reflects the current balance of banking/financial accounts.
 - 8) Child support payment stubs/printout
 - 9) Unemployment benefit notice
 - 10) Welfare benefit letters/printout
 - 11) Income tax returns with corresponding official tax forms and schedules attached, including third-party receipt of transmission for income tax return filed (i.e., tax preparer's transmittal receipt, summary, or transmittal from online source, etc.).
- c. EIV + Self-Certification
- 1) EIV may be used as Level 4 verification and may be used to calculate income if the family agrees with the information in EIV.
 - 2) If EIV Income Report indicates four (4) or more quarters, the PHA will use the last four (4) quarters combined to calculate the annual income.
 - 3) If EIV Income Report indicates less than four (4) quarters, the PHA will average the number of quarters indicated to calculate the annual income.

- 4) The PHA is required to obtain a minimum of two (2) current and consecutive pay stubs for determining annual income from wages when:
 - a) The PHA does not elect to use EIV + Self-Certification, or
 - b) The income type is not reported in EIV.
 - 5) The EIV Income Report must be generated within 120 days prior to the effective date and the reexam.
 - d. The PHA may reject documentation/verification provided by the family for the following PHA-approved reasons:
 - 1) The document is not original; or
 - 2) The original document has been altered, mutilated, or is not legible; or
 - 3) The document appears to be a forged document (i.e., does not appear to be authentic).
3. Level 3 (Medium): Written (Traditional) Third Party Verification Form:
 - a. The PHA will request written third-party verification when the PHA requires additional information that is not available in EIV and/or the family is unable to provide the PHA with current acceptable tenant-provided documentation.
 - b. Examples of additional information include but are not limited to:
 - 1) Effective dates of income (i.e., employment, unemployment compensation, or Social Security benefits).
 - 2) For new employment: rate of pay, number of hours worked per week, pay frequency, etc.
 - 3) Confirmation of changes in circumstances (i.e., reduced hours, reduced rate of pay, temporary leave of absence, etc.).
 - c. The PHA will send a verification request form directly (by mail, fax, or email) to the third-party source to obtain information, recording the source, date, and method of the request for information.
 - d. The PHA will ensure to protect the family's personal identifiable information (PII).
 - e. The PHA may skip Level 3 verification before attempting Level 2 verification.
4. Level 2 (Medium): Oral Third-Party Verification:
 - a. The PHA shall attempt to obtain the third-party verification by contacting the individual income/expense source(s) as identified through the UIV technique, or identified by the family, via telephone.
 - b. The PHA will use Level 2 verification if the family is unable to provide Level 4 verification within five (5) calendar days or the Level 3 source does not respond to the PHA's mail, fax, or email within five (5) calendar days of the date of the Level 3 verification.

- c. The PHA will document in the family file:
 - 1) The telephone number of the third-party source.
 - 2) The date and time of the telephone call.
 - 3) The name of the person contacted.
 - 4) The confirmed information from the third-party source.
 - d. If the PHA is unable to contact the third-party source on the first attempt, the PHA shall attempt a second contact within seven (7) days of the first Level 2 attempt.
 - e. If the PHA is unable to contact the third-party source on the second Level 2 attempt, the PHA will request Level 1 verification from the family.
 - f. The PHA may skip Level 2 verification before attempting Level 1 verification if the PHA has attempted Level 3 verification.
5. Level 1 (Low): Self Certification:
- a. Is not a third-party verification technique.
 - b. Used as a last resort when the PHA has not been successful in obtaining third-party verification.
 - c. The PHA will accept a notarized sworn statement (with penalty of perjury) or affidavit of the reported income and/or expenses from the family.
 - d. The PHA will document in the family file why the third-party verification was not available.
6. Exceptions to Third-Party Verification Requirements
- a. The PHA has made numerous attempts to obtain third-party verification, and the third-party source has not responded.
 - b. The third-party source does not have the capability of sending the verification directly to the PHA or facilitating oral verification.
 - c. It is not cost effective for the PHA to obtain third-party verification of income, assets, or expenses when the item to be verified is an insignificant amount that would have a minimal impact on the total tenant payment (TTP) and the PHA is able to verify the amount through original documents provided by the family.
 - d. The PHA will document in the family file why the third-party verification was not available.

E. Verification of Legal Identity

The PHA will require the family to provide verification of legal identity for each household member 18 years of age and older.

1. Government issued photo identification card

- a. State issued driver's license
- b. State issued identification card
2. Passport
3. Alien registration card
4. U.S. military discharge paperwork, DD214

F. Verification of Date of Birth

The PHA will verify the date of birth for all household members to reduce the number of identify failures resulting from an incorrect date of birth. The PHA may use any of the following to verify the date of birth:

1. Birth certificate
2. U.S. Naturalization certification
3. Passport (Unexpired)
4. Alien registration card
5. SSA documentation
6. Military discharge paperwork, DD214

1. Marital Status, including Common Law Marriage
 - a. Certification by the head of household
 - b. Marriage license/certificate
 - c. Common law marriage in states that recognize common law marriages, where the couple demonstrates that they hold themselves to be married (e.g., telling others they are married, calling each other husband or wife, using the surname, living together as a married couple, filing joint income tax returns)
2. Divorce or Separation
 - a. Certification by the head of household
 - b. Copy of the divorce decree, signed by a court officer
 - c. Copy of a court-ordered maintenance or other court record of separation

H. Verification of Citizenship or Eligible Immigration Status

The PHA is required to verify eligible immigration status through the U.S. Citizenship and Immigration Service (CIS)

1. Primary Verification Method

The PHA shall use the CIS automated Systematic Alien Verification of Entitlements (SAVE) system which provides access to names, file numbers and admission numbers of noncitizens.

- a. The PHA shall use the SAVE system prior to approving assistance.
- b. The PHA may elect to provide assistance to the family before the verification of the eligibility of the individual or one family member.
- c. If the SAVE system does not verify eligible immigration status or verifies immigration status that is ineligible, the PHA will use the secondary verification method.

2. Secondary Verification Method

If the SAVE system does not verify eligible immigration status, the PHA must perform a secondary verification.

a. Manual search of CIS records

- 1) The PHA must request secondary verification within 10 days of receiving the results of the primary verification from the SAVE system. The PHA will forward the following and any other form specified by CIS to a designated CIS office for review:
 - a) Photocopies (front and back) of the original INS documents required for the immigration status declared,
 - b) Attach the CIS document verification request form (G-845S, Document Verification Request), or

b. Failure of Secondary Verification Method

- 1) If the secondary verification method fails (it did not verify eligible immigration status), the PHA will provide the family with a notice of denial admission or termination of assistance.
- 2) The notice of denial of admission or termination of assistance shall advise the family:
 - a) The housing assistance will be denied or terminated and a brief description or explanation of the reasons for the denial or termination.
 - b) If a current assisted household, the criteria, and procedures for requesting or obtaining prorated assistance.
 - c) The right to request an appeal to the CIS of the results of the secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal.
 - (1) The family shall have 30 days from the date the PHA's notification to request an appeal of the CIS results.

- (2) The request for appeal shall be made by the family communicating that request in writing directly to the CIS.
 - (3) The family must provide the PHA with a copy of the written request for appeal and proof of mailing.
 - d) The right to request an Informal Hearing with the PHA either upon completion of the INS appeal or in lieu of the CIS appeal.
 - e) For applicants, the PHA shall advise that the assistance may not be delayed until the conclusion of the CIS appeal process, but it may be delayed during the pendency of the informal hearing process.
- 3. The PHA shall not be liable for any action, delay, or failure of CIS in conducting the automated or manual verification.

I. Verification of Social Security Numbers and Social Security/SSI Benefits

The PHA must request the applicant and participant, including each member of the household, who are not exempt from disclosure of SSN, to provide documentation of each disclosed SSN.

1. Acceptable Verification of SSN

HUD recognizes the difficulty for some applicants, in particular individuals experiencing homelessness, to comply with the SSN disclosure requirements and to protect an individual's privacy, many federal, state, and local agencies no longer print an individual's SSN on an official documents, HUD has adjusted acceptable documentation of SSN.

- a. The PHA will attempt to obtain one of the following third-party verifications of the SSN prior to admission:
 - 1) A valid SSN card issued by the SSA;
 - 2) Original document issued by a federal or state government agency which contains the name and SSN of the individual, along with other identifying information of the individual; or
 - 3) Such other evidence of the SSN as HUD may prescribe in administrative instructions.
- b. If the PHA has exhausted all other attempts to obtain the SSN, the PHA will accept a self-certification and a third-party document with the applicant's name printed on it to satisfy the SSN disclosure requirement.
- c. The PHA will document why other SSN documentation was not available.

2. HUD-SSA Computer Matching of SSN

HUD, via its computer matching program with the SSA, will validate the SSN (along with the individual's name and date of birth) against the SSA's database.

- a. HUD does not initiate computer matching efforts for applicants.

- b. The PHA must ensure that the personal identifier information entered in section 3 of the form HUD-50058 (i.e., household members' name, date of birth, and SSN) is complete and accurate.
- c. If a family's form HUD-50058 is not successfully submitted to PIC or if it has been 15 or more months since the effective date listed on the current form HUD-50058 available in PIC, HUD will not initiate computer matching for these individuals and new income information will not be available in EIV.
- d. EIV will report the status of the identity verification process as Verified, Failed, Pending, Excluded, or Deceased
 - 1) Verified
 - a) If the information matches the SSA database, the individual's identity verification status will be Verified.
 - b) No further action is required by the PHA.
 - c) Once the individual's identity verification status is classified as "Verified", the PHA will not remove and destroy the copy of the SSN documents in the family file.
 - 2) Failed
 - a) If the information does not match the SSA database, the identity verification status will be Failed.
 - b) The PHA will generate EIV's Identity Verification Report to correct, within 30 calendar days, the personal identifiers for the household member (date of birth, surname, and/or SSN) or invalid form HUD-50058 transmitted date (e.g., effective date of action 15 months or more months ago).
 - 3) Pending
 - a) If an individual's identity verification status is Pending, this means that HUD has not yet sent the tenant's personal identifiers to SSA for validation.
 - b) No action is required by the PHA.
 - 4) Excluded

Effective April 30, 2012, if an individual's identity verification status is Excluded, this means that HUD will not send the tenant personal identifiers to SSA for validation because a valid SSN is not reported on line 3n of the form HUD-50058 or the individual has failed EIV pre-screening.
 - 5) Deceased
 - a) If an individual's identity verification status is Deceased, this means SSA's records indicate the person is deceased.

- b) The PHA is required to confirm the death with the family's head of household or listed emergency contact person.
 - c) If the individual is deceased and the only household member or the only surviving household members are a live-in aide and the live-in aide's family (single member household), the PHA must complete an action code 6, end of participation (EOP), on form HUD-50058 and discontinue assistance and/or tenancy.
 - d) If the individual is not deceased, the PHA will immediately notify the individual in writing and advise the individual to contact SSA so that SSA may correct its records.
 - e) If there are authorized household members remaining in the HCV program, the PHA will update the family composition accordingly and complete an interim reexamination.
- 3. SSN Verification in EIV
 - a. If the individual's SSN becomes verified in EIV, then no further verification is required.
 - b. If the individual's SSN fails the SSA identity match, the PHA must obtain a valid SSN card issued by the SSA or an original document issued by a federal or state government agency that contains the name of the individual and the SSN of the individual, along with other identifying information of the individual.
 - c. The assistance must be terminated if they fail to provide the required documentation.
- 4. The PHA may reject documentation of the SSN provided by the applicant or participant for only the following reasons:
 - a. The document is not an original document; or
 - b. The original document has been altered, mutilated, is not legible; or
 - c. The document appears to be a forged document (i.e., does not appear to be authentic).
 - d. The PHA shall provide a written explanation to the reasons(s) why the document is not acceptable.
- 5. Verification of Social Security/SSI Benefits for Applicants and Participant Families

The PHA will refrain from sending or requesting applicants to go to SSA offices to obtain Social Security/SSI benefit verification or submitting requests to the SSA to verify that a family is not receiving Social Security/SSI benefits.

 - a. Third-Party Verification of Social Security/SSI Benefits
 - 1) It is HUD's position that an SSA benefit verification letter (dated within the last 120 days of the PHA request date for information or within the PHA-tenant interview date) provided by the family or an undisputed EIV Income Report which displays the current Social Security/SSI benefit amount is third-party verification.

2) No additional verification is required by the PHA.

b. Third-Party Verification of Social Security/SSI Benefits for Applicants

EIV does not contain Social Security/SSI benefit information of applicants.

- 1) The PHA must request applicants to provide a copy of their Social Security/SSI benefit letter, dated within the last 120 days, for each household member that receives Social Security/SSI benefits.
- 2) Applicants can request the Social Security/SSI benefit letter:
 - a) From the SSA's website, www.ssa.gov, and clicking on the *Get benefit verification letter* link and following the prompts, or
 - b) By using the SSA's automated phone assistance by calling 1-800-772-1213 or foy TTY, 1-800-325-0778. This service is available in English and Spanish 24/7.
 - c) HUD encourages applicants to use the SSA website rather than the toll-free numbers.
 - d) The applicant should receive the benefit letter within 10 business days of the request.
- 3) The PHA will make a copy of the original Social Security/SSI benefit letter for the family file.
- 4) The PHA will use the gross Social Security/SSI benefit amount reported by the SSA's benefit letter to calculate the annual income.

c. Third-Party Verification of Social Security/SSI Benefits for Participant Families

Social Security/SSI benefit information for participant household members whose individual identity verification status in EIV is Verified, is available from the EIV system.

- 1) The PHA will use EIV to verify Social Security/SSI benefits of current participants and household members.
- 2) The PHA will view the EIV Income Report and confirm with the family that the current listed Social Security/SSI benefit amount is correct.
 - a) If the family agrees with the current EIV-reported amount, the PHA will use the EIV-reported gross Social Security/SSI benefit amount to calculate annual income from Social Security/SSI benefits.
 - b) If the family disputes the EIV-reported Social Security/SSI benefit amount, the PHA will request the family to provide current (dated within the last 120 days) SSA benefit letter.
 - c) If the family's Social Security/SSI benefit letter is not available in EIV or the family is unable to provide the Social Security/SSI benefit letter, the PHA will require the family to request the Social Security/SSI benefit letter via the SSA website or phone number.

- (1) The PHA will make a copy of the original Social Security/SSI benefit letter for the family file.
 - (2) The PHA will use the gross Social Security/SSI benefit amount reported by the SSA's benefit letter to calculate the annual income.
- d. The PHA will not use photocopies of Social Security/SSI checks or bank statements as acceptable forms of verification of Social Security/SSI benefits as the dollar amount listed may not be the gross Social Security/SSI benefit amount.

J. Verification of Included Income

The PHA will use the following to verify included income:

1. Verify the income in accordance with the HUD-prescribed Verification Hierarchy;
2. Document in the tenant file why third-party verification was not available; and
3. Report the income in Section 7 of the form HUD-50058.

K. Verification Requirements for Excluded Income

There are two (2) categories of excluded income, fully excluded and partially excluded income. Each category has different verification requirements.

1. Fully Excluded Income

Income that is fully excluded means the entire amount qualifies to be excluded from annual income in accordance with the federally mandated income exclusions and any Federal Register notice on mandatory exclusions issued by HUD.

- a. For fully excluded income the PHA is not required to:
 - 1) Verify the income using third-party verification;
 - 2) Document in the tenant file why third-party verification was not available; and
 - 3) Report the income in Section 7 of the form HUD-50058.
- b. The PHA may accept an applicant or participant's self-certification as verification of fully excluded income. The PHA's application and reexamination documentation, which is signed by all adult family members, may serve as the self-certification of the fully excluded income.
- c. The PHA may elevate the verification requirements, on a case-by-case basis, to determine if a source of income qualifies for a full exclusion.
- d. Examples of common fully excluded income categories that are verifiable through applicant or participant self-certification are:
 - 1) Supplemental Nutrition Assistance Program (SNAP) benefits, formerly known as food stamps.
 - 2) Income from a live-in aide.

2. Partially Excluded Income

Income that is partially excluded means that only a certain portion of the income reported by the family qualifies to be excluded, while the remainder must be included when determining the family's annual income.

1. For partially excluded income, the PHA is required to:
 - 1) Comply with HUD-prescribed verification requirements and all applicable regulations pertaining to the determination of annual income, including documenting why third-party verification is not available; and
 - 2) Report the income in Section 7 of the form HUD-50058.
2. Examples of partially excluded income that are subject to regular verification requirements include:
 - a. Earnings more than \$480 (annually adjusted by HUD for inflation) for full-time students 18 years old or older.
3. To determine the amount of earnings to include in the calculation of the family's annual income, the PHA must verify the amount of employment income for these family members.

L. Verification of Assets and Income from Assets

Effective July 1, 2025, the PHA will obtain verification of all family assets to which any member has access and the income from those assets upon admitting the family to the HCV program.

1. At the time of admission and reexamination the PHA will not accept the family's declaration of net assets and real property as acceptable documentation.
 - a. Family Verification of Net Assets Equal to or Less Than \$50,000

In determining the value of net assets, the PHA will use the most current balance of the bank accounts generated by a third-party source dated within 120 days preceding the PHA request date or reexamination.
 - b. Verification of Family Real Property Ownership

If the family declares present ownership in real property, the PHA will seek third-party verification of the following, as applicable:

 - 1) Whether or not the family has the legal right to reside in the property; and
 - 2) Whether or not the family has the effective legal authority to sell the property; and
 - 3) Whether or not the property is suitable for occupancy by the family as a residence.

NOTE: In the case of a family member who is a survivor of VAWA violence/abuse, the PHA will comply with the confidentiality requirement regarding documenting the occurrence of VAWA violence/abuse. The PHA will accept self-certification from

the family, and the restrictions on requesting documentation from a survivor of VAWA violence/abuse will apply.

- c. If the PHA's verification of net family assets show transactions from and to the same individuals via money transferring applications such as but not limited to CashApp, Zelle, Venmo, and PayPal, the PHA will question the family about these transactions to ascertain whether the reoccurring transactions should be considered income.

2. Net Assets Equal that Exceed \$50,000

The PHA will verify, by third-party verification, net family assets that exceed \$50,000 (adjusted annually by HUD for inflation).

3. Verification of Federal Tax Refund or Refundable Tax Credits

- a. The PHA is not required to verify the amount of the family's federal tax refund or refundable tax credit(s) if the family's net assets are equal to or below \$50,000 (adjusted annually for inflation), even in years when full verification of assets is required or if the PHA does not accept self-certification of assets.
- b. The PHA will verify the amount of the family's federal tax refund or refundable tax credits if the family's net assets are greater than \$50,000.

4. Verification of Assets for New Additions to the Family

- a. The PHA will not obtain third-party verification of assets for new additions to the family.
- b. At the next annual reexamination of income following the addition of the new family member, the PHA will obtain third-party verification of all family assets if the addition of the new family member's assets puts the family above the \$50,000 asset threshold.
- c. If the addition of the new family member's assets does not put the family above the \$50,000 asset threshold, the PHA will not obtain third-party verification of all family assets at the next annual reexamination of income following the addition of the family member.
- d. The PHA will obtain third-party verification of all family assets at least every three (3) years.

- 5. If the PHA has adopted a previous self-certification of assets provision, the PHA will obtain third-party verification of all family assets at the next income reexamination if the family has provided self-certification of assets for the two (2) previous income reexaminations.

6. Lump Sum Additions

The PHA will verify payments of inheritances through the executor; health, accident, and worker's compensation payments through the provider; capital gains through the broker, original 1099s or tax returns; and settlements for personal or property losses through the insurer.

7. Annuities

- a. Annuities may be provided for either fixed or variable payment.
- b. For variable payments, the PHA will evaluate historical information to determine the approximate anticipated payment amount for the next 12-month period.
- c. This annualized income may be adjusted based on significant changes from the anticipated income.
- d. The holder of an annuity may withdraw the funds at any time before maturity but will pay a penalty for early withdrawal.
- e. Verification of the penalty amount may be obtained from the company holding the annuity and should be deducted from the total distribution before determining asset or income amounts.
- f. Monthly or periodic regular annuity payments are counted as income while the principal of the annuity remains an asset until fully liquidated.
- g. Verification of any annuity expenses will be obtained from the annuity provider.

M. Verification of Deductions from Annual Income

The PHA will follow the HUD Verification Hierarchy which may include but will not be limited to one or more of the methods listed below:

1. Dependent

A dependent is a member of the family (except the head of household, spouse, co-head, live-in aide, live-in aide family or foster children/adults) who is under 18 years of age, is a full-time student, or a person with a disability.

2. Under the age of 18 years of age (Minor)
3. Birth certificate
4. U.S. Nationalization certification
5. Passport (Unexpired)
6. alien registration card
7. custody documents
8. Certificate of adoption
9. Court ordered documents

- a. Full-time student

The educational institution defines the time commitment or subject load that is needed to be a full-time student.

- b. Person with Disability

- 1) If a person's disability is obvious or otherwise known, the PHA may not request additional information about the disability.
- 2) If the person's disability is not obvious or not otherwise known:
 - a) The PHA may, but is not required to, accept a statement of disability by the person with disabilities.
 - b) PHAs may require a statement from a medical or mental health professional who treats the person for his/her disability:
 - (1) A doctor or licensed medical/health professional
 - (2) A peer support group
 - (3) A social service/disability agency or counselor
 - (4) A case manager
- 3) PHAs may not
 - a) Ask the nature or extent of a person's disability.
 - b) Ask if a person can live independently.
 - c) Impose expensive or burdensome requirements to "prove" a disability.

CHAPTER 12: SUBSIDY STANDARDS

The PHA must establish subsidy standards (also referred to as bedroom size or family unit size) for determining the number of bedrooms needed for families of different sizes and compositions. The family's unit size will be entered on the voucher issued to the family.

A. Family Unit Size

The family unit size is based on the verified family composition when the PHA determined the family's eligibility when admitted to the HCV program or the family's continue eligibility after admittance to the HCV program. The following will apply when the PHA determines the family unit size:

1. The subsidy standards must be consistent with space requirements under HQS.
2. The subsidy standard must be applied consistently for all families of like size and composition.
3. The subsidy standards must provide for the smallest number of bedrooms needed to house the family without overcrowding.
 - a. No more than two persons will be required to share a bedroom.
 - b. Persons of the opposite sex (other than spouses or intimate partners) will not be required to share a bedroom.
 - c. Children of the same sex will share a bedroom. An exception is made if there is more than ten (10) years difference in age.
 - d. Adults of the same sex will share a bedroom. However, adults of a different generation, i.e., mother, grandmother, may be permitted separate bedrooms.
 - e. For verified medical reasons (age, disability, etc.) a separate bedroom may be provided for an individual family member.
 - f. A single head of household parent shall not be required to share a bedroom with his/her children, (other than infants), but may choose to do so by using the living room as a living sleeping room.
4. A child who is temporarily away from home because of placement in foster care is considered a member of the family in determining the family unit size.
5. A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
6. The PHA will count the live-in aide when determining the family unit size.
 - a. The live-in aide is permitted a separate bedroom.
 - b. A live-in aide may have PHA-approved family member/s live with them in the assisted unit, but no additional bedrooms will be provided for the family members of the live-in aide.

- c. If PHA-approved live-in aide family members/s live in the assisted unit, the PHA must ensure that HQS will not be violated and there will be no more than two people per bedroom or living/sleeping space in the unit.
 - d. If the approval of additional family members of a live-in aide would result in the violation of HQS, the additional family members of the live-in aide may not be approved.
7. Unless a live-in aide resides with the family, the family unit size for any family consisting of a single person must be either a zero or one-bedroom unit.
8. The PHA may approve an additional bedroom for medical equipment if the need is documented by a health care provider.
 - a. The PHA will verify during the biennial/annual inspection of the unit that the medical equipment is in the additional bedroom.
 - b. If the additional bedroom is not being used for the intended purpose, the PHA will reduce the subsidy standard and corresponding payment standard at the family's next annual reexamination.
 - c. The PHA may also take further actions, including termination of assistance.

B. PHA Subsidy Standards

The PHA has established the following subsidy standards as a guideline to determine the family unit size for voucher issuance:

0 BR	1	1
1 BR	1	2
2 BR	2	4
3 BR	3	6
4 BR	5	8
5 BR	7	10
6 BR	9	12

C. Exceptions to the Subsidy Standards

1. As a reasonable accommodation for families that includes a person with disabilities.

- a. Approval of a live-in aide
 - b. Approval of a separate bedroom for medical equipment.
2. The PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances. (For a single person other than a disabled or elderly person or remaining family member such PHA exception may not override the limitation in paragraph (1)(g) of this chapter.)
3. A family may request an exception to subsidy standards when a licensed professional clinician documents, for specific reasons, the need for separate bedroom accommodation.

D. Size of the Unit Occupied by the Family

1. The family may lease a smaller bedroom size unit than what is reflected on the voucher provided that the unit meets HQS space guidelines.
2. The family may lease a larger bedroom size unit than what is reflected on the voucher, however, the appropriate payment standard and utility allowance must be applied.

4. Revised utility allowances will be applied in the family's rent calculation at the family's next annual reexamination.
5. The PHA must provide HUD a copy of the utility allowance schedule.
6. The PHA will maintain supporting documentation to substantiate the review and revision of the utility allowance schedule.
7. The PHA assists tax credit properties which supply their own utility allowance schedules to our office on an annual basis.

B. Utility Allowance Schedule

If the family is responsible for paying for some or all utilities, the PHA will provide the family with a utility allowance. The request for tenancy approval submitted by the owner and the family will indicate which utilities are tenant-paid, are included in the rent to the owner, and if the family is responsible for supplying any appliance.

The PHA's utility allowance schedule, and the utility allowance for an individual family, will include the utilities and services that are necessary in the locality to provide housing that complies with HQS. The PHA's utility allowance schedule and utility allowance for families will also include any utilities and services required by HUD after publication in the Federal Register.

1. The PHA will maintain an area-wide utility allowance schedule
 - a. The area-wide utility allowance schedule is calculated for tenant-paid utilities based on the typical cost of utilities and services paid by energy-conservative households that occupy assisted housing of similar size and type in the same locality.
 - b. In developing the utility allowance schedule, the PHA will use normal patterns of consumption for the community as a whole and current utility rates.
 - c. The utility allowance is not based on the family's actual energy consumption.

2. The PHA may maintain an area-wide, energy-efficient utility allowance schedule to be used for units that are in a building that meets Leadership in Energy and Environmental Design (LEED) or Energy Star standards.
 - a. HUD may subsequently identify additional Energy Savings Design standards or criteria for applying the allowance to retrofitted units in a building that does not meet the standard, which will be modified or added through a document published in the Federal Register for 30 days of public comment, followed by a final document announcing the modified standards and the date on which the modifications take effect.
 - b. The energy-efficient utility allowance (EEUA) schedule is to be maintained in addition to, not in place of, the area-wide utility allowance schedule, unless all units within the PHA's jurisdiction meet one or more of the required standards.

3. The PHA may base its utility allowance payments on actual flat fees charged by an owner for utilities that are billed directly by the owner, but only if the flat fee charged by the owner is no greater than the PHA's applicable utility allowance for the utilities covered by the fee.

If an owner charges a flat fee for only some of the utilities, then the PHA will pay a separate allowance for any tenant-paid utilities that are not covered in the flat fee.

4. For tenant-based participants residing in units within a project that has an approved project-specific utility allowance, the PHA will use the project-specific utility allowance schedule.
5. The PHA will apply its utility allowance payments consistently to all similarly situated households.
6. In the utility allowance schedule, the PHA will classify utilities and other housing services in accordance to the following general categories:
 - a. Space heating,
 - b. Cooking,
 - c. Other electric (e.g., lights, appliances, general usage),
 - d. Air conditioning (if the majority of housing units in the PHA's market provide centrally air-conditioned units or there is appropriate wiring for tenant-installed air conditioners),
 - e. Water heating,
 - f. Water,
 - g. Sewer,
 - h. Trash collection (disposal of waste and refuse),
 - i. Cost of tenant-supplied range,

- j. Cost of tenant-supplied refrigerator,
 - k. Applicable surcharges, and
 - l. Other specified housing services.
7. The PHA will consider the fuel type for the utilities such as:
- a. Natural Gas
 - b. Bottled Gas
 - c. Electric
 - d. Electric-Heat Pump
 - e. Fuel Oil
 - f. Other
8. The PHA will not consider allowances for personal expenses, such as telephone and non-essential utility costs such as the cost of cable or satellite television.
9. If all the utilities are included in the rent to the owner, the family will not receive a utility allowance.
10. The family responsibilities of utilities and appliances on form HUD-52667, the request for tenancy approval form, and the HQS Inspection Checklist or HQS Inspection Form must match and are incorporated into the lease and the HAP contract.
11. The owner and the family must report to the PHA any changes made in the responsibility for payment of any utility and responsibility to provide any appliance.

C. Administration

The PHA will provide the approved utility allowance schedule to the family during the oral briefing session when the family is selected to participate in the HCV program, during regularly scheduled reexaminations for continued assistance, when the family moves within the PHA's jurisdiction, and upon request by the family.

1. The utility allowance for a family shall be the lesser of:
 - a. The family unit size as determined under the PHA subsidy standards, or
 - b. The size of unit leased by the family.
2. The size of the unit leased by the family.

In cases where the unit size leased exceeds the family unit size as determined under the PHA subsidy standards because of a reasonable accommodation, the PHA will use the appropriate utility allowance for the size of the unit actually leased by the family.

3. Higher utility allowance as reasonable accommodation for a person with disabilities

On request from a family that includes a person with disabilities, the PHA will approve a utility allowance which is higher than the applicable amount on the utility allowance

schedule if a higher utility allowance is needed as reasonable accommodation to make the program accessible to and usable by the family member with a disability.

CHAPTER 17: PAYMENT STANDARDS

The payment standard is an amount generally needed to rent a moderately-priced unit in the PHA's local housing market, and it is used to calculate the amount of housing assistance a family will receive. The payment standard is the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family).

A. The Payment Standard for the Family

The payment standard for the family will be the lower of:

1. The payment standard amount for the family unit size; or
2. The payment standard amount for the size of the unit rented by the family.

B. Establishing the Payment Standard Schedule

The PHA must adopt a payment standard schedule that establishes voucher payment standard amounts for each FMR area in the PHA's jurisdiction.

1. For each payment standard area, the PHA will establish a payment standard amount for each unit size, measured by the number of bedrooms (zero-bedroom, one-bedroom, and so on).
2. These payment standard amounts comprise of the PHA's payment standard schedule.
3. These payment standard amounts are used to calculate the monthly housing assistance payment for a family.
4. The PHA will make the payment standard schedule available to applicants, participants, landlords, and the public.

C. Fair Market Rents (FMRs)

Are estimates of rent plus the cost of utilities, except telephone. FMRs are housing market-wide estimates of rents that provide opportunities to rent standard quality housing throughout the geographic area in which rental housing units are in competition.

1. HUD publishes FMRs for zip codes areas, known as Small Area FMRs (SAFMRs), metropolitan areas, and non-metropolitan counties.
2. Small Area FMRs (SAFMRs)

Recognizing the variation in rents that occur within large metropolitan areas, SAFMRs are intended to result in payment standards that align more closely with localized rental costs,

including higher-cost areas for the express purpose of providing HCV-assisted families with access to areas of high opportunity and lower poverty.

- a. HUD designates metropolitan areas as SAFMRs.
 - b. If the PHA is located in one of those areas, the PHA is considered a mandatory SAFMR PHA.
 - c. The term “designated” and “mandatory” may be used interchangeably.
 - d. SAFMRs are not applicable to any programs other than the HCV program.
3. Metropolitan Area FMRs
- a. Are the HUD-published metropolitan FMR for any other metropolitan area.
 - b. HUD uses the metropolitan areas established by the Office of Management and Budget (OMB) and, in some instances, subdivides OMB’s defined metropolitan areas into smaller HUD Metropolitan FMR areas (HMFAs) along historical metropolitan boundaries to preserve continuity of FMR estimates.
4. Non-Metropolitan County FMRs
- HUD establishes FMRs for all non-metropolitan counties.
5. For FMR areas that are not mandatory SAFMR areas, the published metropolitan or nonmetropolitan county FMRs are used by the PHA to establish the payment standard amounts.
- For FMR areas that are not mandatory SAFMR areas, the published metropolitan or nonmetropolitan county FMRs are used by the PHA to establish the payment standard amounts.

D. SAFMRs: Mandatory and Opt-In

If the PHA is designated as a mandatory SAFMR PHA or opt-in to use SAFMRs, the PHA must use the SAFMR for its HCV program, including special housing types (e.g. congregate housing, shared housing, homeownership) except for manufactured home space rental. As a mandatory SAFMR PHA or an opt-in SAFMR PHA, the PHA will not use SAFMRs for its PBV program, if applicable, unless the PHA implements a policy through its Administrative Plan to apply SAFMRs to all future PBV projects located in the same areas where the SAFMRs are in effect for the PHA’s HCV program. The “applicable FMR” will be the HUD-published SAFMR for PHAs in mandatory SAFMR areas or for those PHAs that have opted-in to using the SAFMR.

1. Mandatory SAFMRs PHAs

HUD will designate new SAFMR areas as new data becomes available in accordance with program regulations. HUD will identify which metropolitan areas are required to use SAFMRs based on significant voucher concentration challenges and market conditions. If the PHA operates within those designated metropolitan areas, the PHA will be known as a “mandatory SAFMR PHA.”

- a. Mandatory SAFMR PHAs
 - 1) Must use the SAFMR for any part of their jurisdiction located in the SAFMR area.
 - 2) Is required to use the SAFMR only for the portion of their jurisdiction designated as mandatory SAFMR.
- b. Non-metropolitan counties will not be designated as mandatory SAFMR areas.
- c. Suspension or Temporary Exemption as a SAFMR PHA
 - 1) HUD may suspend a SAFMR designation from a metropolitan area or may temporarily exempt PHAs in a SAFMR metropolitan area from the use of SAFMRs, when HUD makes a documented determination, through public notice, that such action is warranted.

HUD will issue a Notice of Suspension or Exemption with information on the adverse rental market conditions, that is the reason for the suspension, the duration and timing of the suspension, and other details as HUD determines necessary.
 - 2) The PHA may request a suspension or temporary exemption as a SAFMR PHA.
 - a) The PHA's request for suspension or exemption must be emailed to SAFMRs@hud.gov.
 - b) The PHA may request either:
 - (1) Suspension of the SAFMR designation for a metropolitan area
Only PHAs, or a combination of PHAs, that administer more than 50% of the vouchers leased in the metropolitan area may make this request.
 - (2) Temporary exemption from the use of SAFMRs for an individual PHA.
 - c) In both cases, the request must be based on a documented finding of adverse rental housing market conditions specific to the area or PHA.
 - d) Adverse rental housing market conditions may include, but are not limited to:
 - (1) Current vacancy rates falling below four percent (insufficient supply)
 - (2) A sudden and significant influx of families into the metropolitan area (demand shock)
 - (3) A sudden and significant loss of rental units (supply shock);
 - (4) A rapid increase in the PHA's per unit costs (PUC) causing the PHA to experience a funding shortfall (supply or demand shocks).

2. Opt-In SAFMRs

A PHA that is not located in a designated SAFMR area may voluntarily adopt SAFMRs (opt-in) for one or more of the FMR areas in which the PHA administers vouchers, upon notification to HUD.

- a. A PHA that has fully opted-into the SAFMRs, the applicable FMR is the SAFMR, which is distinct from a PHA that only uses SAFMRs as an exception to payment standards.
- b. A PHA located in metropolitan and non-metropolitan counties may opt-in to using the SAFMR.
- c. A PHA that exercises this option in one metropolitan area or non-metropolitan county is not required to exercise this option in other metropolitan areas or non-metropolitan counties.
- d. A PHA that voluntarily uses SAFMRs for the entire jurisdiction, even if that jurisdiction consists of only one zip code, is considered an "Opt-in SAFMR" PHA.
- e. When considering whether to opt-in to SAFMRs, the PHA should consider a variety of factors such as:
 - 1) Whether adoption of SAFMRs is likely to have a positive or adverse effect on the availability of rental housing that is both affordable and available to program participants and applicants.
 - 2) The effect of SAFMR adoption on family rent burdens, and whether to adopt the hold harmless or gradual reduction in subsidy options for decreased payment standards.
 - 3) Areas where the SAFMR is lower than the published FMR by exactly 10% and opt-in will therefore trigger the need for rent reasonableness determinations.
 - 4) Whether to apply SAFMRs to the PBV program, if applicable.
- f. If the PHA voluntarily opted to adopt SAFMRs, the PHA must submit a written notification to HUD through a DocuSign electronic submission.
 - 1) The notification must indicate the PHA's proposed effective date.
 - 2) Prior to implementing SAFMRs, the opt-in PHA must amend the Administrative Plan, stating that the PHA will establish payment standards based on SAFMRs and also include any policies the PHA has adopted with respect to SAFMRs.
- g. A PHA that opts in to SAFMRs may opt out, returning to the use of the published FMR, through revision of the Administrative Plan and notification to HUD through a DocuSign electronic submission after taking into consideration any potential disruptions to its program, families, and owners.

E. Payment Standard Areas

The PHA may designate payment standard areas within each FMR area.

- 1. The PHA may establish different payment standard amounts for such designated areas.
- 2. The PHA may designate payment standard areas within which payment standards will be established according to the basic range or exception payment standard.

3. The PHA's established payment standards within the payment standard area must always be within the basic range of the applicable FMR area, or any HUD-approved exception payment standard.
4. A PHA-designated payment standard area may be no smaller than a census tract block group.

F. Basic Range

1. A basic range payment standard amount is any dollar amount that is in the range between 90% up to 110% of the applicable FMR.
2. The PHA may establish a payment standard amount within the basic range without HUD approval or prior notification to HUD.
3. The PHA's basic range payment standard amount for each unit size may be based on the same percentage of the applicable FMR or the PHA may establish different payment standard amounts for different unit sizes.

G. Exception Payment Standard Amounts

HUD uses the best available data to establish FMRs and SAFMRs, however, the PHA may find that payment standards within the basic range are not high enough to meet programmatic goals such as high utilization and success rates, landlord participation, and/or reasonable rent burdens for program participants. An exception payment standard amount is a dollar amount that exceeds 110% of the published FMR.

1. The PHA may establish exception payment standard amounts for all units or for units of a particular size.
 - a. The exception payment standard may be established for a designated part of the FMR area (called an "exception area") or for the entire FMR area.
 - b. The exception area must meet the minimum area requirements.
2. If the PHA is not in a designated SAFMR area or has not opted voluntarily to implement SAFMRs, the PHA may establish exception payment standards for a zip code area that exceeds the basic range for the metropolitan area or county FMR as long as the amounts established by the PHA do not exceed 110% of the HUD published SAFMR for the applicable zip code.
 - a. The exception payment standard must apply to the entire zip code area.
 - b. If an exception area crosses one or more FMR boundaries, then the maximum exception payment standard amount that the PHA may adopt for the exception area without HUD approval is 110% of the zip code area with the lowest SAFMR amount.
 - c. If the PHA qualifies for an exception payment standard above 110% of the applicable FMR, the PHA may establish exception payment standards up to the same percentage of the SAFMR for the applicable zip code.

H. Exception Payment Standards Greater than 110% and up to 120%

The PHA may establish exception payment standard amounts between 110% and 120% of the applicable FMR for such duration as HUD specifies by notice upon notification to HUD that the PHA meets at least one of the following criteria:

1. Success Rate: Fewer than 75% of the families to whom the PHA issued tenant-based rental vouchers during the most recent 12-month period for which there is success rate data available have become participants in the voucher program;
2. Rent Burden: More than 40% of families with tenant-based rental assistance administered by the PHA pay more than 30% of adjusted income as the family share; or
3. Such other criteria as the Secretary establishes by notice.

I. Duration Exception Payment Standards Between 110% and 120%

The duration in which the PHA may use the exception payment standard after proper notification to HUD is:

1. Until the effective date of the first newly published FMRs following 12 consecutive months of a sustained tenant-based success rate at 75% or higher, if the PHA qualified for the exception payment standard based on the success rate criteria; or
2. Until the effective date of the first newly published FMRs following 12 consecutive months of the PHA maintaining a rent burden where fewer than 40% of tenant-based voucher families are paying more than 30% of adjusted income as the family share, if the PHA qualified for the exception payment standard based on the rent burden criteria.
3. The PHA may revert back to the basic range at any time without notification to HUD.

J. Establishment of Payment Standards Above 110% of the Applicable FMR

The PHA may request approval from HUD to establish payment standards above 110% of the applicable FMR where the PHA does not meet the criteria to receive an exception payment standard of up to 120% of the applicable FMR and has determined the applicable FMR is not in line with local rental market demands or where 120% of the applicable FMR is still not high enough to reflect the local rental market demands.

1. Exception Area Requests

An exception area is a designated part of the applicable FMR area. The exception area must be smaller than the applicable FMR area, but no smaller than a census tract block group. The PHA determines what the requested exception area is.

- a. The PHA must provide HUD rental market data demonstrating that the requested exception payment standard amount is needed for families to access rental units.
- b. The rental market data must include a rent estimate for the entire FMR area compared with a rent estimate for the proposed exception area.

- c. The PHA must submit a corresponding rent estimate for the applicable FMR area (zip code), which must:
 - 1) Be consist of a standard metric, such as an average or median rent, measured across a representative portion of the rental market by a reputable source, and
 - 2) Include two (2) years preceding the current FMR year.
2. Entire FMR Area Request

The PHA may determine to request an exception payment standard for the entire FMR area.

 - a. The PHA must submit estimates of the typical rent paid in the FMR area, which must:
 - 1) Be consist of a standard metric, such as an average or median rent, measured across a representative portion of the rental market by a reputable source, and
 - 2) Include the two (2) years preceding the current FMR year.
 - b. The PHA must provide data that demonstrates the annual percentage of inflation change for the entire FMR area is greater than the rental inflation adjustment factor in the published FMR.
3. Once HUD has approved the exception payment standard for the PHA, any other PHA with jurisdiction in the HUD approved exception payment standard area may also use the exception payment standard amount.

K. Establishment of Payment Standards Below 90% of Applicable FMR

HUD may consider the PHA's request for approval to establish a payment standard amount that is lower than the basic range, 90% of the applicable FMR.

1. At HUD's sole discretion, HUD may approve PHA establishment of a payment standard lower than the basic range.
2. In determining whether to approve the PHA request, HUD will consider appropriate factors, including rent burden of families assisted under the PHA's HCV program.
3. Unless it is necessary to prevent termination of program participants, HUD will not approve a lower payment standard if the proposed payment standard would, if it were used to calculate the housing assistance payments for current participants in the PHA's voucher program using currently available data, cause the family share for more than 40% of participants with tenant-based rental assistance to exceed 30% of adjusted monthly income.

L. Exception Payment Standard as a Reasonable Accommodation

1. If required as reasonable accommodation in accordance for a person with a disability, the PHA may establish, without HUD approval or prior notification to HUD, an exception payment standard amount for an individual family that does not exceed 120% of the applicable FMR.

2. The PHA may establish a payment standard greater than 120% of the applicable FMR as a reasonable accommodation for a person with a disability, after requesting and receiving HUD approval.
3. The unit must meet the reasonable rent requirements.

M. Separate Payment Standards

If the PHA has established a separate payment standard amount for a designated part of an FMR area (including an exception payment standard amount), and the dwelling unit is located in such designated part, the PHA must use the appropriate payment standard amount for such designated part to calculate the payment standard for the family.

N. PHA Review and Revising of the Payment Standards

The PHA will review its payment standards at least annually. If necessary, the PHA will revise the payment standard amount no later than three (3) months following the effective date of the published FMR to ensure the payment standards remain within the basic range.

1. Effective date of the revised payment standards for annual reexaminations
 - a. For annual reexaminations of income with an effective date prior to the effective date of the new payment standards, the PHA will use the old payment standards amount.
 - b. For reexaminations of income that are effective on or after the effective date of the new payment standards, the PHA will use the new payment standards amount.
2. Effective date of revised payment standards for new HAP contracts
 - a. If the effective date of the HAP contract is before the effective date of the new payment standards, the PHA will use the old payment standards amount.
 - b. If the effective date of the HAP contract is on or after the effective date of the new payment standards, the PHA will use the new payment standards amount.

O. HUD Review of the PHA's Payment Standard Schedules

HUD will monitor rent burdens of families assisted with tenant-based rental assistance in the PHA's HCV program.

1. HUD will review the PHA's payment standard for a particular unit size if HUD finds that 40% or more of such families occupying units of that unit size currently pay more than 30% of adjusted monthly income as the family share.
2. Such determination may be based on the most recent reexaminations of family income.
3. After such review, HUD may, at its discretion, require the PHA to modify payment standard amounts for any unit size on the PHA payment standard schedule.
4. HUD may require the PHA to establish an increased payment standard amount within the basic range.

P. Increases in the Payment Standard

1. Increase in the Payment Standard Amount During the HAP Contract Term

If the payment standard amount is increased during the term of the HAP contract, the PHA will use the increased payment standard amount to calculate the monthly HAP for the family beginning no later than the earliest of:

a. Change in Gross Rent/Family Share

The effective date of an increase in the gross rent that would result in an increase in the family share;

b. Annual or Interim Reexamination

The family's first regular or interim reexamination; or

c. One Year After Effective Date

One year following the effective date of the increase in the payment standard amount.

2. The PHA has adopted a policy to apply a payment standard increase at any time earlier than listed above, upon approval of Admin Plan

3. Increase in the Payment Standard Amount for New Admission or Moves with Continued Assistance

If the PHA increases its payment standard amount, the increased payment standard amount applies immediately to all new admissions, moves with continued assistance, and families remaining in their units when the PHA has approved a new tenancy and has executed a new HAP contract with the owner.

G. Decreases in the Payment Standard

HOTMA amended the Fair Housing Act to provide that no PHA is required to reduce a family's payment standard based on a reduction in the FMR.

1. Decrease in the Payment Standard Amount During the HAP Contract Term

a. If the payment standard amount is decreased during the term of the HAP contract, the PHA will not apply the initial reduction to the family's payment standard amount any earlier than two (2) years following the effective date of the decrease in the payment standard, and only if the family has received the required notice.

b. Decrease in the Payment Standard Amount for New Admissions or Moves with Continued Assistance

If the PHA decreases its payment standard amount, the decreased payment standard amount applies immediately to all new admissions, moves, and families remaining in their units when the PHA has approved a new tenancy and has executed a new HAP contract with the owner.

2. The PHA must administer decreases in the payment standard amount for the family in accordance with the PHA policy as described in this PHA Administrative Plan.

- a. The PHA may establish different policies for designated areas within its jurisdiction (e.g., for different zip code areas).
 - b. The PHA's administrative policy on decreases to payment standard during the term of the HAP contract applies to all families under HAP contract at the time of the effective date of decrease in the payment standard within that designated area.
 - c. The PHA will not limit or otherwise establish different protections or policies for certain families under HAP contract.
3. Required Notice for Decreases in the Payment
- a. The PHA will provide the family with at least 12 months' written notice of any decrease in the payment standard amount that will affect the family if the family remains in the unit.
 - b. The written notice must state:
 - 1) The new payment standard amount,
 - 2) Explain that the family's new payment standard amount will be the greater of the amount listed in the current written notice or the new amount (if any) on the PHA's payment standard schedule at the end of the 12-month period, and
 - 3) Make clear where the family will find the PHA's payment standard schedule.

Q. Changes in Family Unit Size During the Term of the HAP Contract

If the family unit size either increases or decreases during the HAP contract term, the new family unit size may be used to determine the payment standard amount for the family immediately but no later than the family's first regular reexamination following the change in family unit size.

CHAPTER 18: NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE (NSPIRE)

The Economic Growth Regulatory Relief and Consumer Protection Act: Implementation of National Standards for the Physical Inspection of Real Estate (NSPIRE) establishes a new approach to defining and assessing housing quality. NSPIRE strengthens HUD's physical condition standards and improves HUD oversight by aligning and consolidating the inspection regulations used to evaluate "HUD housing," across multiple programs. Implementation of NSPIRE ensures that families of HUD housing live in safe, habitable dwellings. It also ensures that the items and components located both inside and outside, and within the units of HUD housing are functionally adequate, operable, and free of health and safety hazards.

A. Housing Quality Standards (HQS)

The minimum quality standards for the HCV program developed by HUD in accordance with NSPIRE, including any variations approved by HUD for the PHA.

1. NSPIRE compliance was implemented by the PHA on October 1, 2024, for the HCV program.
2. NSPIRE replaces all HQS guidance previously issued by HUD, including the Housing Inspection Manual for the Section 8 Existing Housing Program, Chapter 10: Housing Quality Standards of the 2001 Housing Choice Voucher Program Guidebook, and HUD forms 52580 and 52580-A.
3. NSPIRE for the HCV program, referred to as NSPIRE-V during HUD's demonstration, will replace HQS as the inspection standards for these programs.
 - a. Units subject to HQS inspections conducted prior to the PHA's implementation date of NSPIRE will be subject to HUD's and the PHA's HQS administrative and enforcement policies in effect at the time of those inspections.
 - b. The PHA will utilize the NSPIRE HCV/PBV Inspection Checklist.

B. Use of NSPIRE Notification

1. The PHA has notified HUD and communicated with its owners/landlords and families the upcoming changes to the inspection standards, what the NSPIRE Standards are, and when these changes will take effect for their inspections.

C. Types of Inspections

The PHA will conduct the following types of inspections:

1. Initial Inspections: The PHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program. The unit must pass the initial inspection prior to the initial term of the lease, execution of HAP contract, and the initial HAP.

2. Biennial Inspections: HUD requires the PHA to inspect each unit under lease at least biennially to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.
3. Complaint or Special Inspections: Inspections investigated by the PHA or registered with the PHA on matters which may indicate non-compliance with HQS that are identified by the family, owner, or public.
4. HQS Quality Control Inspections: HUD requires that a PHA supervisor or other qualified person reinspect a sample of units under HAP contract during the last PHA fiscal year to ensure that HQS is being enforced correctly and consistently by all inspectors.

D. Inspection Verification Methods

The PHA must verify correction of a deficiency.

1. The PHA may use verification methods other than another onsite inspection.
2. The PHA may establish different verification methods for initial and non-initial inspections or for different HQS deficiencies.
 - a. If the PHA has implemented, and determines that the unit is covered by, the non-life-threatening deficiencies option, the unit must be inspected by the PHA and must have no life-threatening deficiencies before:
 - 1) The PHA may approve the assisted tenancy and execute the HAP contract; and
 - 2) The beginning of the initial lease term.
3. The PHA may accept photographic evidence, invoices, receipts or other reliable evidence from the owner to verify that a deficiency has been corrected for initial inspections and reinspection.

E. Initial HQS Inspection

The PHA is required to conduct an initial inspection for each unit and the unit must pass the initial inspection prior to the initial term of the lease, execution of the HAP contract, and the initial HAP.

1. The initial inspection will be conducted to:
 - a. Determine if the unit and property is in compliance with the HQS.
 - b. Document the current condition of the unit to assist in future evaluations as to whether or not the condition of the unit exceeds normal wear and tear.
 - c. Document the information to be used for determination of rent-reasonableness.
2. Initial HQS inspection requirements

Unless the PHA has implemented, and determined that the unit is covered by the non-life-threatening deficiencies option or the alternative inspection option, the unit must be inspected by the PHA and pass HQS before:

- a. The PHA may approve the assisted tenancy and execute the HAP contract, and
 - b. The beginning of the initial lease term.
- 3. Recording of the Initial Inspection
 - a. The initial inspection will be recorded using the NSPIRE HCV/PBV Inspection Checklist.
 - b. If the PHA has received HUD approval to include additional requirements, these requirements will be reflected on the respective inspection form.
- 4. Scheduling Initial Inspections
 - a. PHAs with up to 1,250 budgeted units must conduct the inspection within 15 days after the family or owner submits a request for tenancy approval.
 - b. The 15-day period is suspended when the unit is not available for inspection.
 - c. The PHA shall notify the family and owner, by both telephone and email, at least one (1) day prior to the initial inspection.
 - 1) The PHA requires the owner (or owner representative), prospective tenant or other approved adult over the age of 18 to be present at the initial inspection.
 - 2) The family must allow the PHA to inspect the unit at reasonable times with reasonable notice.
 - a) Reasonable hours to conduct an initial inspection are between 8:00 a.m. – 6:00 p.m. on Monday, Tuesday, Thursday and Friday.
 - b) If the family does not contact the PHA to reschedule the initial inspection or if the PHA is unable to gain access to the unit to conduct the initial inspection:
 - (1) The PHA will consider the inspection as a missed appointment.
 - (2) The PHA will reschedule the inspection.
 - (3) If the family has missed two (2) scheduled initial inspection appointments, the PHA will deny the request for tenancy approval.
- 5. The PHA will notify the family and owner, in writing, of its determination as to whether the unit meets HQS.
- 6. Passed Initial Inspection
 - a. If the unit passes the initial inspection, the PHA will send the passing report the family and owner.
 - b. If the unit passes the initial inspection, the PHA will also notify the family in writing that the request for tenancy approval has been approved, and the suspended term of the voucher will end and the PHA will proceed with the remaining lease-up process.
- 7. Failed Initial Inspection
 - a. If the unit fails the initial Inspection, the PHA will provide the family and owner with detailed information of all failed and inconclusive items.

- b. The owner will be allowed 30 days to correct items noted as failed.
- c. The owner will be given up to 30 days to correct the items noted as fail, at the inspector's discretion, depending on the amount and complexity of work necessary to pass the initial inspection.
- d. If the allotted time to correct the failed items has elapsed or the maximum number of failed reinspection's has occurred, the PHA will deny the request for tenancy approval.
- e. The PHA will notify the family in writing that the request for tenancy approval has been denied, the family will be given another RFTA, and the days during which the voucher term was suspended will be added to the end of the voucher term to allow the family additional time to search for another unit.

F. Biennial/Annual HQS Inspections

Each assisted unit must be in compliance with HQS throughout the assisted tenancy and inspected at least biennially during assisted occupancy.

1. Biennial Inspections: The PHA will perform biennial inspections for units who meet the following criteria:
 - a. The unit passed its prior year's biennial inspection, on the first visit, without any failed deficiencies or re-inspections, including the unit's initial inspection.
 - b. No deficiencies as a result of HQS complaints received by the PHA from the family, owner and/or the general public in the previous 12 months prior to the anniversary month of the HAP contract or the anniversary month of the most recent initial inspection.
2. Annual Inspections: The PHA will perform annual inspections for units if:
 - a. The unit had deficiencies during its previous biennial inspection.
 - b. The unit had deficiencies as a result of PHA investigated complaints about HQS received from the family, owner, public officials and/or general public in the previous 12 months prior to the anniversary month of the HAP contract or the anniversary month of the most recent inspection.
 - c. The HAP was abated in the previous 12 months prior to the anniversary month of the HAP contract.
3. Recording the Biennial/Annual Inspections
 - a. Biennial/annual inspections will be recorded using the NSPIRE HCV/PBV Inspection Checklist.
 - b. If the PHA has received HUD approval to include additional requirements, these requirements will be reflected on the respective inspection form.
4. Scheduling Biennial/Annual Inspections

- a. Biennial inspections must be conducted within 730 days from the date of the previous completed inspection.
- b. Annual inspections must be conducted within 365 days of the previous inspection to meet SEMAP requirements.
- c. The PHA requires the owner, family member (or family representative) 18 years of age or older to be present at the biennial/annual inspection.
- d. The family must allow the PHA to inspect the unit at reasonable times with reasonable notice.
 - 1) The PHA shall notify the family in writing at least five (5) days prior to the inspection.
 - 2) Reasonable hours to conduct the biennial/annual inspection are between 8:00 a.m. – 6:00 p.m., on Monday, Tuesday, Wednesday and Thursday.
 - 3) If the family does not contact the PHA to reschedule the biennial/annual inspection or if the PHA is unable to gain access to the unit to conduct the biennial inspection:
 - a) The PHA will consider the inspection as a missed appointment.
 - b) The PHA will reschedule three (3) biennial/annual inspection.
 - c) If the family misses the rescheduled biennial/annual inspection appointment, the family will have violated the obligations of the family, and their assistance may be terminated in accordance with the termination procedures in this Administrative Plan.
5. The PHA will notify the family and owner in writing of the results of the inspection, including if the unit passed the inspection and is determined to be in compliance with HQS.
6. If the unit is not in compliance with HQS, the inspector will provide the NSPIRE HCV/Inspection Checklist to family and/or owner, with a copy to the PHA. The NSPIRE HCV/Inspection Checklist will:
 - a. Provide detailed information of all failed items or inconclusive items,
 - b. Identify if the family or owner is responsible for the corrections or repairs of the HQS deficiencies, and
 - c. Provide the time frame for corrections.

G. Complaint or Special HQS Inspections

The PHA will investigate complaints about the assisted units that are brought to the attention of the PHA by the family, owner, public officials, and/or public which may indicate the unit is in non-compliance with HQS.

1. The inspector will inspect the items that were reported in the complaint. If another deficiency is discovered during the complaint inspection, the PHA will follow normal

procedures to address the newly identified deficiencies, including determining the responsible party for correction or repair of the deficiencies.

2. Recording the Complaint/Special HQS Inspections
 - a. Complaint/special HQS inspections will be recorded using the NSPIRE HCV/PBV Inspection Checklist.
 - b. If the PHA has received HUD approval to include additional requirements, these requirements will be reflected on the respective inspection form.
3. Scheduling Complaint/Special HQS Inspections
 - a. The PHA shall notify the family and owner by telephone and email, at least one (1) days prior to the complaint/special inspection.
 - 1) The PHA must schedule the complaint inspection within 24 hours of receipt of the complaint for a life-threatening HQS deficiency.
 - 2) The PHA must schedule the complaint inspection within 30 days of receipt of the complaint for a non-life threatening HQS deficiency.
 - 3) In the event of extraordinary circumstances, such as if a unit is within a Presidentially declared disaster area, HUD may waive the 24-hour or the 30-day inspection requirement until such time as an inspection is feasible.
 - b. The family must allow the PHA to inspect the unit at reasonable times with reasonable notice.
 - 1) Reasonable hours to conduct an inspection are between 8:00 a.m. – 6:00 p.m., on Monday, Tuesday, Wednesday, Thursday and Friday.
 - 2) PHA requires the owner, family member (or family representative) 18 years of age or older to be present at the complaint/special inspections.
 - 3) If the family does not allow the PHA to conduct a complaint/special inspection or if the PHA is unable to gain access to the unit to conduct the complaint/special inspection:
 - a) The PHA will consider the inspection as a missed appointment.
 - b) The family will have violated the obligations of the family, and their assistance may be terminated in accordance with the termination procedures in this Administrative Plan.
4. The PHA will notify the family and owner in writing of the results of the complaint/special inspection, including if the unit passed the inspection and is determined to be in compliance with HQS.
5. If the unit is not in compliance with HQS, the inspector will provide the NSPIRE HCV/PBV Inspection Checklist to family and/or owner, with a copy to the PHA. The NSPIRE HCV/PBV Inspection Checklist will:

- a. Provide detailed information of all failed items or inconclusive items,
- b. Identify if the family or owner is responsible for the corrections or repairs of HQS deficiencies, and
- c. Provide the time frame for corrections.

H. HQS Quality Control Inspections

The purpose of the HQS quality control inspection is to ascertain that each inspector is conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in application of HQS.

1. HQS quality control inspections will be performed by a supervisor or other qualified person who will reinspect a sample of units under contract during the PHA fiscal year.
 - a. The PHA will use the minimum sample size as required for HQS quality control inspections pursuant to the SEMAP regulations.
 - b. The reinspected samples will be drawn from recently completed HQS inspections performed during the three (3) months preceding the reinspection.
 - c. The reinspected samples will represent a cross section of inspectors and geographic areas.
2. Recording HQS Quality Control Inspections
 1. HQS quality control inspections will be recorded using the NSPIRE HCV/PBV Inspection Checklist.
 - a. If the PHA has received HUD approval to include additional requirements, these requirements will be reflected on the respective inspection form.
3. Scheduling HQS Quality Control Inspection
 - a. The PHA shall notify the family and owner in writing at least five (5) days prior to the HQS quality control inspection.
 - b. The family must allow the PHA to inspect the unit at reasonable times with reasonable notice.
 - 1) The PHA requires the owner, family member (or family representative) 18 years of age to be present at the HQS quality control inspections.
 - 2) Reasonable hours to conduct HQS quality control inspections are between 8:00 a.m. – 4:00 p.m., on Monday, Tuesday, Wednesday, Thursday.
 - c. If the family does not contact the PHA to reschedule the HQS quality control inspection or if the PHA is unable to gain access to the unit to conduct the HQS quality control inspection:
 - 1) The PHA will consider the inspection as a missed appointment.
 - 2) The PHA will reschedule the inspection.

- 3) If the family misses three (3) scheduled HQS quality control inspection appointments, the family will have violated the obligations of the family, and their assistance may be terminated in accordance with the termination procedures in this Administrative Plan.
4. The HQS quality control inspection will be compared to the biennial/annual inspection recently completed.
 - a. Discrepancies between the two (2) inspection reports will be evaluated.
 - b. Discrepancies categorized as inspector error are catalogued and reviewed with the inspector. The review is to be instructional and informative, not punitive.
5. The PHA will notify the family and owner in writing of the results of the inspection, including if the unit passed the inspection and is determined to be in compliance with HQS.
6. If the unit is not in compliance with HQS, the inspector will provide the NSPIRE HCV/PBV Inspection Checklist to family and/or owner, with a copy to the PHA. The NSPIRE HCV/PVB Inspection Checklist will:
 - a. Provide detailed information of all failed items or inconclusive items,
 - b. Identify corrections or repairs of the HQS deficiencies, and
 - c. Provide the time frame for corrections.

I. PHA-Owned Units

A unit that is owned by the PHA that administers the HCV program (including a unit owned by an entity substantially controlled by the PHA) may not be inspected for HQS compliance by PHA staff.

1. The PHA will obtain the services of an independent entity to perform HQS inspections and to communicate the results of these inspections to the family, owner and the PHA.
2. The independent entity must be approved by HUD.

J. Inspectable Areas

To ensure that all families live in safe, habitable units, NSPIRE defines the inspectable areas as items and components located inside the building, outside the building, and within the units. The units must be functionally adequate, operable, and free of health and safety hazards.

1. Inspectable Areas for the HCV Program

The inspection requirement for the HCV program only applies to units occupied or to be occupied by HCV participants, and common areas and exterior areas which either service or are associated with such units.

2. The HCV program will be subject to these standards only for:
 - a. The subsidized unit itself; and

- b. Items and components within the primary and secondary means of egress from the unit's entry door(s) to the public way, those common features related to the residential use of the building (e.g., the laundry room, community room, mail room), and the systems equipment that directly services the subsidized unit.

3. Units

A unit (or "dwelling unit") of HUD housing refers to the interior components of an individual unit.

a. Components of a Unit

The interior of a unit may include the balcony, bathroom, call-for-aid (if applicable), carbon monoxide devices, ceiling, doors, electrical systems, enclosed patio, floors, HVAC (where individual units are provided), kitchen, lighting, outlets, smoke detectors, stairs, switches, walls, water heater, and windows.

- b. The unit must also meet the following affirmative habitability requirements. The unit must:

- 1) Have hot and cold running water in both the bathroom and kitchen, including an adequate source of safe drinking water in the bathroom and kitchen.
- 2) Include its own bathroom or sanitary facility that is in proper operating condition and usable in privacy. It must contain a sink, a bathtub or shower, and an interior flushable toilet.

3) 10 year Smoke Detectors or Hardwired Smoke Detectors

- a) The unit must include smoke detectors, in proper working condition, in the following locations:
 - (1) On each level of the unit;
 - (2) Inside each bedroom;
 - (3) Within 21 feet of any door to a bedroom measured along a path of travel; and
 - (4) Where a smoke detector installed outside a bedroom is separated from an adjacent living area by a door, a smoke detector must also be installed on the living area side of the door.
 - (5) NSPIRE guidance takes precedence over previous standards.
- b) If the unit is occupied by any hearing-impaired person, the smoke detectors must have an alarm system designed for hearing-impaired persons.
- c) The Secretary may establish additional standards through Federal Register notification.
- d) Following the specifications of National Fire Protection Association Standard (NFPA) 72 satisfies these requirements.

- 4) The unit must have a living room and a kitchen area with a sink, cooking appliance, refrigerator, food preparation area, and food storage area.
- 5) The unit must have at least one bedroom or living/sleeping room for each two (2) persons.
- 6) The unit must meet or exceed the carbon monoxide detection standards set by HUD through Federal Register notification.
- 7) The unit must have two (2) working outlets or one (1) working outlet and a permanent light within all habitable rooms.
- 8) Outlets within six (6) feet of a water source must be GFCI protected.
- 9) For climate zones designated by the Secretary through notice, the unit must have a permanently installed heating source. No unit may contain unvented space heaters that burn gas, oil, or kerosene.
- 10) The unit must have a guardrail when there is an elevated walking surface with a drop off of 30 inches or greater measured vertically.
- 11) The unit must have a permanently mounted light fixture in the kitchen and each bathroom.

4. Inside

Inside of HUD housing (or "inside areas") refers to the common areas and building systems that can be generally found within the building interior and are not inside a unit.

a. Inside Common Areas

Common areas may include basements, interior or attached garages, enclosed carports, restrooms, closets, utility rooms, mechanical rooms, community rooms, day care rooms, halls, corridors, stairs, shared kitchens, laundry rooms, offices, enclosed porches, enclosed patios, enclosed balconies, and trash collection areas.

b. Building systems

Includes those components that provide domestic water such as pipes, electricity, elevators, emergency power, fire protection, HVAC, and sanitary services.

c. The inside area must meet the following affirmative habitability requirements. The inside area must:

- 1) Include at least one 10 year Smoke Alarm or hard-wired smoke detector, in proper working condition, on each level of the property. The Secretary may establish additional standards through Federal Register notification.
- 2) Meet or exceed the carbon monoxide detection standards set by the Secretary through Federal Register notification.
- 3) For the inside area, any outlet installed within six (6) feet of a water source must be ground-fault circuit interrupter (GFCI) protected.

- 4) Have a guardrail when there is an elevated walking surface with a drop off of 30 inches or greater measured vertically.
- 5) Have permanently mounted light fixtures in any kitchen and each bathroom.
- 6) Not contain unvented space heaters that burn gas, oil, or kerosene.

5. Outside

Outside of HUD housing (or “outside areas”) refers to the building site, building exterior components, and any building systems located outside of the building or unit.

a. Outside Components

May include fencing, retaining walls, grounds, lighting, mailboxes, project signs, parking lots, detached garage or carport, driveways, play areas and equipment, refuse disposal, roads, storm drainage, non-dwelling buildings, and walkways.

b. Components found on the exterior of the building are considered outside areas

May include doors, attached porches, attached patios, balconies, car ports, fire escapes, foundations, lighting, roofs, walls, and windows.

c. The outside area must meet the following affirmative habitability requirements:

- 1) Outlets within six (6) feet of a water source must be GFCI protected; and
- 2) Must have a guardrail when there is an elevated walking surface with a drop off of 30 inches or greater measured vertically.

6. Health and Safety Concerns

The inside, outside and unit must be free of health and safety hazards that pose a danger to families.

a. Types of Health and Safety Concerns

Include, but are not limited to carbon monoxide, electrical hazards, extreme temperature, flammable materials or other fire hazards, garbage and debris, handrail hazards, infestation, lead-based paint, mold, and structural soundness.

b. Lead-Based Paint.

HUD housing must comply with all requirements related to the evaluation and control of lead-based paint hazards and have available proper documentation of such. The Lead-based Paint Poisoning Prevention Act, the Residential Lead-based Paint Hazard Reduction Act of 1992, and all applicable regulations apply.

7. Compliance with State and Local Codes

The standards for the condition of HUD housing in this section do not supersede state and local housing codes (such as fire, mechanical, plumbing, carbon monoxide, property maintenance, or residential code requirements).

- a. All HUD housing other than units assisted under the HCV program must comply with state or local housing codes in order to comply with this paragraph.
 - b. State and local code compliance is not part of the determination of whether a unit passes the standards for the condition of HUD housing under this section for the HCV program, except in accordance with the HCV variant inspection standards.
8. Use of an Alternative Inspection or Additional Standard for the HCV Program
- The PHA is not subject to the standards set by this section when the PHA is relying on an alternative inspection in accordance with the use of alternative inspections regulations.
9. Special Housing Types
- Special housing types require standards unique to special types of housing. Unless modified by program-specific regulations, NSPIRE Standards will apply for these special housing types.

K. Inspection Requirements

The inspection requirement for HUD housing generally requires the inside, outside and unit to be inspected, in accordance with Section G of this Chapter. The inspection requirement for the HCV program only applies to units occupied or to be occupied by HCV families, and common areas and exterior areas which either service or are associated with such units.

1. Entities Conducting Inspections
 - a. Under the HCV program the PHA is responsible for inspecting HUD housing under that program, unless another entity is assigned the inspection by the program regulations governing the housing, regulatory agreements, or contracts.
 - b. A PHA-owned unit receiving assistance must be inspected by an independent entity.
 - c. The PHA, or contractor, who is responsible for conducting an inspection of HUD housing to determine compliance, must inspect and score such HUD housing in accordance with the standards and procedures for identifying safe, habitable housing set out by the Secretary and published in the Federal Register.
 - d. The PHA, or contractor, conducting the inspection will identify each deficiency as "Life Threatening", "Severe," "Moderate", or "Low."
2. HCV Variant Inspection Standards

NSPIRE does not alter the existing flexibilities under HQS that allows the PHA to propose, for HUD approval, acceptability criteria variations.

 - a. Under NSPIRE, HUD may grant approval for inspection criteria variations for the following purposes:
 - 1) Variations which apply standards contained in local housing codes or other codes adopted by the PHA;
 - 2) Variations because of local climate or geographic conditions.

- 3) The acceptability criteria variation may only be approved by HUD if the variation(s):
 - a) Meets or exceeds the performance requirements, or
 - b) Significantly expands affordable housing opportunities for families assisted under the HCV program.
 - 4) HUD will not approve the variation if HUD believes that the variation is likely to adversely affect the health or safety of participant families or severely restricts their housing choice.
 - 5) The following variation standards have been approved by HUD and adopted by the PHA: wood/pellet/coal stoves must be cleaned and serviced annually.
 - a. If the PHA is unable to make the determination or unsure whether or not a variation aligns with NSPIRE, the PHA should submit a request for variation for HUD's determination.
 - b. Reasonable Accommodation and Inspection Variations
 - c. The variation process is not intended to include any individual determinations of reasonable accommodation.
 - 1) The PHA is responsible for reviewing all reasonable accommodation requests made by an individual with a disability.
 - 2) These requests are made on a case-by-case basis and do not involve overall changes or variations to the PHA's inspection standards.
 - 3) Therefore, these determinations are made by the PHA and would not involve HUD approval under the variation process.
3. Timing of Inspections

The PHA will inspect units in accordance with the frequency described in this chapter.

L. Carbon Monoxide

HUD recognizes carbon monoxide poisoning as an important safety issue for families in assisted housing.

1. Effects of Carbon Monoxide
 - a. Carbon monoxide is an odorless, colorless, and toxic gas.
 - b. It is impossible to see, and is a tasteless gas produced by incomplete combustion of fuel burned in vehicles, small engines, stoves, lanterns, grills, fireplaces, gas ranges, or furnaces.
 - c. It can build up indoors and poison people and animals who breathe the toxic fumes.
 - d. The effects of carbon monoxide exposure can vary from person to person depending on age, overall health, and the concentration and length of exposure.

- e. Exposure can cause harmful health conditions, permanent brain damage, life-threatening cardiac complications, fetal death or miscarriage, and death in a matter of minutes.
 - f. Individuals who are asleep or intoxicated may pass away from carbon monoxide poisoning before experiencing any symptoms.
- 2. Owners of properties that receive federal rental assistance have an important role to prevent potential loss of life and severe injury associated with carbon monoxide in housing they own or manage.
- 3. Owners of HCV and PBV properties must have operational carbon monoxide detectors, where specified, as required by the state or local law, code, or other regulations.
- 4. HUD encourages owners to adopt standards at or above the standards of the 2018 International Fire Code (IFC) as soon as possible for the health and safety of residents
- 5. HUD will enforce the requirements instituted by Congress requiring that all HCV/PBVs comply with the IFC 2018 standards on the installation of carbon monoxide alarms or detectors by December 27, 2022.
- 6. Guidance provided by the U.S. Environmental Protection Agency (EPA), the Centers for Disease Control and Prevention (CDC), the Consumer Product Safety Commission (CPSC), the Federal Emergency Management Agency, and the U.S. Fire Administration of activities to prevent carbon monoxide intrusion includes but is not limited to:
 - a. Ensure gas appliances are properly adjusted.
 - b. Install, properly maintain, and ensure through periodic inspection that exhaust fans are functional and vented outdoors over gas stoves.
 - c. Ensure that flues over fireplaces are operational and capable of opening and closing by residents.
 - d. Use appropriately sized wood stoves certified to meet EPA emission standards with tightly fitting doors.
 - e. Perform annual inspections, clean, and tune-up central heating systems (furnaces, flues, chimneys) and ensure that these activities are conducted by a trained professional.
 - f. Ensure leaks are repaired promptly.
 - g. Provide regular resident carbon monoxide education through policies or signage.
- 7. Sources of carbon monoxide that can be found in a housing environment, as described by the EPA include but is not limited to:
 - a. Unvented kerosene and gas space heaters.
 - b. Leaking chimneys and furnaces.
 - c. Back-drafting from furnaces, gas water heaters, wood stoves, and fireplaces.

- d. Gas stoves.
 - e. Generators and other gasoline powered equipment.
 - f. Automobile exhaust from attached garages.
 - g. Auto, truck, or bus exhaust from attached garages, nearby roads, or parking areas.
 - h. Incomplete oxidation during combustion in gas ranges and unvented gas or kerosene heaters.
 - i. Worn or poorly adjusted and maintained combustion devices (e.g., boilers, furnaces) if the flue is improperly sized, blocked, or disconnected; or the flue is leaking.
8. Examples to avoid unintentional carbon monoxide poisoning include but are not limited to:
- a. Avoiding portable generators indoors and only using generators outdoors in well-ventilated areas away from all doors, windows, and vents.
 - b. Using a gas-burning stove or oven for heat.
 - c. Using a fuel-burning space heater that is not vented outdoors.
- NSPIRE will no longer allow for the use of unvented, fuel-burning space heaters because of the risk of carbon monoxide exposure.
- 1) The owner must provide an appropriate heating source prior to HAP contract execution.
 - 2) For inspections that occur on or after January 1, 2024, the presence of an unvented, fuel-burning space heater will be considered a failed item under HQS that the owner must correct in accordance with regulatory requirements and PHA-established timeframes.
 - 3) If the owner doesn't correct the deficiency within the required timeframes, the PHA must abate HAP and enforce the owner's obligations.
- d. Leaving a running car in an enclosed garage.

M. NSPIRE Scoring

HCV inspections are not numerically scored and NSPIRE retains pass/fail indicators. Each individual NSPIRE Standard indicates whether a deficiency would result in a pass or fail for the unit under the HCV program.

1. Pass Inspections

Pass inspections require no further action by the PHA, family, or landlord.

2. Fail Inspections

Failed inspections will require follow-up, re-inspections, or verification to confirm the correction of the failed standards.

N. NSPIRE Categories

NSPIRE Standards defect severity levels include the following characteristics:

1. Life-Threatening (LT):
There is a high risk of death, severe illness, or injury to a resident.
2. Severe:
 - a. There is a high risk of permanent disability or serious injury or illness to a resident.
 - b. There are deficiencies that would seriously compromise the physical security or safety of a resident or their property.
3. Moderate:
 - a. There is a moderate risk of an adverse medical event requiring a healthcare visit, causing temporary harm, or if left untreated causing or worsening a chronic condition that may have long-lasting adverse health effects.
 - b. There are deficiencies that would compromise the physical security or safety of a resident or their property.
4. Low:
There are deficiencies critical to habitability but that do not present a substantive health or safety risk.

O. Life-Threatening HQS Deficiencies

A life-threatening defect must be corrected within 24 hours of PHA notification.

1. The PHA has defined life-threatening defects as:
 - a. Gas (natural or liquid petroleum) leak or fumes
 - 1) A fuel storage vessel, fluid line, valve or connection that supplies fuel to a HVAC unit is leaking; or
 - 2) A strong gas odor detected with potential for explosion or fire, or that results in health risk if inhaled.
 - b. Electrical hazards that could result in shock or fire
A life-threatening condition is one of the following:
 - 1) A light fixture is readily accessible, is not securely mounted to the ceiling or wall, and electrical connections or wires are exposed;
 - 2) A light fixture is hanging by its wires;
 - 3) A light fixture has a missing or broken bulb, and the open socket is readily accessible to the tenant during the day-to-day use of the unit;

- 4) A receptacle (outlet) or switch is missing or broken, and electrical connections or wires are exposed;
 - 5) A receptacle (outlet) or switch has a missing or damaged cover plate and electrical connections, or wires are exposed;
 - 6) An open circuit breaker position is not appropriately blanked off in a panel board, main panel board, or other electrical box that contains circuit breakers or fuses;
 - 7) A cover is missing from any electrical device box, panel box, switch gear box, control panel, etc., and there are exposed electrical connections;
 - 8) Any nicks, abrasions, or fraying of the insulation that expose conducting wire;
 - 9) Exposed to bare wires or electrical connections;
 - 10) Any condition that results in openings in electrical panels or electrical control device enclosures;
 - 11) Water leaking or ponding near any electrical device; or
 - 12) Any condition that poses a serious risk of electrocution or fire and poses an immediate life-threatening condition.
- c. Inoperable or Missing Smoke Detector
- A life-threatening condition is one of the following:
- 1) The smoke detector is missing; or
 - 2) The smoke detector does not function as it should.
- d. Interior Air Quality
- A life-threatening condition is one of the following:
- 1) The carbon monoxide detector is missing; or
 - 2) The carbon monoxide detector does not function as it should.
- e. Gas/oil fired water heater or heating, ventilation, or cooling systems with missing, damaged, improper, or misaligned chimney or venting.
- A life-threatening condition is one of the following:
- 1) The chimney or venting system on a fuel fired water heater is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting of gases;
 - 2) A gas dryer vent is missing, damaged, or is visually determined to be inoperable, or the dryer exhaust is not vented to the outside;
 - 3) A fuel fired space heater is not properly vented or lacks available combustion air;
 - 4) A non-vented space heater is present;
 - 5) Safety devices on a fuel fired space heater are missing or damaged; or

- 6) The chimney or venting system on a fuel fired heating, ventilation, or cooling system is misaligned, negatively pitched, or damaged which may cause improper or dangerous venting of gases.
- f. Lack of alternative means of exit in case of fire or blocked egress.
A life-threatening condition is one of the following:
 - 1) Any of the components that affect the function of the fire escape are missing or damaged;
 - 2) Stored items or other barriers restrict or prevent the use of the fire escape in the event of an emergency; or
 - 3) The building's emergency exit is blocked or impeded, thus limiting the ability of occupants to exit in a fire or other emergency.
- g. Other Interior Hazards
A life-threatening condition is a fire extinguisher (where required) that is missing, damaged, discharged, overcharged, or expired.
- h. Deteriorated paint in a unit built before 1978 that is to be occupied by a family with a child under 6 years of age. This is a life-threatening condition only for the purpose of a condition that would prevent a family from moving into the unit.
- i. Other_PHA Life Threatening Defects:
 - 1) Yearly chimney cleaning receipts for units that use wood, coal & pellet stove and units that use oil or gas as main heating sources (this is due to local climate and geographic conditions.
 - 2) As determined by the PHA on a case-by-case basis.
- j. Any other conditions identified by HUD notice
HUD allows flexibility for what is considered an appropriate correction for lead-based paint, mold and moisture, and pest infestations within 24 hours. All these conditions may take a significant time to permanently control. The PHA may consider language in PIH Notice 2023-16/H 2023-07, Implementation of NSPIRE Administrative Procedures for public housing and Multifamily programs, when considering corrections made by owners/landlords for mold and moisture and pest infestation.
 - 1) Lead-Based Paint
Will apply only to units occupied or to be occupied by families or households that have one or more children of less than 6 years of age, common areas servicing such units, and exterior painted surfaces associated with such units or common areas. Common areas servicing a unit include those areas through which residents pass to gain access to the unit and other areas frequented by resident children of less than 6 years of age, including on-site play areas and childcare facilities.

- a) The PHA will follow the guidance and notification requirements in 24 CFR Part 35, Subpart M: Tenant-Based Rental Assistance.
 - b) If the PHA is notified by a public health department or other medical health care provider or verifies information from a source other than a public health department or medical health care provider, that a child of less than 6 years of age, living in an HCV-assisted unit has been identified as having an environmental intervention blood-lead level, the PHA will complete a risk assessment of the assisted unit.
 - c) The risk assessment will be completed in accordance with HCV program requirements, and the result of the risk assessment will be provided to the owner of the assisted unit. In cases where the public health department has already completed an evaluation of the assisted unit, this information must be provided to the owner.
 - d) Within 30 days after receiving the risk assessment report from the PHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations.
 - e) If the owner does not complete the "hazard reduction" as required, the assisted unit is in violation of the NSPIRE Standards and the PHA will take prompt and vigorous action to enforce the owner obligations, including but not limited to HAP abatement and/or termination of the HAP contract.
- 2) Mold and Moisture
- For Life-threatening or Severe mold and moisture deficiencies, within 24 hours, the PHA will assess and control the moisture source and provide a plan for additional evaluation and remediation.
- a) Families should be temporarily relocated until mold and moisture conditions are controlled.
 - b) Mold evaluation should be visual and include the use of a moisture meter.
 - c) Evaluation should focus on the source of moisture and the conditions that contributed to the mold growth.
 - d) Additionally, the evaluator should evaluate the extent of the mold growth and whether contaminated materials and building materials can be cleaned or must be removed.
 - e) In most cases, air and mold sampling is unnecessary.
- (1) REAC considers air sampling as inconclusive, as there are no federal standards for comparison.

- (2) REAC also does not consider sampling of mold for lab analysis to determine the mold type as necessary, as the NSPIRE Standards apply to all types of molds, regardless of genus and species.

3) Pest Infestation

For Life-threatening or Severe pest infestations, the PHA will identify a pest control inspector that is trained in Integrated Pest Management (IPM) and initiate activities as described in PIH Notice 2007-12.

- a) HUD encourages the PHA to develop an Integrated Pest Management Plan to address pest infestation.

- (1) Initiation of a Pest Management Plan meets the requirement for correction, with the understanding that, while pests may still be present at the start of the Pest Management Plan, they will be managed through the Pest Management Plan.

- (2) Ongoing implementation of a Pest Management Plan (i.e., a Pest Management Plan documented and initiated prior to the inspection) will also satisfy this condition.

- (3) Within the correction timeframe, documentation must be provided for the Pest Management Plan, and this documentation must include:

- (a) A start date of the Pest Management Plan;
 - (b) Servicing schedule;
 - (c) Methods of pest monitoring, managing and treatment, and
 - (d) Other factors as determined by HUD, the PHA, and/or other relevant authority.

- b) IPM is strongly encouraged.

IPM uses prevention-based pest management methods, with a focus on:

- (1) Identifying and correcting building conditions that contribute to infestation;
 - (2) Reducing the use of pesticides (especially routine or untargeted pesticide application);
 - (3) Modification of hygiene and sanitation practices in and on the property; and
 - (4) Assessment and on-going monitoring to ensure appropriate interventions as needed.

- c) For Moderate, and Low Risk pest infestations, the PHA will follow HUD guidance and consider implementing IPM before the infestation expands.

P. Non-Life-Threatening HQS Deficiencies

The PHA has defined other or non-life-threatening defects as any defects that are not life-threatening.

Q. Time Standards for Correcting Deficiencies

HQS deficiencies for biennial/annual and compliant inspections must be corrected within the following time frames:

1. Life-threatening HQS deficiencies must be corrected or repaired within 24 hours of when the notification was provided.
2. Non-life-threatening HQS deficiencies, known as Severe and Moderate, must be corrected or repaired within 30 calendar days after the notification was provided.
3. Some deficiencies which are considered Low, even if present in the HCV program, will result in a pass and would only be noted by the inspector for information purposes.
4. If a failed deficiency (Life-threatening, Severe, or Moderate) is not corrected within the required timeframe, including extensions, the PHA will initiate HAP contract enforcement, which may include withholding or abatement of HAP from the owner or termination of assistance or relocation for the family..
5. PHA-Approved Extensions

The PHA may grant an extension for correction of deficiencies on a case-by-case basis.

- a. The PHA-approved extension time shall not exceed 30 days from the original date of request of an extension by the family or the owner.

At the end of the allotted extension, if the responsible party fails to comply with the extension agreement or if the failed items are not corrected or repaired, the PHA will take prompt and vigorous action to enforce the obligations of the family or owner obligations based on who was identified as responsible for the corrections or repairs of HQS deficiencies, which may include termination of assistance or termination of the HAP contract, respectfully.

- b. PHA-approved extensions may be granted in the following cases:
 - 1) There is an unavoidable delay in completing repairs due to difficulties in obtaining parts or contracting services; back order on items to complete repairs.
 - 2) The repairs are expensive (such as exterior painting or roof repair) and the owner needs time to obtain the funds or major remodeling.
 - 3) The repairs are delayed due to weather and/or climate conditions.

R. Family and Owner Responsibilities of HQS

The PHA or authorized inspector will determine if the unit has HQS deficiencies based upon an inspection and will decide if the family or owner is responsible for breach of the HQS during the inspection.

1. Family breach of HQS

If the family has caused a breach of HQS, the PHA will notify the family in writing of the HQS deficiencies and take prompt and vigorous action to enforce the obligations of the family which may include termination of assistance.

a. The family is responsible for a breach of HQS that is caused by any of the following:

- 1) The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid for by the family;
- 2) The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the family; or
- 3) Any member of the household or guest damages the assisted unit or premises (damages beyond ordinary wear and tear).

b. Life-threatening breach of HQS

If a life-threatening deficiency is the responsibility of the family, the family must take all steps permissible under the lease and state and local law to correct the defect within 24 hours of when the notification was provided.

c. Non-life-threatening breach of HQS

For non-life-threatening deficiency, which is the responsibility of the family, the family must take all steps permissible under the lease and state and local law to correct the defect within 30 calendar days after the notification was provided or any reasonable PHA-approved extension.

- d. In the case of an HQS deficiency that the PHA determines is caused by the family, any member of the household, or any guest or other person under the tenant's control, other than any damage resulting from ordinary use, the PHA may waive the owner's responsibility to remedy the violation.
- e. The HAP will not be abated or withheld for HQS deficiencies which are the family's responsibility.
- f. If the repair(s) or correction(s) are not made within the allotted time, including any PHA-approved extension(s), the PHA may terminate assistance to a family because of an HQS breach beyond damage resulting from ordinary use caused by any member of the household or any guest or other person under the tenant's control.
- g. The HAP contract will automatically terminate when the assistance is terminated.

- h. If the family is responsible for the correction or repair of the defects, but the owner corrects or repairs the defects, the owner may bill the family for the cost of the correction or repairs and the PHA will notate the family's tenant file.

2. Owner obligations

If HQS breach is the responsibility of the owner, the PHA will notify the owner in writing and of the HQS deficiencies and will take prompt and vigorous action to enforce the owner's obligations which may include abatement, withholding, and/or termination of the HAP contract.

- a. The owner must maintain the unit in accordance with HQS.
- b. The owner may be responsible for all other HQS violations, which include smoke alarms and carbon monoxide detectors.
- c. The owner is responsible for vermin infestation even if caused by the family's living habits.
 - 1) However, if such infestation is serious and repeated, it may be considered a lease violation, and the owner may evict for serious or repeated violation of the lease.
 - 2) The PHA may terminate the family's assistance on that basis.

d. Life-threatening breach of HQS

If a life-threatening deficiency is the responsibility of the owner, the owner must correct the defect within 24 hours of when the notification was provided.

e. Non-life-threatening breach of HQS

For non-life-threatening deficiency, which is the responsibility of the owner, the owner must correct the defect within 30 calendar days after the notification was provided or any reasonable PHA-approved extension.

- f. If the repair(s) or correction(s) are not made within the allotted time, including any PHA-approved extension(s), the PHA will abate or withhold the HAP to the owner.
- g. The owner is not responsible for a breach of HQS that is not caused by the owner, and for which the family is responsible.

S. Applicability of HOTMA Enforcement of HQS

As required under HOTMA, HCV program changes regarding enforcement of HQS apply only to HAP contracts that are either executed, extended, or renewed after the effective date of the HOTMA voucher final rule.

- 1. The family and owner HQS obligations under HOTMA are applicable to HAP contracts that were either executed on or after, or renewed after June 6, 2024
- 2. As per June 6, 2024, a HAP contract is "renewed" if the HAP contract continues beyond the initial term of the lease.

3. For all other HAP contracts, the HQS regulations in effect on June 5, 2024, remains applicable (until renewal).
4. The HCV program does not create any rights of the family, or any party other than HUD or the PHA, to require enforcement of the HQS requirements by HUD or the PHA, or to assert any claim against HUD or the PHA, for damages, injunction or other relief, for alleged failure to enforce the HQS.

T. Withholding the Housing Assistance Payment (HAP)

Stopping the HAP to an owner, while withholding the HAP for potential retroactive disbursement, for HQS deficiencies identified during inspections other than the initial inspection.

1. The PHA will withhold HAP for units that have HQS deficiencies once the PHA has notified the owner, in writing, of the deficiencies.
2. The PHA will withhold HAP under the following conditions:
3. If the unit is brought into compliance during the applicable cure period (within 24 hours of notification for life-threatening deficiencies and within 30 days of notification (or other reasonable period established by the PHA) for non-life-threatening deficiencies), the PHA:
 - a. Will resume the HAP; and
 - b. Will provide HAP to cover the time for which the assistance payments were withheld.
4. The owner may not terminate the tenancy of any family due to the withholding of the HAP.

U. Abatement of Housing Assistance Payment (HAP)

Stopping the HAP to an owner, with no potential for retroactive payment, for HQS deficiencies identified during inspections other than the initial inspection.

1. The PHA must abate the HAP, including amounts that had been withheld, if the owner fails to make the repairs within the applicable cure period (within 24 hours of notification for life-threatening deficiencies and within 30 days of notification (or other reasonable period established by the PHA) for non-life-threatening deficiencies).
2. If the PHA abates HAP, the PHA will notify the family and the owner that:
 - a. The PHA is abating the HAP.
 - b. If the unit does not meet HQS within 60 days (or a reasonable longer period established by the PHA) after the determination of noncompliance, the PHA will terminate the HAP contract for the unit, and
 - c. The family will have to move if the family wishes to receive continued housing assistance.

The PHA will issue the family a voucher to move at least 30 days prior to the termination of the HAP contract.

3. During the period that the HAP is abated, the family may terminate the tenancy by notifying the owner and the PHA.
 - a. If the family chooses to terminate the tenancy, the HAP contract will automatically terminate on the effective date of the tenancy termination or the date the family vacates the unit, whichever is earlier.
 - b. The PHA will promptly issue the family a voucher to move.
4. If the family did not terminate the tenancy and the owner makes the repairs and the unit complies with HQS within 60 days (or a reasonable longer period established by the PHA) of the notice of abatement, the PHA will recommence payments to the owner.

The PHA will not make any payments to the owner for the time that the payments were abated.

If the owner fails to make the repairs within 60 days (or a reasonable longer period established by the PHA) of the notice of abatement, the PHA will terminate the HAP contract.
5. An owner may not terminate the tenancy of any family due to the abatement of the HAP.

V. Relocation due to HQS Deficiencies

The PHA must give any family residing in a unit for which the HAP contract is terminated due to the owner's failure to correct HQS deficiencies at least 90 days or a longer period as the PHA determines is reasonably necessary following the termination of the HAP contract to lease a new unit.

1. If the family is unable to lease a new unit within the period provided by the PHA and the PHA owns or operates public housing, the PHA must offer, and, if accepted, provide the family with a selection preference for an appropriate-size public housing unit that first becomes available for occupancy after the time period expires.
2. The PHA will not assist families relocating find a new unit, including using up to two (2) months of the withheld or abated HAP for costs directly associated with relocating to a new unit.
3. The PHA must assist families with disabilities in locating available accessible units.

W. Inspection Cost

The PHA may not charge the owner or family any fee for an initial, annual, special inspection or reinspection of a unit.

The cost of an inspection shall be the responsibility of the PHA except that a reasonable fee may be required of the owner of a property for a reinspection if an owner notifies the PHA that a repair has been made or the allotted time for repairs has elapsed and a reinspection reveals that any deficiency cited in the previous inspection that the owner is responsible for repairing was not corrected, as noted in Section U.

CHAPTER 19: RENT REASONABLENESS

The rent reasonableness determination involves comparing the rent for the assisted unit to rents for similar unassisted units in the PHA's rental marketplace and comparing the rent for the assisted unit to similar units on the premises.

A. Rent to Owner

The PHA must ensure that the rent to owners for families participating in the HCV program is reasonable.

1. Rent to the owner is the full rent the owner is charging for the unit including any utilities, housing services, and maintenance provided by the owner in accordance with the lease.
2. Rent to the owner does not include the cost of any meals or supportive services or furniture which may be provided by the owner.
 - a. The owner may not require the tenant or family members to pay charges for any meals or supportive services or furniture which may be provided by the owner.
 - b. Nonpayment of any such charges is not ground for termination of tenancy.
3. The owner may not charge the tenant extra amounts for items customarily included in rent to the owner in the locality or provided at no additional cost to unsubsidized tenants in the premises.

B. Rent Reasonableness Determination

The PHA will determine reasonable rent:

1. Before executing a HAP contract.

The PHA will not execute a HAP contract until the PHA has determined that the initial rent to the owner is a reasonable rent.
2. Before any increase in the rent to the owner is approved.

The PHA will determine and document if the proposed increase in rent to the owner is reasonable compared to similar unassisted units in the PHA's marketplace and is not more than the rent paid by unassisted tenants on the premises.
3. If there is a 10% decrease in the published FMR in effect 60 days before the contract anniversary (for the unit size rented by the family) as compared with the FMR in effect one year before the contract anniversary.

This provision is designed to ensure that when the market goes down by a significant amount (i.e., a 10% or more reduction in the FMR) the PHA must reexamine rent reasonableness at the contract anniversary date, even if the owner does not propose a rent increase.

4. Owners of units under a HAP Contract may request the PHA's approval for an adjustment to their contract rent effective on the anniversary date of the HAP Contract renewal. Such request must be submitted, in writing, at least 60 days prior to contract anniversary with verification that an increase is warranted.
5. If directed by HUD. If HUD has reason to question the PHA's system or the accuracy of the determinations, HUD may require the PHA to conduct a rent reasonableness review on all or a portion of its units.

At all times during the assisted tenancy, the rent to the owner may not exceed the most recently determined or redetermined reasonable rent amount.

C. PHA-Owned Units

Local government or independent entities (approved by HUD) must perform HQS inspections and rent reasonableness determinations for PHA-owned units leased by voucher holders:

1. The PHA will pay expenses associated with the performance;
2. The family cannot be charged for these services; and
3. The PHA may use administrative fee income to compensate the independent agencies for their services.

D. Comparability

The PHA will determine if the rent to the owner for the assisted unit is a reasonable rent in comparison to the rent to owner for comparable unassisted units.

1. Assisted and unassisted units
 - a. Assisted units include units occupied by voucher program participants, as well as units assisted under other federal, state, or local government programs.
 - b. Units may also be considered assisted due to rent control or housing conversion actions.
2. The PHA will consider the following in the rent reasonableness comparison:
 - a. Location;
 - b. Quality;
 - c. Size
 - d. Unit type;
 - e. Age of the contract unit;
 - f. Amenities;
 - g. Housing services;
 - h. Maintenance; and

- i. Utilities to be provided by the owner in accordance with the lease.
3. The PHA must approve a higher rent to the owner that may be necessary as reasonable accommodation for household which includes persons with disabilities.

E. Documenting Rent Reasonableness Decision

The PHA has implemented a written method to determine and document, for each unit leased, that the rent to the owner is reasonable based upon current rents for comparable unassisted units.

1. The PHA's utilizes the Nelrod EZ-RRD Rent Reasonable Program. See Appendix B.
2. The PHA's comparability documentation will include who conducted the rent reasonableness determination and when.

F. Owner Certification

The PHA will advise the owner that by accepting each monthly housing assistance payment they will be certifying that:

1. The rent to the owner is not more than rent charged by the owner for comparable unassisted units in the premises;
2. The assisted family is currently occupying the unit;
3. The assisted family is not in violation of lease obligations;
4. The owner must give the PHA information requested by the PHA on rents charged by the owner for other units in the premises or elsewhere; .and
5. The owner is in compliance with the terms of the HAP contract.

CHAPTER 20: THE LEASE AND THE HOUSING ASSISTANCE PAYMENT (HAP) CONTRACT

After the PHA has approved the tenancy, the family and the owner will enter a lease and the owner and the PHA will execute the housing assistance payment (HAP) contract.

A. PHA Approval of Tenancy

The PHA will not give approval for the family of the assisted tenancy, or execute a HAP contract, until the PHA has determined that all the following meet HCV program requirements:

1. The unit is eligible;
2. The unit has been inspected by the PHA and passes HQS;
3. The proposed lease includes the HUD prescribed tenancy addendum;
4. The rent to the owner is reasonable; and
5. At the time the family initially receives tenant-based assistance for occupancy in a unit and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share does not exceed 40% of the family's monthly adjusted income.
6. The owner is not delinquent on any state, local and real estate taxes.

B. The Lease and Tenancy

The tenant must have legal capacity to enter a lease under state and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

1. PHA actions before the lease term

The following must be completed before the beginning of the initial term of the lease for a unit:

- a. The PHA has inspected the unit and has determined that the unit satisfies the HQS;
- b. The landlord and the tenant have executed the lease (including the HUD-prescribed tenancy addendum, and the lead-based paint disclosure information; and
- c. The PHA has approved leasing of the unit in accordance with program requirements.

2. Form of Lease

The tenant and the owner must enter a written lease for the unit. The lease must be executed by the owner and the tenant.

- a. If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form, including the HUD-prescribed tenancy addendum.
- b. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a PHA model lease, including the HUD-prescribed tenancy addendum.

- c. The PHA may review the lease to determine if the lease complies with state and local law.
 - 1) If the PHA determines that the proposed lease does not comply with state and local law, the PHA will immediately notify the tenant and owner of the necessary corrections.
 - a) The owner/landlord has five (5) calendar days to amend it and resubmit it to the PHA.
 - b) If the landlord fails to submit an acceptable lease within the allotted time frame, the PHA shall deny the request for tenancy.
 - d. The HAP contract prescribed by HUD will contain the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease is in such standard form.
 - e. If the family moved into the unit prior to the execution of the HAP contract and was required by the owner to sign a lease prior to moving in, the owner must execute a new lease and the owner and the PHA must execute a HAP contract.
3. Required Information
- The lease must include the following information:
- a. The names of the owner and the tenant;
 - b. The unit rent (address, apartment number, and any other information needed to identify the contact unit);
 - c. The term of the lease (initial term and any provisions for renewal);
 - d. The amount of the monthly rent to owner;
 - e. The amount of Security deposit (As required by state law. It is the PHA recommendation that Security deposit does not exceed one month's contract rent). and;
 - f. A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family.
4. Term of Assisted Tenancy
- a. Initial Term of the Lease
 - 1) The initial lease term must be for at least one year.
 - 2) The PHA may approve a shorter initial lease term if the PHA determines that:
 - a) Such shorter term would improve housing opportunities for the tenant; and
 - b) Such shorter term is the prevailing local market practice.
 - 3) During the initial term of the lease the owner may not raise the contract rent.

- 4) The PHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC.
- b. Family Responsibility
 - 1) If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice of termination at the same time. Failure to do this is a breach of the Obligations of the Family under the HCV program.
 - 2) The family must notify the PHA and the owner before the family moves out of the unit. Failure to do this is a breach of Obligations of Family under the HCV program.
5. Family's Right to Use and Occupancy

The family has the right to exclusive use and occupancy of the unit by the members of the household authorized to reside in the unit and receive guests in the assisted unit.

 - a. The head of the household is responsible for the conduct of the family's guests which includes, but is not limited to:
 - 1) Damages (beyond ordinary wear and tear) to the unit or premises by the guest.
 - 2) Any drug-related criminal activity engaged in, on, or near the premises by the guest.
 - 3) Any violent criminal activity, including domestic violence, dating violence, sexual assault, or stalking, on or near the premises by the guest.
 - b. Adult Visitors
 - 1) The family must follow the established policy in the lease as to the length of time an adult guest may visit and/or stay overnight in the assisted unit.
 - 2) The family is encouraged to notify the owner when guest(s) will be staying overnight or for an expected period of time.
 - 3) The PHA shall allow an adult guest to visit and/or stay overnight in the assisted unit for no more than 14 days cumulative or non-cumulative per year.
 - 4) If the adult exceeds this limit, the PHA may consider the adult an unauthorized household member and will take all necessary actions to enforce the obligations of the family.
 - c. Child Visitors
 - 1) The family must follow the established policy in the lease as to the length of time guests under the age of 18 may visit and/or stay overnight in the assisted unit.
 - 2) The PHA shall allow children under the age of 18 to visit and/or stay overnight in the assisted unit for a maximum of 14 days cumulative or non-cumulative per year provided the family has the written permission of the owner/landlord.

- 3) The PHA must approve children exceeding this limit if due to a court ordered custody arrangement.
- 4) If the children exceed this limit, the PHA may consider the children as unauthorized household members and will take all necessary actions to enforce the obligations of the family.

C. The Housing Assistance Payment Contract (HAP Contract)

The Housing Assistance Payment contract (HAP contract) is a written agreement between the PHA, and the owner of the unit occupied by the HCV family. Under the HAP contract, the PHA agrees to make housing assistance payments (HAP) to the owner on behalf of the family who leases the contract unit. The PHA will use the HAP contract form prescribed by HUD.

1. Execution of the HAP Contract

- a. The PHA will use the best efforts to execute the HAP contract before the beginning of the lease term.
- b. The HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.
- c. The PHA will not pay any HAP to the owner until the HAP contract has been executed.
- d. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the PHA will pay HAP after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).
- e. Any HAP contract executed after the 60-day period is void, and the PHA will not pay any HAP to the owner, unless there are extenuating circumstances that prevent or prevented the PHA from meeting the 60-day deadline, then the PHA may submit to the HUD field office a request for an extension.
 - 1) The request, which must be submitted no later than two (2) weeks after the 60-day deadline, must include an explanation of the extenuating circumstances and any supporting documentation.
 - 2) HUD at its sole discretion will determine if the extension request is approved.

2. Term of HAP contract.

The HAP contract term runs concurrently with the lease term.

- a. The term of the HAP contract begins on the first day of the initial lease term and terminates on the last day of the lease term, including any extensions.
- b. The date of the HAP contract and lease must be the same.

3. The HAP contract terminates automatically if:

- a. The PHA terminates the HAP contract.

- b. The lease is terminated by the owner or the tenant.
 - c. The PHA terminates assistance for the family.
 - d. The family moves from the contract unit.
 - e. When 180 calendar days have elapsed since the PHA made the last HAP to the owner for the contract unit.
 - f. Upon the death of a single member household, including single member households with a live-in aide.
4. The PHA may terminate the HAP contract if any of the following occurs:
- a. The PHA determines, in accordance with HUD requirements, that available program funding is not sufficient to support continued assistance for families in the program.
 - b. The PHA determines that the contract unit does not provide adequate space in accordance with HQS because of an increase in family size or change in family composition.
 - c. A family break-up. The PHA may continue HAP on behalf of family members who remain in the contract unit.
 - d. The PHA determines that the unit does not meet all requirements of the HQS or determines that the owner has otherwise breached the HAP contract.
5. Conflict of Interest:
- The PHA will not approve a HAP contract in which any of the following parties have direct or indirect interest in the HAP contract or in any benefits or payments under the HAP contract (including the interest of any immediate family member of such a covered individual, while such person is a covered individual or for one year thereafter).
- b. Covered Individuals
 - 1) Present or former member or officer of the PHA, except a participant commissioner;
 - 2) Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or influences program decisions;
 - 3) Any public official, member of a governing body, or state or local legislator, who exercises functions or responsibilities related to the program; or
 - 4) Any members of the U.S. Congress.
 - c. Immediate family members: spouse, parent (including stepparent), child (including stepchild), grandparent, grandchild, sister or brother (including stepsister or stepbrother) of any covered individual.
6. Assignment of the HAP Contract

- a. The owner may not assign the HAP contract to a new owner without the prior written consent of the PHA.
- b. If the owner requests PHA consent to assign the HAP contract to a new owner, the owner shall supply any information as required by the PHA pertinent to the proposed assignment.
- c. The HAP contract may not be assigned to a new owner that is debarred, suspended or subject to a limited denial of participation under HUD regulations.
- d. The HAP contract may not be assigned to a new owner if HUD has prohibited such assignments because:
 - 1) The federal government has instituted an administrative or judicial action against the owner or proposed new owner for violation of the Fair Housing Act or other federal equal opportunity requirements, and such action is pending; or
 - 2) A court or administrative agency has determined that the owner or proposed new owner violated the Fair Housing Act or other federal equal opportunity requirements.
- e. The HAP contract may not be assigned to a new owner if the new owner (including a principal or other interested party) is the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the family of such determination) that approving the assignment, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.
- f. The PHA may deny approval to assign the HAP contract if the owner or proposed new owner (including a principal or other interested party):
 - 1) Has violated obligations under a HAP contract under Section 8;
 - 2) Has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
 - 3) Has engaged in any drug-related criminal activity or any violent criminal activity;
 - 4) Has a history or practice of non-compliance with the HQS for units leased under the Section 8 tenant-based programs, or non-compliance with applicable housing standards for units leased with project-based Section 8 assistance or for units leased under any other federal housing program;
 - 5) Has a history or practice of failing to terminate tenancy of tenants assisted under any federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest, or another person under the control of any member of the household that:
 - a) Threatens the right to peaceful enjoyment of the premises by other residents;

- b) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing;
- c) Threatens the health or safety of, or the right to peaceful enjoyment of their residents by, persons residing in the immediate vicinity of the premises; or
- d) Is drug-related criminal activity or violent criminal activity;
- 6) Has a history or practice of renting units that fail to meet state or local housing codes; or
- 7) Has not paid state or local real estate taxes, fines, or assessments.
- g. The new owner must agree to be bound by and comply with the HAP contract.
 - 1) The agreement must be in writing, and in a form acceptable to the PHA.
 - 2) The new owner must give the PHA a copy of the executed agreement.

7. HUD Remedies for PHA Failure to Comply with Obligations under the HAP Contract

The PHA is required to follow and have all owners participating in the HCV program follow, the requirements of the U.S. Housing Act of 1937 as well as HUD regulations, the PHA's approved Administrative Plan, and HUD-approved funding applications. Where the PHA fails to comply with its obligation under the HAP contract, certain circumstances may require HUD intervention.

- a. HUD has the authority to reduce or offset the PHA's HCV administrative fee if the PHA fails to perform PHA administrative responsibilities correctly or adequately under the program.
- b. If the PHA has not administered any Section 8 program correctly, HUD may also prohibit use of funds in the administrative fee reserve and may direct the PHA to use funds in the reserve to improve administration of the program or to reimburse ineligible expenses.
- c. HUD can also reduce HAP amounts to the PHA when the PHA fails to comply with the statutory or regulatory requirements.
 - 1) If HUD determines that the PHA failed to comply with any statutory or regulatory obligations, HUD may reduce to an amount determined by HUD the amount of any funding increment and/or the contract authority or budget authority for any funding increment.
 - 2) HUD must provide written notice and include a revised funding exhibit specifying the term, contract authority, and budget authority for each funding increment under the Consolidated ACC.
 - 3) Where HUD may view the PHA as having failed to take appropriate action to enforce the PHA's rights under the HAP contract, HUD could declare that the PHA is in default. These circumstances include when:
 - a) The PHA has failed to comply with any statutory or regulatory obligations;

- b) The PHA has failed to comply with obligations under a HAP contract;
 - c) The PHA has failed to take appropriate action, to HUD's satisfaction or as directed by HUD, for enforcement of the PHA's rights under a HAP contract; or
 - d) The PHA has made misrepresentations to HUD of any material fact.
- d. HUD will provide its determination in writing.
- 1) In the case of default, HUD may take possession of all or any PHA property, rights, or interests in connection with a program, including funds held by a depository, program receipts, and rights or interests under a contract for HAP with an owner.
 - 2) Finding the PHA in default is a step that HUD only takes as a last resort.
 - 3) HUD will work with the PHA using less stringent remedies before taking the step of finding the PHA in default.
- e. In addition to HUD remedies against the PHA, HUD may, where the PHA has properly enforced HQS regulations, appropriately documented and provided justification, initiate claims against the owner under the Program Fraud and Civil Remedies Act (PFCRA).

D. Tenancy Addendum

The HUD-required tenancy addendum is part of the HAP contract and the lease. The tenancy addendum sets forth the tenancy requirements for the HCV program.

- 1. The terms of the tenancy addendum are prescribed by HUD in accordance with federal law and regulation, as a condition for federal assistance to the tenant and tenant's family under the HCV program.
- 2. All provisions in the HUD-required tenancy addendum must be added word-for-word to the owner's standard form lease that is used by the owner for unassisted tenants.
- 3. The tenant shall have the right to enforce the tenancy addendum against the owner.
- 4. In case of any conflict between the provisions of the tenancy addendum as required by HUD, and any other provisions of the lease or any other agreement between the owner and the tenant, the requirements of the HUD-required tenancy addendum shall control.

E. Changes in the Lease or Rent

If the tenant and the owner agree to any changes in the lease, the changes must be in writing, and the owner must immediately give the PHA a copy of the changes. The lease, including any changes, must be in accordance with the requirements of this section.

- 1. In the following cases, tenant-based assistance shall not be continued unless the PHA has approved a new tenancy in accordance with HCV program requirements and has executed a new HAP contract with the owner:

- a. If there are any changes in lease requirements governing tenant or owner responsibilities for utilities or appliances;
 - b. If there are any changes in lease provisions governing the term of the lease; and
 - c. If the family moves to a new unit, even if the unit is in the same building or complex.
2. PHA approval of the tenancy, and execution of a new HAP contract, are not required for changes in the lease other than as specified above.
3. The owner must notify the PHA of any changes in the amount of the rent to owner at least 60 days before any such changes go into effect, and any such changes shall be subject to rent reasonableness requirements.
4. Following the initial term of the lease agreement, the lease will be renewed automatically on a month-to-month basis until:
 - a. A termination of lease by the owner in accordance with paragraph 10, (2) a termination of the lease by the Tenant in accordance with the lease or by mutual agreement during the term of the lease;
 - b. A termination of Housing Assistance Payments contract by the PHA;
 - c. If the owner does not wish to renew the lease through no fault of the tenant a full ninety (90) day written notice must be submitted to the tenant and the Authority.

CHAPTER 21: THE HAP SUBSIDY AND FAMILY SHARE

The actual housing assistance payment (HAP) and family share can only be calculated after the family has selected a unit and the gross rent for the unit is known.

A. Total Tenant Payment (TTP)

The total tenant payment (TTP) is the minimum amount a family must contribute toward rent and utilities regardless of the unit selected. The TTP is calculated using a statutory formula and the individual family income information.

1. To calculate the TTP, annual adjusted income and annual (gross) income must be converted to monthly adjusted income and monthly gross income by dividing the annual figures by 12 months.
2. The TTP is the greater of:
 - 30% of monthly adjusted income;
 - 10% of monthly gross income;
 - The welfare rent (in as-paid states only); or
 - The PHA minimum rent

B. Minimum Rent

The minimum rent is the minimum rent payable by the family.

1. The PHA may establish a minimum rent up to \$50.
2. The PHA has established a minimum rent for the HCV program at \$50.00.

C. Minimum Rent Hardship Exemption

The PHA recognizes that in some circumstances the minimum rent may create a financial hardship for families.

If the PHA adopts a minimum rent greater than \$0, the PHA must grant exemptions from the minimum rent requirement to any family if the PHA determines that the family is unable to pay the amount due to financial hardships, unless the hardship is temporary.

1. Financial hardship includes the following:
 - a. The family has lost eligibility or is awaiting an eligibility determination to receive federal, state, or local assistance, including a family having a non-citizen household member lawfully admitted for permanent residence and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. The family income has decreased due to changed circumstances such as separation, divorce, and/or abandonment;
 - c. One or more family members have lost employment;
 - d. The family would be evicted as a result of imposing the minimum rent requirement;
 - e. There has been a death in the family; or
 - f. There are other hardship situations determined by the PHA on a case-by-case basis, i.e., alimony, child support, etc.
2. The PHA may request documentation of the hardship and will promptly, within five (5) calendar days, determine if the hardship is temporary or long term.
3. The PHA will suspend the minimum rent requirement and adjust the HAP accordingly beginning the month following the family's written request for a hardship exemption until the PHA determines whether there is a qualifying financial hardship, and whether the hardship is temporary or long term.
 - a. The financial hardship exemption only applies to payment of minimum rent for determining the TTP.
 - b. The TTP is still calculated excluding the minimum rent.
 - c. The family will pay the higher of 30% of the monthly adjusted income, 10% of the monthly income, or the welfare rent, as applicable, during the term of the suspended minimum rent.
4. Temporary Hardship Exemption

The PHA has defined a temporary hardship as a hardship to last less than 90 days.

- a. If the hardship is determined to be temporary, the PHA will not impose the minimum rent during the 90-day period beginning the month following the date the family's request for a hardship exemption.
- b. At the end of the 90-day suspension period, the minimum rent is reinstated retroactively to the date of suspension.
- c. The family must execute a Repayment Agreement for the back rent owed by the family.

5. Long Term Hardship Exemption

The PHA has defined long term hardship as a hardship that lasts more than 90 days.

- a. If the hardship is determined to be long term, the PHA will exempt the family from the minimum rent requirements for as long as such hardship continues.
 - b. The PHA shall apply this exemption from the beginning of the month following the family's request for a hardship exemption until the end of the qualifying financial hardship.
 - c. The family is not required to repay the difference between the TTP and the minimum rent to the PHA once the hardship is over.
- 6.** If the PHA is unable to determine if the hardship exemption will be temporary or long term, the PHA may approve a temporary hardship exemption and redetermine the family's status at the end of the temporary hardship exemption term.
- 7. No Qualifying Hardship**
- a. If the PHA determines there is no qualifying financial hardship, the PHA must reinstate the minimum rent, including back rent owed from the beginning of the suspension.
 - b. The family must execute a Repayment Agreement for the back rent owed by the family.
- 8.** Denial of a minimum rent hardship exemption is subject to the PHA's informal hearing process.

D. Gross Rent

The gross rent is the entire housing cost.

1. The gross rent is the rent to the owner and the utility allowance for the unit.
2. If all the utilities are included in the rent to owner, the rent to owner and the gross rent are the same.
3. If the family chooses a unit with a gross rent that exceeds the payment standard, the family pays the TTP plus the amount by which the gross rent exceeds the payment standard.

E. Maximum Subsidy

The family unit size, as established by the PHA subsidy standards, is used in determining the maximum rent subsidy for the family.

1. The maximum subsidy the PHA can pay is the payment standard minus the TTP.
2. The maximum subsidy calculation is done at the time the family is issued the voucher.
3. The actual PHA subsidy will be calculated after the family has selected a specific unit.

F. Maximum Initial Rent Burden

At the time a family initially receives tenant-based assistance for occupancy of a dwelling unit, and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share must not exceed 40% of the family's monthly adjusted income.

1. The determination of adjusted monthly income must be based on verification received by the PHA no earlier than 60 days before the PHA issues a voucher to the family.
2. The rent burden is applied each time the family moves to a new unit or signs the first assisted lease while leasing in-place where the gross rent of the unit exceeds the applicable payment standard for the family.
3. The rent burden does not apply to changes in the family share after move-in, such as owner request for a rent increase.
4. There is no exception to the statutory maximum initial rent burden for mixed families. The PHA will not approve a unit for which family share would exceed 40% of the adjusted income.

G. Effect of the Unit Size Selection on Subsidy

The PHA must allow the family to rent an acceptable unit even if the number of bedrooms is larger or smaller than the family's voucher size.

If the family selects a unit with a different number of bedrooms than the family unit size listed on the voucher, the PHA will apply the payment standard and utility allowance for the smaller of the family unit size listed on the family's voucher or the unit size selected by the family.

H. The Housing Assistance Payment (HAP)

The HAP is the monthly housing assistance payment made to the owner by the PHA on behalf of the family.

1. The HAP will be paid to the owner in accordance with the terms of the HAP contract.
2. HAP may only be paid to the owner during the lease term, and while the family is residing in the unit
3. Calculation of the HAP

- a. The actual HAP can be calculated only after the family has selected a unit and the gross rent for the unit is known.
- b. The HAP cannot exceed the maximum subsidy calculated but may be less than the maximum subsidy if the gross rent for the unit is less than the payment standard amount.
- c. The PHA shall pay a monthly HAP on behalf of the family that is equal to the lower of:
 - 1) The payment standard for the family minus the TTP; or
 - 2) The gross rent minus the TTP.
- d. The PHA shall not pay a monthly HAP above the rent to the owner.

I. Zero HAP Subsidy

1. Initial Lease-Up

- a. If the calculation of the family's income results in a zero HAP subsidy before an initial lease-up, the PHA will not enter into a new HAP contract with the owner on behalf of the family.
- b. The PHA will notify the family in writing that the request for tenancy approval has been denied, the family will be given another RFTA, and the suspended term of the voucher will be added to the end of the voucher term to allow the family additional time to search for another unit.

2. Reexaminations

If the calculation of the family's income results in a zero HAP subsidy during an annual or interim reexamination:

- a. The family may continue as an HCV program participant for 180 days from the effective date of the zero HAP subsidy.
- b. The family may remain in the assisted unit and will be responsible for paying the full amount of the contract rent to the owner during the 180 days.
- c. The HAP contract between the PHA and the owner remains in effect during the 180-day period.
- d. If the family's circumstances change during the 180-day period and the family again needs assistance, the family is responsible for timely reporting the change in their circumstances to the PHA and the PHA will conduct an interim reexamination to determine the family's portion of the contract rent.
- e. At the end of the 180 days, if the HAP subsidy has not been restored, the HAP contract will automatically terminate.
- f. Family moves during the 180-day period

- 1) The family may request to move with continued assistance by providing the owner/landlord and the PHA a notice to vacate as per the lease.
 - a) The PHA will determine the family's eligibility to move with continued assistance.
 - b) If the family is eligible to move, the PHA will proceed with the lease-up process.
 - c) If the family is not eligible to move, the PHA will notify the family, in writing, of their ineligibility to move.
- 2) If the family moves from the unit without giving proper written notice to the owner and the PHA, the family will be in violation of the lease and the obligations of the family and subject to termination of HCV assistance.
- g. The PHA will provide the family and the owner at least 30 days advance notification of the proposed termination and an opportunity for the family to request an informal hearing.
- h. The PHA will not consider a family with zero HAP subsidy as a break in continued assistance, except for a family whose HCV assistance was terminated for lease violations or violations of the obligations of the family.

J. HAP Controls and Accountability

1. All HAP are computed in accordance with HUD approved formulas and schedules. The computations are reviewed before being submitted for payment.
2. PHA internal requests for HAP must be submitted no later than five (5) calendar days before the end of each month to ensure that HAP can be reviewed for accuracy and are made in a timely manner to the owners.
3. The PHA will maintain a HAP register to monitor timeliness and accuracy.
4. HAP is considered received once it has been mailed or electronically deposited into the owner's account by the PHA.
5. The first HAP made on a new HAP contract is never considered for late payment.
6. The PHA will generate the EIV Deceased Tenants Report prior to disbursing upcoming monthly HAP to owners.
 - a. The PHA will generate the EIV Deceased Tenants Report monthly.
 - b. The purpose of the EIV Deceased Report is to prevent, eliminate and/or recover improper HAP being made on behalf of deceased HCV tenants.

K. Deceased Tenants Report

The PHA will generate the Deceased Tenants Report from the EIV system at least once per month prior to disbursing the upcoming monthly housing assistance payment to owners.

The PHA shall review the report, follow up with the listed families immediately, and take the following administrative actions:

1. The PHA will immediately send a letter to the head of household or emergency contact person (if the head of household is deceased and there is no other adult household member) to confirm the death of the listed household member.
2. The PHA will notify the owner in writing of the deceased head of household.
3. Deceased single member household or remaining household member is a live-in aide:
 - a. The PHA will discontinue the HAP to the owner no later than the first of the following month after the month in which the death occurred.
 - b. The PHA must terminate assistance immediately for deceased single member household.
 - c. The owner is entitled to receive the full HAP amount for the month in which the death occurred.
 - d. The owner is not entitled to HAP for any month following the month in which the death occurred.
 - e. If the remaining household member is a live-in aide, the PHA must discontinue HAP to the owner no later than the first of the following month after the month in which the death occurred.
 - 1) The live-in aide is not entitled or eligible for any rental assistance or continued occupancy in the subsidized unit for any month after the month which the head of household died.
 - 2) The PHA may not designate the live-in aide as a new head of household or change the live-in aide's relationship code to make them an eligible household member.
4. Head of household deceased and remaining household members are minors.

The PHA will follow the policies in Chapter 24: Absences from Unit, Section C, Use of Caretaker due to Absence of Head of Household.

5. Household member incorrectly identified as deceased
 - a. The PHA will immediately notify the individual in writing and advise the individual to contact SSA so that SSA may correct its records as only the SSA can correct erroneous death information.
 - b. The PHA will also provide the individual with their section of the EIV Income Report which shows the death information.
 - c. The PHA may provide the minor's EIV information to the minor's adult parent or guardian.
 - d. The PHA will document the family file that the individual was reported as deceased but that the PHA confirmed the individual is still alive.

L. HAP Late Payments to Owners

The HAP contract provides for penalties against the PHA for late payments of the HAP due to the owner. To assess such penalties, all of the following circumstances must apply:

1. The penalties follow the generally accepted practice and law in the local housing market governing penalties for late payment of rent by the tenants.
2. It is the owner's practice to charge both assisted and unassisted tenants' penalties for late payments.
3. The owner also charges such penalties against the tenant for late payment of family rent to owner.
4. PHA will not be penalized for circumstances which are beyond the PHA's control.
5. The PHA may only use administrative fee income or administrative fee reserve to pay a late payment penalty.
6. HAP payments are sent electronically on a monthly basis and posted to the owner's portal account on or after the fifth business day of each month.
7. HAP payments mailed to owners are sent on the first of each month.

M. Family Share

The family share is the family's portion of the rent to the owner plus the applicable utility allowance, if any, paid by the family. The family share cannot be calculated until a unit is selected.

1. The family share is calculated by subtracting the HAP amount from the gross rent.
2. Payment of the whole family share is the responsibility of the family.
3. Unit Selection and the Family Share
 - a. If a family leases a unit with a gross rent above the payment standard for the family, the family share is the TTP plus any amount by which the gross rent exceeds the payment standard.
 - b. If the family leases a unit with a gross rent at or below the payment standard, the family share will equal the TTP.
4. The PHA may not use HAP or other program funds (including any administrative fee reserve) to pay any part of the family share, including the family rent to the owner.

N. Family Rent to Owner

The family rent to the owner is the portion of the rent to the owner that is paid by the family.

1. The family rent to the owner is calculated by subtracting the amount of the HAP to the owner from the rent to owner.

- a. If the family is not responsible for paying any utilities under the lease, family rent to owner will equal family share.
 - b. If the family is responsible for directly paying some or all of the utilities under the lease, family rent to owner will be less than the family share.
2. The part of the rent to owner which is paid by the family may not be more than the rent to owner minus the HAP to the owner.
3. The owner may not demand or accept any rent payment from the family in excess of the maximum PHA determined family rent to owner and must immediately return any excess rent payment to the family.
4. The family is not responsible for any PHA portion of the rent to the owner, as determined by the PHA and outlined in the HAP contract between the owner and the PHA.
5. If the calculation of family rent to owner results in a negative amount, which results in the family rent to owner as zero, there will be a utility reimbursement.

O. Utility Reimbursement

Is the amount by which the HAP exceeds the rent to the owner.

1. When there is a utility reimbursement, the PHA pays the full amount of the rent to the owner and sends a utility reimbursement payment to the family or the utility supplier.
 - a. The PHA will pay the utility reimbursement directly to the utility supplier of the family's choice.
 - b. If the PHA pays the utility reimbursement directly to the utility supplier, the PHA must notify the family of the amount paid to the utility supplier.

P. Prorated HAP

For families that include both members who are citizens or have eligible immigration status and members who do not have eligible immigration status (or elect not to state that they have eligible immigration status), the amount of housing assistance is prorated based on the percentage of household members who are citizens or have eligible immigration status in relation to the total number of members in the family.

To calculate prorated HAP, the PHA will follow the steps below:

- Step 1. Determine the amount of the pre-proration HAP. Annual income includes the income of all family members, including any family member who has not established eligible immigration status.
- Step 2. Multiply the amount determined in Step 1 by a fraction for which:

The numerator is the number of family members who have established eligible immigration status; and

The denominator is the total number of family members.

Step 3. Prorated Housing Assistance

The amount determined in Step 2 is the prorated HAP for a mixed family.

Step 4. No Effect on Rent to Owner

- a. Proration of HAP does not affect rent to owner.
- b. The family must pay the portion of rent to the owner not covered by the prorated HAP.

CHAPTER 22: REEXAMINATIONS

The annual reexamination determines the continued eligibility of the family and establishes the HAP to be made on behalf of the family. Interim reexaminations are made because of changes in the family's circumstances between annual reexaminations or the last interim reexamination.

A. Annual Reexaminations

A reexamination of family income and composition will be conducted by the PHA at least annually.

1. The annual reexamination date shall be the first day of the month of the anniversary date (12 months) of the initial HAP contract.
2. If the family moves to a new unit, the annual reexamination date will change based on the new effective date of the new HAP contract.
3. The annual reexamination will be conducted no later than 120 days prior to the first day of the anniversary month.

B. Annual Reexamination Appointment

The PHA will maintain an annual reexamination tracking system and approximately 90 - 120 days in advance of the annual reexamination effective date the PHA will begin the annual reexamination process.

1. Scheduling the Annual Reexamination Appointment
 - a. The PHA will schedule the annual reexamination appointment within reasonable hours after reasonable notice.
 - b. Reasonable hours to conduct the annual reexamination appointment are between 9:00 a.m. – 3:00 p.m., on Monday, Tuesday, Wednesday, Thursday and Friday.
 - c. The PHA will provide the family a written annual reexamination appointment notice. The notice will:
 - 1) State the date of the annual reexamination appointment, the location, time, and what information is required to be brought to the appointment.
 - 2) State all adult household members 18 years of age and older are required to attend the annual reexamination appointment.
 - 3) The PHA will advise the family if the family contains a member who is a person with disabilities, that the family may request, as a reasonable accommodation, a home visit as an alternate format for the PHA to conduct the annual reexamination. The PHA may also conduct the annual reexamination by home visit as an alternate format for elderly families.
 - d. The annual reexamination appointment may be conducted in the following format:
 - 1) In person, face-to-face appointment

- 2) Mail-in reexamination
 - 3) Email reexamination
 - 4) Via fax reexamination
 - 5) Home visits as a reasonable accommodation for person with disabilities or for elderly families
 - e. The PHA will provide annual reexamination documents in an accessible format for families with disabilities or families with Limited English Proficiency.
 - f. The PHA will advise the family that a representative, of the family's choosing, may assist with the annual reexamination process.
2. Scheduling Conflict
- The PHA will advise the family how to and when to request another appointment if there is a scheduling conflict.
- 1) The family may contact the PHA to reschedule the first annual reexamination appointment up to one (1) day prior to the annual reexamination appointment date. The family may contact the PHA by phone call
 - b. The PHA will reschedule one (1) second annual reexamination appointment. The second annual reexamination appointment notice will be mailed or emailed promptly (within 10 days of the first appointment) and will be scheduled within five (5) calendar days or a date which has been mutually agreed upon by the PHA and the family.
 - 1) If the family fails to appear for the second appointment, the PHA will send the family a notice of termination and advise the family of their rights to request an informal hearing.
 - 2) The PHA may grant an exception for failure to contact the PHA timely to reschedule the appointment if:
 - a) The family is able to document an emergency situation;
 - b) The family has experienced extenuating circumstances that prevented the family from canceling or attending the annual reexamination appointment; or
 - c) If the family request as a reasonable accommodation for a family member who is a person with a disability.
3. Failure of the family to respond to either annual reexamination notice may result in termination of assistance.

C. Family Interim Reporting Requirements

At any time, the family may request an interim determination of family income or composition because of any changes since the last determination.

1. The family must report within 10 calendar days of occurrence, the following to the PHA:

- a. Changes in family income (increases or decreases), including but not limited to changes in the source (earned and/or unearned), employer, employment status, etc.
 - b. Any changes in the household composition, including additions and removal of household members.
 - c. Increases or decreases in allowable deductions/allowances that may affect the adjusted income.
2. The family must report the change in circumstance in writing. The form is available at the PHA office.
3. The PHA may receive the form:
 - a. By dropping it off at the PHA office (the family will be provided a receipt containing the day and time the form was dropped off)
 - b. By mail
 - c. By email
 - d. By fax
4. The PHA will determine whether a reported change in the family's circumstances warrants an interim reexamination.

D. Interim Household Composition Reporting Requirements

The PHA will conduct an interim reexamination when there is a change (addition or removal) in family composition. The composition of the assisted family, including household members, residing in the unit must be approved by the PHA. No other persons, except those approved by the PHA, may reside in the assisted unit.

1. Addition of Family or Household Members
 - a. Adding family members resulting from birth, court awarded custody, or adoption does not require PHA approval. The family must notify the PHA within 10 calendar days of the addition.
 - b. The family must request, in writing, PHA approval to add a foster child/adult or live-in aide as a household member.
 - c. Addition of Persons Aged Under 18 (Minor)

When the family requests, in writing, to add a minor to the family composition, the following will be required:

 - 1) Verification of birth
 - 2) Declaration of Citizenship form for the minor.
 - 3) Copy of SSN for new household members at least six (6) years of age or is under age six (6) and has an SSA-assigned SSN.

- a) The family must disclose the SSA-assigned SSN and provide the PHA with the documents referenced in Chapter 8 at the time of the PHA request, or at the time of processing the interim of family income and/or composition.
 - b) If the family is unable to provide the required documentation of the SSN, the PHA will not add the new household member to the family composition until the family provides the documentation.
 - c) HUD does not authorize the PHA to generate an ALT ID for the affected household member.
 - d) Exception if the minor does not contend to have eligible immigration status and has not been assigned an SSN.
- 4) Copy of SSN for new household members who is under the age of six (6) and does not have an SSA-assigned SSN.
- a) The family must disclose the SSA-assigned SSN and provide the PHA with the documents referenced in Chapter 8 within 90 calendar days of the child being added to the household.
 - b) If the family is unable to disclose and provide evidence of the SSN within 90 calendar days, the PHA will grant the family an additional 90-day period to comply with the SSN disclosure and documentation requirement, only if the PHA determines the family was unable to comply with the requirements due to circumstances that could not have reasonably been foreseen and were outside the control of the family.
 - c) The child is to be included as part of the assisted household and is entitled to all the benefits of being a household member during the allotted time for the family to comply with the SSN disclosure and documentation requirements.
 - d) The PHA will generate an ALT ID.
 - e) Upon expiration of the provided time, if the family has not complied with the SSN disclosure and documentation requirements, the PHA will terminate the entire family's housing assistance.
 - f) An exception to the above occurs when the minor does not contend to have eligible immigration status and has not been assigned an SSN.
- 5) For a parent or another person having custody or guardianship of such a minor the PHA will require one of the following documents:
- a) Court order assignment;
 - b) Statement from parent/guardian assigning custody or guardianship;
 - c) Custody Agreement filed in a court of law;

- 1) Written approval from the owner to add additional member(s)
- 2) Verification of birth
- 3) Copy of a government issued photo identification
- 4) Declaration of Citizenship form for the adult
- 5) Copy of SSN for the new household members who has an SSA-assigned SSN.
 - a) The family must disclose the SSA-assigned SSN and provide the PHA with the documents referenced in Chapter 8 at the time of the PHA request, or at the time of processing the interim of family income and/or composition.
 - b) The PHA must terminate the HCV assistance if the family does not disclose and provide the required documentation.
 - c) However, if the family is otherwise eligible for continued assistance the PHA, at its discretion, may defer the family's termination and provide the family an opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family noncompliant with the SSN disclosure and documentation requirement, only if the PHA determines:
 - (1) The failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside the control of the family; and
 - (2) There is a reasonable likelihood that the family will be able to disclose the SSN and provide such documentation of the SSN by the deadline.
 - d) If the family is unable to comply with the requirements by the specified deadline, the PHA will terminate the entire family's tenancy or assistance, or both.
 - e) The PHA must terminate the family's housing assistance if the family submits falsified SSN documentation.
 - f) An exception to the above if the adult does not contend to have eligible immigration status and has not been assigned an SSN.
- 6) Declaration of any income (earned or unearned) and assets (including income from assets) for the adult.

- 7) The individual will be required to sign form HUD-9886-A, Authorization for Release of Information/Privacy Act Form, and other PHA consent forms.
- 8) The adult is subject to the same screening (criminal background check) and eligibility requirements as the assisted family.
- e. Prior to approving the request to add a family or household member, except additions due to birth, court awarded custody, or adoption, the PHA will generate:
 - 1) The EIV Former Tenant and Existing Tenant Reports for all minors and adults to determine if there is a SSA match involving another PHA or Multifamily program.
 - 2) The Debts Owed to PHAs Report to determine if requested adult owes a debt to the PHA, another PHA, or Multifamily program.
2. Approval of the Request to Add a Family or Household Members
 - a. If the PHA determines an individual meets the PHA's eligibility criteria, the PHA will provide written approval to add the individual as a family or household member.
 - b. If the approval of the new family or household member will result in the violation of HQS, the written approval will explain the HQS violation and that the family will be issued a voucher of the appropriate size to move.
3. Denial of the Request to Add a Family or Household Member
 - a. The PHA will notify the family in writing if there is a determination to deny the request to add a family or household member.
 - b. The assisted family may request a review of the PHA decision to deny the request.
 - c. The family may request an informal hearing for the denial.
4. Removal of Family or Household Members
 - a. The family must promptly, within 10 calendar days notify the PHA if any family or household member no longer resides in the unit.
 - b. Failure to report the removal of a family or household member timely may result in the family owing a retroactive rent and/or termination from assistance.
 - c. The PHA will process an interim reexamination for all decreases in adjusted income when a family member permanently moves out of the unit.

E. PHA Interim Requirements

1. The PHA will conduct an interim reexamination:
 - a. Within a reasonable time after the family's request,
 - b. Families must report any decrease in adjusted income by the 25th of each month,

- c. Families must report changes in family circumstances which include but is not limited to obtaining employment, going on or off welfare, unemployment, changes in social security, changes in family composition, etc. within 10 days of the change occurring.
 - d. When the PHA becomes aware of an increase in the family adjusted income,
 - e. Any income change resulting in an increase/decrease of 10% of the families adjusted income will not be processed until the next Annual Reexamination.
- 2. The PHA will consider reasonable time based on the amount of time it takes the PHA to verify the information, but no longer than 30 days after the change in income was reported by the family.
- 3. When calculating a family's income, including asset income, during interim reexaminations, the PHA will use anticipated income (current income – i.e., the family's estimated income for the upcoming 12-month period).
- 4. Decreases in Annual Adjusted Income

Decreases in annual adjusted income include decreases in earned income, unearned income, and increases in the family's deductions and allowances.

 - a. The PHA will conduct an interim reexamination of family income if the PHA estimates the family's annual adjusted income will decrease by an amount that is 10% or more the family's annual adjusted income.
 - b. The PHA will conduct an interim reexamination of family income if the PHA estimates the family's adjusted income will decrease by an amount that is less than 10% or more of the family's annual adjusted income.
 - c. The PHA will not establish a dollar figure threshold amount instead of a percentage threshold.
 - d. The PHA will round calculate the percentage decrease to the nearest unit (e.g., a calculated decrease of 9.5% may be rounded up to 10%).
 - e. Mandated Processing of Interim Reexamination and the HUD Established Threshold for Decreases in Family Size due to Death or Permanent Move-Out from the Assisted Unit

HUD is requiring the PHA to apply a 0% threshold and to process an interim reexamination when there is a decrease in family size attributed to the death or permanent move-out from the assisted unit of a family member during the period since the family's last reexamination that results in a decrease in adjusted income of any amount.

 - 1) If there is no change/decrease in adjusted income as a result of the decrease in family size, the PHA will process a non-interim transaction instead of an interim reexamination.

- 2) The 0% threshold for interim reexaminations applies only to decreases in family size that result in a decrease in adjusted income.
 - 3) If the net effect of the changes in annual adjusted income due to a decrease in family size results in an increase in annual adjusted income, the PHA will process the removal of the household member(s) as a non-interim reexamination transaction without making changes to the family's annual adjusted income.
- f. The PHA has not adopted a retroactive rent decrease policy.
5. Increases in Annual Adjusted Income

The PHA must conduct an interim reexamination of family income when the PHA becomes aware that the family's adjusted income has changed by an amount that the PHA estimates will result in an increase of 10% or more in annual adjusted income or such other amount established by HUD through notice, except:

 - a. The PHA has adopted a local policy to not consider increases in earned income.
 - b. Families must report any increase in adjusted income within 10 days of the change
 - c. The PHA will include earned income increases in determining whether the 10% threshold is met for increases in adjusted income when the family previously had an interim reexamination performed for a decrease in annual adjusted income (earned, unearned, or combined) since the last annual reexamination; and
 - d. The PHA will conduct an interim reexamination if the family reports an increase in income within the three (3) months of their next annual reexamination effective date.

Families who delay reporting income increases until the last three (3) months of their certification period may be subject to retroactive rent increases in accordance with the PHA's policies.
 - e. The PHA will not establish a different threshold to conduct interim reexamination for increase in adjusted income.
 - f. A series of smaller reported increases in adjusted income may cumulatively meet or exceed the 10% increase threshold, at which point the PHA will conduct an interim reexamination.
 - g. When an increase of any size is reported by a family, the PHA will document the reported increase in the tenant file.
6. Non-Interim Reexaminations

Families may experience changes within the household that do not trigger an interim reexamination but still need to be reported in a non-interim reexamination submission to HUD.

 - a. The PHA will submit a separate, new action code on form HUD-50058.
 - b. The code will be used for the following transaction types when an interim reexamination is not triggered under the final rule:

- 1) Adding or removing a hardship exemption for the child-care expense deduction;
 - 2) Updating or removing the phased-in hardship relief for the health and medical care expense deduction and/or reasonable attendant care and auxiliary apparatus expense deduction (the phased-in relief will begin at an eligible family's first annual or interim reexamination, whichever is sooner, after January 1, 2024);
 - 3) Adding or removing general hardship relief for the health and medical care expense deduction and/or reasonable attendant care and auxiliary apparatus expense deduction;
 - 4) Adding or removing a minimum rent hardship;
 - 5) Adding or removing a non-family member (i.e., live-in aide, foster child, foster adult);
 - 6) Ending a family's EID or excluding 50% (decreased from 100%) of a family member's increase in employment income at the start of the second 12-month EID period.
 - 7) Adding a family member and the increase in adjusted income does not trigger an interim reexamination.
 - 8) Removing a family member and the increase in adjusted income does not trigger an interim reexamination.
 - 9) Adding/updating a family or household member's SSN.
 - 10) Updating a family member's citizenship status from eligible to ineligible or vice versa, resulting in a change to the family's rent and/or utility reimbursement, if applicable (i.e., family begins receiving prorated assistance or previously prorated assistance becomes full assistance), or updating the prorated rent calculation due to the addition or removal of family members in household with an ineligible noncitizen(s).
7. The PHA will process interim income reexaminations in accordance with the chart below:

INTERIM REEXAMINATION PHA ACTION		
Scenario	PHA Action	Notes
Family reports income increase or decrease	PHA will estimate the amount of the income change	The PHA will include the earned income in determining whether the 10% threshold has been met.
Estimate shows income decrease is 10% or more of adjusted income	PHA will conduct an interim reexamination	
Estimate shows income decrease is less than 10% or more of adjusted income	PHA will conduct an interim reexamination	If the PHA uses the default 10% threshold, no interim reexamination is required.

INTERIM REEXAMINATION PHA ACTION		
Scenario	PHA Action	Notes
Estimate shows an increase in applicable income is more than 10%	PHA will conduct an interim reexamination	The PHA will conduct an interim reexamination if the increase of income occurred in the last three (3) months before a regular annual reexamination.

F. Interim Reexamination Appointments

The PHA will maintain an interim reexamination tracking system to document the date interim changes were received and completed.

1. The Scheduling the Interim Reexamination Appointment

- a. The PHA will schedule an interim reexamination appointment within reasonable hours after reasonable notice.
- b. Reasonable hours to conduct and interim reexamination appointment are between 9:00 a.m. – 3:00 p.m., on Monday, Tuesday, Wednesday, Thursday and Friday.
- c. The PHA will provide the family a written interim reexamination appointment notice. The notice will:
 - 1) State the date of the interim reexamination appointment, the location, time, and what information is required to be brought to the appointment.
 - 2) State the head of household are required to attend the interim reexamination appointment.
 - 3) The PHA will advise the family if the family includes a member who is a person with disabilities, that the family may request, as a reasonable accommodation, a home visit as an alternate format for the PHA to conduct the interim reexamination. The PHA may also conduct the interim reexamination by home visit as an alternate format for elderly families.
- d. The interim reexamination appointment may be conducted in the following format:
 - 1) In person, face-to-face appointment
 - 2) Telephone
 - 3) Mail-in reexamination
 - 4) Via fax reexamination
 - 5) Email reexamination
 - 6) Home visits as a reasonable accommodation for person with disabilities or for elderly families

- e. The PHA will provide interim reexamination documents in an accessible format for families who includes a person with disabilities or families with Limited English Proficiency.
- f. The PHA will advise the family that a representative of the family's choosing, may assist with the interim reexamination process.

2. Scheduling Conflict

The PHA will advise the family how to and when to request another appointment if there is a scheduling conflict.

- a. The family may contact the PHA to reschedule the first interim reexamination appointment up to the day of the interim reexamination appointment date. The family may contact the PHA by:
 - 1) Telephone call
 - 2) Email
 - 3) Fax
 - b. The PHA will reschedule one (1) second interim reexamination appointment. The second interim reexamination appointment notice will be mailed or emailed promptly (within 10 days of the first appointment) and will be scheduled within five (5) business days or a date which has been mutually agreed upon by the PHA and the family.
 - 1) If the family fails to appear for the second appointment, the PHA will send the family notice of termination and offer them an informal hearing.
 - 2) The PHA may grant an exception for failure to contact the PHA timely to reschedule the appointment if:
 - a) The family is able to document an emergency situation;
 - b) The family has experienced extenuating circumstances that prevented the family from canceling or attending the interim reexamination appointment; or
 - c) If the family request as a reasonable accommodation for a family member who is a person with a disability.
3. Failure for the family to respond to either interim reexamination notice may result in termination of assistance.

G. Verification of Annual/Interim Reexamination Information

Effective July 1, 2025, the PHA will use EIV in its entirety to verify family employment and income during annual Ireexaminations only (interim reexaminations only when necessary) of family income and composition. The PHA will review the EIV Income and IVT Reports during annual reexaminations of family income and/or composition to reduce family under reporting of income and improper subsidy payments. The PHA will follow the HUD Verification Hierarchy and the PHA's verification procedures.

1. The PHA will obtain and document in the family file third-party verification of the following factors, or will document in the family file why third-party verification was not available:
 - a. Reported family annual income;
 - b. The value of the family's assets;

For a family with net assets equal to or less than \$50,000, the PHA may accept, for purposes of recertification of income, a family's declaration that it has net assets equal to or less than \$50,000, without the PHA taking additional steps to verify the accuracy of the declaration.

 - 1) The declaration must state the amount of income the family expects to receive from such assets; this amount must be included in the family's income.
 - 2) The PHA must obtain third-party verification of all family assets every three (3) years.
 - c. Expenses related to deductions from annual income; and
 - d. Other factors that affect the determination of the family's adjusted income.
 - e. The PHA will maintain the EIV Income Report in the family file along with the form HUD-50058 and other supporting documentation to support income and rent determinations for mandatory and interim reexaminations of family income and composition.
2. Because the PHA included earned income increases in the determination of whether the 10% threshold was met for increases in adjusted income when the family previously had an interim reexamination performed for a decrease in annual adjusted income (earned, unearned, or combined) since the last annual reexamination, the PHA will review the EIV New Hires Report at least quarterly, for the remainder of the reexamination period after the interim reexamination to decrease rent occurred.
3. The family will be obligated to supply any information that the PHA or HUD determines is necessary for use in regularly scheduled or interim reexamination of family income and composition. Failure to provide documentation may result in termination of assistance.
4. The family must submit consent forms for obtaining wage and claim information from federal, state, or local agencies to furnish or release to the PHA such information determined necessary. The family's failure to comply with consent forms will result in termination of assistance.
5. Verifications for reexaminations must be an original or authentic document generated by a third-party source dated within the 120 days of the date received by the PHA.
6. The family will be obligated to supply any information that the PHA or HUD determines is necessary for use in regularly scheduled or interim reexamination of family income and composition. Failure to provide documentation may result in termination of assistance.

7. The family must submit consent forms for obtaining wage and claim information from federal, state, or local agencies to furnish or release to the PHA such information determined necessary. The family's failure to comply with consent forms will result in termination of assistance.

H. Increases in Rent to the Owner

The owner may request an increase in the contract rent after the initial term of the lease.

1. Owner submission of the request of rent to owner increase.
 - a. The owner must serve the family a notice of increase in the rent to owner as per the terms of the lease.
 - b. The owner must notify the PHA of any changes in the amount of the rent to the owner at least 60-90 days before any such changes go into effect.
2. Upon receipt of the notice of an increase in rent to owner and before the PHA may approve any rent increase to the owner, the PHA must determine and document whether the proposed rent increase to owner is reasonable compared to similar units in the marketplace and not higher than rents paid by unassisted tenants in the premises.
 - a. In areas where there is rent control, the PHA must determine whether or not rent control restrictions will impact the request for rent increase.
 - b. In cases where the PHA cannot justify the rent increase through rent reasonableness, the owner must be notified in writing.
 - c. The owner may appeal the PHA's decision, by providing the PHA with similar units in the marketplace with the requested rent to owner and/or unassisted comparable units on the premises receiving the requested rent to owner.
3. If the PHA does not approve the increase to rent to owner, the family cannot assume the burden of the rent increase.
4. Subsequent rent increases during the family's occupancy of the unit that causes the family share to exceed 40% of monthly adjusted income are permissible so long as the PHA has determined the new rent to owner is reasonable.
5. The PHA approved increase to rent to owner will equal the lesser of:
 - a. The reasonable rent as determined by the PHA; or
 - b. The amount requested by the owner.
6. Owners may request, and HUD may approve, a special increase in the rent to the owner pursuant to the HAP Contract.

I. Effective Dates of Annual and Interim Reexaminations

1. Annual Reexaminations

- a. For increases in family share at annual reexamination, the PHA will complete annual reexaminations in advance so that the effective date is the first day of the month of the anniversary month of the HAP contract following a 30-day notice from the PHA.
- b. Decreases in family share at annual reexamination are effective the first day of the month of the anniversary month of the HAP contract.
- c. If the family caused a delay in the reexamination process or failed to report all income and deductions the PHA will complete the annual reexamination using the prior year's income.
 - 1) The PHA will complete an interim reexamination to correct the file, if applicable.
 - 2) If the family owes a retroactive rent, the family will be required to enter into a Repayment Agreement.
 - 3) The family's assistance may be terminated due to a violation of the obligations of the family.

2. Family Timely Report of Interim Changes

Family timely report of an interim change of family income or composition

- a. If the tenant rent increased as a result of the interim reexamination, the increase will be effective the first day of the month following a 30-day notice to the family from the PHA.
- b. If the tenant rent decreased as a result of the interim reexamination, the decrease will be effective the first day of the first month after the actual change leading to the interim reexamination of family income.

The PHA will apply timely reports of interim decreases retroactively.

3. Family Untimely Report of Interim Changes

Family untimely report of an interim change of family income or composition

- a. If the family failed to report the interim change timely and the tenant rent increased as result of the interim reexamination, the tenant rent will increase retroactively to the first day of the month following the date of the of the change leading to the interim reexamination of family income.
- b. Decreases in Tenant Rent
 - 1) If the family failed to report an interim change timely and the tenant rent decreased as a result of the interim reexamination, the effective date of the decrease in tenant rent must be no later than the first rent period following completion of the interim reexamination.
 - 2) Extenuating Circumstances
 - a) The PHA will make the effective date of an interim reexamination retroactive to the first of the month following the date of the actual decrease in income as

opposed to the first of the month following completion of the reexamination when a family's ability to report a change in income promptly was hampered due to extenuating circumstances, such as a natural disaster, or disruptions to the PHA's management operations.

- b) A retroactive rent decrease may not be applied prior to the latter of either:
 - (1) The first of the month following the date of the actual decrease in income, or
 - (2) The first of the month following the most recent previous income examination.

c. **Retroactive Tenant Rent**

The PHA may not apply the retroactive tenant rent decrease prior to the later of the first of the month following:

- 1) The date of the change leading to the interim reexamination of family income; or
- 2) The effective date of the family's most recent previous interim or annual reexamination (or initial examination if that was the family's last examination).

J. Notification of the Annual/Interim Reexamination Results

The PHA will notify both the owner and family of the results of the annual/interim reexamination in writing.

1. **Annual Reexamination Notification**

- a. The notice will include the following:
 - 1) The amount and effective date of the new HAP amount;
 - 2) The amount and effective date of the new tenant rent;
 - 3) The amount and effective date of the new rent to owner (if applicable); and
 - 4) The amount and effective date of the utility reimbursement (if applicable).
- b. If the TTP increased as a result of the annual reexamination, the PHA will advise the family of their rights to request an informal hearing.

2. **Interim Reexamination Notification**

- a. The PHA will conduct or not conduct an interim reexamination in accordance with the PHA's policies regarding decreases and increases in annual adjusted income.
- b. If the interim reexamination results in a change to the family share, the notice will include the following:
 - 1) The amount and effective date of the new HAP amount;
 - 2) The amount and effective date of the new tenant rent;
 - 3) The amount and effective date of the new rent to owner (if applicable);

- 4) The amount and effective date of the utility reimbursement (if applicable).
- c. If the TTP increased as a result of the interim reexamination, the PHA will advise the family of their rights to request an informal hearing.

CHAPTER 23: ZERO-INCOME FAMILIES

A zero-income family is a family who reports no source of income (earned or unearned), no regular contributions and/or gifts, including from assets, during the most recent eligibility or reexamination process. A family who reports zero income will be required to provide information regarding how the family pays for necessary living expenses.

1. Special Reexaminations
 - a. The PHA will schedule a special reexamination of income and family composition with the family who reports zero income as required using the same notice used for the annual reexamination process.
 - b. To ensure each zero-income family is treated consistently, the PHA will:
 - 1) Ask the family questions using the PHA's Zero Income Questionnaire.
 - 2) Generate the EIV Income and the IVT Reports for each family.
 - 3) Provide each family the EIV brochure, "What You Should Know About EIV."
 - 4) Advise each family about the minimum rent hardship exemption and how to request an exemption.
 - 5) Follow the Verification Hierarchy and the PHA's verification procedures.
2. If the family reports no income (earned or unearned), regular monetary or non-monetary contributions, or gifts from any source, all adult household members will be required to sign and date, under penalty of perjury, an individual zero income statement.
 - a. The PHA will annualize the amount of the receipts, except for HUD mandatory income exclusions, and the information generated from the EIV Income and IVT Reports to determine annual income.
 - b. The PHA will not assign monetary value to non-monetary in-kind donations from a food bank or similar organization received by the family.
3. If the family reports or the PHA determines that the family is receiving regular monetary or non-monetary contributions or gifts from any source, the value will be annualized to determine annual income.
 - a. When outside sources are paying bills or donating household goods on a regular basis, the value of these contributions (unless a HUD required exclusion) will be included as annual income.
 - b. The family will be required to provide the names and contact information for all sources of regular contributions or gifts.
 - c. The PHA will perform an interim reexamination only due to an increase in the family's adjusted income.

- d. Families who begin receiving income which does not trigger an interim reexamination will no longer be considered zero income even though the family's income is not reflected on the form HUD-50058.
4. If the family's income cannot be projected with any reasonable degree of accuracy, the PHA will continue to schedule a special reexamination every 120 days.
5. Tenant rent increases determined at a special reexamination shall be made effective the first day of the month following a 30-day notice to the family from the PHA.

CHAPTER 24: ABSENCES FROM UNIT

The family may be absent from the unit for brief periods.

A. Family Absence from the Unit

Absence means that no member of the family listed on the lease is residing in the unit.

1. Time Limits on Family Absences

The PHA establishes how long the family may be absent from the unit.

- a. The family must promptly, within 10 calendar days of occurrence, notify the PHA of the family's absence from the unit.
- b. The family may not be absent from the unit for a period of more than 180 consecutive calendar days without written consent from the PHA.
- c. The Executive Director or designer may approve an absence of up to 60 consecutive calendar days for extraordinary reasons, such as but not limited to military leave, hospitalization, or imprisonment.
- d. . It shall be the obligation of the family to notify the Housing Authority, in writing, of any absence which is planned to be greater than thirty (30) days. No Housing Authority notification shall be required for any absence of less than thirty (30) days. This does not relieve the family from providing owner notification for lesser periods, if required by the owner.
- e. Any family who is absent from the dwelling unit for a period of greater than thirty (30) consecutive calendar days, without having received prior approval from the Authority, shall be terminated from the program. Such absence will be verified by letters to the unit, phone calls, visits, or questioning the landlord and/or neighbors.
- f. Absences greater than thirty (30) days shall only be approved for the following reasons:
 - a. medical reasons, such as hospitalization or rehabilitation, as verified by a licensed physician;
 - b. family emergencies which require the presence of the family, as verified by

- medical or law enforcement authorities;
- c. incarceration, as verified by law enforcement authorities.
- g. Under no circumstances may the family be absent from the unit for a period of more than 180 consecutive days.
- h. All request for approval shall be in writing to the PHA with a copy to the owner of the unit. The request shall include the following:
 - a. The dates the family is intending to be absent
 - b. The purpose of the absence
 - c. Any verification(s), as required above.
- i. The family shall promptly notify the PHA and owner, in writing, upon the family member returning to the unit.
- 2. If the family is absent for longer than the maximum period permitted by the PHA or if the family is absent for more than 180 consecutive days, including if the family has left possessions in the unit, the PHA shall terminate the family's housing assistance.
 - a. The HAP contract will be terminated if the family is absent for longer than the maximum period permitted.
 - b. The assisted lease will also be terminated when the HAP contract is terminated.
 - c. The family may reapply when the PHA's waiting list is open.
 - d. The PHA shall inform the family of its rights to request an informal hearing if the housing assistance is terminated.
 - e. The owner must reimburse the PHA for any HAP for the period after termination.
- 3. VAWA exception: If the family is absent or has moved from the unit in violation of the lease and without notice to the PHA in order to protect the health or safety of a person who is or has been the survivor of VAWA violence/abuse and who reasonably believes to be threatened with imminent harm from further violence by remaining in the unit (or any family member has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's move), and has otherwise complied with all other obligations under the HCV program, the family may receive a voucher from the PHA to locate a safe unit.

B. Absence of Children Because of Placement in Foster Care

The family must promptly, within 10 calendar days of occurrence, notify the PHA of the absence from the unit of any children listed on the lease due to placement in foster care. The PHA will contact the agency responsible for the children's placement in foster care to determine the approximate length of time the children are expected to be away from the unit.

1. If the agency indicates that the children are expected to return to the unit at some point, the children will remain a part of the family composition and will be counted toward the family's subsidy standard but will not be counted as dependents until they return to the unit.
2. If the children are not expected to be returned to the unit, the children will be removed from the family composition and the family's subsidy standard will be reduced accordingly.
3. If the agency indicates that it is unknown whether the children will be returned to the unit, the children will remain a part of the family composition.
4. Oral conversations with the agency will be thoroughly documented in the family file, including the date of contact, name and title of contact person, name of agency, telephone number, and the details of the conversation.

C. Use of Caretaker Due to Absence of Head of Household

The family must promptly, within 10 calendar days of occurrence, notify the PHA of the absence of the head of household due to imprisonment, hospitalization, military service, etc. Upon notification to the PHA, when the head of household is absent from the unit as a result of imprisonment, hospitalization, military service, etc., and there are no other adult household members, upon approval of the PHA, another adult may move into the unit to care for the children, while the head of household is absent.

1. The rental assistance will not be terminated.
2. The head of the household's name shall be temporarily removed.
 - a. The family composition will be modified to include the name of the caretaker as head of household.
 - b. The PHA will document the file and explain the circumstances.
 - c. The original head of the household will be reinstated as the head of household upon their return.
3. The caretaker's income will not be included in the family income.
4. Upon the head of household's return, upon PHA approval, the caretaker may leave or remain as part of the household as long as the addition of the caretaker would not result in a violation of HQS.
 - a. If the caretaker remains, their income will be included in the calculation of family annual income.
 - b. The family will also need approval from the owner/landlord to add the caretaker as a member of the household.

D. Temporarily Absence Due to Military Service or School

The family must promptly, within 10 calendar days of occurrence, notify the PHA of the absence of family members due to military service or school.

1. Head of Household, Spouse, or Co-Head

If the head of household, spouse or co-head is temporarily absent from the unit to serve in the military or to attend school, the PHA shall include their income in the calculation of annual income.

2. Other Family Members

If a family member other than the head of the household, spouse or co-head is temporarily absent from the unit to serve in the military, attend school, the family has the option of:

- a. Considering the family member temporarily absent from the household. In this case, the temporary absent family member:
 - 1) Income will be included in annual income;
 - 2) Name will remain on the lease and HAP contract; and
 - 3) Will be counted toward the voucher size.
- b. Considering the family member permanently absent from the household. In this case, the former member of the household:
 - 1) Income will not be included in annual income;
 - 2) Name will be removed from the lease and HAP contract; and
 - 3) Will not be counted toward the voucher size.
 - 4) If the family wishes to add the former member back to the household as a family member again, the former member will be required to meet the PHA screening criteria prior to being added back to the household.

E. Absence Due to Hospitalization or Admittance into a Nursing Home

The family must promptly, within 180 days of occurrence, notify the PHA of the family member's absence of the unit due to hospitalization or admittance into a nursing home.

1. Sole Member

- a. When the family consists of only one member and that person is absent from the unit to go into a hospital or nursing home for a period of more than 180 days the assistance will be terminated.
- b. If a medical provider documents that the person is expected to return to the unit in 180 days or less, the sole member shall continue to receive assistance.
- c. Under no circumstances may the family be absent from the unit for a period of more than 180 consecutive days.

2. Other Family Members

If a family member other than the head of the household, spouse or co-head is temporarily absent from the unit because of admittance into the hospital or nursing home, the family has the option of:

- a. Considering the family member temporarily absent from the household. The temporary absent family member:
 - 1) Income will be counted in annual income;
 - 2) Name will remain on the lease and HAP contract; and
 - 3) Will be counted for the voucher size.
- b. Considering the family member permanently absent from the household. The former member of the household:
 - 1) Income will not be counted in annual income;
 - 2) Name will be removed from the lease and HAP contract; and
 - 3) Will not be counted for the voucher size.
 - 4) If the family wishes to add the former member back to the household as a family member again, the former member will be required to meet the PHA screening criteria prior to being added back to the household.

F. Verification of Absence from the Unit

The family must supply any information or certification requested by the PHA to verify that the family is residing in the unit or relating to the family's absence from the unit.

1. The family must provide the PHA with any PHA-requested information or certification on the purposes of the family absence.
2. The PHA may utilize appropriate techniques to verify family occupancy or absence, including but not limited to sending notifications/letters to the family at the unit, phone calls, visits to the unit, interviews/questions to the owner/landlord or neighbors, or verify with the utility suppliers if the utilities are in service.

CHAPTER 25: FAMILY BREAK-UP

The PHA has discretion to determine which members of an assisted family continue to receive HCV assistance if the family breaks up. The decision to determine who continues to receive assistance will be made by the Executive Director or designee.

A. Criteria for the PHA Decision

The factors to be considered in making this decision may include but are not limited to the following:

1. Upon learning of the break-up of a family, the Authority will request, in writing, that

the parties involved determine which family member will continue to receive assistance.

2. If the family members cannot reach an agreement, the Authority will determine who will continue to receive assistance, with the following factors taken into consideration:

- a. which family members remain in the original assisted unit;
- b. which family member has legal custody (temporary or permanent) of any minor children.
- c. whether there are any ill, elderly or disabled family members;
- d. whether family members were forced to leave the unit as a result of actual or threatened physical violence against family members by a spouse or other member of the household.
- e. if the family break-up results from domestic violence, the PHA must ensure that the victim retains assistance.

3. When a court determines the disposition of the property between members of the assisted family in a divorce or separation under a settlement or judicial decree, the Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

4. In the case of death of the head and/or spouse, the right of survivorship would be retained by the legal guardian of the children of the assisted family.

B. VAWA Violence/Abuse

If the family break-up results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, the PHA must ensure that the survivor retains assistance.

C. Lease Bifurcation

Because the PHA is not party of the lease, it is up to the owner to bifurcate the family's lease to evict or remove the perpetrator from the unit.

The owner may bifurcate the lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to VAWA violence/abuse.

1. If owner chooses to remove the abuser or perpetrator, the owner may not remove the rights of eligible tenants to the unit or otherwise punish the remaining tenants.
2. The owner must immediately notify the PHA of the change in lease and provide a copy of all such changes to the PHA

3. Reasonable Time to Establish Eligibility or Find Alternative Housing

If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the HCV program, the PHA and owner must allow the tenant who is or has been a survivor and other household members to remain in the unit for a period of time, in order to establish eligibility under the HCV program or under another HUD housing program covered by VAWA or find alternative housing.

- a. Section 214 of the Housing and Community Development Act of 1980 requires that assistance under the HCV program be terminated after 30 days if the remaining family members cannot indicate they have satisfactory immigration status:
 - 1) HCV assistance is limited to 30 days of the remaining family members have not submitted documentation evidencing a satisfactory immigration status or pending appeal of verification determination of the family's member's immigration status.
 - 2) The PHA will not stop paying the HAP until 30 days after the owner bifurcates the lease to evict the perpetrator.
 - 3) The PHA may pay the HAP for the full month if the 30-day period ends mid-month.
 - 4) If the survivor (remaining family members) requests to move, the PHA will not issue a new voucher until eligibility has been determined.
4. In removing the abuser or perpetrator from the household, the owner must follow federal, state, and local eviction procedures.
5. In order to bifurcate the lease, owner may, but is not required to, ask the tenant for documentation or certification of the incidences of the VAWA violence/abuse.

D. Court Orders

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement or judicial decree, the PHA is bound by the court's determination of which family members continue to receive assistance in the program.

E. Remaining Family Member

Remaining family members are family members of an assisted family who remains in the unit when other members of the family have left the unit.

1. A single adult (whether elderly or non-elderly, disabled or non-disabled, with or without children) who is a remaining family member may become the head of household.
2. A live-in aide is not a member of the assisted family and is not entitled to the HCV as a remaining member of the family.
3. A minor child(ren) will not be allowed to retain status of remaining family member(s) unless:
 - a. The court has awarded emancipated minor status to the child(ren); or

- b. An eligible court appointed legal guardian, designee of a parent with written permission, or the designee of a legal custodian with written permission moves into the unit with the minor child(ren).
 - 1) If the PHA is presented with conflicting claims regarding custody of the minor child(ren), the PHA may require evidence of court-awarded custody or legal guardianship.
 - 2) The designee shall be covered only in the absence of a contradictory claim of custody from another party.
- 4. If both parents must leave the household and the proper legal authorities, such as the Department of Social Services and/or the Juvenile Court, has determined that another adult is to be brought into the assisted unit to care for the child(ren) for an indefinite period, the PHA will treat that adult as a visitor for 30 days.
 - a. After that period, the PHA office will determine whether:
 - 1) The court has awarded emancipated minor status to the child(ren);
 - 2) Custody or legal guardianship has been granted to the caretaker; or
 - 3) The parent or other person having such custody of the child(ren) has given written permission for a designee (caretaker) to have such custody of the child(ren).
 - a) If the PHA is presented with conflicting claims regarding custody of the child(ren), the PHA may require evidence of court-awarded custody or legal guardianship.
 - b) The designee (caretaker) shall be covered only in the absence of a contradictory claim of custody from another party.
 - b. Prior to the PHA transferring the assistance to the caretaker:
 - 1) The PHA will ensure that the caretaker meets all the PHA's screening criteria, including the criminal history check.
 - 2) The PHA will generate:
 - a) The EIV Former Tenant and Existing Tenant Reports to determine if there is an SSA match involving another PHA or Multifamily program.
 - b) The Debts Owed to PHAs Report to determine if the caretaker owes a debt to the PHA, another PHA, or to a Multifamily program.
 - (1) The PHA will follow up on any issues identified.
 - (2) The PHA will maintain a report and document the family file.
 - (3)

CHAPTER 26: MOVES WITH CONTINUED ASSISTANCE

A participant family may move with continued assistance under the HCV program, either inside the PHA jurisdiction or under portability procedures.

A. Eligibility to Move

A participating family is eligible to move with continued tenant-based assistance if any of the following occur:

1. The assisted lease for the old unit has terminated. This includes a termination because:
 - a. The lease has expired and either the owner/landlord or family decided not to renew.
 - b. The PHA has terminated the HAP contract for the owner's/landlord's breach; or
 - c. The lease has terminated by mutual agreement of the owner/landlord and the family.
 - d. The PHA does not permit participating families to move during the first year of their lease even when mutual agreement is established by the landlord and family. An exception is made during the first year, only if a family with a verified disability needs to relocate due to medical conditions. Verification will be required to establish the need to relocate.
 - e. The family must remain in the initial PHA's jurisdiction for at least one year before porting to another jurisdiction. A family with an approved medical verification may use portability within the first year when approved by the PHA.
 - f. The family may only move one time per year using portability.
2. The owner/landlord has given the family a notice to vacate, or has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner/landlord to evict the family.
3. The family has given proper written thirty (30) day notice of lease termination (if the family has a right to terminate the lease on notice to the owner, for owner breach, or otherwise) after the initial term of the lease. It is recommended the family notify the owner and PHA at least sixty (60) days prior to the transfer to allow sufficient time to process the Voucher paperwork.
4. Survivors of a VAWA Violence/Abuse
 - a. The family or a member of the family, is or has been the survivor of VAWA violence/abuse and the move is needed to protect the health or safety of the family or family member, or
 - b. If any family member has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's request to move.
 - c. The PHA may not terminate assistance if the family, with or without prior notification to the PHA, moves out of a unit in violation of the lease, if such move occurs to protect the health or safety of a family member who is or has been the survivor of VAWA

violence/abuse and who reasonably believed he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. However, any family member that has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's move or request to move is not required to believe that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit.

5. The PHA may conduct a reexamination of family income and composition prior to the family's move to ensure the income verification is within 60 days before the PHA issues the voucher.

B. Denying the Family's Request to Move

1. The PHA will prohibit:
 - a. More than one move by the family during any 12 month period.
 - b. Moves by the family during the initial term of the lease.
 - c. If the family owes a debt to the PHA or to another PHA.
 - d. Moves by families that have moved out of their assisted unit in violation of the lease.
 - e. The PHA will not allow a current voucher to use portability if during the course of their participation they are now on parole or probation in the court system or owe in any fines or judgments in the court system, including but not limited to civil judgments involving landlord-tenant complaints.
2. Exceptions to prohibitions on family moves
 - a. As a reasonable accommodation for families with members who are persons with disabilities.
 - b. Survivor of a VAWA Violence/Abuse
 - 1) The above policies do not apply when the family or a member of the family is or has been a survivor of VAWA violence/abuse and the move is needed to protect the health or safety of the family or family member, or any family member has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's request to move.
 - 2) A family may receive a voucher from the PHA and move to another jurisdiction under the tenant-based assistance program if the family has complied with all other obligations of the HCV program and has moved out of the assisted dwelling unit in order to protect the health and safety of an individual who is or has been the survivor of VAWA violence/abuse and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit.

- c. The PHA may allow the family to terminate the lease during the initial term if the owner agrees, in writing, to release the family from the lease or if the lease provides for such termination.
- d. Harassment
 - 1) Harassment in housing or housing related transactions on the basis of race, color, religion, sex, disability, familial status, and national origin is prohibited under the Fair Housing Act.
 - 2) The PHA will not deny a family's request to move when a family member is subject to harassment because of race, color, religion, sex, disability, familial status, or national origin that causes the family to vacate the unit.
- 3. The PHA may deny a request to move for the following reasons:
 - a. The family's action or failure to act as described in 24 CFR § 982.552 or 982.553.
 - b. The family has violated a family obligation.
 - c. If the PHA does not have sufficient funding for continued assistance.

C. Denying Requests to Move Due to Insufficient Funding

The PHA may deny a family's request to move, including moves under portability, if the PHA does not have sufficient funding for continued assistance.

- 1. The PHA may only deny a request to move due to insufficient funding if all the following apply:
 - a. The move is to a higher cost unit (for moves within the PHA's jurisdiction) or to a higher cost area (for portability moves).
 - 1) Higher cost unit:
 - a) Is defined as a unit in which the PHA would have to pay a higher subsidy amount due to an increase in the gross rent for the new unit.
 - b) The PHA may not deny a family's request to move due to insufficient funding if the subsidy for the new unit is equal to or less than the current subsidy being paid for the family.
 - c) The PHA must not deny the move for families moving within the PHA's jurisdiction (even if the new unit is a higher cost unit) if the family must move from their current unit (e.g., the unit failed HQS, the owner failed to renew the lease, etc.).
 - d) If the family is moving under portability, the PHA may deny the move under the circumstances in paragraph (c) above if the family is moving to a higher cost area under portability and the receiving PHA is not absorbing the family into their program.
 - 2) Higher cost area:

- a) Is defined as an area where the PHA would have to pay a higher subsidy amount due to higher payment standards or more generous subsidy standards of the receiving PHA.
 - b) A PHA may not deny request to move due to insufficient funding if the area the family has selected is not a higher cost area.
- b. The receiving PHA is not absorbing the voucher (applicable only to portability moves).

If the receiving PHA will bill the initial PHA for the portability voucher and the cost of the HAP will increase due to the move, the initial PHA may deny the move if the initial PHA does not have sufficient funding for continued assistance.
- c. The PHA would be unable to avoid termination of current families during the calendar year in order to remain within the PHA's budgetary allocation (including any available HAP reserves) for housing assistance payments.
- 2. The PHA may not deny a family's request to move due to insufficient funding because the PHA wishes to admit additional families from its waiting list into the HCV program, regardless of whether the PHA has unit months available to do so.
- 3. If the PHA approves a family's request to move within the PHA's jurisdiction or approves a portability move, then experiences a funding shortfall, the PHA may rescind the voucher only if the family is allowed to remain in their current unit.
 - a. If the family is not allowed to remain in their current unit (e.g., the family has already vacated the unit or the family has already notified the owner of their intent to vacate the unit and the owner has re-let the unit to another family or the unit failed HQS), the PHA must not rescind the voucher.
 - b. The PHA must allow the family to lease a new unit.
- 4. If the PHA is the initial PHA, the PHA may not terminate a portability voucher under a billing arrangement with the receiving PHA for insufficient funding because the initial PHA is not a party to the HAP contract. As the initial PHA, the PHA may not impose a cap on the amount of HAP the PHA will pay for a family that has moved under portability.
- 5. The PHA must provide written notification to the local HUD Office within 10 business days of the date on which the PHA made the determination to deny a family move based on insufficient funding.
- 6. The written notification to the local HUD Office must include the following documentation:
 - a. A financial analysis that demonstrates insufficient funds is projected to meet the current calendar year projection of expenses. The projection must not include vouchers that have been issued but are not yet under contract.
 - b. A statement certifying the PHA has ceased issuing vouchers and will not admit families from the waiting list while the limitation on moves is in place.

- c. A copy of the PHA's policy stating how the PHA will address families who have been denied moves.
- 7. The PHA will inform families of the PHA's policies regarding denying a move due to insufficient funding by: including the PHA's policies regarding denying a move due to insufficient funding in the HCV briefing packet.
- 8. If the PHA denies a family's request to move, including a portability move, due to insufficient funding:
 - a. The PHA will create a list of families who moves have been denied due to insufficient funding.
 - b. The family will be notified by phone call, the notice will include the following policy statements:
 - 1) The PHA will not admit families from the waiting list while the denial of moves due to insufficient funding is in place.
 - 2) At the time funding becomes available, families who have been denied requests to move due to insufficient funding will be notified by phone that they may now exercise their right to move.
 - 3) Families denied the request to move due to insufficient funding will be notified of their right to move on a first-come, first served basis starting with the family that was first denied the request to move due to insufficient funding.
 - 4) Families denied the request to move due to insufficient funding will take priority over families on the PHA waiting list.
 - 5) The family's request to move will be open for consideration as long as the family remains eligible to move from the current unit.

D. Notice of Family Move

The family may terminate tenancy after the initial term of the lease.

- 1. The family must notify the PHA and the owner before the family moves out of the unit or terminates the lease on notice to the owner.
 - a. The family must give the owner notice of the termination of the lease in accordance with the lease.
 - b. The family must provide a copy of the notice of termination of the lease to the PHA.
- 2. The family must notify the PHA if the family desires continued assistance in another unit.
- 3. Failure to notify the PHA and the owner before the family moves out of the unit is a breach of the obligations of the family.
- 4. Agreement to Remain in Occupancy

- a. If the family does not locate a new dwelling, they may be required to submit an "Agreement to Remain in Occupancy."
- b. The assisted tenancy may be extended for any period of time mutually agreed upon by the owner/landlord and family.
- c. Absence of the Agreement to Remain in Occupancy, the HAP and the HAP contract may terminate at the end of the Notice to Move issued by the family.

E. VAWA Emergency Transfer Plan

The PHA shall adopt a VAWA Emergency Transfer Plan based on the HUD's model VAWA Emergency Transfer Plan which will allow tenants receiving HCV assistance and who are survivors of domestic violence, dating violence, sexual assault or stalking to request an emergency transfer if:

1. The tenant expressly requests the transfer; and
2. The tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying; or
3. In the case of a tenant who is a survivor of sexual assault, either the tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying, or the sexual assault occurred on the premises during the 90-calendar-day period preceding the date of the request for transfer.
4. The tenant who is a survivor of sexual assault may make an imminent harm request regardless of when or where the sexual assault occurred and the PHA may permit more than 90-calendar days from the date of the sexual assault.
5. The tenant may qualify for either an internal emergency transfer or external transfer.
 - a. An internal emergency transfer is the relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process.
 - b. An external emergency transfer is the relocation of a tenant to another unit where the tenant would be categorized as a new applicant; that is the tenant must undergo an application process in order to reside in the new unit.
6. The tenant may seek an internal emergency transfer and an external emergency transfer concurrently if a safe unit is not immediately available.
7. The PHA shall maintain the existing VAWA strict confidentiality measure in its Emergency Transfer Plan as to not disclose the location of the new unit to the abuser.
8. The PHA will make the Emergency Transfer Plan available upon request and when feasible, make the plan publicly available.

9. The PHA will keep a record of all emergency transfers requested under its Emergency Transfer Plan and the outcome of the requests.
 - a. The PHA shall retain these records for a period of three (3) years or for a period of time as specified by program regulations.
 - b. The PHA must report the requests and outcomes to HUD annually.
10. An emergency transfer request must not be construed to supersede any PHA eligibility or other occupancy requirements.

CHAPTER 27: Portability

The term “portability” refers to the process of leasing a unit with tenant-based HCV assistance outside of the jurisdiction of the PHA that initially issued the family its voucher (the initial PHA). The PHA which receives the family that has ported from the initial PHA’s jurisdiction is the receiving PHA.

The PHA may act as both the initial PHA and receiving PHA, whereas the PHA may move families out of the PHA’s jurisdiction and families may wish to move into the PHA’s jurisdiction.

The provisions of portability do not apply to the PBV program, as PBV housing assistance subsidy is tied to the unit, not the family.

A. Portability Eligibility Requirements

Eligible families may utilize their portability option to lease a tenant-based voucher unit outside the jurisdiction of the initial PHA, anywhere in the United States and its territories, in jurisdictions of PHAs with a tenant-based voucher housing program.

1. Applicant Residency Requirements

The PHA will determine if an applicant family selected from the waiting list meets the residency requirement based on the family’s residence (domicile) at the time that the family initially submitted their application for assistance, not at the time the family reached the top of the PHA’s waiting list.

a. Resident Applicant:

An applicant that has not yet leased up under the HCV program is eligible for portability if the head of household or spouse was a resident in the PHA’s jurisdiction at the time the application for HCV assistance was submitted.

- 1) The applicant head of household or spouse must provide proof of their domicile (legal residence) in the initial PHA’s jurisdiction as determined by state and local law.
- 2) Acceptable proof of residency includes but is not limited to:

- (a) Paycheck stub or letter of employment on company letterhead signed by the Human Resource Manager.
- (b) Receipt of benefits, including welfare, social security from any federal, state, or local agency.
- (c) Current lease within one-year.
- (d) Utility bill (electric or heating with physical address).
- (e) School transcripts.

b. Non-resident Applicant:

An applicant that has not yet leased-up under the HCV program is not eligible for portability if the head of household or spouse was not a resident in the PHA's jurisdiction at the time the application for HCV assistance was submitted. The applicant must utilize their assistance within the PHA's jurisdiction for at least 12 months before utilizing their portability option to move to another PHA's jurisdiction.

- 1) The PHA will allow a non-resident applicant to utilize the portability option as reasonable accommodation for a family that includes a member who is a person with disabilities.
- 2) The PHA will not permit a non-resident applicant to utilize their portability option.
- 3) The PHA will provide portability to a non-resident applicant if the applicant or a member of the applicant family is or has been the survivor of VAWA violence/abuse, and the move is needed to protect the health or safety of the applicant or applicant family member, or any applicant family member who has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the applicant family's request to move.
- 4) The portability residency requirements are not applicable for applicants of the HUD-VASH program.

2. Participant Families

Once a HAP contract is executed on behalf of an applicant family, the family becomes an HCV participant. The family becomes a participant on the effective date of the first HAP contract executed by the PHA for the family (first day of initial lease term).

- a. The PHA shall not allow the participant family to utilize their portability option if the family has moved out of the unit in violation of their lease, except if:
 - 1) The family moved out in violation of the lease in order to protect the health or safety of a person who is or has been the survivor of VAWA violence/abuse and who reasonably believes him/herself to be threatened with imminent harm from further violence by remaining in the dwelling unit, or
 - 2) Any family member has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's move or

request to move and has otherwise complied with all other obligations under the HCV program.

- b. The PHA shall not allow the participant family to utilize their portability option for the family's action or failure to act as described in 24 CFR 982.552 or 982.553.

3. Income Eligibility

- a. Applicants: Applicant families who wish to utilize the portability option must meet the applicable HUD income limits in the receiving PHA jurisdiction.
 - 1) If the family meets all HCV eligibility criteria but is not income eligible in the receiving PHA's jurisdiction, the PHA will deny the applicant family's request to move to that receiving PHA's jurisdiction and will inform the applicant family they may not move to the receiving PHA jurisdiction due to income ineligibility.
 - 2) The applicant family must be income eligible in the area where the family initially leases a unit with HCV assistance.
- b. Participant Families: Income eligibility does not apply and is not redetermined when a participant family moves to a receiving PHA's jurisdiction under portability.

B. Use of Email or Other Delivery Confirmation Method

The PHA will use email or another delivery confirmation method to communicate between the initial PHA or receiving PHA. Future references of contact between the initial PHA and receiving PHA in this Administrative Plan means the contact was made in writing by email or other delivery confirmation method.

C. Initial PHA Responsibilities

This section outlines the responsibilities of the PHA when the family notifies the PHA of its desire to relocate outside of the PHA's jurisdiction. When a family moves out of the jurisdiction of the PHA with a voucher issued by the PHA, the PHA is the initial PHA.

- 1. Providing Information About Portability
 - a. As part of both the oral voucher briefing and the briefing information packet when applicants are selected from the waiting list, the PHA must provide information to all families about where the family may lease a unit, including an explanation of how portability works and how portability may affect the family's assistance.
 - b. Although the PHA is not required to provide an oral voucher briefing or briefing information packet when a participant family wishes to exercise their portability option, the PHA is required to provide information to all families about where the family may lease a unit, including how portability works and how portability may affect the participant family's assistance.
- 2. Determine the Family's Eligibility to Move Under Portability

Once the family informs the PHA of their desire to move under portability and where they want to move to, as the initial PHA, the PHA will determine the family's eligibility to move in accordance to Section A of this chapter.

3. Selecting the Receiving PHA.

The family must inform the PHA of the area to which the family wishes to move.

- a. If more than one PHA administers the HCV program in the area where the family wishes to move, the PHA will provide the family with the contact information for all the receiving PHAs that serve that area.
- b. The family has the option to select the receiving PHA when there is more than one PHA that serves that area.
- c. If the family requests it, the PHA must select the receiving PHA on behalf of the family. If the PHA selects the receiving PHA, the PHA is not required to provide the contact information for all the receiving PHAs that serve that area.

4. Initial Contact with the Receiving PHA

Once the receiving PHA has been selected and prior to approving the family's portability request, the PHA must contact the receiving PHA to determine if the receiving PHA will absorb the family into their program or bill the PHA.

- a. The receiving PHA must respond to the PHA in writing, of whether it will absorb the family or bill the PHA.
- b. If the receiving PHA makes the commitment to absorb the family into its program, the receiving PHA cannot reverse its decision at a later date without the consent of the PHA.
- c. It is the responsibility of the PHA, not the family, to contact the receiving PHA to determine whether the receiving PHA will absorb the family into its program or bill the PHA.

5. Portability Voucher Issuance

Once the portability request and billing/absorption arrangement have been approved, the PHA will:

- a. Issue the family a voucher to move, if the PHA has not already done so.
- b. Issue the voucher the same as would be issued for other voucher holders.

6. Family Contact to the Receiving PHA

Once the receiving PHA has been selected and the portability request approved, the PHA will advise the family how to contact and request assistance from the receiving PHA.

- a. The PHA will provide the following information to the family:
 - 1) Name of the receiving PHA

- 2) Telephone number
 - 3) Email of the receiving PHA staff responsible for incoming portability families (if available)
 - 4) Any information shared by the receiving PHA with the PHA relating to appointments for voucher issuance
 - b. A simple referral to HUD or to the receiving PHA's website does not fulfill the PHA's responsibilities of providing contact information to the family.
 - c. The family's failure to contact the receiving PHA may delay the family's lease-up in the receiving PHA's jurisdiction.
7. Portability Information
- a. The PHA will promptly notify the receiving PHA to expect the portable family.
 - b. The PHA must send the receiving PHA the following completed documents:
 - 1) Form HUD-52665 (Family Portability Information), Part I, Initial PHA Information and Certification
 - 2) A copy of the voucher (HUD-52646) issued by the PHA
 - a) The voucher must be current and unexpired
 - b) The voucher must be signed and dated by the family and the PHA
 - 3) The most recent form HUD-50058 (Family Report) and copies of all related verification information for the current form HUD-50058.
 - a) The form HUD-50058 is the latest form HUD-50058 completed for either a new admission, annual reexamination, or interim reexamination. It is not the form HUD-50058 that the PHA completes to report the portability move-out.
 - b) In the case of an applicant family, the PHA has not yet completed the form HUD-50058 in its entirety because the family is not yet a new admission. The PHA must provide the partially completed form HUD-50058 for the applicant family to the receiving PHA. The income information must be in a format similar to the form HUD-50058 so that the information is easily available for use by the receiving PHA.
 - c) For special purpose vouchers (HUD-VASH, NED, FUPF/FUPY, NHT) the PHA must include the special purpose voucher code on line 2n of the form HUD-50058.
 - d) Copies of supporting of family composition and verification information
 - (1) Copies of photo identification, including immigration identification
 - (2) Declaration of citizenship forms
 - (3) Copies of birth certificates

- (4) Copies of verification of assets, income, and deductions/allowances
- 4) Although, not required, the PHA will also provide the following to the receiving PHA:
 - a) Earned Income Disallowance information, if applicable
 - b) Information on reasonable accommodations, if applicable

D. Receiving PHA Responsibilities

This section outlines the responsibilities of the PHA when a family moves into the PHA's jurisdiction under portability. When a family moves into the PHA's jurisdiction with a voucher issued by an initial PHA, the PHA now becomes the receiving PHA.

1. Initial Contact with the Initial PHA

After the initial contact from the initial PHA, promptly contact the initial PHA and advise if the PHA will absorb the family into its program or bill the initial PHA.

- a. If the PHA informs the initial PHA that the PHA will absorb the portable family into its program, the PHA cannot reverse its decision at a later date without consent of the initial PHA.
- b. If the PHA informs the initial PHA that the PHA will bill the initial PHA, the PHA can absorb the family at a future date.

2. Requirement to Administer Assistance

- a. As the receiving PHA, the PHA must administer the incoming portable voucher in accordance with the PHA's policies and procedures.
- b. The PHA cannot refuse to assist an incoming portable family or refer/direct the family to another neighboring PHA for assistance.
- c. The PHA cannot have a policy of denying an incoming portability family if there is not a set number of days left on the initial PHA's voucher.

3. Portability Information

Once the portability information has been received from the initial PHA, the PHA will:

- a. Review the portability information for completeness.
- b. If the portability paperwork is incomplete, the PHA will contact the initial PHA the same day or the next business day and advise of the incomplete paperwork.

4. Within two (2) weeks after receipt of the completed portability information from the initial PHA, the PHA will schedule a briefing/interview with the portable family.

5. Receiving PHA Rescreening and Reexaminations

The PHA may screen the family using the receiving PHA's established admission criteria, policies for denial or termination of assistance, or conduct new reexamination certifications.

a. Applicant Families:

The receiving PHA may delay issuing a voucher or otherwise delay approval of a unit only if it is necessary to redetermine income eligibility, due to but not limited to new income, a reduction in household composition, or addition of household members.

b. Participant Families:

- 1) The receiving PHA does not redetermine the income eligibility of a portable family that is already receiving HCV assistance.
- 2) The receiving PHA may choose to conduct a new income reexamination but may not delay issuing the portable family a voucher or otherwise delay approval of a unit.
- 3) The receiving PHA may take subsequent action against the family based on the results (e.g., recalculating the HAP based on updated income information).

c. Denial or Termination of Assistance

The receiving PHA may rescreen families who have moved into their jurisdiction under portability by applying the receiving PHA's policies for denial or termination of assistance.

- 1) The receiving PHA may not delay issuing the family a voucher or otherwise delay approval of a unit until the rescreening processes are completed.
- 2) The receiving PHA may take subsequent action against the family based on the results of the rescreening.
- 3) If the receiving PHA refuses a portability move, the initial PHA is not precluded from assisting the family either in the initial PHA's jurisdiction or by allowing the family to port to another receiving PHA.

d. If the PHA refuses to process or provide assistance under portability, the family must be given the opportunity for informal review or informal hearing.

6. Determining Unit Size

The family unit size for the family will be based on the receiving PHA's subsidy standards. The receiving PHA will determine the family unit size for the family based on the subsidy standards of the receiving PHA.

7. Receiving PHA Voucher Issuance

The receiving PHA must issue a voucher to the portable family for the family's search in the receiving PHA's jurisdiction.

a. Delaying of the issuance of the voucher

- 1) The receiving PHA cannot delay issuing the family a voucher or delay approval of a unit during the receiving PHA's screening process.
- 2) The receiving PHA may delay the issuance of the voucher or approval of the unit if the family refuses to comply with the receiving PHA's procedures.
- b. Term of Receiving PHA's voucher
 - 1) The term of the voucher issued by the receiving PHA may not expire before 30 calendar days from the expiration date of the voucher issued by the initial PHA.
 - 2) If the voucher issued by the initial PHA expires before the family arrives at the receiving PHA, the receiving PHA will contact the initial PHA to determine if the initial PHA will extend the voucher.
8. Suspension and Extension of the Portability Voucher

Any extension of the term of the voucher by the receiving PHA is only valid for the family's search in the receiving PHA's jurisdiction.

 - a. Mandatory Voucher Suspensions
 - 1) The receiving PHA must suspend the term on the family's voucher when the family submits a request for tenancy approval.
 - 2) The voucher suspension will end when the receiving PHA notifies the family in writing whether the request for tenancy approval was approved or denied.
 - 3) In cases where the suspension term of the voucher will delay the initial billing submission, the receiving PHA must notify the initial PHA of the delayed billing before the billing deadline and document that the delay is due to the suspension of the voucher term.
 - a) If the receiving PHA meets these requirements, the initial PHA must extend the billing deadline by 30 days.
 - b) If the initial PHA did not receive the portability form within the new 30-day deadline, the initial billing is late.
 - b. Portability Voucher Extensions
 - 1) Once the receiving PHA issues a voucher to the portable family, the receiving PHA's policies on extension of the voucher term apply.
 - a) The receiving PHA may extend the voucher term beyond the additional 30 days based on the receiving PHA's policies regarding voucher extensions.
 - b) The receiving PHA must ensure that the extension of the voucher term does not exceed the initial PHA's billing deadline, if the receiving PHA is billing the initial PHA.

- c) The receiving PHA must ensure that any voucher expiration date leaves sufficient time to process a RFTA, execute the HAP contract, and cover the anticipated delivery time of the initial billing.
 - 2) The receiving PHA must notify the initial PHA of any extension granted to the term of the voucher.
9. Notifying the Initial PHA

The PHA must promptly notify the initial PHA, by completing the form HUD-52665, Part II A and B, if:

 - a. The family has leased and eligible unit, or
 - b. The family failed to submit a request for tenancy approval for an eligible unit prior to the expiration of the voucher term.

E. Family Decides Not to Lease in the Receiving PHA's Jurisdiction

If the incoming portable family decides not to lease in the receiving PHA's jurisdiction:

1. The receiving PHA must refer the family back to the initial PHA.
2. The voucher of record for the family is once again the voucher originally issued by the initial PHA, and the initial PHA's policies apply.
3. Extension of the initial PHA's voucher to allow the family additional search time to return to the initial PHA's jurisdiction or to move to another jurisdiction are at the discretion of the initial PHA.
4. The initial PHA must apply its own policies on moves for families that decide not to use their voucher to port to another jurisdiction.

F. SAFMRs and Portability

The vouchers of families that move under portability will be administered according to the policies of the receiving PHA.

1. If the receiving PHA is operating under SAFMRs, then the family's voucher will be administered using SAFMRs (regardless of whether the initial PHA uses SAFMRs).
2. Likewise, if an initial PHA operates in a SAFMR area, and the family moves to a receiving PHA located in a metropolitan FMR area, the family's voucher is administered using the metropolitan FMR.

G. Portability Billing

Regulations provide that the receiving PHA may bill the initial PHA for HAP and administrative fees to fund the assistance for a portable family. The process of billing the initial PHA, including completing form HUD-52665, deadlines for initial billings submitted by receiving PHAs, late initial billings, and changes to the billing amount are addressed in this section.

1. Initial Billing
 - a. The initial PHA must enter the date by which the initial billing must be received by the initial PHA on form HUD-52665, Part I.
 - b. The receiving PHA must complete and send form HUD-52665, Part II A and B, and the new form HUD-50058 to the initial PHA within 90 days following the expiration date of the initial PHA's voucher.
2. Initial and Subsequent Billing Payments
 - a. Initial Payment: The initial PHA must pay the initial billing amount within 30 calendar days of the receipt of the form HUD-52665 from the receiving PHA.
 - b. Subsequent Payments: The initial PHA must pay no later than the 5th business day of each month for each month that the billing arrangement is in effect.
 - c. The initial PHA must continue to make the subsequent payments until the billing arrangement is terminated.
3. Timely Changes in Billing Amount
 - a. The receiving PHA must send a new form HUD-52665, Part II A and B, to report a change in the billing amount along with form the new HUD-50058.
 - b. The receiving PHA must notify the initial PHA of changes in the billing amount no later than 10 business days following the effective date of the change.
4. Untimely Report of Change in Billing
 - a. If the receiving PHA fails to send the form HUD-52665 and form HUD-50058 within 10 business days following the effective date of the HAP change, the initial PHA is not responsible for paying any increase in the monthly billing amount incurred prior to the notification.
 - b. If the HAP change resulted in a decrease in the monthly billing amount, the initial PHA will offset future monthly payment until the difference is reconciled.
5. Termination of Billing
 - a. A billing arrangement is terminated when the receiving PHA absorbs the family into its program after having billed the initial PHA or when the HAP contract is terminated for any reason.
 - b. The receiving PHA must send an updated form HUD-52665 A and B to the initial PHA no later than 10 business days following the effective date of the termination of the billing arrangement.

Portability Billing Summary	
Billing Type	Deadline
Initial Billing	90 days from the expiration date of the initial PHA's voucher 30 additional days if delayed billing is due to suspension of the voucher's term
Initial Billing Payment	30 days from receipt of initial billing
Subsequent Payments	5 th business day of the month
Change in the Billing Amount	10 th business days from effective date of change
Termination of Billing Arrangement	10 business days from effective date of termination

H. Portability Absorption

The receiving PHA may absorb the family into its HCV program provided it has funding available under its ACC and the decision will not result in over-leasing for the Calendar year.

1. The receiving PHA does not technically absorb a portable family into its program until the receiving PHA executes a HAP contract on behalf of the family in the receiving PHA's jurisdiction.
2. The receiving PHA has 10 business days from the effective date of the absorption to send an updated form HUD-52665 A and B to the initial PHA.
3. Retroactive absorptions are not allowed.
4. Once the receiving PHA absorbs the family into its HCV program, the initial PHA may close out the file.

I. FSS and Portability

Families participating in the FSS program may utilize their portability option.

1. Relocating FSS Family
 - a. The family who is currently participating in the FSS program.
 - b. The term relocating FSS family refers to an FSS family that moves from the jurisdiction of the PHA at least 12 months after signing its Contract of Participation.
2. Initial Occupancy: First 12 Months
 - a. A family participating in the HCV FSS program must lease an assisted unit, for a minimum period of 12 months after the effective date of the Contract of Participation, in the jurisdiction of the PHA that selected the family for the FSS program.
 - b. The PHA may approve of a family's request to move outside the initial PHA jurisdiction under portability during this period.

3. After the First 12 Months

- a. After the first 12 months of the FSS Contract of Participation, the HCV FSS family may move outside the initial PHA jurisdiction under portability procedures.
- b. The PHA cannot prohibit the HCV FSS participant from moving under portability if the family is otherwise eligible to move under the PHA policies.

J. Controls and Accountability

The initial PHA will never submit an action code 6, End of Participation, for a family that has been ported to another jurisdiction, including when the receiving PHA absorbs the family.

If the portable family decides to leave the HCV program or is in violation of the obligation of the family, either the initial PHA or receiving PHA may make a determination to deny or terminate the family's assistance in accordance with 24 CFR 982.552 and 982.553.

CHAPTER 28: PROGRAM INTEGRITY

Fraud is a criminal act in which individuals, groups, or businesses steal taxpayers' monies from HUD and its programs. Fraud can also lead to acts of violent crime. When fraud occurs, residents and tenants become survivors and HUD's programs are abused. Tenants who make false statements regarding their income or family size, or alter official documents, are committing fraud. HUD-assisted rental housing employees who engage in bribery, contract bid rigging, embezzlement, or who alter, forge, or destroy records are committing fraud.

A. Investigation of Suspected Abuse or Fraud

The PHA will initiate an investigation of a family in the event of one or more of the following circumstances:

1. Referrals, Complaints or Tips

- a. The PHA will follow up on referrals from other agencies, companies or persons which are received by mail, email, fax, telephone, or in person, which allege that a family is in non-compliance with, or otherwise, violating the lease, or any other program rules.
- b. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable.
- c. A copy of the allegation will be retained in the family file.
- d. Anonymous complaints will be investigated if the information received contains specific allegations that can be independently verified. If the anonymous complaint is not specific, the information will be retained in files but will not be used to initiate investigations.

2. PHA Detection of Suspected Abuse or Fraud

- a. PHA Staff Awareness and Observations

- 1) The PHA staff (including inspection personnel) will maintain high awareness of circumstances that may indicate program abuse or fraud, such as unauthorized persons residing in the household and indications of unreported income. The observations will be documented in the family's file.
- 2) PHA staff discovers (as a function of a certification or reexamination, an interim reexamination, or a quality control review), information or facts that conflict with previous file data, the PHA's knowledge of the family, or is discrepant with statements made by the family.

b. PHA Quality Control File Reviews

On a random basis, an appropriate number of family files will be reviewed for accuracy and completeness. Such reviews will be completed by knowledgeable PHA staff who was not directly involved in the processing of such files. Such reviews shall include, but are not limited to:

- 1) Assurance that verification of all income and deductions is present;
- 2) Changes in reported SSNs or dates of birth are noted;
- 3) File documents are authentic;
- 4) Ratio between reported income and expenditures is accurately computed; or
- 5) Review of signatures is consistent with previously signed file documents.

3. Verification or Documentation

A follow-up will be done if the PHA receives EIV/UIV verification, independent verification or documentation that conflicts with representations in the family's file (such as public record information, or credit bureau report, or reports from other agencies).

B. Steps to Investigating Allegations of Possible Abuse and Fraud

If the PHA determines that an allegation or referral warrants follow-up, the PHA staff member responsible for the family file will conduct the follow-up investigation. The steps taken will depend upon the nature of the allegation and may include the items listed below. In all cases, the PHA will secure the written authorization from the family for the release of information.

1. Interviews with the head of household or other family members.
 - a. The PHA will discuss the allegation (or details thereof) with the head of household or family member by scheduling an appointment with the family.
 - b. A high standard of courtesy and professionalism will be maintained by the PHA staff who conducts such interviews.
 - c. Under no circumstances will inflammatory language, accusations, or any unprofessional conduct or language be tolerated.
 - d. If possible, an additional staff person will attend such interviews.

2. Employers and Ex-Employers

Employers or ex-employers may be contacted to verify wages that may have been previously undisclosed or misreported.

3. Other Agencies

Investigators, caseworkers, or representatives of other benefit agencies may be contacted.

4. Public Records

- a. If relevant, the PHA will review public records kept in any jurisdictional courthouse.
- b. Examples of public records which may be checked are real estate, marriage, and divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

5. Credit Bureau Inquiries (CBI)

In cases involving previously unreported income sources, a CBI (with proper authorization by the family) may be made to determine if there is financial activity that conflicts with the reported income of the family. CBI inquiries may be made in the following circumstances:

- a. If at the time of the final eligibility determination the information provided by the applicant conflicts with information obtained through outside sources or third-party verifications.
- b. When the family's expenditures exceed reported income, no plausible explanation is given.
- c. When an allegation is received by the PHA wherein unreported income sources are disclosed.

6. Verification of Credit

In cases where financial activity conflicts with file data, a Verification of Credit form may be mailed to the creditor in order to determine the unreported income source.

7. Neighbors/Witnesses

Neighbors and/or other witnesses may be interviewed if it is believed that they have direct or indirect knowledge of facts pertaining to the PHA's review.

C. Responding to Allegations of Possible Abuse and Fraud

The PHA will review allegations that contain one or more independently verified facts.

1. An internal file review will be conducted to determine:

- a. If the subject of the allegation is a Section 8 participant and, if so, to determine if the information reported has been previously disclosed by the family.

- b. It will then be determined if the PHA is the most appropriate authority to do a follow-up (more so than police or social service). Any file documentation of past behavior, as well as corroborating complaints, will be evaluated.
2. If at the conclusion of the preliminary file review, there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, the PHA will initiate an investigation to determine if the allegation is true or false.

D. Maintaining Evidence and Statements Obtained by the PHA

Documents and other evidence obtained by the PHA during the course of an investigation will be kept in the family's file, or in a separate "work file."

E. Evaluation of Findings

If it is determined that a program violation has occurred, the PHA will review the facts to determine:

1. The type of violation (procedural, non-compliance, fraud);
2. Whether the violation was intentional or unintentional;
3. What amount of money (if any) is owed by the family; and
4. If the family is eligible for continued participation in the HCV program.

F. Resolving Confirmed Violations

Once a program violation has been documented, the PHA will propose the most appropriate remedy based upon the type and severity of the violation.

1. Procedural Non-Compliance

This category applies when the family "fails to" observe a procedure or requirement of the PHA, but does not misrepresent a material fact, and there is no retroactive payment owed by the family.

a. Examples of Non-Compliance Violations are:

- 1) Failure to appear at a pre-scheduled appointment;
- 2) Failure to return verification in the time period specified by the PHA.

b. Warning Notice to the Family

In such cases, a notice will be sent to the family which contains the following:

- 1) A description of the non-compliance and the procedure, policy or obligation which was violated;
- 2) The date by which the violation must be corrected, or the procedure complied with;
- 3) The action which will be taken by the PHA if the procedure or obligation is not complied with by the date specified by the PHA;

- 4) The consequences of repeated (similar) violations.
2. Procedural Non-Compliance - Retroactive Payments

When the family owes money to the PHA for failure to report the required changes the PHA will notify the family in writing. This notice will contain the following:

 - a. A description of the violation and the date(s);
 - b. Any amounts owed to the PHA; and
 - c. The right to disagree and to request an informal hearing with instructions for the request of such hearing.
 - 1) Family Fails to Comply with PHA's Notice.

If the family fails to comply with PHA's notice, and a material provision of the lease has been violated, the PHA will initiate termination of tenancy.
 - 2) Family Complies with PHA's Notice.
 - a) When the family complies with the PHA's notice, the PHA will meet with the family to discuss and explain the program provision that was violated.
 - b) The PHA will complete a family counseling report, provide a copy to the family, and retain a copy in the family's file.

G. Misrepresentations

When the family falsifies, misstates, omits, or otherwise, misrepresents a material fact which results (or would have resulted) in an underpayment of the family's share, the PHA will evaluate whether or not the family had knowledge that their actions were wrong, and the family willfully violated the lease or the law.

1. Knowledge that the action or inaction was wrong
 - a. This will be evaluated by determining if the family was made aware of HCV program requirements and prohibitions.
 - b. The signature of the head of household, spouse, co-head, and other adult household members 18 years old or older on various PHA documents, such as but not limited to the Obligations of the Family, Application for Admission, Application for Continued Assistance, document to report an interim change, Personal Declaration, and Things You Should Know are adequate to establish knowledge of wrongdoing.
2. The family willfully violated the law

Any of the following circumstances will be considered adequate to demonstrate willful intent:

 - a. An admission by the family of the misrepresentation;
 - b. The act was done repeatedly;

- c. If a false name or SSN was used;
- d. If there were admissions to others of the illegal action or omission;
- e. The family omitted material facts which were known to them (e.g., employment of self or other household members);
- f. The family falsified, forged, or altered documents; and
- g. The family uttered and certified statements at a mandatory reexamination or interim reexamination, which were later independently verified to be false.

H. The Family Conference for Serious Violations and Misrepresentations

When the PHA established that material misrepresentation(s) has occurred, the PHA will schedule an interview with the family representative and the PHA staff person who is most knowledgeable about the circumstances of the family misrepresentation(s).

This conference will take place prior to any proposed action by the PHA.

1. The purpose of such a conference is to review the information and evidence obtained by the PHA with the family, and to provide the family with an opportunity to explain any documented findings which conflict with representations in the family's file.
 - a. The PHA will take into consideration any documents or mitigating circumstances presented by the family.
 - b. The family will be given 10 days to furnish any mitigating evidence.
2. The secondary purpose of the appointment is to assist the PHA in determining the course of action most appropriate for the family's case. Prior to the final determination of the proposed actions, the PHA will consider:
 - a. The duration of the violation and number of false statements;
 - b. The family's ability to understand the rules;
 - c. The family's willingness to cooperate and to accept responsibility for the family's actions regarding the amount of money involved;
 - d. The family's past history; and
 - e. Whether or not criminal intent has been established.

I. Disposition of Cases Involving Misrepresentation

In all cases of misrepresentation involving efforts to recover monies owed, the PHA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

1. Criminal Prosecution

If the PHA has established criminal intent, and the case meets the criteria for prosecution, the PHA will refer the case to the local state or District Attorney, notify HUD's Regional Inspector General for Investigations (RIGI), and terminate the HCV housing assistance.

2. Administrative Remedies

The PHA will terminate HCV housing assistance and demand payment of restitution in-full.

3. PHA Legal Action

If an amount of \$5,000 or more dollars is owed to the PHA due to family fraud, the PHA will seek restitution through legal judicial channels.

4. Continue Assistance

Contingent upon full lump-sum restitution or minimal term repayment plan and warning that repeat of the offense will result in immediate termination of HCV housing assistance.

J. Notifying the Family of Proposed Action

1. The PHA will notify the family, by pre-paid first-class mail, of the proposed action no later than five (5) calendar days after the appointment.
2. All notices will advise the family of their right to an informal hearing.

CHAPTER 29: DEBTS OWED TO THE PHA

When an action or inaction of the family results in an overpayment of HAP, the PHA must hold the family liable to repay any overpayment of HAP to the PHA. This tenant rent underpayment is referred to as retroactive rent. If the PHA discovers that the owner owes the PHA a portion of the HAP to which the owner is not entitled, the owner is required to reimburse the PHA.

A. Reasons for Retroactive Rent

The family is required to reimburse the PHA if the family was charged less tenant rent than required by HUD's rent formula due to the family's underreporting or failure to report income.

1. The family may owe the PHA retroactive rent due to any of the following:
 - a. The applicant family owes the PHA monies from previously tenancy or assistance
 - b. The family's failure to report income
 - c. The family underreporting of income
 - d. The family's failure to report or underreported changes in deductions or allowances
 - e. Other unreported or underreported changes
 - f. Temporary minimum rent hardship exemption

2. The PHA must determine retroactive rent amounts as far back as the PHA has documentation of family unreported or underreported income. Documents may include but is not limited to:
 - a. Initial, reexamination, and interim applications
 - b. EIV Income Reports, IVT Report, Income Discrepancy Reports
 - c. Form HUD-50058 and supporting documents

B. Establishing the Repayment Agreement

The Repayment Agreement is a formal document prepared by the PHA and entered into between the PHA and the family whereas the head of household acknowledges the debt and the amount owed to the PHA. It is similar to a promissory note but contains more details regarding the nature of the debt, the terms of repayment, special provisions of the agreement, and the remedies available to the PHA upon default of the agreement.

1. The Repayment Agreement must be:
 - a. In writing;
 - b. Dated;
 - c. Include the total retroactive rent amount owed;
 - d. Amount of lump sum payment made at the time of execution of the Repayment Agreement, if applicable;
 - e. The monthly repayment amount; and
 - f. Signed by both the PHA and head of household.
2. The Repayment Agreement shall contain at a minimum the following provisions:
 - a. Reference of the paragraph in the HCV Informational Briefing Packet whereby if the family is in non-compliance with the Repayment Agreement, that the family may be subject to termination of tenancy or assistance, or both.
 - b. A statement that the monthly retroactive rent repayment amount is in addition to the family's regular tenant rent contribution.
 - c. A statement that the monthly retroactive rent repayment amount is payable to the PHA.
 - d. The terms of the Repayment Agreement may be renegotiated if there is a decrease or increase in the family's income.
 - e. Late or missed payments constitute default of the Repayment Agreement and may result in termination of tenancy and/or assistance.
 - f. If the family is entitled to a utility reimbursement check, the PHA has the right to apply the families Utility check to any balance owed.

3. The PHA has the discretion to establish thresholds and policies for Repayment Agreements in addition to HUD required procedures.

C. Retroactive Payment Amount and Timeframe

The PHA shall set the monthly retroactive payment at an amount the family can afford based on the family's income.

1. The family has the option to repay the retroactive rent balance as follow:
 - a. In a lump sum payment;
 - b. Monthly installments; or
 - c. A combination of a lump sum payment and monthly installments.
2. Monthly Retroactive Rent Payments
 - a. The monthly retroactive rent payment plus the amount of the tenant rent the family pays at the time the Repayment Agreement is executed should be affordable and not exceed 40% of the family's monthly adjusted income.
 - b. Monthly retroactive rent payments are due payable to the PHA by the 1st day of the month and shall be considered delinquent on the 5th day of the month.
 - 1) If the 1st day of the month falls on a Saturday or Sunday, the retroactive payment will be due the next business day.
 - 2) If the 1st day of the month falls on a holiday (federal, state, or local), the retroactive payment will be due the 5th day of the month. If the 5th day of the month falls on a Saturday or Sunday, the retroactive payment will be due the next business day.
 - c. The PHA shall not impose a late fee for delinquent retroactive rent payments.
 - d. The family, at its discretion, will be allowed, with no penalty, to pay more than the required monthly payment amount.
 - e. The retroactive rent payments are payable to the PHA, and retroactive payments will be accepted by:
 - 1) Personal check
 - a) Personal checks may be accepted until or unless more than one Non-Sufficient Funds (NSF) check is presented.
 - b) The NSF fee will be assessed against the family's retroactive rent balance.
 - c) The family will then be required to make the retroactive payment using another form of PHA-approved payment.
 - 2) Money order
 - 3) Cashier check
 - 4) Cash in person at main office (receipt will be supplied by the PHA)

3. Retroactive Rent Repayment Time Period

The PHA shall have full discretion in establishing the number of months in the Repayment Agreement for the family to repay the debt owed to the PHA.

- a. The period in which the retroactive rent amount will be repaid will be based on the amount of the lump sum payment made at the time the Repayment Agreement was executed, the monthly payments, the retroactive rent balance, and affordability for the family.
- b. The PHA may consider family circumstances and family income when establishing the number of months in the Repayment Agreement.

D. Enforcing Repayment Agreements

The PHA shall not require terms or prohibitive payment that will force the family to leave the program.

1. HUD does not authorize any PHA-sponsored amnesty or debt forgiveness programs.
2. The family shall be required to make monthly payments until the debt is paid in full.
3. The PHA may terminate the family's assistance if the family is two (2) or more months delinquent on the payments.
4. The PHA shall terminate the family's assistance if the family:
 - a. Fails to make payments as agreed on an existing or new Repayment Agreement.
 - b. Refuses to enter into a Repayment Agreement
5. Prior to the issuance of a voucher to move, the family must pay the retroactive rent amount in full.
6. The PHA will require the family to bring their retroactive rent payment current prior to the issuance of a voucher to move to another unit, if the move is for the following reasons:
 - a. To protect the health and safety of survivors of VAWA violence/abuse.
 - b. As a reasonable accommodation for a family with a member who is a person with disabilities.
 - c. The HAP contract is terminated due to the owner's non-compliance with HQS.
 - d. The family size exceeds the HQS maximum occupancy standards.
 - e. A natural disaster was declared.

E. Repayment Agreement with Previous Tenant or Program Participant

In some instances, families who were previously on a federally assisted housing program moved owing to the PHA, another PHA, or a Multifamily housing program a debt.

1. If such a family applies for HCV housing assistance and during the application process it is found that the applicant was a previous tenant who left owing a debt to the PHA, another PHA, or Multifamily program, the PHA will require the applicant to:
 - a. If the debt is owed to the PHA, the applicant must pay the debt in full to the PHA before being issued a voucher, or
 - b. If the debt is owed to another PHA or Multifamily program, the applicant must enter into a Repayment Agreement with the other PHA or Multifamily program to whom the debt is owed and pay the debt in full before being issued a voucher.
2. If the applicant states the debt owed to the PHA, other PHA, or Multifamily program has been paid in full, the PHA will require the applicant to provide documentation from the other PHA or the Multifamily program who the debt was owed to verify that the debt was paid in full. The PHA will research its records to determine if the debt to the PHA was paid in full.
3. If the applicant is currently in a Repayment Agreement with the PHA, another PHA, or a Multifamily program, the PHA will require the applicant to:
 - a. If the debt is owed to the PHA, the applicant must pay the debt in full to the PHA before being issued a voucher, or
 - b. If the debt is owed to another PHA or Multifamily program, the applicant must provide documentation from the PHA or Multifamily program who holds the Repayment Agreement and pay the debt in full before being issued a voucher.

F. Ineligibility for Repayment Agreements

The PHA will not enter into more than one Repayment Agreement with the family.

1. The PHA will not enter into a Repayment Agreement with a family that currently has an active Repayment Agreement in effect.
2. The PHA will not enter into another Repayment Agreement if the family already has a Repayment Agreement in effect and incurs any additional debt to the PHA.
 - a. Any new debt to the PHA must be paid in full within 30 days of notice to the family of the new debt.
 - b. Failure for the family to pay the new debt in full may be grounds for termination of assistance.
3. The PHA will not enter into a Repayment Agreement with a family that has breached a previous Repayment Agreement with the PHA, another PHA, or Multifamily program to pay amounts owed to the PHA, another PHA, or Multifamily program.

4. The PHA shall not offer a Repayment Agreement to the family if the amount of the retroactive rent owed to the PHA is in excess of \$500.
 - a. The PHA will terminate the family's assistance, and
 - b. The PHA shall make every effort to recover the debt using a variety of collection tools, including but not limited to:
 - 1) Collection agencies
 - 2) Small claims courts
 - 3) Civil lawsuit
 - 4) State income tax set-off program
5. If the PHA determines that the family committed willful and intentional fraud, the PHA will require the family to repay the entire amount in full or the PHA will terminate the assistance.

G. Debts Owed to PHAs and Terminations

HUD maintains a national repository of debts owed to PHAs or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in the HCV program (including the Disaster Housing Assistance Program).

1. This PHA will maintain this information within HUD's EIV system, Debts Owed to PHA's and Termination Module.
2. The PHA will collect the following adverse information once the family's participation in the HCV program has ended, whether the family voluntarily or involuntarily moves out of the assisted unit:
 - a. Amount of any balance the family owes the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e., unpaid rent, retroactive rent (due to unreported income and/or change in family composition) or other charges such as damages, utility charges, etc.);
 - b. Whether or not the family has entered into a Repayment agreement for the amount that the family owes the PHA;
 - c. Whether or not the family has defaulted on a Repayment Agreement;
 - d. Whether or not the PHA has obtained a judgment against the family;
 - e. Whether or not the family has filed for bankruptcy; and
 - f. The negative reason(s) for the family's end of participation or any negative status (i.e., abandoned unit, fraud, lease violations, criminal activity, etc.) as of the end of participation date.
3. The PHA shall maintain the debt owed and termination information in EIV for a period of 10 years from the end of participation date or such date consistent with state law.

H. Owner Debt to the PHA

If the owner has received HAP to which the owner is not entitled, the PHA may recover such amounts from the owner.

1. Overpayment of HAP to owner may include but not be limited to:
 - a) Failure of owner to notify PHA unit was vacated by the family.
 - b) Failure of owner to notify PHA of a deceased tenant.
 - c) Non-compliance of owner's unit with HQS.
 - d) Failure of owner to notify PHA of change in owner supplied utilities.
2. The owner shall be required to reimburse the PHA for any overpaid HAP amounts within 30 days of the PHA's determination and notification to the owner of the debt. If the owner fails to repay the debt within the required timeframe and is entitled to future HAP, the PHA may:
 - a. Reduce the future HAP by the amount owed until the debt is paid in full.
 - b. Enter into a Repayment Agreement with the owner for repayment of the debt over a period of time.
3. If the owner refuses to repay the debt, fails to enter into a Repayment Agreement, or breaches a Repayment Agreement, the PHA will terminate the HAP contract and ban the owner from future participation in the PHA's HCV program and pursue other means for collection of the debt.

I. Remaining Family Members and Prior Debt

1. As a party to the lease, remaining members of a resident family (other than head of household or spouse) 18 years of age or older will be responsible for retroactive rent, charges or other indebtedness incurred by the former head of household or spouse.
2. Remaining family members under the age of 18 shall not be held responsible for retroactive rent incurred by the former head of household.
 - a. A minimum rent hardship exemption previously granted to a family owing retroactive rent will be automatically revoked and the family will be required to pay the retroactive rent in full or enter into a Repayment Agreement for any retroactive rent owed, including rent owed during the hardship exemption period.
 - b. The PHA is required to and therefore shall report the terms of the executed Repayment Agreement and any unpaid debts to the PHA to HUD.

CHAPTER 30: TERMINATION OF ASSISTANCE AND HAP CONTRACTS

The PHA may terminate assistance for a family because of the family's action or failure to act. The PHA may also terminate the HAP contract if the owners fail to comply with their obligations under the terms of the HAP contract.

The PHA will provide families with a written description of the obligations of the family under the HCV program, grounds under which the PHA can terminate assistance, and the informal hearing procedures.

A. Termination of Assistance

Termination of assistance of a family may include:

1. Refuses to enter into a HAP contract or approve a lease.
2. Terminating the HAP under an outstanding HAP contract.
3. Refusing to process or provide assistance under portability procedures.

B. Automatic Terminations of the HAP Contract

The HAP contract terminates automatically when:

1. The family moves from the assisted unit;
2. The PHA terminates program assistance for the family;
3. The owner and the family terminate the lease;
4. The owner evicts the family; or
5. The HAP contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.
 - a. This determination does not preclude the family from asking to terminate assistance immediately, nor does it impact on any rights under the lease.
 - b. If the family experiences a change in circumstance during the 180 days, the family must notify the PHA of the changed circumstances and request an interim reexamination before the expiration of the 180 days.
 - c. Families whose assistance is terminated under this instance will have to reapply for assistance when PHA is accepting applications.

C. Mandatory Termination of Assistance

The PHA must terminate program assistance of the family for any of the following reasons:

1. If the family was evicted from housing assisted under the HCV program for a serious violation of the lease.

Serious violations (including but is not limited to failure to pay rent or other amounts due under the lease, disturbance of neighbors, destruction of property, living or housekeeping

habits that cause damage to the unit), or repeated violation of the terms and conditions of the lease.

2. If any member of the family fails or refuses to sign and submit consent forms (i.e., declaration of citizenship, form HUD-9886-A, Authorization for the Release of Information/Privacy Act Notice and other consent forms) for obtaining information.
3. If the family fails to submit required evidence of citizenship or eligible immigration status.
4. If any member of the household is required to disclose their SSN does not disclose their SSN and provide the required documentation.

If the family is otherwise eligible, the PHA may defer the family's termination and provide the family with an opportunity to comply with the SSN requirements within a period not to exceed 90 calendar days from the date the PHA determined the family noncompliant for the SSN disclosure and documentation requirement, only if the PHA determines:

- a. The failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside the control of the family; and
 - b. There is a reasonable likelihood that the family will be able to disclose the SSN and provide such documentation of the SSN by the deadline.
5. If any family member fails to meet the eligibility requirements concerning individuals enrolled at an institution of higher education.
 6. Death of the sole member of the family.
 7. If any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
 8. Any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.

D. PHA Authority to Terminate Assistance

The PHA has authority and may at any time terminate HCV program assistance of a family for any of the following reasons:

1. If the family violates any obligations of family under the HCV program:
 - a. The family failed to supply any information that the PHA or HUD determined necessary in the administration of the program.
 - b. The family failed to supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
 - c. If the participant provides information that is not true or complete.

- d. If the family did not report an interim change in family composition or income, etc., which they were required to report, the PHA would determine how much the family owed the PHA, due to the unreported or untimely reported information.
- e. The family fails to allow the PHA to inspect the unit at reasonable times and after reasonable notice.
- f. The family may not commit any serious or repeated violation of the lease.

An incident or incidents of actual or threatened VAWA violence/abuse will not be construed as a serious or repeated lease violation by the survivor, or threatened survivor, of the VAWA violence/abuse or as good cause to terminate the tenancy, occupancy rights, or assistance of the survivor.

- g. The family failed to notify the PHA and the owner before the family moved out of the unit or terminated the lease on notice to the owner.

Except if the family moved out in violation of the lease in order to protect the health or safety of a person who is or has been the survivor of VAWA violence/abuse and who reasonably believed to be threatened with imminent harm from further violence by remaining in the dwelling unit (or any family member has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's move or request to move), and has otherwise complied with all other obligations under the HCV program.

- h. The family failed to promptly give the PHA a copy of any owner's eviction notice.
- 2. If any member of the family has been evicted from federally assisted housing in the last five (5) years.
 - 3. If a PHA has ever terminated assistance under the HCV program for any member of the family.
 - 4. If any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
 - 5. If the family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.
 - 6. If the family has not reimbursed any PHA for the amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
 - 7. If the family breaches an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA.
 - a. The PHA, at its discretion, may offer a family the opportunity to enter into an agreement to pay amounts owed to a PHA or amounts paid to an owner by a PHA.
 - b. The PHA may prescribe the terms of the agreement.

8. If the family has engaged in or threatened abusive or violent behavior toward PHA personnel.
9. If the family has been engaged in criminal activity or alcohol abuse.
10. If the family signs an agreement with an owner/landlord to pay for the owner/landlord to repair tenant caused HQS fail items, and the family fails to repay the owner/landlord pursuant to said agreement, assistance may be terminated.
11. If a household member is fleeing to avoid prosecution, or custody or confinement after prosecution for a crime that is a felony under the law of the place from which the individual flees;
12. If a family member has violated or is violating a condition of probation or parole imposed under federal or state law.
13. If a participating family is evicted due to a lease violation, illegal move, or is in non-compliance with program regulations, participation in the rental program will be denied for a period of eighteen months from the family's violation date.

E. Termination of Assistance for Criminals and Alcohol Abusers

1. The PHA has established the following standards to be applied as appropriate, for drug-related criminal activity, violent criminal activity, and alcohol abuse concerning termination of assistance:
 - a. The PHA has determined a "pattern" as at least two (2) drug or alcohol related criminal offenses within the (2) year's period while the family is participating in the HCV program.

A pattern of illegal use of a drug by any household member interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
 - b. Evidence of criminal activity shall be defined as a preponderance of evidence for criminal activity.
 - c. Currently engaging in illegal use of a drug shall be defined as within 90 days from the date the PHA discovered the use of the illegal drug.
 - d. Reasonable causes shall be determined by a preponderance of evidence of illegal use of a drug charge or other criminal activity.
 - e. The PHA may determine the use of an illegal drug through a preponderance of evidence of a drug-related charge.
 - f. The PHA shall determine involvement in criminal activity through a preponderance of evidence for criminal activity.
 - g. There is no time period concerning a preponderance of evidence of a drug-related charge for manufacturing, production, or distribution of methamphetamine on or off

the premises of federally assisted housing. Such household members being convicted of this offense will always be denied admission.

2. As a measure to determine whether any member of the household has violated the obligations of the family under the HCV program for drug-related criminal activity, violent criminal activity, or other criminal activity, the PHA has established the following standards:

Drug-related criminal activity, criminal activity, and alcohol abuse include such activity engaged in on or near the premises by any member of the family, guest, or by any other person in the family's control.

- a. Any household member is currently engaged in any illegal use of a drug.

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

- b. Any family member has violated the family's obligation not to engage in any drug-related criminal activity.

Drug-related criminal activity means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute, or use the drug.

- c. Any household member has violated the family's obligation not to engage in violent criminal activity.

Violent Criminal Activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

- d. Any household member is engaged in the abuse or pattern of abuse of alcohol to the extent that the abuse interferes and/or threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Abuse of alcohol includes behavior or a pattern of behavior of any family member and/or guest that as a result of the abuse of alcohol interferes with the health, safety, or right of peaceful enjoyment of the premises by other residents.

3. A perpetrator of domestic violence, dating violence, sexual assault, or stalking.

4. The determination to terminate assistance must be based upon a preponderance of evidence standard.

The PHA can terminate assistance regardless of whether the household member has been arrested or convicted for the identified activity.

5. The PHA has approved the following - Illegal Activities/Drug and Criminal-One Strike Your Out Policy

a. At any time, the Housing Authority may deny assistance to an applicant, or terminate assistance to a participant family if any member of the family commits:

1. Drug-Related criminal activity; or
2. Violent criminal activity.

b. If the Authority seeks to deny or terminate assistance because of illegal use, or possession for personal use, of a controlled substance, such use or possession must have occurred five years before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. The Authority may not deny or terminate assistance for such use or possession by a family member, if the family member can demonstrate that he or she:

1. Has an addiction to a controlled substance, has a record of such an impairment, or is regarded as having such an impairment; and

2. Is recovering, or has recovered from, such addiction and does not currently use or possess controlled substances. The Housing Authority may require a family member who has engaged in the illegal use of drugs to submit evidence of participation in, or successful completion of, a treatment program as a condition to being allowed to reside in the unit.

c. Evidence of criminal activity. In determining whether to deny or terminate assistance based on drug-related criminal activity or violent criminal activity, the Housing Authority may deny or terminate assistance if the preponderance of evidence indicates that a family member has engaged in such activity, regardless of whether the family has been arrested or convicted.

d. Violent criminal Activity includes any felonious criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.

e. The Housing Authority may deny if preponderance of evidence indicates the family has engaged in drug-related criminal activity or violent criminal activity, regardless of whether the family member has been arrested or convicted.

f. The Authority may permit family members not involved in the proscribed activities to continue receiving assistance on the condition that family members determined to have engaged in the proscribed activities will not reside in the unit.

g. The Authority may deny continued assistance if it has cause to believe that any household member's abuse or pattern of abuse of alcohol, disturbances or repeated patterns of nonviolent criminal activity may threaten the health, safety or right to peaceful enjoyment of the premises by the other residents.

h. The Authority will not allow an applicant to apply or participate in any housing assistance program until the sentence and any and all probation/parole has been completed and all fines/judgments have been paid in full.

“For the purposes of this Policy, “Drug Related Criminal Activity” shall be defined as the illegal

manufacture, sale, distribution, use or possession or possession with the intent to manufacture, sale, distribute or use a controlled substance and/or the possession of drug related paraphernalia, as defined in Section 102 of the Controlled Substance Act 21 U.S.C. 802 and/or under Pennsylvania Law.”

F. Termination of Assistance Based on Consumer Reporting Agency Criminal Reports

1. When the PHA obtains the criminal background report from a consumer reporting agency (CRA), the provision of the Fair Credit Reporting Act applies.
2. If a PHA terminates assistance based in part on a report obtained from a CRA, the notice must include:
 - a. Name, address and telephone number of the CRA;
 - b. A statement that the CRA did not make the decision to terminate the assistance; and
 - c. Notice of the right to obtain a free copy of the report and dispute any information in the report.

G. Termination of HAP Contract Due to Insufficient Funding

The PHA may terminate the HAP contract if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

Termination of HAP contracts due to insufficient funding will only be implemented as a last resort and will be compliant with Equal Opportunity and civil rights requirements.

1. Determination of Insufficient Funding

The PHA will use the following criteria to determine adequacy of funding:

- a. If the PHA has adequate funds to service the existing vouchers under HAP contract through the end of the calendar year, funds will be determined to be sufficient and the PHA will not terminate contracts or vouchers due to insufficient funding.
- b. If the PHA has inadequate funds to service the existing vouchers under HAP contract through the end of the calendar year, funds will be determined to be insufficient and the PHA may begin procedures to terminate HAP contracts, stop issuing vouchers, or rescind recently issued vouchers due to insufficient funding.
- c. In determining if funding under the Consolidated Annual Contributions Contract (CACC) is insufficient to support continued assistance for families in the program, the PHA will take into consideration its available budget authority (which includes unspent prior year HAP funds in the PHA's Unrestricted Net Position (UNP)).
- d. The PHA will conduct an analysis of funds vs. expenditures using HUD approved methods to determine if funds are insufficient to support the current vouchers under HAP contract through the end of the calendar year.

- e. The PHA will notify the HUD field office and its financial analyst at the Financial Management Center (FMC) prior to termination actions due to insufficient funding.

2. Alternative Measures

Before terminating HAP contracts based on insufficient funding, the PHA must ensure that it has carefully considered all cost-savings measures and the impact such terminations will likely have on HCV program applicants and participants. These may include:

- a. Utilizing alternative sources of unrestricted non-federal funding that may be available.
- b. Use of HUD approved outside source of funds
- c. Reviewing and revising rent reasonableness if necessary.
- d. Ensuring accurate utility allowances.
- e. Implementing interim reexaminations for income increases.
- f. Implementing minimum rents.
- g. Lowering payment standards.
- h. Requesting receiving PHAs to absorb portability vouchers that are currently being billed.

3. Owner Notification

- a. The PHA will notify the owner by certified mail, giving as much notice as possible but no less than 30 days prior to the effective date of the termination. Failure to accept certified mail does not constitute failure of the PHA to notify the owner.
- b. The notice of termination will include, at a minimum:
 - 1) The reason for the HAP contract termination.
 - 2) Regulatory and Administrative Plan citations regarding authority to terminate for insufficient funding.
 - 3) Effective date of termination.
 - 4) Rights and responsibilities of the owner.
 - 5) PHA contact person.

4. Family Notification

- a. The PHA will notify the family by certified mail, giving as much notice as possible but no less than 30 days prior to the effective date of the termination. Notice to a family under the protection of a court order, Fair Housing Voluntary Compliance Agreement, or the Violence Against Women Act will be delivered a minimum of 60 days prior to the effective date of the termination. Failure to accept certified mail does not constitute failure of the PHA to notify the family.
- b. The notice of termination will include, at a minimum:

- 1) The reason for the voucher termination.
 - 2) Regulatory and Administrative Plan citations regarding authority to terminate for insufficient funding.
 - 3) Effective date of termination.
 - 4) Rights and responsibilities of the family (keep contact info current, etc.).
 - 5) Special assistance available from the PHA.
 - 6) PHA contact person.
 - 7) Information on resuming assistance.
 - 8) Options that may be open to the family (public housing assistance, comparable tenant-based assistance, etc.).
5. Order of Termination and Resuming Assistance

The PHA will work with the HUD Shortfall Prevention Team to determine the order of termination of HCV assistance, including the PBV program and special purpose vouchers.

H. Termination of the Tenancy by the Family

The family may terminate tenancy after the initial lease term. The family may terminate the tenancy during the initial term if the owner agrees to release the family from the lease.

1. Family termination notice requirements
 - a. The family must give written notice to the owner as required by the lease.
 - b. The family must give the PHA copy of the notice to vacate given to the owner at the same time.
 - c. The family must give the written notice to vacate to the owner and PHA prior to moving out of the unit.
 - 1) Except for survivors of VAWA violence/abuse and the move is needed to protect the health or safety of the family or family member, or
 - 2) If any member has been the survivor of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's request to move.
2. Continued Assistance
 - a. The family must notify the PHA whether the family needs continued assistance in another unit.
 - b. If the family is eligible for continued assistance, the PHA will schedule a reexamination appointment and issue the family another voucher to lease-up in another unit.

I. Termination by Owner

The owner must limit termination to those allowed by the lease and HUD requirements in the HUD-required tenancy addendum.

1. During the term of the lease (the initial term of the lease or any extension term), the owner may only terminate the tenancy because of:
 - a. Serious or repeated violation of the lease;
 - b. Violation of federal, state, or local law that imposes obligations on the tenant in connection with the occupancy or use of the unit and the premises;
 - c. Criminal activity or alcohol abuse; or
 - d. Other good cause.
2. Other good cause for termination of tenancy
 - a. During the initial lease term, other good cause for termination of tenancy must be something the family did or failed to do.
 - b. During the initial lease term or during any extension term, other good cause may include:
 - 1) Disturbance of neighbors,
 - 2) Destruction of property, or
 - 3) Living or housekeeping habits that cause damage to the unit or premises.
 - c. After the initial lease term, such good cause may include:
 - 1) The tenant's failure to accept the owner's offer of a new lease or revision;
 - 2) The owner's desire to use the unit for personal or family use or for a purpose other than use as a residential rental unit; or
 - 3) A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, the owner's desire to rent the unit for a higher rent).
 - 4) The examples of other good cause do not preempt any state or local laws to the contrary.
 - 5) When an owner wishes to terminate the lease in accordance with the terms of the lease, through no fault of the tenant; the owner must provide the assisted tenant and the PHA with at least a ninety (90) day written notice at which time the HAP is terminated. The owner must indicate the grounds for termination which may include but are not limited to:
 - a) Owner does not wish to renew lease at its annual renewal date
 - b) Tenant's failure to accept the owner's offer of a new lease or revisions
 - c) Reclaiming the unit for the owner's personal use

- d) Selling the unit
 - e) A new owner who purchased the unit, does not wish to participate in the program
 - f) Foreclosure/bankruptcy
 - g) Major renovations to the unit where family must vacate.
- 3. Criminal activity or alcohol abuse.
 - a. The owner may terminate the tenancy during the term of the lease if any member of the household, a guest or another person under a resident's control commits any of the following types of criminal activity:
 - 1) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises);
 - 2) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises;
 - 3) Any violent criminal activity on or near the premises; or
 - 4) Any drug-related criminal activity on or near the premises.
 - b. The owner may terminate the tenancy during the term of the lease if any member of the household is:
 - 1) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees; or
 - 2) Violating a condition of probation or parole under federal or state law.
 - c. The owner may terminate the tenancy for criminal activity by a household member if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.
 - d. The owner may terminate the tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety or right to peaceful enjoyment of the premises by other residents.
- 4. The family is not responsible for payment of the portion of the rent to the owner covered by HAP under the HAP contract between the owner and the PHA.
 - a. During the term of the lease, the owner may not terminate the tenancy of the family for nonpayment, including late payment, of the HAP by the PHA.
 - b. The PHA failure to pay the HAP, including late payment, to the owner is not a violation of the lease between the family and the owner.

5. Owner Notification Requirements

The owner's eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action.

- a. The owner may only evict the family from the unit by instituting a court action.
- b. Owner notice of grounds
 - 1) To terminate the tenancy the owner must give the family written notice of the owner's intent to terminate the tenancy and the reasons for the termination.
 - 2) The tenancy does not terminate before such notice is given.
 - 3) The notice must be given to the family at or before commencement of any eviction action.
 - 4) The notice of grounds may be included in or combined with any owner's notice to the family.
 - 5) The owner must give the PHA a copy of any owner's eviction notices at the same time the owner notifies the family.
- c. The PHA will continue to make HAP to the owner as long as the family remains a program participant and remains in the unit, even if the owner has started the eviction process.
- d. The PHA will continue to pay the HAP to the owner until the family moves or the court judgment allows the owner to evict.

J. Consideration of Circumstances before Termination of Assistance

The PHA and owner may consider all specific circumstances of each family in determining whether to terminate assistance or evict the family, respectfully, because of family's action or failure to act by members of the family.

1. Circumstances the PHA and owner may consider include but are not limited to:
 - a. The seriousness of the case or offending action.
 - b. The extent of participation or culpability of individual family members.
 - 1) The PHA may impose, as a condition of continued assistance for other family members, a requirement that other family members who participated in or were culpable for the action or failure will not reside in the unit. The PHA may permit the other members of a participant family to continue receiving assistance.
 - 2) The owner may require a tenant to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.
 - c. Mitigating circumstance related to the disability of a family member.

- d. The extent to which the family (leaseholder) has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action.
 - e. If the family includes a person with disabilities, the PHA decision concerning such action is subject to consideration of reasonable accommodation.
 - f. The effects of termination of assistance on other family members who were not involved in the action or failure to act.
 - g. The effect on the community of termination or the failure of the owner to take such action.
 - h. In determining whether to terminate assistance or terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the PHA or owner may consider whether such household member:
 - 1) Is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully.
 - 2) The PHA or owner may require the family to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.
 - i. The likelihood of reoccurrence.
 - j. Age at the time of the criminal activity.
 - k. Length of time since conviction.
 - l. The effect the owner's action on the integrity of the HCV program.
2. Nondiscrimination limitation and protection for survivors of VAWA violence/abuse. The PHA's termination actions and the owner's termination of tenancy actions must be consistent with Fair Housing and Equal Opportunity provisions and protections for survivors of VAWA violence/abuse.

CHAPTER 31: INFORMAL REVIEWS AND INFORMAL HEARINGS

The purpose of the informal review or informal hearing is to resolve applicant or participant disputes with the PHA without legal action for PHA decisions affecting eligibility or amount of assistance and to correct PHA errors that might have occurred in the PHA's decision making process.

A. Difference between the Informal Review or Informal Hearing

1. Informal Review: Is for program applicants.
2. Informal Hearing:
 - a. Is for program participants.
 - b. The PHA must give the opportunity for an informal hearing before the PHA terminates HAP for the family under an outstanding HAP contract.

B. When an Informal Review is Not Required

The PHA is not required to provide the applicant with an opportunity for an informal review for any of the following:

1. Discretionary administrative determinations by the PHA.
2. General policy issues or class grievances.
3. A determination of the family unit size under the PHA subsidy standards.
4. A PHA determination not to approve an extension of the voucher term.
5. A PHA determination not to grant approval of the tenancy.
6. A PHA determination that a unit selected by the applicant is not in compliance with HQS.
7. A PHA determination that the unit is not in accordance with HQS because of the family size or composition.

C. When an Informal Hearing is Not Required

The PHA is not required to provide a participant family with an opportunity for an informal hearing for any of the following:

1. Discretionary administrative determinations by the PHA.
2. General policy issues or class grievances.
3. Establishment of the PHA schedule of utility allowances for families in the program.
4. A PHA determination not to approve an extension of the voucher term.
5. A PHA determination not to approve a unit or tenancy.

6. A PHA's determination that an assisted unit is not in compliance with HQS. (However, the PHA must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family).
7. A PHA determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the PHA to exercise or not to exercise any right or remedy against the owner under a HAP contract.

D. When an Informal Hearing is Required

The PHA must give a participant family an opportunity for an informal hearing to consider whether the following PHA decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations and PHA policies:

1. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
2. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule.
3. A determination of the family unit size under the PHA subsidy standards.
4. A determination to terminate assistance for a participant family because of the family's action or failure to act under the 24 CFR §982.552.
5. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules.

E. Informal Hearing Determination of Ineligible Immigration Status

When the PHA makes a determination of ineligible immigration status, the PHA must offer applicants, as well as HCV participating families, the opportunity to request an informal hearing.

1. After notification of the CIS decision on appeal, or in lieu of request of appeal to the CIS, the family may request the PHA provide an informal hearing. This request must be made:
 - a. Within 30 days of receipt of the notice of denial or termination of assistance, or
 - b. Within 30 of receipt of the CIS appeal decision
2. Assistance to the family may not be delayed, denied, reduced, or terminated on the basis of ineligible immigration status of a family member if:
 - a. The primary and secondary verification of any immigration documents that were timely submitted has not been completed;
 - b. The family member for whom required evidence has not been submitted has moved from the assisted unit;

- c. The family member who is determined not to be in an eligible immigration status following CIS verification has moved from the assisted unit;
 - d. The CIS appeals process has not been concluded;
 - e. Assistance is being prorated;
 - f. Assistance for a mixed family is continued in accordance with §§5.516 and 5.518; or
 - g. Deferral of termination of assistance is granted in accordance with §§5.516 and 5.518.
- 3. The informal hearing procedures shall follow the normal informal hearing procedures and include the following:
 - a. The family shall be provided with the opportunity to controvert evidence relied upon by the PHA and to confront and cross-examine all witnesses on whose testimony or information the responsible entity relies.
 - b. The family shall be entitled to arrange for an interpreter to attend the informal hearing, at the expense of the family, or PHA, as may be agreed upon by the two parties to the proceeding.
 - c. The family shall be entitled to have the informal hearing recorded by audiotape (a transcript of the informal hearing may, but is not required to, be provided by the PHA).
- 4. The PHA will keep the following documents for a minimum of five (5) years that may have been submitted by the family, or provided to the PHA as part of the CIS appeal or the informal hearing process:
 - a. The application for housing assistance;
 - b. The form completed by the family for income reexamination;
 - c. Photocopies of any original documents (front and back), including original CIS documents;
 - d. The signed verification consent form;
 - e. The CIS verification results;
 - f. The request for a CIS appeal;
 - g. The final CIS determination;
 - h. The request for an informal hearing; and
 - i. The final informal hearing decision.
- 5. A decision against a family member does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

F. Notification to the Family

If the PHA decision has affected a family's eligibility for housing assistance or amount of assistance, the PHA must notify the family that the family may ask for an explanation of the

basis of the PHA determination, and that if the family does not agree with the determination, the family may request an informal review or informal hearing on the decision.

1. The Notice of the PHA's Decision

- a. When the PHA has made its decision, the PHA shall give the family a written notice within five (5) calendar days of the decision.
- b. The Notice will contain the following information:
 - 1) A brief statement of the reason for the decision.
 - 2) A statement that if the family does not agree with the decision, the family may submit a written request for an informal review or informal hearing within 10 calendar days from receipt of the notice.
 - 3) The VAWA Notice of Occupancy Rights (form HUD-5380).
 - 4) The Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation (form HUD-8382).
- c. The PHA will accept the written request for an informal review or informal hearing by:
 - 1) In person delivery to the PHA
 - 2) Email
 - 3) Fax
 - 4) U.S. Post (must be postmarked within the allotted timeframe)

2. Scheduling the Informal Review or Informal Hearing

The PHA may or may not conduct an informal review or informal hearing if the family fails to submit the request within the time stipulated. If the request is not submitted in a timely manner, it shall mean that the family has waived their right to request an informal review or informal hearing.

- a. Expeditious Hearing Process:
 - 1) Where an informal review or informal hearing is required, the PHA will proceed with the informal review or informal hearing in an expeditious manner upon request by the family.
 - 2) The PHA will schedule the informal review or the informal hearing within 10 calendar days of the request by the family.
- b. Location of the Informal Review or Informal Hearing

The informal review or informal hearing will be conducted at a location that is appropriately set up, confidential and will accommodate any request for reasonable accommodation. The informal review or informal hearing may be conducted:

 - 1) At the PHA office.
 - 2) At a location designated by the PHA.

- 3) At a location connected by electronic audio/visual media or telephone conference call agreed upon by the two parties.
- c. Time of the Informal Review or Informal Hearing
 - 1) The PHA should schedule the informal review or informal hearing with enough time to thoroughly conduct the proceedings.
 - 2) No Show Policy of the Informal Review or Informal Hearing
 - a) If the family is not present (without good cause) at the informal review or informal hearing 30 minutes past the scheduled time, the PHA shall consider it a no show and the request for the informal review or informal hearing will be denied.
 - b) Good cause is considered:
 - 1) Medical Emergency
 - 2) Weather Conditions
 - c) If the family fails to appear at the informal review or informal hearing on the date scheduled without any request for an adjournment on strong grounds, the matter will be decided by the parties that are present or dismissed immediately with no right for its restoration. The hearing officer may or may not allow an application for adjournment.
- d. Representation:
 - 1) The family can either appear in person or may be represented by an attorney or any other person at the family's expense.
 - 2) The family shall be entitled to arrange for an interpreter to attend the informal review or informal hearing, at the expense of the family, or PHA, as may be agreed upon by the two parties to the proceeding.
 - 3) The PHA can be represented by an attorney or any other representative.
- e. Discovery:
 - 1) The family must be given the opportunity to review/examine any PHA documents which are directly relevant to the informal review or informal hearing prior to the informal review or informal hearing date.
 - 2) The discovery procedures also apply to the PHA.
 - 3) If either party does not make the documents available upon request, the party cannot rely on the documents during the informal review or informal hearing.

G. Hearing Officer

The PHA will designate any person or persons as hearing officer or hearing officers to conduct the informal review or informal hearing. The power to designate a hearing officer shall rest solely with the PHA.

1. The hearing officer can be any person other than a person who made or approved the decision under review, or a subordinate of such person.
2. The hearing officer will regulate the conduct of the hearing in accordance with hearing procedures.

H. Procedures of the Informal Review or Informal Hearing

The hearing officer will meet with the family and PHA at the appointed time of the informal review or informal hearing.

1. The hearing officer will advise both the family and PHA that the informal review or informal hearing will be recorded (e.g., by audiotape or transcript).
2. The hearing officer will review all the documents, policies, regulations, and other relevant information used to make the PHA decision.
3. Evidence:
 - a. The family and the PHA shall be given the opportunity to present evidence orally and written and may question any witnesses.
 - 1) The family will begin their case by introducing documents it relies on and by taking oral testimony of witnesses in support of their contention.
 - 2) The PHA will then begin its defense by introducing documents it relied on and by taking oral statements from witnesses, if necessary, in justification of its decision.
 - 3) The hearing officer will have the opportunity to ask questions to both the family and the PHA.
 - b. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
4. The family and the PHA will close their cases and make final submissions, if they choose to, prior to the decision.
5. The hearing officer will advise the family and the PHA that all information presented, either orally or in documentation, will be considered in making a final decision, and notice of that decision will be provided to the family and PHA in writing within five (5) calendar days.

I. Issuance of the Decision

The decision of the hearing officer shall be in writing and based on the facts established, HUD regulations, PHA policy, and the applicable law.

1. Factual determinations relating to the individual circumstances of the family shall be based on the preponderance of the evidence presented during the informal review or informal hearing.
2. The decision shall clearly state the reason on which the decision has arrived.
3. This final decision shall be given within five (5) calendar days from the date of the informal review or informal hearing.
4. A copy of the decision shall be furnished promptly to the family and the PHA.
5. The PHA will not be bound by an informal hearing decision:
 - a. Concerning a matter for which the PHA is not required to provide an opportunity for an informal hearing or that otherwise exceeds the authority of the hearing officer.
 - b. Contrary to HUD regulations or requirements, or otherwise contrary to federal, state, or local law.
 - c. If the PHA determines that it is not bound by the hearing decision, the PHA will promptly notify the family of the determination and the reasons for the determination.

CHAPTER 32: RECORDS MANAGEMENT

Effective records management is necessary to safeguard family information and ensure the PHA's authority to obtain, use, and dispose of such information is in accordance and consistent with applicable laws and regulations.

A. EIV Printouts

The PHA is authorized to maintain the EIV Income and other reports in the tenant file for the duration of tenancy and no longer than three (3) years from the end of participation (EOP) date.

1. The PHA will maintain at a minimum, the last three (3) years of the form HUD-50058 and the supporting documentation for all regular and interim reexaminations of family income.
2. The PHA will maintain all records for a period of at least three (3) years from the effective date of the action.

B. Authority to Obtain Criminal Records

HUD authorizes the PHA to obtain criminal conviction records from a law enforcement agency and use the criminal conviction records obtained from the law enforcement agency to screen applicants for admission to or terminate families from the HCV program.

C. Receipt of Information from Law Enforcement Agencies

When the law enforcement agency receives the PHA's request, the agency must promptly release to the PHA a certified copy of criminal conviction records concerning the household member they have in their possession or under their control.

National Crime Information Center (NCIC) records must be provided in accordance with NCIC procedures.

The law enforcement agency may charge a reasonable fee for this service, but any fee charged by the agency for this service may not be passed on to the applicant.

D. Criminal Records

Consistent with limitations on the use of criminal records, the PHA will ensure that criminal records, including sex offender registration information, received from a law enforcement agency, state, or local agency are:

1. Maintained confidentially;
 - a. Housed in a locked file with access restricted to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information.

- b. The PHA must not retain criminal conviction records for longer periods, even if the records are stored separately from the family's file.
- 2. Not misused or improperly disseminated; and
- 3. Destroyed once the purpose(s) for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation.
 - a. For denial of admission
 - 1) If the PHA admits an applicant family to the HCV program, the PHA will destroy, by shredding, the criminal records no later than 10 business days after admission to the program.
 - 2) If the family is denied admission to the HCV program based on the criminal record, the PHA will retain the criminal record during the period allowed for requesting an informal review and if requested, until the informal review has been completed.
 - 3) The PHA will destroy, by shredding, the criminal record no later than 10 business days after the period allowed to request an informal review has expired or no later than 10 business days after receiving the informal review decision.
 - b. For termination of assistance
 - 1) If the PHA proposes termination of family assistance from the HCV program based on the criminal record, the PHA will retain the criminal record during the period allowed for requesting an informal hearing and if requested, until the informal hearing has been completed.
 - 2) The PHA will destroy, by shredding, the criminal record no later than 10 business days after the period allowed to request an informal hearing has expired or no later than 10 business days after receiving the informal hearing decision.
 - c. If the family files a civil lawsuit for the denial of admission, termination of assistance, negligence, or breach of the PHA's disclosure of the criminal record, the PHA will destroy the criminal records no later than 30 days after the statute of limitations has passed or the disposition of the civil lawsuit.
- 4. Sex offender registration criminal information
 - a. The PHA will not disclose to owner any sex offender registration information obtained by the PHA.
 - b. The PHA will retain a record of the type of screening and the date the screening was performed for all sex offender registration criminal records.
 - c. The records management requirements do not apply to sex offender registration information that is public information or is obtained by the PHA other than from a state or local agency responsible for the collection or maintenance of such information.

E. Permitted Use and Disclosure of Criminal Records

Permitted use and disclosure of criminal records received by the PHA may only be used for applicant screening and/or for lease enforcement and termination.

1. Disclosure of criminal records

- a. The PHA may disclose the criminal conviction which the PHA received from a law enforcement agency only as follows:

- 1) To officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information.

For example, if the PHA is seeking to terminate assistance to an HCV program participant on the basis of criminal activity/sex offender status as shown in criminal conviction records, the records may be disclosed to PHA employees performing functions related to the termination, or to the PHA hearing officer conducting an administrative grievance hearing concerning the proposed termination.

- 2) To the owner for use in connection with judicial eviction proceedings by the owner to the extent necessary in connection with a judicial eviction proceeding.

For example, criminal conviction records may be included in pleadings or other papers filed in an eviction action, may be disclosed to parties to the action or the court, and may be filed in court or offered as evidence.

- b. Disclosure of records may be only made if the following conditions are satisfied:

- 1) If the PHA has determined that criminal activity by the household member as shown by such records received from a law enforcement agency may be a basis for eviction from the Section 8 unit; and
- 2) If the owner certifies in writing that it will use the criminal conviction records only for the purpose and only to the extent necessary to seek eviction in a judicial proceeding of a Section 8 tenant based on the criminal activity by the household member that is described in the criminal conviction records.
- 3) The PHA may rely on an owner's certification that the criminal record is necessary to proceed with a judicial eviction to evict the tenant based on criminal activity of the identified household member, as shown in the criminal conviction record.
- 4) Upon disclosure as necessary in connection with judicial eviction proceedings, the PHA is not responsible for controlling access to or knowledge of such records after such disclosure.

2. Penalties for improper release of information

- a. Criminal Penalty

Conviction for a misdemeanor and imposition of a penalty of not more than \$5,000 is the potential for:

- 1) Any person, including an officer, employee, or authorized representative of the PHA, who knowingly and willfully requests or obtains any information concerning an applicant for, or tenant of the PHA under false pretenses; or
- 2) Any person, including an officer, employee, or authorized representative of the PHA, who knowingly and willfully discloses any such information in any manner to any individual not entitled under any law to receive the information.

b. Civil Liability

The PHA may be held liable to any applicant for, or tenant of, the PHA who is affected by either of the following:

- 1) A negligent or knowing disclosure of criminal records obtained information obtained under statutory authority about such person by an officer, employee, or authorized representative of the PHA if the disclosure is not authorized by this section; or
- 2) An applicant for, or tenant of, of the PHA may seek relief against a PHA for inappropriate disclosure by bringing a civil action for damages and such other relief as may be appropriate against the PHA.
 - a) The United States district court in which the affected applicant or tenant resides, in which the unauthorized action occurred, or in which the officer, employee, or representative of the PHA alleged to be responsible resides, has jurisdiction.
 - b) Appropriate relief may include reasonable attorney's fees and other litigation costs.

F. Use of Criminal Records

If the PHA proposes to deny admission or terminate assistance for criminal activity as shown in the criminal record obtained from a law enforcement agency, the PHA must:

1. Denial of Admission
 - a. Provide the subject of the record and the applicant with a copy of the criminal record.
 - b. Give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process.
2. Termination of Assistance
 - a. Notify the household of the proposed action to be based on the information, and
 - b. Provide the subject of the record and the tenant with a copy of the criminal record
 - c. Give the family an opportunity to dispute the accuracy and relevance of that record in the informal hearing process.
3. All information about a survivor of VAWA violence/abuse that is provided to the PHA and utilized for the purpose of terminating the assistance of the perpetrator or a household

who has a member of the household who is a perpetrator of VAWA violence/abuse shall be maintained confidential pursuant to the Violence Against Women Act.

G. Opportunity to Dispute Criminal Records

The PHA must give the family an opportunity to dispute the accuracy and relevance of the criminal record in the informal review, for applicants, or the informal hearing, for participants, process.

This opportunity must be provided before a denial of admission, eviction, or lease enforcement action on the basis of such information.

H. Electronic Signatures, Transmission and Storage

The PHA has chosen to utilize electronic communication procedures for applicants, participants and owners that conform with the Uniform Electronic Transaction Act (UETA) of Pennsylvania 1999 Act 69. Transmissions will also conform with the National Institute of Standards and Technology (NIST). Signatures, whether electronic or on hard paper ("wet") is the means by which a person indicates an intent to associate himself/herself with a document in a manner that has legal significance and constitutes legally binding evidence of the signer's intention regarding a document.

Applicants, participants and owners may complete documents online or by hand and then transmit and/or scan and email documents and signatures electronically. Applicants, participants and owners may also submit information and documents using methods, such as online systems, tablets or smart phone apps, email or other electronic media. The Authority will also give applicants, participants and owners the opportunity to provide information or documents in paper form using wet signatures. The Authority will keep electronic acknowledgement of receipts to reflect applicants, participants and owners were provided with an electronic transmission of a document.

Electronic File and Document Storage

The PHA will create forms and documents used for the management of the program and these forms may be stored electronically. The PHA may maintain paper files, electronic files or a combination of both; and convert paper files to electronic storage.

Data Retention

The data retention/records retention policy of the PHA is the same for both paper and electronic documents and records.

Regulatory Restrictions

The PHA will require some notices to applicants, participants and owners to be sent by first class mail, delivered directly and/or posted in public places. These include but are not limited to denial/revoking assistance, termination notices, changes in lease terms or occupancy requirements, and increase or decrease in rents.

Accessibility of Electronic Media

The PHA will provide all notices and communications consistent with Section 504 of the 1973 Rehabilitation Act and HUD's Section 504 regulations and Titles II or III of the Americans with Disability Act (ADA) and its implementing regulations. The PHA will also provide reasonable accommodation to afford users an equal opportunity to participate, complete and sign documents or submit documents in a paper copy. The PHA will also ensure that effective communication of electronic media includes reasonable steps taken to ensure meaningful access for persons with Limited English Proficiency (LEP) across technological platforms.

CHAPTER 34: USE OF ADMINISTRATIVE FEES AND ADMINISTRATIVE FEE RESERVES

This chapter provides guidance on the use of HCV ongoing administrative fees for expenses related to assisting HCV families to lease units, including the costs of security deposit assistance and landlord incentive and retention payments. Administrative fees are authorized under Section 8(q) of the Housing Act of 1937, which provides that the Secretary shall establish fees for the costs of administering tenant-based rental assistance under the HCV program. Section 8(q) set forth the calculation for use in fiscal year 1991, and further provided that for subsequent fiscal years the Secretary would establish the amount of the fee based on changes in wage data or other objectively measurable data that reflects the costs of administering the program as determined by the Secretary.

A. Eligible Uses of the HCV Administrative Fees

The eligible uses of HCV administrative fees include both 1) costs incurred by the PHA in carrying out administrative responsibilities under HCV program regulations and 2) other eligible expenses in administering the HCV program.

1. Administrative Activities
 - a. Front-Line and Day-to-Day Operation Activities

These activities include but are not limited to

 - 1) Applicant intake,
 - 2) Lease-up activities,
 - 3) Income determinations and reexaminations,
 - 4) Unit inspections,

- 5) Disbursing HAP to landlords,
 - 6) Policy and operational planning and implementation,
 - 7) Financial management, and
 - 8) HCV record-keeping and reporting.
- b. Indirect Overhead Activities
- These activities include activities associated with operating the HCV program including but not limited to:
- 1) PHA management,
 - 2) Human resources,
 - 3) Legal,
 - 4) Finance,
 - 5) Accounting and payroll,
 - 6) Information technology,
 - 7) Procurement, and
 - 8) Quality control.
- c. Central Office Cost Center (COCC)
- If the PHA uses HUD's asset management central office cost center (COCC), the PHA is permitted to charge the HCV program to recover its central office costs, and those costs are eligible expenses of HCV administrative fees.
- d. Housing Search Assistance Activities
- Administrative activities include but are not limited to housing search assistance activities such as:
- 1) Pre-move counseling,
 - 2) Helping a family identify and visit potentially available units during their housing search,
 - 3) Helping a family find a unit that meets the household's disability-related needs,
 - 4) Providing transportation and directions, and
 - 5) Assisting with the completion of rental applications.
- e. Post-Lease Up Activities
- Post-lease up activities often related to housing search assistance efforts, such as:
- 1) Post-move counseling, and
 - 2) Landlord/tenant mediation.

f. Recruitment and Outreach Activities

These activities cover HCV owner recruitment and outreach activities, including:

- 1) The costs associated with materials or webpages specifically geared to owners, and
- 2) Landlord liaison staff and associated expenses.

2. Other Eligible Uses of the HCV Administrative Fees

In addition to the PHA's typical administrative costs, the PHA may choose to incur other expenses for activities designed to help assist HCV families in leasing units under the HCV program, which while not required by HUD HCV regulations, clearly will assist the PHA in achieving the mission and purpose of the HCV program. The PHA may use its administrative fees to support these other activities should the PHA have the resources available to do so.

a. Owner Incentive and/or Retention Payments

The PHA will not make incentives (e.g., signing bonuses) or retention payments to owners that agree to initially lease their unit to an HCV family and/or renew the lease of an HCV family.

b. Security Deposit Assistance

The PHA will not provide security deposit assistance for the family.

- 1) The amount of security deposit assistance may not exceed the actual security deposit required by the owner or the maximum security deposit allowed under applicable state and/or local law.
- 2) The PHA will not place conditions on the security deposit assistance, such as requiring the owner or family to return the security deposit assistance to the PHA at the end of the family's tenancy (less any amounts retained by the owner in accordance with the lease).
- 3) Security deposit assistance returned to the PHA remains restricted to HCV administrative fee eligible uses (if returned before the end of the PHA fiscal year in which the administrative fee used to fund the deposit was received) or HCV administrative fee reserve eligible uses, as applicable.

c. Utility deposit assistance/utility arrears

The PHA will not provide utility deposit assistance for some or all the family's utility deposit expenses.

- 1) Assistance can be provided for deposits (including connection fees) required for the utilities to be supplied by the tenant under the lease.
- 2) The PHA will not pay the utility deposit assistance.
- 3) The PHA will not place conditions on the utility deposit assistance, such as requiring the utility supplier or family to return the utility deposit assistance to the PHA at

such time the deposit is returned by the utility supplier (less any amounts retained by the utility supplier.)

4) Utilities in Arrears

Some families may have large balances with gas, electricity, water, sewer, or trash companies prior to admission to the HCV program that will make it difficult if not impossible to establish services for tenant-supplied utilities.

- a) The PHA will not provide the family with assistance to help address these utility arrears to facilitate leasing and their admission to the HCV program. Utility deposit assistance that is returned to the PHA remains restricted to HCV administrative fee eligible uses (if returned before the end of the PHA fiscal year in which the administrative fee used to fund the deposit was received) or HCV administrative fee reserve eligible uses, as applicable.
- d. Application fees/non-refundable administrative or processing fees³ /refundable application deposit assistance/broker fees. The PHA may choose to assist the family with some or all these expenses and may limit the amount of assistance provided for each individual expense.
- e. Holding fees. In some markets, it is not uncommon for an owner to request a holding fee that is rolled into the security deposit after an application is accepted but before a lease is signed. The PHA may cover part or all the holding fee for units where the fee is required by the owner after a tenant's application has been accepted but before the lease signing. The PHA and owner must agree how the holding fee gets rolled into the deposit and under what conditions the fee will be returned. Furthermore, owners need to accept responsibility for making needed repairs to a unit required by the initial housing quality standards (HQS) inspection and can only keep the holding fee if the family is at fault for not entering into the lease.
- f. Renter's insurance if required by the lease. The PHA may assist the family with some or all the cost of renter's insurance but only in cases where the purchase of renter's insurance is a condition of the lease and is also required of unassisted families on the premises. PHAs need to exercise caution with respect to the frequency of when the renter's insurance assistance payments are made when such assistance is provided directly to the family. For example, providing such assistance on a regular, recurring basis (such as on a monthly basis) to the family would impact the family's income calculation.

B. Reporting of Other Expenses in the Voucher Management System (VMS)

The PHA will maintain a single administrative fee reserve account for the HCV program.

1. Consistent with Governmental Accounting Standards Board (GASB) guidance reserve accounts formerly identified by HUD as Unrestricted Net Assets (UNA) and Net Restricted Assets (NRA) are now identified as Unrestricted Net Position (UNP) and Restricted Net Position (RNP), respectfully.

2. On an annual basis, the PHA will credit to the UNP the total of:
 - a. The difference between program administrative fees (paid by HUD for the PHA fiscal year) and PHA program administrative expenses for the fiscal year; **plus**
 - b. The net of revenue (admin fee payments and HAP reimbursements received from Initial PHAs) and expenses (HAP paid) related to the administration of unabsorbed portability units administered (Port-Ins); **plus**
 - c. Interest and other income earned on the investment of administrative fee reserves (and up to \$500 per calendar year in interest and investment income earned on HAP and RNP funds); **plus**
 - d. The portion of fraud recoveries actually collected that flows to the administrative fee reserves (usually 50% of total collected); **plus**
 - e. Any other miscellaneous administrative revenues or equity transfers to the HCV administrative fee reserve; **minus**
 - f. Any expenditure from the reserve account to cover excess HAP costs not covered by HAP funding and HAP reserves (RNP account) or other allowed uses of administrative reserves.

C. Use of Administrative Fee Reserves

Beginning with the enactment of the 2004 Appropriations Act, the use of administrative fee reserves is restricted to activities related to the provision of Section 8 tenant-based assistance, including related development activities.

1. Administrative fee reserves from Federal Fiscal Year (FFY) 2004 and subsequent funding periods (referred to as "post-2003" funds) are restricted to HCV activities even though under GAAP they are referred to as unrestricted net position accounts.
2. Administrative fee reserves remaining from funding periods prior to the FFY 2004 Appropriations Act (referred to as "pre-2004" funds) are restricted in use.

D. Use of Administrative Fees

The HCV Program regulations at 24 CFR 982.152 provide that PHA administrative fees may only be used to cover costs incurred to perform PHA administrative responsibilities for the program in accordance with HUD regulations and requirements.

1. During the PHA's current fiscal year, any administrative fees received in the PHA's fiscal year may only be used for this purpose.
2. If a surplus of administrative fees remains at the end of the PHA's fiscal year, the amount by which the program administrative fees paid by HUD for the PHA fiscal year exceeded the PHA's HCV administrative expenses for the fiscal year is added to the administrative fee reserves.

Note: If the PHA lacks administrative fee reserves and needs to temporarily supplement the administrative fee provided by HUD with non-federal, non-restricted funds in order to cover eligible HCV program administrative expenses, the PHA may use subsequent administrative fees to reimburse the source of the non-federal, non-restricted funding used as the temporary bridge to cover the HCV program administrative expenses.

However, HCV administrative fees may never be loaned to another program in order to cover that program's expenses, regardless of whether the PHA intends to reimburse the HCV program at a later date.

E. Use of Pre-2004 Administrative Fee Reserves

Any administrative fees funded prior to the FFY 2004 Appropriations Act remain subject to the regulatory requirements at 24 CFR 982.155(b)(1).

1. The PHA must use funds in the administrative fee reserve to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. If funds in the administrative fee reserve are not needed to cover PHA administrative expenses (to the end of the last expiring funding increment under the consolidated ACC), the PHA may use these funds for other housing purposes permitted by state and local law. However, HUD may prohibit use of the funds for certain purposes.
2. Due to the restrictions imposed by the FFY 2004 and subsequent appropriations, the use of administrative fee reserves for "other housing purposes permitted by state and local law" only applies to pre-2004 administrative fee reserves.

F. Use of Post-2003 Administrative Fee Reserves

The FFY 2004 Appropriations Act and subsequent appropriations require that administrative fee reserves provided from these appropriations shall only be used for activities related to the HCV program, including related development activities. Examples of related development activities could include modifications to HCV units to provide accessibility features or PBV development costs.

1. Any post-2003 administrative fees moved into the administrative fee reserve account at year end may not be used for "other housing purposes permitted by state and local law."
2. If the PHA has not adequately administered the HCV program according to HUD requirements, HUD may prohibit use of funds in the administrative fee reserve and may direct the PHA to use funds in the reserve to improve administration of the HCV program or to reimburse ineligible expenses.
3. Post-2003 administrative fee reserves may not be used for Low Rent Public Housing (PH) development activities, PH maintenance, or PH funding shortfalls, nor may they be loaned to other PHA programs.

G. Use of HAP Funds

HAP funding, which includes RNP accounts, may only be used within the HCV Program for eligible expenses related to HAP (PHA's share of the rent), Family Self-Sufficiency escrow payments, and utility reimbursements.

1. HAP shall not, under any circumstances, be used for any other purpose such as to cover administrative expenses or to be loaned, advanced, or transferred (referred to as operating transfers due to/due from) to other component units or other programs (housing or non-housing) such as Low Rent Public Housing.
2. Use of HAP for any purpose other than eligible HAP needs is a violation of law, and such illegal uses or transfers will result in administrative fee sanctions and possible breach of the ACC.
3. In instances where the PHA is found to have misappropriated HAP funds by using the funds for any purpose other than valid HAP expenses for units up to the baseline, HUD will require the immediate return of the funds to the RNP account.
4. HUD may take action against the PHA or any party that has used HAP or RNP funds for non-HAP purposes.

H. Board Approval for Administrative Fee Reserve Expenditures

1. The Board of Commissioners (Board) shall establish a threshold for the amount of annual expenditure that may be made from the administrative fee reserve for other housing purposes without prior approval of the Board which shall only apply to pre-2004 administrative fee reserves.
2. For such pre-2004 administrative fee reserve expenditures that exceed the Board's threshold, the PHA Board, as part of its approval, must make an affirmative determination that the expenditure is necessary and reasonable for the other purposes consistent with state and local law.

APPENDIX A: HUD VERIFICATION HIERARCHY AND TECHNIQUES

HUD VERIFICATION HIERARCHY AND TECHNIQUES		
Level	Verification Technique	Ranking/Order of Acceptability
6	Upfront Income Verification (UIV) , using HUD's Enterprise Income Verification (EIV) System	Highest PHAs must pull the EIV Income Report for each family at every annual reexamination. EIV may be used as the sole verification of Social Security income. EIV income information may be used to calculate other types of annual income when family agrees (see Level 4 for more information).
5	Upfront Income Verification (UIV) using non-HUD system (e.g., The Work Number, web-based state benefits systems, etc.).	Highest
4	Written Third-Party Verification from the source, also known as "tenant-provided verification;" or EIV + Self-Certification PHAs can choose either option when both are available to verify income. PHAs must use written, third-party verification when the income type is not available in EIV (e.g., self-employment, Go Fund Me accounts, general public assistance, Veterans Administration benefits, etc.)	High Written, third-party verification is used when tenant disputes EIV-reported employment and income information. The EIV Income Report may be used to verify and calculate income if the family self-certifies that the amount is accurate and representative of current income. The family must be provided with the information from EIV.
3	Written Third-Party Verification Form	Medium Use if Level 5 or Level 4 verification is not available or is rejected by the PHA and when the applicant or tenant is unable to provide acceptable documentation. May substitute Level 2 for written, third-party verification form, only completing one of the two forms of verification before moving to self-certification.
2	Oral Third-Party Verification	Medium

HUD VERIFICATION HIERARCHY AND TECHNIQUES		
Level	Verification Technique	Ranking/Order of Acceptability
1	Self-Certification	Low Use as a last resort when unable to obtain any type of third-party verification or if specifically permitted, such as to determine actual income from assets when the family certifies that net family assets do not exceed \$50,000.

APPENDIX B: EZ-RRD

This Reasonable Rent Policy and Procedures is to be added to the Section 8 Housing Choice Voucher Administrative Plan and includes the following sections.

- A. Statement of Compliance
- B. Step-by-Step Explanation of Procedures
- C. Explanation of Analysis used in the Procedures
- D. Compliance with Fair Housing Regulations
- E. Agency Staff Training
- F. Agency's Interaction with Landlords
- G. Agency-Owned Units
- H. Data Collection of Unassisted Comparable Units
- I. Calculation of the Recommended Reasonable Rent

A. Statement of Compliance with Reasonable Rent Regulations Background

The EZ-Reasonable Rent Determination (EZ-RRD) system is utilized to assist staff to conduct reasonable rent analysis for units to be assisted. The EZ-RRD system was designed to correct long-standing misconceptions and problems about reasonable rent analysis. For example, other systems allow the Agency Analyst to select the comparable units, allowing for possible favoritism, subjectivity and Fair Housing Issues. EZ-RRD automatically selects the best comparable units in the database using consistent and objective methods. Thus, the Agency and HUD are protected from fraud, waste, and mismanagement.

In another example, some systems look for comparable units based only on the same or similar rents. They do not account for differences in the characteristics between the assisted and comparable units. The EZ-RRD system uses the standard deviation method to enable proper comparisons of the unit to be assisted and comparable units with different characteristics, assuring the Agency that an "apples-to-apples" comparison is made.

Agency should always ensure the EZ-RRD database has an adequate number of current comparable units in all communities in which the Participants live as well as communities that may provide Expanded Housing Opportunities. Expanded Housing Opportunities is a HUD term that indicates a geographic area that may offer better housing quality, good public transportation, good schools, proximity to jobs and services, etc.

This Policy represents a reasonable method per the Section 8 Housing Choice Voucher and SEMAP regulations, as well as the HUD Housing Choice Voucher Program Guidebook. It also represents a common-sense approach according to the HUD SEMAP Confirmatory Review and Reasonable Rent Quality Assurance protocols.

Timing

A unit will not be approved until it is determined that the requested rent by the owner/agent is a reasonable rent. The Agency will also determine the reasonable rent before approving any increase in the rent or if there is a 10% decrease in the published FMR 60 days before the contract anniversary as compared with the FMR in effect one year before the contract anniversary, or if directed by HUD. The agency may elect to re-determine reasonable rent at any other time.

Compliance with 24 CFR Section 982.507 Rent to Owner: Reasonable Rent and 24 CFR Section 985.3 (b) Reasonable Rent.

The regulations do not require a specific method to be utilized. The only requirement for comparability at 24 CFR 982.507 (b) is for the Agency to utilize unassisted units as comparable units and to consider all nine characteristics for each determination. Therefore, the reasonable rent system uses only unassisted units for comparable units. It also considers the following characteristics for each determination.

- Location
- Quality
- Size (by # of bedrooms, overall size and # of bathrooms)
- Unit type
- Age of the contract unit
- Amenities
- Housing services
- Maintenance
- Utilities to be provided by the owner

The only requirement for reasonable rent at 24 CFR 985.3 (b) is for the Agency to have and implement a reasonable written method that uses all nine of the above characteristics. This Policy describes the reasonable method herein.

The EZ-Reasonable Rent Determination (EZ-RRD) Report documents the implementation of this Policy. This Policy includes an example of this Report.

B. Step-by Step Explanation of Procedures

This section first explains the preparation needed to perform reasonable rent determinations; then it provides the steps to implement the reasonable rent determinations.

Preparation: Use of Location

The first step in preparation concerns the location characteristic. Location has the greatest impact on rent. Therefore, this system gives the greatest weight to location.

To define location, the EZ-RRD Analysts divide the Agency's jurisdiction into three rental market value areas. Each unit to be assisted and each comparable unit is assigned to be in either a high, medium, or low rental market value location. Section III of this Policy provides an explanation of how these rental market values are determined.

Preparation: Assigning Maximum Value Points to HUD Required Characteristics

EZ-RRD assigns maximum value points to each HUD required characteristic. These value points represent the economic value for each characteristic. Section III of this Policy provides an explanation of how the value points are determined.

Value Point Levels Applied to Each Characteristic

Each characteristic is assigned to a value point level. Characteristics with higher levels have more impact on the actual rent. Level V has the highest number of potential value points. Level I have the lowest number of potential points.

Each level has a value point range. The actual number of value points assigned to a characteristic is determined by the description of each characteristic in a particular unit. For example, for the quality characteristic, a unit with high quality will receive more value points than a unit with fair quality. The table below provides value levels and point ranges.

Characteristic	Value Point Level	Value Point Range
Location	V	15-23
HQS Quality	IV	10-18
Utilities Provided by Owner	IV	0-18
Building Structure (Unit Type)	IV	10-18
Overall Unit Size	III	8-13
Number of Bedrooms	II	4-9
Number of Bathrooms	II	4-9
Age	II	4-9
Amenities	II	0-9
Maintenance	I	1-5
Housing Services	I	0-5

Implementation

Below are step-by-step procedures for performing each reasonable rent determination. These procedures include data entry into the web-based EZ-RRD system and analysis performed by the system.

1. After the Agency Analyst enters the address for the Unit to be Assisted, EZ-RRD provides the Agency Analyst with the option to select the best comparable units by filtering.

If the Agency does not filter, EZ-RRD will select the best comparable units from the database for the Agency's entire jurisdiction. If the Agency does not find it necessary to filter, the Agency Analyst skips this option.

However, some agencies may have large jurisdictions that are comprised of smaller geographic areas that have significantly different rental market values. These agencies may wish to filter to select the best comparable units only from within a specific smaller geographical area.

If filtering is utilized, a two-step process is required. First, the Agency Analyst selects the Filter Type from a drop-down menu. The Filter Type may be city, State, zip code, census tract, real estate code, neighborhood, custom 1 and custom 2. After selecting the filter type, the Agency Analyst mouse-clicks in the *Filter To* field. EZ-RRD displays all the filtering options within the selected type. The Agency Analyst then selects the desired option. For example, some agencies may be comprised of several cities with significant rental market value differences. When the Agency Analyst selects filtering by city, all cities with comparable units will be displayed. The Agency Analyst then selects the desired city.

2. The Agency Analyst enters an accurate description of the unit to be assisted for each required characteristic. The Agency is responsible for accurate data input for each characteristic for the unit to be assisted. The Agency is responsible to confirm the accuracy of the data provided by the Landlord for the required characteristics. To ensure that accurate descriptions are entered the definitions for each description are provided on the system under "Help Me Decide" for each characteristic. In addition, these definitions are provided on a laminated guide called EZ-RRD Rent Reasonableness Determination Steps. It is provided in the detailed Reasonable Rent User's Manual that is provided separate from this Policy.
3. Based on the descriptions entered into the EZ-RRD system, it assigns the appropriate values to each characteristic for the unit to be assisted.
4. EZ-RRD system totals the values of each characteristic for the unit to be assisted to obtain the unit's Total Value Points.
5. EZ-RRD system analyzes the Total Value Points and descriptions of all characteristics for both the unit to be assisted and the comparable unit database. It locates units with exact points and characteristics to use as comparable units.
6. If there is no exact match, EZ-RRD system will next select additional comparable based on the database search priorities listed on the following chart.

Database Search Priorities Chart

Priority #	Action
I	Exact match on all 9 required characteristics and total value points
II	Exact match to structure type, location, # of bedrooms, and same or similar total value points for all required characteristics
III	Exact match to location, # of bedrooms, and same or similar total value points for all required characteristics

Through the above database search process, the three comparable units most similar to the unit to be assisted are selected.

7. EZ-RRD system then populates the Reasonable Rent Determination Report (hereafter called Report) with the characteristic descriptions and total value points for the unit to be assisted and each of the three comparables. See sample Report below.
8. The EZ-RRD System analyzes the data for the Average Rents of Comparables, Average Value of Comparables, Unit to be Assisted Rent and Unit to be Assisted Value factors. Based on this analysis, EZ-RRD calculates the estimated reasonable market rent for the unit to be assisted. On the EZ-Reasonable Rent Determination Report, this figure is called the Recommended Reasonable Rent.
9. On the top of the Report, EZ-RRD displays the following analysis data:
 - a. Average Rents of Comparables
 - b. Average Value of Comparables
 - c. Unit to be Assisted Rent
 - d. Unit to be Assisted Value
 - e. Recommended Reasonable Rent
10. The Agency Analyst reviews the five (5) factors listed in the analysis data mentioned above. Based on this review, the Agency Analyst makes the final decision concerning reasonable rent. The Agency Analyst compares the Recommended Reasonable Rent figure with the Unit to be Assisted rent figure. Generally, if the Recommended Reasonable Rent figure is equal to or higher than the Unit to be Assisted rent, the Agency Analyst may determine the requested rent to be reasonable. The Agency Analyst may then select "Yes" on the Report, print it, and secure it in the tenant file. EZ-RRD will automatically fill in the Analyst's name and date of the determination.

Generally, if the Recommended Reasonable Rent figure is less than the Unit to Be Assisted rent, the Agency Analyst may determine the rent is not reasonable. The Agency Analyst may then select "No" on the Report, print it, and secure it in the tenant file. EZ-RRD will automatically fill in the Analyst's name and date of the determination.

If a Request for a Reasonable Accommodation is made, see Section IV – Compliance with Fair Housing Regulations in this Policy.

A sample Reasonable Rent Determination Report is provided below. The Value Point level and the actual value assigned to each characteristic in this sample are also provided.

As needed an optional Reasonable Rent Determination Standard Deviation Adjusted Report showing standard deviation comparisons may be used. This optional report illustrates the results of standard deviation calculations for the characteristics of unit size, unit type, quality, and age if needed.

C. Explanation of Types of Analysis used in the Procedures

The EZ-RRD system uses three basic methods of analysis. They are determining high, medium, and low Rental Market Value Areas, Assigning Value Points to Characteristics, and Standard Deviation calculation.

Determining High, Medium, and Low Rental Market Value Areas

High, medium, and low rental areas, or submarkets within the Agency's jurisdiction, are determined through a process called Value of the Unit's Location. EZ-RRD Analysts perform extensive economic research. This research identifies the value of rental property in all areas of the Agency's jurisdiction. This research entails examining many factors that affect property values and rental values within each submarket. These factors include but are not limited to census tract income levels, percent of population above or below poverty, median family income, renter occupied units, owner occupied units, percent of vacant units, median house age, crime statistics, public transportation, population impaction, community parks and other amenities, hospitals, airports, recreational facilities, waterfront access, recent real estate developments, etc.

These factors are used to evaluate the comparable unit or the unit to be assisted as well as the immediate three to four block area surrounding each comparable unit and unit to be assisted to assign a high, medium, or low rental market value rating to each comparable unit and each unit to be assisted.

The high rental market value area consists of luxury communities in the most favorable locations. These communities are usually newer construction and may have additional community/association amenities such as recreational facilities or be on a waterfront. Individual properties may include state-of-the-art systems, modern appliances, and/or superior quality finishes.

A medium rental market value area is considered an average neighborhood or intermediate community. These areas are slightly less favorable than the luxury areas. These communities may include newer, larger homes and may include quality finishes. These areas may have additional amenities such as a fitness center, swimming pool, and recreational courts. Properties would contain adequate systems and appliances.

The lower rental market value area is a below average neighborhood, ranging from minimal to depleted or impoverished areas. Minimal communities often include older, smaller homes in good condition (that would be considered starter homes if being purchased). They may also include buildings in poor condition that have been abandoned or vandalized. These neighborhoods may have community parks and swimming pools.

Assigning Value Points to Characteristics

The value for each characteristic is based upon the economic research for the Agency's jurisdiction described above. In addition, it is based on several years of rental market research using an enormous, national, unassisted rental market unit sampling. Each HUD required

characteristic was individually analyzed to represent its contribution accurately to the unit's total rental value. The specific values used are proprietary and cannot be disclosed.

For example, the Agency gives the highest weight to location. Higher weights are also given to utilities paid for by the landlord, quality, and unit type. The lowest values are given to maintenance and services.

The value points for each characteristic are added for each unit to become the Total Value Point rating. This rating represents the unit's actual rental value. The Total Value Points for the unit to be assisted are compared with the Average Total Value Points for the three comparable units during the reasonable rent determination process. This process is illustrated on the sample Reasonable Rent Report provided above.

This methodology is also supported by the Housing Choice Voucher Program HUD Guidebook. This Guidebook refers to the Point and Dollars per Feature System.

Standard Deviation Calculations

The EZ-RRD system uses the standard deviation procedure to compare differing characteristics between the unit to be assisted and the comparable units. Standard Deviation uses the value points assigned to each characteristic to calculate the appropriate rent for units having different characteristics. The following examples illustrate how the EZ-RRD system applies the standard deviation calculation.

1. The high-quality characteristic has a value of 16 points. The fair quality characteristic has a value of 13 points, a 19% difference ($16 - 13 = 3$ point difference; $3 \text{ points} \div 16 \text{ points} = 19\%$). If the other characteristics are the same and if the high-quality unit rents for \$1,000, the fair quality unit should rent at \$810.00 or 19% less.
2. The single-family structure type characteristic has a value of 18 points. The garden/walkup structure type characteristic receives 15 points or 17% less. If the other characteristics are the same, and the single-family unit rents for \$1,200.00, the garden/walkup unit should rent for \$996.00, or 17% less.

The above calculation is made for each characteristic with different descriptions during each reasonable rent determination. The results of these standard deviation calculations are presented in the Total Value Points. For example, using the sample Reasonable Rent Determination above, the following Total Value Points and rents were listed:

Average Total Value Points of Comparables:	78
Average Rents of Comparables:	\$738.00
Total Value Points of Assisted Unit:	78
Requested Rent of Assisted Unit	\$925.00

After applying the standard deviation calculations, this system determined that the average comparable units and the unit to be assisted had the same total value. As the requested rent for the unit to be assisted unit is higher than the average of the comparable units, the requested rent is not reasonable.

D. Compliance with Fair Housing Regulations

The Agency will ensure the reasonable rent determination process is not utilized to violate anyone's fair housing rights. To accommodate a request for a reasonable accommodation, the Agency recognizes the Fair Housing regulations are more strict than the reasonable rent regulations. Therefore, the fair housing regulations will take precedence.

A participant may make a request for a reasonable accommodation when the EZ-RRD Report shows the rent is not reasonable or when the rent is so high the Participant would pay more than 40% of their monthly adjusted income toward the rent (24 CFR Part 982.508 – Maximum Family Share at Initial Occupancy). The Agency will take reasonable internal and external administrative remedies to grant regulatorily acceptable requests for a reasonable accommodation when said requests are received.

Internal administrative remedies are efforts completely within the Agency's control. As needed, the internal administrative remedies described below will be considered.

As a reasonable accommodation, the Agency may give a higher rating to four of the required reasonable rent characteristics as described below. These higher ratings may result in a higher total value of the unit to be assisted, and thus enables the EZ-RRD software to identify comparable units that may justify a higher rent.

Concerning the location characteristic, the staff should review the definitions for the rental market value area to be sure the most accurate rental market value area is being considered for the unit to be assisted.

Concerning the quality characteristic, the Agency may give a unit with features that address a specific disability an "Excellent" quality rating.

Concerning the amenities characteristic, the actual features that address a disability are considered amenities. The Agency may select the "Handicap Accessible" amenity and add one additional amenity in "Other."

Concerning the landlord provided services characteristic, if the unit has services that aid people with disabilities, such as transportation, extra security, meals and package handling, the Agency can select "Landlord Provided Services."

When the request for a reasonable accommodation concerns the 40% of the Monthly Adjusted Income (MAI) rule, the Agency may consider the internal administrative remedy of using a payment standard of 120% of the Fair Market Rent for the specific unit and participant in question (24 CFR 982.503 b. (1.) (v.)). The Agency does not need HUD approval for this action. The higher payment standard may bring the tenant's rent share to under 40% of MAI thus allowing the Agency to approve the requested rent.

External administrative remedies involve efforts by the Agency and HUD. If the requested gross rent for a unit at initial occupancy exceeds the payment standard, and the tenant would pay more than 40% of their monthly adjusted income for rent, the Agency may request a waiver from HUD for the regulation at 24 CFR Part 982.508 – Maximum Family Share at Initial

Occupancy. The waiver request would be to allow the family to pay more than 40% of their monthly adjusted income for rent.

As needed, another external administrative remedy the Agency will consider is to request a waiver from HUD from the regulation at 24 CFR Part 982.507 Rent to Owner's Reasonable Rent. This waiver request would be to approve the rent for the unit in question even though it is not reasonable. (This section subject to change if cited regulations are changed or updated.)

E. Agency Staff Training

As new analysts and new supervisors are appointed, they will undergo training concerning the reasonable rent requirements and the EZ-RRD system. This training will include a review of:

1. 24 CFR Section 982.507 Rent to Owner: Reasonable Rent
2. 24 CFR Section 985.3 (b) Reasonable Rent
3. HUD Housing Choice Voucher Program Guidebook Chapter 9
4. Reasonable Rent Policy
5. EZ-RRD Procedures

The Analyst performing reasonable rent determinations will demonstrate proficiency for correctly performing the reasonable rent determination.

F. Agency Interaction with Landlords

Owner/Agent Relations

The owner/agent will be advised by accepting each monthly housing assistant payment he/she will be certifying that:

- The Rent to Owner is not more than rent charged by the owner/agent for comparable unassisted units in the premises.
- The assisted family is currently occupying the unit and the assisted family is not in violation of lease obligations.

Owner/Agency Negotiations

If owners object to the approved rent, they may submit all HUD required comparable data for at least three unassisted units. The data will be confirmed by the Agency and added to the existing comparable units' database. The Agency will then run a new determination.

G. Agency-Owned Units

Local government or independent entities (approved by HUD) must perform rent reasonableness determinations for Agency owned units leased by voucher holders. In these cases, the following arrangements may be made:

- The Authority may pay expenses associated with this service.

- The Authority may use administrative fee income to compensate the independent agencies for their services.
- The family cannot be charged for these services.

H. Collection of Unassisted Comparable Units

Data for comparable units may be collected from the following sources:

- Onsite visits
- Real estate, Landlord/real estate investor groups, property managers
- Any publication with real estate ads
- Available Census Reports for the most recent years
- Various Internet sources
- Multiple Listing Service
- Newspaper ads followed by owner/agent interviews
- Owner/agent questionnaires
- Apartment and home rental guides
- Fair Housing groups
- Government sources
- Other method

I. Calculation of the Recommended Reasonable Rent

The EZ-RRD System automatically calculates the Recommended Reasonable Rent figure and prints that figure on the EZ-Reasonable Rent Determination Report (RRD). The Recommended Rent figure is determined through two automated calculations. First, The Average Rents of Comparables is divided by the Average Value of Comparables to obtain the average dollar value per value point of the comparable units. Second, this average dollar value is multiplied by the unit to be assisted value points to obtain the recommended rent.

The staff performing the RRD compares the Recommended Reasonable Rent figure with the Unit to be Assisted Rent figure. If the recommended rent is equal or higher than the unit to be assisted rent, the requested rent is reasonable. The staff person marks "YES" on the RRD.

If the Recommended Rent is lower than the Unit to be Assisted rent, the request rent is not reasonable. The staff checks "NO" on the RRD and follows the process for unreasonable rent requests.

APPENDIX C: FAMILY UNIFICATION PROGRAM

HUD's Family Unification Program (FUP) is a program that facilitates access to housing and supportive services through agency collaboration. FUP provides housing choice vouchers (HCVs) to two populations: (1) families for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child or children in out-of-home care, or the delay in the discharge of the child or children to the family from out-of-home care, and (2) youths at least 18 years old and not more than 24 years old who left foster care at age 16 or older and who lack adequate housing.

A. Public Child Welfare Agencies (PCWAs)

The PHA administers FUP in partnership with PCWAs who are responsible for referring the FUP families and youths to the PHA for determination of eligibility for housing assistance. In addition to rental assistance, supportive services must be provided by the PCWA to FUP youths for the entire 18 months in which the youth participate in the program. Examples of the skills targeted by these services include money management skills, job preparation, educational counseling, and proper nutrition and meal preparation. Although not required by the program, PCWAs frequently provide supportive services to FUP families as well.

B. FUP Eligibility Requirements

To be eligible for FUP, applicants must meet specific FUP eligibility requirements as well as HCV eligibility requirements.

1. Families:

- a. The PCWA will certify that the family for whom the lack of adequate housing is a primary factor in either the:
 - 1) Imminent placement of the family's child or children in out-of-home care or,
 - 2) Delay of discharge of a child or children to the family from out-of-home care.
- b. Lack of adequate housing for a family is:
 - 1) Living in substandard or dilapidated housing.
 - 2) Homeless.
 - 3) In imminent danger of losing their home.
 - 4) Displaced by domestic violence.
 - 5) Living in an overcrowded unit.
 - 6) Living in housing not accessible to the family's disabled child or children.

2. Youth

- a. The PWCA will certify that the youth is at least 18 years old and not more than 24 years old (has not reached his/her 25th birthday), that he/she left foster care at age 16 or

older or will leave foster care within 90 days, in accordance with a transition plan, and is homeless or at risk of homelessness.

- b. At risk of homelessness for a youth is:
 - 1) Has an annual income below 30% of the median household income for the area, as determined by HUD;
 - 2) Does not have sufficient resources or support networks, e.g., family, friend, faith-based or other social networks, immediately available to prevent them from moving to an emergency shelter or another place; and
 - 3) Meets one of the following conditions:
 - a) Has moved because of economic reasons two (2) or more times during the 60 days immediately preceding the application for homelessness prevention assistance;
 - b) Is living in the home of another because of economic hardship;
 - c) Has been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance; Living in a hotel or motel and the cost of the hotel or motel stay is not paid by charitable organizations or by federal, state, or local government programs for low-income individuals;
 - d) Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two (2) persons or lives in a larger housing unit in which there reside more than 1.5 persons reside per room, as defined by the U. S. Census Bureau;
 - e) Is exiting a publicly funded institution or system of care (such as a health care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or
 - f) Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness.
 - 4) The youth may also be at risk of homelessness if the youth meets the definition of homeless under other federal programs.

C. HCV Eligibility Requirements

The PCWA certifies and refers the family or youth to the PHA.

1. Income Eligibility

- a. The PHA determines income eligibility of the family

- b. Income eligibility is determined based on the gross annual income and family size compared with the HUD-established income limits for the area.
 - c. The family's or youth's income may not exceed 50% of the very low-income limit for the PHA's jurisdiction.
 - d. The PHA is still required to meet its income targeting requirement for the HCV program.
2. Other Eligibility Requirements
- a. PHA's definition of family
 - b. U.S. citizenship and eligible immigration status
 - c. Mandatory disclosure of social security number
 - d. Restriction of students of higher education
 - e. PHA Screening
 - 1) Criminal Background Checks

Vouchers used by youth are limited, by statute, to 36 months of housing assistance. There is no time limitation on FUP family vouchers.

APPENDIX D: Mainstream Voucher Program

Mainstream Vouchers (formerly known as Mainstream 5-Year Vouchers or Section 811 Vouchers) are tenant-based vouchers that assist households that include a non-elderly person with disabilities, defined as any family that includes a person with disabilities who is at least 18 years old and not yet 62 years old at the effective date of the initial Housing Assistance Payment (HAP) Contract.

The PHA will administer forty (40) Mainstream Vouchers in accordance to the Fair Housing Act of 1937 (FHA), Section 504 of the Rehabilitation Act of 1973 (Section 504), the Americans with Disabilities Act (ADA), the Department of Housing and Urban Development (HUD), the Code of Federal Regulations, and state and local laws.

A. Program Policies

Mainstream Vouchers are regulated under the same program policies and requirements as regular tenant-based vouchers.

1. The same regulations at 24 CFR Part 982 apply to Mainstream Vouchers.
2. Federal nondiscrimination laws and requirements apply, including requirements regarding nondiscriminatory eligibility criteria, and obligations to provide reasonable accommodations for persons with disabilities.

3. The PHA will not treat families that receive a Mainstream Voucher differently from other applicants or participants in the HCV program.

B. Waiting List Requirement

The PHA will provide a public notice when the PHA opens its waiting list.

1. The PHA will maintain one waiting list for all tenant-based voucher assistance, which includes the Mainstream Voucher assistance. The PHA will not have a separate waiting list for Mainstream Voucher assistance.
 - a. The PHA will choose the first Mainstream-eligible applicant family from its tenant-based waiting list when issuing a Mainstream Voucher.
 - b. The PHA will not reassign existing participants of the HCV program to the Mainstream Voucher program in order to make a regular tenant-based voucher available.
2. The PHA may adopt criteria defining which applicant families may apply for assistance when opening the waiting list.
3. The PHA may open its waiting list solely for applicants that meet a specific target group.
4. The PHA will accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance because of action or inaction by members of the family).

C. Waiting List Update

The PHA will update the entire existing waiting list to determine if current applicants on the waiting list meet the eligibility criteria for Mainstream Vouchers and the Mainstream Voucher preferences. The PHA will update the waiting list using the following steps:

Step 1: The PHA will send out letter to all applicants on the current waiting list to identify:

1. If there are any household members who are non-elderly persons with disabilities; and
2. If the household qualifies for the Mainstream Voucher preferences.

Step 2: The PHA will update the waiting list order based on new information on preferences and the PHA's specific policies for how to apply preferences.

Step 3: The PHA will begin pulling families from waiting list, beginning with the first Mainstream-eligible family on the HCV tenant-based waiting list.

D. Selection from the Waiting List

The PHA will select the next applicant family on the waiting in accordance to the PHA's selection policies.

1. The PHA will not skip over a Mainstream-eligible family because the PHA is currently serving the required number of Mainstream Voucher families.
2. If the PHA has leased all its Mainstream Voucher families and is ready to lease regular tenant-based vouchers, and the next applicant family on the PHA's waiting list is eligible for the Mainstream Voucher, the PHA will not skip over the Mainstream eligible applicant but issue the applicant a regular tenant-based voucher.

E. Preferences

The PHA may establish local preferences for applicant placement on and selection from of the PHA's waiting list.

1. The admissions preference requirements for Mainstream Vouchers are the same for regular tenant-based vouchers, including providing public notice that the waiting list is open.
2. The PHA may limit the number of applicants who may qualify for any local preference.
3. The PHA may open its waiting list solely for applicants that meet the Mainstream Voucher subgroup of non-elderly persons with disabilities who are:
 - a. Homeless;
 - b. At risk of becoming homeless; or
 - c. Previously homeless and currently in a permanent supportive housing or rapid rehousing project.
4. Preferences have equal weight and families will be selected according to date and time of application.

F. Turnover Mainstream Vouchers

The PHA must reissue all Mainstream turnover vouchers to the next Mainstream-eligible family on the PHA's waiting list.

1. A turnover occurs when a family receiving Mainstream Voucher assistance leaves the program.
2. The PHA will determine if there are families on the waiting list that include at least one non-elderly (at least age 18 and not yet 62 years of age) person with disabilities that qualify for Mainstream Voucher assistance.
3. If a Mainstream turnover voucher becomes available, the PHA must determine if the family at the top of the waiting list qualifies for a Mainstream Voucher.

G. Portability and Mainstream Vouchers

Mainstream Voucher families have the opportunity to utilize their portability option.

1. If a Mainstream Voucher family ports out and the receiving PHA chooses to bill the initial PHA, the voucher will remain a Mainstream Voucher.
2. If a Mainstream Voucher family ports out and the receiving PHA chooses to absorb the family into their program, the voucher will be considered a regular voucher or a Mainstream Voucher if the receiving PHA has a Mainstream Voucher available, and the Mainstream Voucher at the initial PHA will be free to lease to another Mainstream-eligible family.

H. IMS/PIC Reporting

The PHA will enter timely and accurate information to HUD using form HUD-50058 no later than sixty (60) calendar days from the effective date of the action.

1. All Mainstream Voucher families will be coded on line 2n (Other special programs) on the form HUD-50058 as MS5.
2. In cases of portability, if the PHA is the initial PHA, the PHA must code the Mainstream Voucher port-out family as MS5 on the form HUD-50058, as applicable.
3. If the PHA is the receiving PHA, the PHA must maintain the MS5 code on line 2n on the form HUD-50058 for the duration of the family's participation in the Mainstream Voucher program if the PHA is billing the initial PHA.
4. The PHA should not code more families than the number of Mainstream Vouchers awarded.
5. The PHA must enter line 4c (Homeless admission? (Y or N)) on the form HUD-50058 to accurately report whether the family being admitted to the PHA's Mainstream Voucher program was homeless at the time of admission.

I. Age Out

Once eligible, the participants do not "age out" of eligibility.

For existing families receiving Mainstream Voucher assistance, where the eligible family member is now age 62 years old or older, will not age out of the Mainstream Voucher Program as long as the family was eligible on the day the family was first assisted under a HAP contract.

DEFINITIONS

Abatement

Stopping HAP to an owner with no potential for retroactive payment.

Absorption

In portability, the point at which the receiving PHA stops billing the initial PHA for assistance on behalf of a portability family and starts making assistance payments with funding under its consolidated ACC.

Accessible

When used with respect to the design, construction, or alteration of a facility or a portion of a facility other than an individual dwelling unit, means that the facility or portion of the facility when designed, constructed, or altered, can be approached, entered, and used by individuals with physical disabilities. The phrase "accessible to and usable by" is synonymous with accessible.

When used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route, and when designed, constructed, altered, or adapted, can be approached, entered, and used by individuals with physical disabilities.

A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in 24 CFR, Part 8, Section 8.32, is "accessible" within the meaning of this paragraph.

When a unit in an existing facility which is being made accessible as a result of alterations is intended for use by a specific qualified individual with disabilities (e.g., a current occupant of such unit or of another unit under the control of the same recipient, or an applicant on a waiting list), the unit will be deemed accessible if it meets the requirements of applicable standards that address the particular disability or impairment of such person.

Accessible Route

A continuous unobstructed path connecting accessible elements and spaces in a building or facility that complies with the space and reach requirements of applicable standards prescribed by 24 CFR, Part 8, Section 8.32.

An accessible route that serves only accessible units occupied by persons with hearing or vision impairments need not comply with those requirements intended to affect accessibility for persons with mobility impairments.

Actual and Imminent Threat

Refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual

and imminent threat, the factors to be considered include: The duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Adaptability

The ability of certain elements of a dwelling unit, such as kitchen counters, sinks, and grab bars, to be added to, raised, lowered, or otherwise altered, to accommodate the needs of persons with or without disabilities, or to accommodate the needs of persons with different types or degrees of disability.

For example, in a unit adaptable for a hearing-impaired person, the wiring for visible emergency alarms may be installed, but the alarms need not be installed until such time as the unit is made ready for occupancy by a hearing-impaired person.

Adjusted Income

Annual income less allowable HUD deductions and allowances means annual income (as determined under § 5.609) of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:

- Mandatory deductions.
 - \$480 for each dependent, which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25;
 - \$525 for any elderly family or disabled family, which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25;
 - The sum of the following, to the extent the sum exceeds ten percent of annual income:
 - Unreimbursed health and medical care expenses of any elderly family or disabled family; and
 - Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with a disability, to the extent necessary to enable any member of the family (including the member who is a person with a disability) to be employed. This deduction may not exceed the combined earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
 - Any reasonable childcare expenses necessary to enable a member of the family to be employed or to further his or her education.
